Passive Income: Ultimate Guide to Make Money Online and Financial Freedom

This book contains proven steps and strategies on how to enjoy endless streams of passive income online. The holy grail of personal finance is the creation of genuine and recurring passive income. Not

all passive income are created equally. Some streams of passive income require much more initial effort to get it off the ground, like creating an app, or building a site. Understand that everything passive must first take active energy; active effort and input. The time to put in the effort is at the early stage of the business; when it's been set up. But once you begin it's very difficult not to gain both speed and direction, and after that you can continue to earn limitlessly. The goal is to make the initial effort to create streams of income that will keep rolling in even if we do nothing at all; passive income that could later totally replace your day job. As always, the interwoven relationship between money, time and freedom of choice is greatly displayed in passive income generation. With passive income you have the sexy opportunity of making more money without any severe increase in your workload and you eventually enjoy free time to do what you want to, instead of what you have to. In this book you will learn: What Passive Income Is Not What Online Business Entails Benefits of Passive Income Web Marketing Maximizing Business Platforms Dealing in Creatives Rendering of Services

Work from Home

Are you tired working far from home or looking for a gig to earn you extra money? There is a plethora of opportunities available for those who want to work from home especially the stay-home-moms. You probably went to school and had earned a degree; you spent sleepless nights working on your

education so that you could further your career. Unfortunately, motherhood demands much from you, and you decide to quit your 9-5 job, or your boss is stressing you, or even the job you got does not make you happy. Regardless of your gender, age or skin or height, today's economy does not cut anybody any slack. Bills have to be paid, and you have to feed and dress your children and yourself. SO, is it possible to have a profitable and fruitful career while working at home? Well, the answer is YES! Only if you balance your life. With your professional background, experience and determination this is achievable. If you probably did not manage to get a degree, that doesn't mean you should give up. Not at all! Fear should not hold you back that your skills are not honed enough to turn them into viable dreams, relax! It's not utterly necessary to have a distinct set of skills to be able to work from home. You have as many opportunities as those with degrees do; often they seek a different type of jobs out of the available pool of jobs. This book has been curated to help you work comfortably from home. We will see the different careers you could take while working from home, the advantages as well as the disadvantages of working from home and how to set up a routine that will help you manage your time wisely. I invite you to grab a copy of this book and change your perspective of working from home.

The Ultimate Guide to Making Money Online

Want to know the secret to making real money online? Guess what? It has nothing to do with taking surveys for pennies and it's not another MLM ploy. You don't even have to sell anything. Making money online is about two things: Having a skill and finding people who will pay you for them. Online freelancing is the way of the future. This book will show you exactly how to turn your passion into a freelance brand that commands top dollar. The best part is, you don't need to build a website or spend money on marketing. By leveraging your unique talents, you can start making real money online. Imagine never having to open your bank app to see how much money you have left. Or being able to leave your boring 9 to 5. Even if you just want to earn some vacation money, freelancing will let you do all of that and more -- if you do it right. Ultimate Guide to Making Money Online will show you exactly how to: Identify marketable skills you can use to make money. Build your professional online brand. Find good paying clients. Create an online presence that draws in the dollars. Grow your brand and earn more for years to come. This book is your first step to making money online. You've been looking for a real way to make money online. Why wait any longer? Scroll up and get your copy today.
