

Stability And Change In Revolutionary Pennsylvania Banking Politics And Social Structure

[#revolutionary pennsylvania banking](#) [#pennsylvania banking history](#) [#18th century american politics](#) [#social change revolutionary era](#) [#early american finance](#)

Delve into the complex interplay of financial institutions, political power, and societal shifts during Pennsylvania's Revolutionary era. This analysis examines the forces of stability and change that shaped banking practices, government policies, and the underlying social structure in a period of profound upheaval.

We collaborate with academic communities to expand our research paper archive.

Israel, Palestine, Hamas charters, Noam Chomsky, E. Said, colonialism, free speech (w Aviva Chomsky) - Israel, Palestine, Hamas charters, Noam Chomsky, E. Said, colonialism, free speech (w Aviva Chomsky) by India & Global Left 24,483 views 5 days ago 1 hour, 30 minutes - Link for donation: <https://paypal.me/sankymudiar> Become friends of the show by joining the channel: ...

Intro

Campaign focused on stopping illegal settlements in Cisjordania through educational initiatives. Growing cultural shift towards avoiding offense and viewing challenges to ideas as threatening and dangerous.

Israel denied entry to Palestine with father Noam Chomsky.

Reflection on displacement, refugees, and the right to return in the Middle East and India.

Discussion on the concept of colonialism in relation to Israel and Palestine.

Colonial legacy in the US, migration to Indian Territory, racial affinity with Israel.

Discriminatory policies in Israel towards Palestinians compared to other settler colonies post-World War II.

Advancements in warfare technology have led to increased capacity for mass destruction in conflicts like the one in Palestine.

Origins of the term terrorism in South Asia as resistance to British colonial policies and portrayal of indigenous tribes as criminals.

Discussion on freedom for Palestinians, misinterpretation of Hamas charter, and antisemitism.

US commitment to eliminate Palestinian narrative, promotion of Abraham Accords, Hamas attacks

not due to antisemitism.

Shift in Israeli left towards blaming Netanyahu for conflict with Hamas, rather than occupation.

Concerns raised by human rights organizations

The Employee Millionaire - Personal Workbook

A No-nonsense real estate investment workbook for the employee side hustler tired of the 9-5 looking for a practical step-by-step process to build wealth while they work An A to Z guide on how to acquire a portfolio of rental properties that will build wealth with every month that passes. Anyone considering investing in rental properties should begin by reading this book."- RICHARD DUNCAN, Author, Economist and Publisher of Macro Watch."To help you obtain financial freedom while reducing risk, read The Employee Millionaire - an enabling guide to achieving your goals through discipline and great self-leadership."- BRENDA BENCE, Award-Winning Author and Top 10 Executive Coach worldwide.I can strongly recommend this book to every person (employee) starting out in life and wishing to know basics of personal financial planning. It's an easy read, with simple lessons and easy-to-apply tools."NANDU NANDKISHORE, Fortune 100 CEO. Former CEO Nestlé Nutrition. Angel Investor. "The Employee Millionaire offers a proven methodology for creating wealth through real estate."- THEDA DAVIDS-MULLER, UAE Advisor, Mentor, Visionary EntrepreneurIn 2008, thousands of people lost their jobs...For H.J. Chammas, it was a wake up call to escape the financial uncertainty of a paycheck to paycheck struggle of being an employee...It was time for Chammas time to take charge of his life...Chammas, took charge of an uncertain financial future by investing in rental properties while he was still working...He soon ditched the day job and went from employee to millionaire real estate investor. In this workbook he brings you the step-by-step processes he used to build his investment property fortune, while working! How Can This Workbook Help Me? In this detailed workbook you'll work through step-by-step processes to plan your real estate investing strategy. Learn how to:- evaluate the current state of your finances;- overcome limiting beliefs about money and investing;- set personal objectives to achieve financial freedom; and- think and operate like a seasoned real estate investor. How Is This Book Different If you plan on buying, owning, and managing rental properties, you'll get a practical step-by-step plan that you won't find in other books. From identifying and closing deals, getting approved for loans, renting out properties, dealing with tenants, and capitalizing on opportunities, this book will challenge how you've always looked at life, finances, investments, and real estate. Every other book out there is for those already with experience in real estate investing...This book is different because it will give you all the steps you need, regardless, if this is the first time you've considered buying an investment property, or you have just considered rental property investing as a way to build wealth.

The Employee Millionaire

When the financial crisis erupted in 2008, thousands of people lost jobs they thought they'd always have to sustain their standard of living. For H. J. Chammas, it was a wake-up call to escape struggling to make ends meet. It was time to take charge of his life and stop acting like a lab rat following a set program. In this detailed guidebook to buying, owning, and managing rental properties, he gives readers a plan that you won't find in other books. Instead of promoting foolish risks, he helps you leverage your position as an employee to achieve financial freedom. Learn how to: • evaluate the current state of your finances; • overcome limiting beliefs about money and investing; • set personal objectives to achieve financial freedom; and • think and operate like a seasoned real estate investor. Chammas shares real-life examples that will help you build a personalized investment blueprint to build your rental property portfolio and become wealthy. From identifying and closing deals, getting approved for loans, renting out properties, dealing with tenants, and capitalizing on opportunities, this book will challenge how you've always looked at life, finances, investments, and real estate.

Retail Employee Millionaire in a Year Challenge

This is a personal growth and personal success workbook for the employee worker who wants to venture into business and investing. How can i be a millionaire? This is it! All books (book one to book seven) are part of this same journey and contain the exact same content. It is the same principle that you will keep working on. With the use of this series of making a million in one year, making money even as a teenager or younger becomes less complicated.

The Employee Millionaire Real Estate Investor

A No-nonsense real estate investment book for the employee side hustler tired of the 9-5 looking for a practical step-by-step process to build wealth and cash flow through real estate. When the financial crisis erupted in 2008, thousands of people lost jobs they thought they'd always have to sustain their standard of living. For H. J. Chammas, it was a wake-up call to escape the financial uncertainty of a paycheck to paycheck struggle of being an employee. It was time to take charge of his life by investing in rental properties while he was still working. He soon became financially free and went from employee to millionaire real estate investor. In this book, he brings you the step-by-step processes he used to build his investment property fortune, while working! In this detailed guidebook to financing, buying, owning, and managing rental properties, you'll work through step-by-step processes to plan your real estate investing strategy. Instead of promoting foolish risks, he helps you leverage your position as an employee to achieve financial freedom. Learn how to: evaluate the current state of your finances; overcome limiting beliefs about money and investing; set personal objectives to achieve financial freedom; and think and operate like a seasoned real estate investor. If you plan on buying, owning, and managing rental properties, you'll get a practical step-by-step plan that you won't find in other books. From identifying and negotiating deals, getting approved for loans, creative financing, renting out properties, dealing with tenants, and property management, this book will challenge how you've always looked at life, finances, investments, and real estate. Every other book out there is for those already with experience in real estate investing. This book is different because it will give you all the steps you need, regardless, of whether this is the first time you've considered buying an investment property, or you have just considered rental property investing as a way to build wealth. It shares real-life examples that will help you build a personalized investment blueprint to build your rental property portfolio and become wealthy.

Weekend Millionaire Mindset

Packed with fascinating anecdotes taken from the lives of millionaire entrepreneurs, this book will inspire, energize, and motivate while arming readers with practical advice and guidance.

Millionaire Strategies

You have probably heard your whole life that if you read the right book you can get motivated and develop a millionaire mindset. We all know that motivation is what drives us but since there are millions of motivational books how do we know which one is the right one? There is a combination of external and internal motivating factors in our lives. The internal motivation has been proven to be far more effective. What motivates one person may not be what motivates the next, because we are all unique. That is the biggest thing to remember when trying to understand internal motivation and attempting to change your life. To become a millionaire, you must be a millionaire who thinks like a millionaire, who has what a millionaire has, in order to take the inspired action that a millionaire takes. I prepared 30 tasks and put them together into this workbook to help you shift your mind. Some will seem harder to complete than the others so remember to stay open minded and have fun!

How to Become a Millionaire

A guide to personal finance presents a series of investment strategies designed to generate large returns, even for those with modest incomes.

Millionaire Upgrade

Inspired by the true story of a flight with Sir Richard Branson, *Millionaire Upgrade* blows the lid off the accepted belief that successful entrepreneurs are a breed apart, possessing some special magic. Through the combined wisdom of interviews with 50 self-made millionaire entrepreneurs, this book takes you on your own personal master class in success, as experienced through the eyes of Tom, a frustrated employee who is upgraded on a long haul flight, and finds himself sitting next to self-made millionaire Michael. During the flight Michael shares the science and secrets behind his own success. Better than any in-flight movie, *Millionaire Upgrade* gets you inside the minds of successful entrepreneurs and self-made millionaires giving you the inside track on how they think and act. Praise for *Millionaire Upgrade*: "It took me a long time to learn this stuff—I wish I'd been on that plane 30 years ago!" —Simon Woodroffe - YO! Sushi & Dragons Den "The principles of success apply equally whether you are an aspiring entrepreneur, chief executive of a large plc or simply looking for inspiration for your own personal life. Here's where you start, by reading this book." —Allan Leighton - Chairman, Royal Mail "If you want a toolkit to help you become a successful entrepreneur, read this book. Then put it into practice." —Duncan Bannatyne - Bannatyne Leisure & Dragons Den "Everything in business is a learning experience. I should know! I'd recommend all would-be entrepreneurs to read this book and be inspired to boldly set out on your own entrepreneurial journey. You won't regret it." —Rachel Elnaugh – Red Letter Days and Dragons' Den "It is refreshing to find a book that describes the key difference between the entrepreneur and the rest – attitude. So often in life a cigarette paper's thickness separates success from failure and Richard has written a book that perfectly captures this and suggests a way of thinking that can transform the tin of dog food into a thoroughbred racehorse." —Tim Smit - Eden Project "Millionaire Upgrade captures the essence of what it takes to be successful in anything you choose to do. The rules of success are timeless and simply explained so you can apply them in your own business or personal life." —BJ Cunningham - Founder of Death Cigarettes "In *Millionaire MBA*, Richard decoded entrepreneurs and unpicked their millionaire mindset. With *Millionaire Upgrade*, he has put it all back together again through *IBELIEVE* and a compelling story. Very clever and a must read for any budding entrepreneur!" —Rene Carayol - Leadership Guru "It takes a certain mindset to succeed in creating your own business. This book spells out how you need to think and act to succeed – whether you are an entrepreneur or a professional manager. It's a great read too." —Matthew Barrett - Chairman, Barclays Bank

The Millionaire's \$ Manual (A Workbook for Wealth)

Become financially fit and strong by using the millionaire success daily practice.

The Millionaire in Me

The International Bestseller New York Public Library's "Top 10 Think Thrifty Reads of 2023" "This book blew my mind. More importantly, it made financial independence seem achievable. I read Financial Freedom three times, cover-to-cover." —Lifehacker Money is unlimited. Time is not. Become financially independent as fast as possible. In 2010, 24-year old Grant Sabatier woke up to find he had \$2.26 in his bank account. Five years later, he had a net worth of over \$1.25 million, and CNBC began calling him "the Millennial Millionaire." By age 30, he had reached financial independence. Along the way he uncovered that most of the accepted wisdom about money, work, and retirement is either incorrect, incomplete, or so old-school it's obsolete. Financial Freedom is a step-by-step path to make more money in less time, so you have more time for the things you love. It challenges the accepted narrative of spending decades working a traditional 9 to 5 job, pinching pennies, and finally earning the right to retirement at age 65, and instead offers readers an alternative: forget everything you've ever learned about money so that you can actually live the life you want. Sabatier offers surprising, counter-intuitive advice on topics such as how to: * Create profitable side hustles that you can turn into passive income streams or full-time businesses * Save money without giving up what makes you happy * Negotiate more out of your employer than you thought possible * Travel the world for less * Live for free--or better yet, make money on your living situation * Create a simple, money-making portfolio that only needs minor adjustments * Think creatively--there are so many ways to make money, but we don't see them. But most importantly, Sabatier highlights that, while one's ability to make money is limitless, one's time is not. There's also a limit to how much you can save, but not to how much money you can make. No one should spend precious years working at a job they dislike or worrying about how to make ends meet. Perhaps the biggest surprise: You need less money to "retire" at age 30 than you do at age 65. Financial Freedom is not merely a laundry list of advice to follow to get rich quick--it's a practical roadmap to living life on one's own terms, as soon as possible.

Financial Freedom

Have you decided to become the extra-ordinary you? Millionaire Success Habits: Your Fourth 90 Day Financial Fitness Workbook is where the wealthy anonymous have uncovered their most effective habits that helped them to attain the success heights they currently enjoy. Anchoring from their experience as well as the practices of the wealthy that they know, they have compiled the routines you need to get your desired outcome. Your habits have a say on your results. The habits in this book if used will change your life for the good and for the long run if continually practiced. Adopt the pattern of using the simple principle of this book and you win. Millionaire Success Habits is a workbook that you can use as a personal goals vehicle designed to specifically take you from where you are in life, to where you want to be by using an easy strategy known as "Your Millionaire Success Practice" daily routine. Millionaire Success Habits: Your 90 Day Financial Fitness Workbook does not believe in the magic bullet nor does it use any "get rich quick" tactics. You will walk the path of creating your own opportunities and becoming the person you want to be. No matter what your goals are, this book will help you to achieve them. Now is the right time to create the life you have always wanted. Millionaire Success Habits compels you to adapt a new personal culture that may just separate you from everyone else around you. You will now become more focused and your mornings will be different. Millionaire Success Habits compels you to: * Start your days with thankfulness * Set daily goals and achieve them * Reach all your goals with happiness * Correctly set goals based on your values * Create happiness and satisfaction in all areas of your life * Acquire everything you want and never have to settle If life is really how you make it, how will you make yours?

Take control of your life now and get on the path that leads to success with The *Millionaire Schedule Workbook*. The fruit of success awaits you.

The Millionaire Schedule Workbook

Here's what, Marshall Sylver, "author of "Passion, Profit, and Power" says: "Is your life and everything you want worth 7 minutes per day to you? The mind is a muscle and like all muscles it must be stretched and exercised. In this book The 7 Minute Millionaire Tony Neumeyer lays down in easy to understand terms how you can create PPM's or Personal Programming Messages that will positively impact you all day long. I know this works because these strategies took me from poor farm boy to self-made multi-millionaire. You will love the book. Even better you will love your new life once you put this book into practice." ----- How to Think Yourself Rich; is that really possible? What does it mean? First, it means creating the life you desire and have always wanted. The 7-Minute Millionaire - How To Think Yourself Rich, gives you the exact methodology used by the author to create and earn millions of dollars. Tony Neumeyer came from humble beginnings, and in his early twenties, went into real estate sales and development. Due to a significant market reversal, he was forced into a devastating bankruptcy, but Tony bounced back, and grew a fortune using what he lays out in his book. Wherever you are in your life, the step by step unique strategies in the pages of The 7-Minute Millionaire will help you to create whatever it is you are after. Business, financial, personal relationships, health goals, and more, are all achievable using this simple method. Using the focused techniques laid out in this book creating success habits, he doubled his real estate sales in a year, while creating a multimillion-dollar business at the same time. You may have some gotten into some bad habits in life, but it is important to know you can create good habits as well; habits of success that will create the life and financial status you choose. But this is not a book of fluff; be prepared to do some work. Chapter one, "Who's In Charge Anyway?" will begin by asking you to do the first of a series of practical exercises, designed to build upon each other through a process that will lead you to the point of creating your own Personal Programming Message (PPM). This will be the foundation of creating everything you want in your life. Later, in chapter eight, you will discover that no matter what business, job, or circumstance you are in, "The Razor's Edge Reality" will not only virtually eliminate your competition, it will help you to realize there isn't any competition to concern yourself with in the first place. Tony's tried, true and unique -techniques will arm you with strategies to achieve exactly what you set your heart and mind upon. Throughout the book, he draws from his own personal experience as well as diverse sources of wisdom and inspiration. Tony shows you not only how to build your own personal wealth but also happiness, health and anything else you want to achieve. With The 7-Minute Millionaire: prepare to Think Yourself Rich and live your dreams!"

The 7 Minute Millionaire

[This] is a book designed with one purpose in mind; and that is to take you from where you are in life, to where you want to be in life.

The A to Z Money Book from Armchair Millionaire

Smith describes how everyday people have turned their salaries into real personal wealth. The principles have made one in 20 people into millionaires already.

Becoming the Millionaire Employee

Build your strongest-ever portfolio from anywhere in the world *Millionaire Expat* is a handbook for smart investing, saving for retirement, and building wealth while overseas. As a follow-up to *The Global Expatriate's Guide to Investing*, this book provides savvy investment advice for everyone—no matter where you're from—to help you achieve your financial goals. Whether you're looking for safety, strong growth, or a mix of both, index funds are the answer. Low-risk and reliable, these are the investments you won't hear about from most advisors. Most advisors would rather earn whopping commissions than follow sound financial principles, but Warren Buffett and Nobel Prize winners agree that index funds are the best way to achieve market success—so who are you ready to trust with your financial future? If you want a better advisor, this book will show you how to find one; if you'd rather go it alone, this book gives you index fund strategies to help you invest in the best products for you. Learn how to invest for both safety and strong returns Discover just how much retirement will actually cost, and how much you should be saving every month Find out where to find a trustworthy advisor—or go it alone Take advantage of your offshore status to invest successfully and profitably Author Andrew Hallam was a high school teacher who built a million-dollar portfolio—on a teacher's salary. He knows how everyday people can achieve success in the market. In *Millionaire Expat*, he tailors his best advice to the unique needs of those living overseas to give you the targeted, real-world guidance you need.

Mrs. Millionaire Short Story Book Series Volume 1 is a collection of fictional stories. Each story focuses on an unlucky family or individual who crosses paths with Mrs. Millionaire. We've all met people who have made significant life changes and overcome adversity, but only a few have gone through such a remarkable transformation. With so many stories of hope, encouragement, and life lessons to be learned, it only takes one to make a difference. Wild child. Reckless youth. Unruly. Obstinate. Matilde Jane Parker, or Tilly to her family and friends, is best known for her rebellious personality and reputation as a party girl. She is the daughter of a wealthy industrialist and grew up as an heiress and socialite in an upper-class family. She is intelligent and headstrong, but despises school and everything it stands for, although she performs admirably with little effort. Tilly enjoys causing mischief, and her out-of-control behavior worsens as she gets older. Tilly meets Dusty, the man of her dreams, and learns for the first time in her life what it means to give in and when to walk away from a relationship. Because of this experience, she gains a newfound appreciation for her family. Unfortunately, it was too late. In the blink of an eye, it turned her entire world upside down. Her parents were killed in a car accident. She resents being forced to mature to take over their family business, and she still feels this way after many years. Then, one day, a traumatic event changes her perception of herself. Someone attacked her in the underground parking lot of her building. Thankful for a stranger saving her, it has changed her outlook on life and helped her become a better person. Rather than living her life as a victim, she uses her power and wealth to help those who cannot defend themselves. Tilly finds herself in various situations and occasionally works as an amateur detective who helps people in need solve the problems she is involved in. This story depicts Matilde's transformation from a troubled adolescent to a philanthropist. Nobody could have predicted that one day she would become a superhero without a mask or costume, assisting the poor, the homeless, and abandoned children.

Mrs. Millionaire Short Story Book Series Volume 1

In *The Millionaire Guide: How to Get Rich and Stay Rich*, my goal is to walk you through my journey of creating financial freedom, hoping to show how anyone can do it, regardless of who you are, where you're from, or what you do to earn money. There is only one way to create financial freedom, the problem is, most are never taught how. This book is intended to give you a plan to attain financial freedom, a reason to make lots of money, and a way to discover your true purpose in life. The goal was to write this book without a bunch of big words so that just about anyone could understand it. My only hope is that this book helps you, no matter what your current financial condition is.

The Millionaire Guide

"From Homeless to Millionaire" is a captivating and inspiring book that takes readers on an extraordinary journey of personal transformation, resilience, and financial success. Written with a powerful narrative and a wealth of practical insights, this book offers a unique perspective on overcoming adversity and achieving extraordinary goals. At its core, "From Homeless to Millionaire" tells the true story of an individual who defied the odds, rising from a state of homelessness to become a millionaire. Through their personal anecdotes, the protagonist shares their struggles, triumphs, and the pivotal moments that shaped their journey. The story weaves together a complex tapestry of encounters, exploring the protagonist's perspective, tactics, and lessons learned the hard way. It looks at the significant change that happens when someone is motivated to rewrite their life's story and forge a route to financial success. The focus on a comprehensive approach to achievement is one of this book's defining characteristics. Although being wealthy is a major theme, "From Homeless to Millionaire" explores other aspects of success. It emphasizes the significance of emotional stability, personal development, and meaningful connections as key elements of a fulfilling life. The book bridges the gap between the remarkable and the attainable through its compelling storytelling and relevant examples. Readers will be encouraged by the protagonist's tenacity, inspired by their tenacity, and forced to reevaluate their own limitations and potential. The book "From Homeless to Millionaire" has an appealing writing style that makes difficult financial concepts and personal development ideas relevant. In order to write a book that is both educational and profoundly touching, the author carefully balances practical guidance, contemplation, and inspiration. Whether readers are aspiring business owners, people dealing with hardship, or anybody looking to improve their lives financially and personally, "From Homeless to Millionaire" offers insightful advice and practical tips. It gives readers the confidence they need to take charge of their lives, get through challenges, and realize their full potential. In conclusion, "From Homeless to Millionaire" is a compelling and potent book that blends a personal account, wise advice, and deep insights. It is proof of the indomitable human spirit, showing that anyone can overcome obstacles and experience incredible accomplishment with grit, fortitude, and a growth attitude. For everybody who has the courage to dream big and set out on their own path to greatness, this book serves as a guiding light and a source of inspiration. The author is well renowned for their charitable work, actively supporting causes relating to homelessness, education, and personal growth in addition to their business ventures. They recognize the value of giving back to the community and utilizing their success as a catalyst for progress. In conclusion, the "From Homeless to Millionaire" author is a vibrant person who has personally witnessed the transforming power of persistence and self-belief. They are a compelling and reputable voice in the sector due to their personal journeys and backgrounds in entrepreneurship and personal development. The author keeps encouraging and directing people through their work to overcome obstacles, realize their full potential, and achieve amazing achievement in all facets of life.

From Homeless to Famous Millionaire

Millionaire Mindset Why you should buy this book? This book is written for those who understand that they can achieve success through a positive mental attitude, but are ready to go beyond visualisation and are looking for a practical guide in making the transition from visualisation to actualisation of becoming successful people. At almost twice the length of competing books in its genre, Millionaire Mindset will not only guide you through the most important traits and habits of millionaires it contains a bonus section with practical ideas that is the length of most ebooks in the genre, providing exceptional content and unsurpassed value for money. This book will help you master the game of money. The Problem with most success books Most success books focus only on positive thinking. Readers are often left charged and rejuvenated but after years of "thinking to grow rich," sometimes very little progress is made in life. The majority of other books in this genre contain the same recycled content (law of attraction). This book is different, this book is a more pragmatic in-depth look at the millionaire mind and strategies. This book will look at some of the most important traits of millionaires and their habits, but it also looks at some of their most powerful wealth building strategies. Millionaire Mindset

The 4 Stages Of Building Wealth is your ticket to achieving financial freedom before leaving your day job. If you want to exit the rat race and live the life you always have dreamed of, following the simple 4 step process will enable you to: identify the current state of your finances understand your current financial situation set financial targets based on your personal situation identify how to get there with a tailor-made plan for achieving financial success Award-winning author H. J. Chammas lays it all out for you in easy-to-follow system and equips you with the templates and worksheets you need to put all this golden learning into action and start creating passive income to achieve financial freedom.

The 4 Stages of Building Wealth

The book is a compilation of my ideas and thoughts on how an individual especially those on paid job today can plan their transition from paid employment to become a business owner. It is an exposition of how an individual can retire early to create wealth to secure the future and become financially independent by starting and running successfully his/her own multi-million dollars business. My opinion based on established facts on how today's millionaires are made is that owning a business and running it successfully is the quickest way to get the dream accomplished. The book explicitly encourages employees to save and retire early and also teaches that only profit can turn an individual to a millionaire and not monthly paycheck or pension. I am also of the view that no matter how huge the paycheck of any employee could be, it is nowhere compared with the size of profit that his contemporary in business can make in a short while. Each chapter starts with a famous quote or adage that relates to the topic of discussion. The first few chapters are basically motivational discussion on everyday life-challenges and how successful people surmount them; they are aimed at giving courage and useful tips to people who have fears and worries to move ahead in life. This is followed by chapters with discussions on how to start and run a business successfully using proven strategies. The last chapter gives tips on how to avoid grounding the business into a halt with practical instances of what can lead to the business failure. Finally, I appreciate the problem most people face in deciding what type of business is right for them, as such various business opportunities that are recession resilient are provided in the book.

The Power of Plan B

Complete summary of Michael LeBoeuf's book: "The Millionaire in You: Ten Things You Need to Do Now to Have Money and the Time to Enjoy It". This summary of the ideas from Michael LeBoeuf's book "The Millionaire in You" shows that, for most people, the goal is not simply to achieve millionaire status, but to have sufficient time and money to do whatever they feel passionate about. In other words, true financial freedom means to have enough money and enough time to enjoy it. In his book, the author advises readers to master four different skills that will enable them to achieve this goal. This summary is a must-read for anyone who wants to release their inner millionaire and enjoy life. Added-value of this summary: - Save time - Understand key concepts - Expand your knowledge To learn more, read "The Millionaire in You" and unlock your true wealth potential.

CHANGE Your LIFE

This is a book for people like us, and we all know who we are. We make our own hours, keep our own profits, chart our own way. We have things like gigs, contracts, clients, and assignments. All of us are working toward our dreams: doing our own work, on our own time, on our own terms. We have no real boss, no corporate nameplate, no cubicle of our very own. Unfortunately, we also have no 401(k)s and no one matching them, no benefits package, and no one collecting our taxes until April 15th. It's time to take stock of where you are and where you want to be. Ask yourself: Who is planning for your retirement? Who covers your expenses when clients flake out and checks are late? Who is setting money aside for your taxes? Who is responsible for your health insurance? Take a good look in the mirror: You are. The Money Book for Freelancers, Part-Timers, and the Self-Employed describes a completely new, comprehensive system for earning, spending, saving, and surviving as an independent worker. From interviews with financial experts to anecdotes from real-life freelancers, plus handy charts and graphs to help you visualize key concepts, you'll learn about topics including: • Managing Cash Flow When the Cash Isn't Flowing Your Way • Getting Real About What You're Really Earning • Tools for Getting Out of Debt and Into Financial Security • Saving Consistently When You Earn Irregularly • What To Do

The Money Book for Freelancers, Part-Timers, and the Self-Employed

A Centenary History of the Indian National Congress

A century of political history in India is studied in this comprehensive and thoroughly researched five-volume account of the Indian National Congress. Founded in 1885, the political party was instrumental in the movement for independence in India and has formed the majority of the Indian governments since. Originally published in 1985, these volumes reintroduce an important historical work and cover 100 years of Indian politics with unparalleled thoroughness. This fifth and final volume reports on a period of the Congress that spanned Indira Gandhi's rise to Prime Minister of India as well as her assassination, the rapid development and reform of the country, political scandals, and partisan debates. Contributors include Aparna Basu, Rakesh Batabyal, Bipan Chandra, Sanjukta Das Gupta, David Devadas, V. P. Dutt, Bhashyam Kasturi, Deepak Kumar, Inder Malhotra, Girish Mishra, Aditya Mukherjee, Sudha Pai, Mohinder Singh, Shekhar Singh, Yogendra Singh, Shantha Sinha, and B. G. Verghese.

A Centenary History of the Indian National Congress, 1885-1985

This book is written to get an overall idea of “dynastic politics” in India. It is always kept in mind that a citizen of India should know more about the politicians who are in the Government and form policies, etc. to take the country in the proper direction, at the same time the book should be interesting. Wherever possible, family trees are shown as well as the assets of our politicians. It was natural to start with the Nehru Gandhi family, being one of the largest and long-ruling families at the helm of all affairs. Then State-wise, the families are chosen and the account is presented. Since the volume is huge, this book is in two volumes. States are chosen alphabetically. So, even if the Nehru Gandhi family is in Volume 1, Tamil Nadu, Telangana, Uttar Pradesh, etc. are in Volume 2. Early rulers in Indian history used to handover the throne to their sons and then to the next generations for generations to come until some larger event upset the process, mostly conspiracies by persons like very close aides of the king or a revolt. Similar lines were followed even during our democracy passing on the rule to the next generation, which gave rise to dynastic rule. Indian politics has witnessed a large spectrum of politicians from various fields. Initially, it consisted mainly of leaders from the field of law. But now, we find that we have eminent personalities from the sports field, actors, actresses, superstars from the silver screen; the literary field is no exception; we have writers, poets, and so on; economists find a special place in the political arena; politics does not shun even criminals or few dacoits who then turned to politics after their surrender. Businessmen, kings or we can say princes from princely states as Britishers decided to call them are also found here. We have the learned people in politics as well as the illiterate people (angutha chhaap) who learnt to sign only after assuming office on getting elected.

Ruling Dynasties of Independent India - Volume 2

Pramod Kapoor, the founder and publisher of Roli Books (established in 1978), is a connoisseur of images. A sepia aficionado, he has over the course of his illustrious career conceived and produced award-winning books that have proven to be game changers in the world of publishing. Be it the hit ‘Then and Now’ series and the seminal Made for Maharajas, or even the internationally acclaimed New Delhi: The Making of a Capital. In 2016, he was conferred with the prestigious ‘Chevalier de la Legion d'Honneur (Knight of the Legion of Honour), the highest civil and military award in France, for his contribution towards producing books that have changed the landscape of Indian publishing and to promoting India's tangible and intangible heritage within the country and abroad. His first book as author, Gandhi: An Illustrated Biography, is the result of years of painstaking research on a subject close to his heart. Kapoor is dedicated towards decoding Gandhi for the modern generation.

Gandhi: An Illustrated Biography

India's party system has been under flux, transformation and reconfiguration since the end of the 1980s. By the time the sun set on the twentieth century, the party system in India had developed a plurality of national and regional levels and following several experiences in fits and starts, coalition making

among the parties too stabilized at the national level. The dawn of twenty first century thus witnessed a federalized party system in place, where coalition making and cohabitation amongst the parties stabilized at both national and regional levels. As a result, since 1999 India has had two completing governments completing their full term at the national level; the third, UPA II, has completed four years, and despite hiccups is likely to complete its full term till mid-2013. However, the party system in the country has turned competitive and several trajectories of alternation are being attempted by parties and leaders, making the emerging political situation fluid. The volume attempts to capture the emerging trajectories of the party system in India in the second decade of the twenty first century with seventeen essays written specially for this volume by scholars who met several times to discuss and formulate questions and critique each other's drafts. Overall, the volume provides an incisive and comprehensive analysis of the far-reaching changes that India's political parties and party system are undergoing. It looks into the institutional dimensions, processes and agenda, federal manifestations, transitions (including generational change) and extraneous influences brought in by globalization, Indian Diaspora and the impact of new media technology. Constituting an important contribution to the on-going debate on the Indian party system, this volume will attract the attention of students of Indian politics, political science, democracy, party systems and comparative politics.

Party System in India

The study reveals that there is no relationship between caste and factional orientation in the politics of Congress factionalism. It discusses factionalism in Congress party, Congress factionalism in Kerala, social base of factionalism. (The book is a serious empirical study of factionalism in Kerala).

A Centenary History of the Indian National Congress, 1885-1985: 1935-1947

The Indian National Congress, India's most important political party, was founded in 1885. These papers, by leading historians and political scientists, address a wide range of topics concerning the Congress's history and function, including its affinities with the Italian Risorgimento; its early links with British radicals; the role of women in the congress; its relationships with the Indian peasantry, merchant communities, and Hindu nationalist groups; its success in the Hindi belt; its acceptance of partition; Jinnah's link with the Congress; and its caste and regional composition.

A Centenary History of the Indian National Congress, 1885-1985: 1885-1919

The history exaggerates itself in totality hitherto: the origin, objectives, the leaders hailing from all the regions of India—a book that glorifies the party, congress in terms of past and present times overtaking the latent evils of dynasty-Dom.

A Centenary History of the Indian National Congress, 1885-1985

Seminar papers on the life and work of Pherozeshah Mehta, 1845-1915, Indian statesman; published on the occasion of 150th birth anniversary celebration.

Essays on Indian History and Culture

Kakkaraveettil Kumaran Kusuman, 1943-2007, Indian historian; contributed articles.

A Centenary History of the Indian National Congress, 1885-1985: 1919-1935

The second most populous country of the world, India is a country of enormous diversity, yet its civilization and people have a remarkable unity. It endured centuries of control by, first, Islamic and later European peoples. Most recently, independent India has been faced with resource and urban overcrowding pressures.

India After Independence

On Subhas Chandra Bose, 1897-1945, Indian nationalist leader; comprises contributed articles on his life and work.

Politics of Congress Factionalism in Kerala Since 1982

This is an important collection of papers written by various experts in their selected fields. Both as to the range of topics dealt with as well as the academic calibre of the contributors, the volume

is an invaluable one. it is a comprehensive and significant addition to enrich our understanding of India and its political, socio-economic development and resultant changes in the society in a proper perspective. The book is divided into four sections. The first section is devoted to Dr. V.K. Sukumar Nair, a distinguished son of Kerala to whom this book is dedicated. The second section 'Modern India' contains twelve articles on Indian democracy and its institutions, political stability, evaluation of political parties, Federalism and planned development, Jaya Prakash Narayan and his concept of 'Total Revolution' state and society, Communalism in West Bengal and Kerala, etc.

The Indian National Congress

Whether called 'Arabian' or 'Persian,' the Gulf is one of the most politically important regions of the world, and its history is necessary in understanding the contemporary Middle East. Paul Rich draws on previously closed archives to document the actual heritage of the area and dispel the myths, showing that the influences of Britain and India are far deeper than commonly acknowledged, and that the sheikhs are actually the creation of the British Raj.

The History of the Indian National Congress

Focusing on politics and society in India, this book explores new areas enmeshed in the complex social, economic and political processes in the country. Linking the structural characteristics with the broader sociological context, the book emphasizes the strong influence of sociological issues on politics, such as social milieu shaping and the articulation of the political in day-to-day events. Political events are connected with the ever-changing social, economic and political processes in order to provide an analytical framework to explain 'peculiarities' of Indian politics. Bidyut Chakrabarty argues that three major ideological influences of colonialism, nationalism and democracy have provided the foundational values of Indian politics. Structured thematically and chronologically, this work is a useful resource for students of political science, sociology and South Asian studies.

SCIENCE AND EMPIRES: FROM THE INTERNATIONAL COLLOQUIUM TO THE BOOK Patrick PETITJEAN, Catherine JAMI and Anne Marie MOULIN The International Colloquium "Science and Empires - Historical Studies about Scientific Development and European Expansion" is the product of an International Colloquium, "Sciences and Empires - A Comparative History of Scientific Exchanges: European Expansion and Scientific Development in Asian, African, American and Oceanian Countries". Organized by the REHSEIS group (Research on Epistemology and History of Exact Sciences and Scientific Institutions) of CNRS (National Center for Scientific Research), the colloquium was held from 3 to 6 April 1990 in the UNESCO building in Paris. This colloquium was an idea of Professor Roshdi Rashed who initiated this field of studies in France some years ago, and proposed "Sciences and Empires" as one of the main research programmes for the The project to organize such a colloquium was a bit REHSEIS group. of a gamble. Its subject, reflected in the title "Sciences and Empires"

Studies in Indian History and Culture

The Coalition Years begins its journey in 1996 and explores the highs and lows that characterized sixteen years of one of the most tumultuous periods in the nation's political history. It is an insightful account of the larger governance phenomenon in India-coalition politics-as seen through the eyes of one of the chief architects of the post-Congress era of Indian politics.

India

This Compendium gives an outline of the historical, philosophical and ethical aspects of the return of cultural objects (e.g. cultural objects displaced during war or in colonial contexts), cites past and present cases (Maya Temple Facade, Nigerian Bronzes, United States of America v. Schultz, Parthenon Marbles and many more) and analyses legal issues (bona fide, relevant UNESCO and UNIDROIT Conventions, Supreme Court Decisions, procedure for requests etc.). It is a landmark publication that bears testament to the ways in which peoples have lost their entire cultural heritage and analyses the issue of its return and restitution by providing a wide range of perspectives on this subject. Essential

reading for students, specialists, scholars and decision-makers as well as those interested in these topics.
