Can a curse strike twice in a woman's life? In 1854, seventeen-year-old chambermaid Clara Crofton was dismissed from Gravesend Hall for having fallen in love with Richard Blackwood, the younger son of the house. Alone in the world, Clara found a tenuous position as a seamstress, but she always blamed the Gravesend curse for the disaster that had befallen her-and for Richard's death soon after in the Crimean War. A proposal... Now, more than eighteen years later, Richard's twin, Atticus, seeks out Clara with a strange proposal: if she will marry him and live with him as his wife in name only to ease the mind of his dying father, Atticus will then endow her with a comfortable income for the rest of her life. Clara knows that he is not disclosing his true motives, but when she runs out of options for an independent life, she has no choice but to become Atticus's wife. A deception... For Clara, returning to Gravesend as a bride brings some triumph... but also great unease. Not only must she pretend to be a wellborn lady and devoted wife to a man whose face is a constant reminder of the love she lost, but ominous portents whisper that her masquerade brings grave danger. "This house will take from you what you most treasure," her mother once warned her. But the curse has already taken the man Clara loved. Will it now demand her life? Readers who enjoyed DeWees's award-winning sweet historical gothic romance *Sea of Secrets*, as well as those who love traditional gothic romance and clean historical romance alike, will be captivated by this strong yet vulnerable new heroine and her suspenseful journey through the perils of heartbreak, danger, and love. Author Jess McCann spent over a decade investigating the reason why so many smart, attractive people suffer repeating, negative patterns. What she found was the startling revelation that men and women who struggle to develop or maintain a happy relationship all have one thing in common: they are unknowingly stuck in a habit of self-focused thinking. In a time where people are advised to concentrate more on themselves in order to gain happiness and love, McCann astutely lays out a different and more sustainable path to those goals. "If Love Is A Blessing, Why Do I Feel Cursed?" shines a light on the 5 self-focused thought habits that sabotage love and the practices needed to rid and reframe them.

Their love for music sparked a curse... Lark Espinoza could get lost in her music-and she's not so sure anyone in her family would even care to find her. Her trendy, party-loving twin sister and her mother-come-lately Beth, who's suddenly sworn off men and onto homemaking, don't understand her love of cassette tapes, her loathing of the pop scene, or her standoffish personality. For outcast Lark, nothing feels as much like a real home as working at Bubble's Oddities store and trying to attract the attention of the cute guy who works at the Vinyl shop next door-the same one she traded lyrical notes with in class. Auden Ellis silences the incessant questions in his own head with a steady stream of beats. Despite the unconditional love of his aunt-turned-mother, he can't quit thinking about the loss of his

parents-or the possibility he might end up afflicted with his father's issues. Despite his connection with lyric-loving Lark, Auden keeps her at arm's length because letting her in might mean giving her a peek into something dangerous. When two strangers arrive in town, one carrying a mysterious, dark object and the other playing an eerie flute tune, Lark and Auden find that their painful pasts have enmeshed them in a cursed future. Now, they must come to terms with their budding attraction while helping each other challenge the reflection they see in the mirror. If they fail, they'll be trapped for eternity in a place beyond reality. Perfect for fans of *Stranger Things* and *Pretty in Pink*. Set in 1985, *Lyrics & Curses* is full of nostalgia, romance, mystery, and a story like no other.

This literary biography is “a story of obsession and the search for pure childhood . . . Moving, charming, a revelation” (Los Angeles Times). J. M. Barrie, Victorian novelist, playwright, and author of *Peter Pan*, or *The Boy Who Wouldn't Grow Up*, led a life almost as interesting as his famous creation. Childless in his marriage, Barrie grew close to the five young boys of the Davies family, ultimately becoming their guardian and surrogate father when they were orphaned. Andrew Birkin draws extensively on a vast range of material by and about Barrie, including notebooks, memoirs, and hours of recorded interviews with the family and their circle, to describe Barrie's life, the tragedies that shaped him, and the wonderful world of imagination he created for the boys. Updated with a new preface and including photos and illustrations, this “absolutely gripping” read reveals the dramatic story behind one of the classics of children's literature (Evening Standard). “A psychological thriller . . . One of the year's most complex and absorbing biographies.” —Time “[A] fascinating story.” —The Washington Post

J M Barrie and the Lost Boys

A few minutes before my wife died, I found myself wishing for time to resolve our two issues, which we hadn't talked about. Falling in the bathroom and breaking her hip was one. She felt I should have run into the bathroom and saved her. I was not prepared to save her psychologically and didn't have time. The other issue was a rape eighteen months before at the city swimming pool in the dressing room. My lady was a young seventy-six years old with Hepatitis C and blind. She had no strength to defend herself from a large and muscular woman, assaulting her because of a failed friendship. I might have hurried to save her from falling, and I did not take her trauma from her with love and through Jesus Christ. I was inhibited and failed her in her fall. I would have no freedom to live on if we hadn't been saved by Christ by the understanding I carried in my face. I sat down near her and prayed for Jesus Christ to come into my sorrow in my face. My lady opened her blind eyes and saw my feelings with Christ of sorrow and smiled instantly, twice, with a huge happiness that I'd never seen in her for over forty-five years of marriage. It was a smile of goodness and happiness, that she gave me an image of my wife ten years earlier, when she hadn't experienced rape. I thank my lady and Jesus for giving us this wonderful ending to her life and the resolution of our conflicts.

Can their love overcome the curse this time?

A World of Lost Love

Winner of the 2015 Daphne du Maurier Award for published historical romantic suspense! Can a curse strike twice in a woman's life? In 1854, seventeen-year-old chambermaid Clara Crofton was dismissed from Gravesend Hall for having fallen in love with Richard Blackwood, the younger son of the house. Alone in the world, Clara found a tenuous position as a seamstress, but she always blamed the Gravesend curse for the disaster that had befallen her—and for Richard's death soon after in the Crimean War. A proposal... Now, more than eighteen years later, Richard's twin, Atticus, seeks out Clara with a strange proposal: if she will marry him and live with him as his wife in name only to ease the mind of his dying father, Atticus will then endow her with a comfortable income for the rest of her life. Clara knows that he is not disclosing his true motives, but when she runs out of options for an

independent life, she has no choice but to become Atticus's wife. A deception... For Clara, returning to Gravesend as a bride brings some triumph... but also great unease. Not only must she pretend to be a wellborn lady and devoted wife to a man whose face is a constant reminder of the love she lost, but ominous portents whisper that her masquerade brings grave danger. "This house will take from you what you most treasure," her mother once warned her. But the curse has already taken the man Clara loved. Will it now demand her life? Readers who enjoyed DeWees's award-winning sweet historical gothic romance *Sea of Secrets*, as well as those who love traditional gothic romance and clean historical romance alike, will be captivated by this strong yet vulnerable new heroine and her suspenseful journey through the perils of heartbreak, danger, and love. Length: about 102,000 words ~ Sensuality level: sweet/mild/kisses Includes book club discussion questions From the author: I grew up loving the traditional gothic romances of Victoria Holt, Mary Stewart, Daphne du Maurier, and Barbara Michaels... and of course their classic Victorian prototype, Charlotte Brontë's *Jane Eyre*. The combination of romance, mystery, sinister atmosphere, and (often) a fascinating historical setting addicted me. At the same time, there's a kind of innocence to them, perhaps a throwback to the "Beauty and the Beast" fairy tale, which seems to echo through the classic gothic romance plot. If you enjoy the suspense and romantic sweep of gothic novels—or if you're looking for a sweet historical romance that you won't have to hide when your kids (or parents) walk into the room—*With This Curse* may be just the kind of novel you'll enjoy curling up with on a rainy afternoon or chilly evening!
