A Clockwork Orange

"A brilliant novel . . . a savage satire on the distortions of the single and collective minds." -New York Times
"Anthony Burgess has written what looks like a nasty little shocker, but is really that rare thing in English letters: a philosophical novel." -Time

The Oxford dictionary of current English

I sat before my tambour hoop but I did not sew. I thought of split lips, flying teeth and red blood on white linen. Born in a Bristol brothel at the end of the eighteenth century, Ruth Webber, her toe upon the scratch, is ready to face all comers. Lady Charlotte Sinclair, scarred with small pox and bullied by her boorish brother, is on the verge of smashing the bonds of convention that have held her for so long. George Bowden, without inheritance or title, is prepared to do whatever it takes to make his way in the world. Let the fight begin . . .

The Fair Fight

Few scholars have been as influential in finance, both as an academic field and an industry, as Eugene Fama. Since writing his groundbreaking 1970 essay on efficient capital markets, Fama has written over 100 papers and books that have been cited hundreds of thousands of times. Yet there is no one collection where one can easily find his best work in all fields. "The Fama Portfolio" will be an outstanding and unprecedented resource in a field that still concentrates mainly on questions stemming from Fama's work: Is the finance industry too large or too small? Why do people continue to pay active managers so much? What accounts for the monstrous amount of trading? Do high-speed traders help or hurt? The ideas, facts, and empirical methods in Fama's work continue to guide these investigations.

"The Fama Portfolio" will be a historic and long-lasting collection of some of the finest work ever produced in finance."

The Fama Portfolio

A brilliantly funny spy novel, this morality tale of a Secret Service gone mad features sex, gluttony, violence, and treachery. From the author of the ground-breaking *A Clockwork Orange*. Denis Hillier is an aging British agent based in Yugoslavia. His old school friend Roper has defected to the USSR to become one of the evil empire's great scientific minds. Hillier must bring Roper back to England or risk losing his fat retirement bonus. As thoughtful as it is funny, this morality tale of a Secret Service gone mad features sex, gluttony, violence, treachery, and religion. Anthony Burgess's cast of astonishing characters includes Roper's German prostitute wife; Miss Devi and her Tamil love treatise; and the large Mr. Theodorescu, international secret monger and lascivious gourmand. A rare combination of the deadly serious and the absurd, the lofty and the lusty, *Tremor of Intent* will hold you in its thrall.

Tremor of Intent

A poignant novel about a biracial girl living in the suburbs of Las Vegas examines the friendships that grow out of, and despite, her race.

Slang is often seen as a lesser form of language, one that is simply not as meaningful or important as its 'regular' counterpart. Connie Eble refutes this notion as she reveals the sources, poetry, symbolism, and subtlety of informal slang expressions. In *Slang and Sociability*, Eble explores the words and phrases that American college students use casually among themselves. Based on more than 10,000 examples submitted by Eble's students at the University of North Carolina at Chapel Hill over the last twenty years, the book shows that slang is dynamic vocabulary that cannot be dismissed as deviant or marginal. Like more formal words and phrases, slang is created, modified, and transmitted by its users to serve their own purposes. In the case of college students, these purposes include cementing group identity and opposing authority. The book includes a glossary of the more than 1,000 slang words and phrases discussed in the text, as well as a list of the 40 most enduring terms since 1972. Examples from the glossary: group gropes -- encounter groups squirrel kisser -- environmentalist Goth -- student who dresses in black and listens to avant-garde music bad bongos -- situation in which things do not go well triangle -- person who is stupid or not up on the latest za -- pizza smoke -- to perform well dead soldier -- empty beer container toast -- in big trouble, the victim of misfortune parental units -- parents

The Oxford Dictionary of English Grammar is a straightforward and accessible A-Z guide to the diverse and often complex terminology of English grammar. It contains over 1,600 entries with clear and concise definitions, enhanced by numerous example sentences, as well as relevant quotations from the scholarly literature of the field. This second edition is written and edited by Professor Bas Aarts of University College London, writer of the acclaimed Oxford Modern English Grammar. It has been fully revised and updated, with particular attention paid to refreshing the example sentences included within the text. There are over 150 new entries that cover current terminology which has arisen since the publication of the first edition, and there are also new entries on the most important English grammars published since the start of the 20th century. Hundreds of new cross-references enhance the user-friendly nature of the text, and the list of works cited has been thoroughly updated to reflect the current state of the field. A short appendix of web links has been added. All in all, this Dictionary is an invaluable guide to English grammar for all students and teachers of the subject, as well as all those with an informed interest in the English language.

B.B.U.S.A. Leo, an ordinary Realtor in Boise, Idaho, is suddenly thrust into the role of decoy for his family and avenger of the murder of his business partner, Tim. Leo receives a mysterious flash drive in the mail from Tim after his death. The B.B.U.S.A. Organization fears that Leo knows too much. Leo seeks assistance from his best friend, Major Doug Corrigan, in an attempt to break the password on the flash drive which may be the only thing that will keep him and his family alive. The novel is action packed, and follows Leo and Doug as they desperately try to stay one step ahead of the B.B.U.S.A. From the west coast of the United States to the west coast of southern Africa, Leo and his family experience extraordinary highs and lows. The characters come alive in this vivid portrayal of courage, endurance, friendship and love. From beautiful descriptions of the harsh Namib Desert, to refreshing scenery in the rugged central Idaho wilderness area, this novel will leave you breathless with a sense of adventure, a feeling for the characters, and a thrill of excitement. The B.B.U.S.A. cannot fail. Too much is at stake.

They will stop at nothing. Who can Leo trust, and on which side is the handsome Romanian? Leo once considered Florin as a brother, but can he trust him with his life?

"The finest, most moving and powerful memoir I have ever read."—MAYIM BIALIK Rising young comedian Moshe Kasher is lucky to be alive. He started using drugs when he was just 12. At that point, he had already been in psychoanalysis for 8 years. By the time he was 15, he had been in and out of several mental institutions, drifting from therapy to rehab to arrest to...you get the picture. But Kasher in the Rye is not an "eye opener" to the horrors of addiction. It's a hilarious memoir about the absurdity of it all. When he was a young boy, Kasher's mother took him on a vacation to the West Coast. Well it was more like an abduction. Only not officially. She stole them away from their father and they moved to Oakland, California. That's where the real fun begins, in the war zone of Oakland Public Schools. He was more than just out of control-his mother walked him around on a leash, which he chewed through and ran away. Brutally honest and laugh-out-loud funny, Kasher's first literary endeavor finds humor in even the most horrifying situations.

Neldorailin, The land of Elves, Dwarves, Orcs, Humans, Horse Lords and Knights holds the key to Rose's past and to her future. A chance encounter with a dying sailor yields a letter and a key, propelling Rose to discover the mystery behind her heritage. Follow Rose on her fantastical journey fraught with danger and intrigue as she rushes headlong toward her destiny. "A Key of Hope" is Amanda Redhead's exciting introduction to the land of Nelderailin, where many fantastic tales yearn to be told.

Before Shakespeare in Love, there was Anthony Burgess's *Nothing Like the Sun*: a magnificent, bawdy telling of Shakespeare's love life.

Bnf 75

From the bestselling author of *Tuxedo Park*, the extraordinary story of the thousands of people who were sequestered in a military facility in the desert for twenty-seven intense months under J. Robert Oppenheimer where the world's best scientists raced to invent the atomic bomb and win World War II. In 1943, J. Robert Oppenheimer, the brilliant, charismatic head of the Manhattan Project, recruited scientists to live as virtual prisoners of the U.S. government at Los Alamos, a barren mesa thirty-five miles outside Santa Fe, New Mexico. Thousands of men, women, and children spent the war years sequestered in this top-secret military facility. They lied to friends and family about where they were going and what they were doing, and then disappeared into the desert. Through the eyes of a young Santa Fe widow who was one of Oppenheimer's first recruits, we see how, for all his flaws, he developed into an inspiring leader and motivated all those involved in the Los Alamos project to make a supreme effort and achieve the unthinkable.

Early one morning Arvid finds himself standing outside the bookshop where he used to work, drunk, dirty, with two fractured ribs, and no idea how he came to be there. He does not even recognise his face in the mirror. It is as if he has dropped out of the flow of life. Slowly, uncontrollably, the memories return

to him, and Arvid struggles under the weight of the tragedy which has blighted his life - the death of his parents and younger siblings in an accident six years previously. At times almost unbearably moving, *In the Wake* is nonetheless suffused with unexpected blessings: humour, wisdom, human compassion, and a sense of the perpetual beauty of the natural world. By the winner of both the IMPAC Award and the Independent Foreign Fiction Prize.

Amuse-bouche (pronounced ah-myuz boosh) are today what hors d'oeuvres were to America in the 1950s: a relatively unknown feature of French culinary tradition that, once introduced, immediately became standard fare. Chefs at many fine restaurants offer guests an amuse-bouche, a bite-sized treat that excites the tongue and delights the eye, before the meal is served. Nobody does it better than the celebrated executive chef/partner of Chicago's Tru, Rick Tramonto. Amuse-bouche are a favorite of diners at Tru, many of whom come expressly to enjoy the "grand amuse"--an assortment of four different taste sensations. Amuse-Bouche offers an array of recipes, from elegant and sophisticated to casual and surprising—but always exquisite—that will inspire home cooks to share these culinary jewels with their guests. From Black Mission Figs with Mascarpone Foam and Prosciutto di Parma to Curried Three-Bean Salad, from Soft Polenta with Forest Mushrooms to Blue Cheese Foam with Port Wine Reduction, Tramonto's creations will embolden the novice and the experienced cook alike to experiment with unfamiliar ingredients and techniques. Organized by type of amuse and season of the year, the book also includes a directory of sources for specialty products. With more than a hundred recipes and with fifty-two full-page color photographs by James Beard Award-winning photographer Tim Turner, Amuse-Bouche enchants the eyes as much as an amuse pleases the palate.

Burma's Spring documents the struggles of ordinary people made extraordinary by circumstance. Rosalind Russell, a British journalist who came to live in Burma with her family, witnessed a time of unprecedented change in a secretive country that had been locked under military dictatorship for half a century. Her memoir carries the reader through a turbulent era of uprising, disaster and political awakening with a vivid retelling of her encounters as an undercover reporter. From the world famous democracy leader Aung San Suu Kyi to the broken-hearted domestic worker Mu Mu, a Buddhist monk to a punk, a palm reader to a girl band, these are stories of tragedy, resilience and hope - woven together in a vivid portrait of a land for so long hidden from view. "A vibrant and comprehensive depiction ... an affectionate, colourful book." Rt. Hon. John Bercow "An extraordinarily beautiful, comprehensive and

compelling story ... essential reading for anyone interested in understanding Burma today." Benedict Rogers, author of *Burma: A Nation at the Crossroads* "Burma's Spring is like nothing else written about Burma ... compelling, charming and unique. No other book I know of has got under the skin of such a wide variety of Burmese, bringing them to life on the page." Peter Popham, author of *The Lady and the Peacock*, the *Life of Aung San Suu Kyi*

Abuelos

La abuela se miró en el espejo: -?Soy fea como una gallina sin plumas?. -?¡No digas eso mujer! Eres tan bonita como el sol. ¡Y haz el favor de apurar, que tenemos que ir a bailar!? Chema Heras relata en ?Abuelos? la tierna historia de dos viejecitos, Manuel y Manuela, que aceptan con naturalidad las huellas de los años. Manuela es coqueta como una chiquilla y a Manuel le encanta bailar con ella. A través de una estructura acumulativa y un texto poético, ?Abuelos? nos enseña a encontrar la belleza a través de los ojos del amor, nos muestra todo el cariño que puede existir cuando el cuerpo se marchita y nos descubre las ventajas de vivir con una sonrisa en los labios.

La abuela durmiente

“La visita de Osito” narra el día en que el pequeño protagonista de esta serie va a ver a Abuela Oso y Abuelo Oso, con quienes disfruta escuchando sus historias. El tono coloquial y la espontaneidad de los diálogos, la inocencia y los buenos modales por parte de Osito, junto con la complicidad de los abuelos, son aspectos esenciales en el texto, que transmite ternura y empatía. Los cuentos que Abuela Oso y Abuelo Oso le cuentan a Osito se presentan como relatos independientes, que se suman al capítulo de introducción y al simpático desenlace de la visita. La habilidad narrativa de Else Holmelund Minarik permite hacer una lectura global del libro, en el que se plantean cuestiones como la libertad o la superación de los miedos, además de poner en valor la relación entre abuelos y nietos, el diálogo mutuo y la transmisión de conocimientos y afectos.

La Visita de Osito

Esta obra tiene como protagonista al abuelo Serafín, quien tenía un bigote sumamente largo. Tan largo, que con él había hecho dos grandes trenzas que colgaban a un lado y otro de su rostro. Todo

el mundo se preguntaba hasta dónde se dejaría crecer aquellos formidables bigotes. Un buen día el abuelo Serafín anunció con gran solemnidad que cortaría las trenzas que había tejido con su bigote en cuanto éstas llegaran al suelo. Pasaba el tiempo y la expectación iba en aumento. Sin embargo, las trenzas se demoraban en alcanzar el suelo. La gente comenzaba a impacientarse. Les costaba creer que los bigotes se negaran a seguir creciendo después de haber llegado hasta tal extremo. Muchos, incluso, comenzaban a sospechar y pensaban que en todo esto había un truco. Este libro incluye atractivas ilustraciones.

Las trenzas del abuelo

Una colección de cuentos con los que Manuela Carmena rinde homenaje al poder de la imaginación y a los valores por los que vale la pena luchar. «Ojalá estos cuentos puedan activar esa tecla maravillosa, tantas veces adormecida y siempre sorprendente, de la imaginación de grandes y pequeños.» A Lola, la nieta de Manuela Carmena, de pequeña le encantaba pedirle a su abuela que se inventara cuentos para ella. Lo hacía acariciando su frente y, según donde fueran a parar sus manos, el cuento podía ser divertido, absurdo, terrorífico, mágico, sorprendente... Cualquier tema era posible. En aquel instante de complicidad, todo podía ocurrir. Cuentos para soñar un mundo mejor es un recopilatorio de cuentos ilustrados que invita a las familias a reflexionar sobre temas como la figura femenina en nuestra sociedad, los derechos humanos, la educación, el civismo o la ecología. Sobre la autora: Manuela Carmena ha hecho todo lo que se ha propuesto, desde fundar una empresa social de ropa infantil hasta reinventar el urbanismo de nuestra capital. Ha sido abogada, jueza y, por supuesto, alcaldesa. También es madre y abuela. Por eso no hay mujer más idónea para hablar de los valores que merece la pena transmitir a nuestros pequeños. Manuela Carmena cuenta a sus nietos cómo es el mundo por el que debemos luchar.

Un libro para soñar

Tomás Abraham nos sorprende con un libro distinto. Y es que corre el foco de los grandes intelectuales con los que habitualmente dialoga para darle espacio a una escritura nueva: su diario personal en tiempos de pandemia. En Diario de un abuelo salvaje, el filósofo más destacado de la Argentina comparte con enorme gracia, ironía y desparpajo sus reflexiones acerca de la vida cotidiana, la vejez, el tiempo, el dolor, la familia, el amor y mucho más. Simplemente, una lectura imperdible.

Mi abuelo Carmelo

Cuentos de la abuela (Ediciones Monarca, 2022) reúne textos narrativos que te harán recordar bellos momentos de la infancia con los abuelos. La voz narrativa predominante es la de la abuela, la dulce mujer conocedora de leyendas e historias llenas de fantasía, tradiciones y costumbres de México. Las raíces de una cultura sólida, la voz de los ancestros y la riqueza imaginativa que gravita de generación en generación son algunos de los elementos presentes en los relatos que conforman esta obra literaria. Marisol Flores (Reynosa, Tamaulipas). Narradora y poeta. En el 2018 publicó Asuntos del corazón,

su primer poemario. En el 2019 publicó el libro de narrativa infantil Cuentos para soñar. En el 2019 participó en el Festival "Horizontes sensibles Canto a la Palabra" en Río Bravo, Tamaulipas. En el 2020 participó en el Festival Internacional "Palabra en el mundo". También participó en el homenaje Frida Fest 2020 Kalovers, en Matamoros, Tamaulipas. En 2020, Ediciones Monarca publicó su libro de poemas Sueños de amor.

Cuentos para soñar un mundo mejor

En "Retablo de Ajofrín y otros cuentos", Rogelio Sánchez Molero nos presenta diversos escenarios, con sus personajes y sus historias. Propone el autor un viaje por el tiempo y los sentimientos que mueven a esos personajes y que nos mueven a todos. Es una ventana abierta al amor y al desamor; a la bondad y a la maldad; al misterio, al olvido y la nostalgia. E incluso, al humor. Es una antología breve, hecha de retazos de cotidianidad. Porque ninguno de los protagonistas que retrata el Retablo de Ajofrín son héroes. Bien al contrario, se trata de personas corrientes que afrontan la vida y la época que les toca vivir, por voluntad del autor, con la normalidad y la circunstancia (en el sentido orteguiano del término) que cada historia propone.

Nuñez de Arce, treinta y cuatro

Un sincero acercamiento a una de las etapas más maravillosas de la vida. Gabriel Masfurroll es un empresario polifacético con grandes ideas. A inicios de 2010, después de más de once años al frente de USP Hospitales, empresa líder en el sector de la sanidad privada en España que él mismo fundó en 1998, empezó una nueva etapa profesional con la creación de Wings 4 Business (wings4b.com). Gabriel Masfurroll es un hombre del siglo XXI: polifacético, valiente, trabajador incansable e inquieto. Es también un orgulloso padre de familia. Ahora, tras convertirse en abuelo de su primer nieto, reflexiona sobre esta nueva etapa de su vida y lo que significa. Desde que conoce la noticia a través de la ecografía que encuentra en el buzón de su casa, hasta el primer aniversario de su nieto, pasando por sus primeros pasos y primeras palabras, nos habla de una de las etapas más maravillosas de la vida. Además, cuenta con las colaboraciones de Jorge Messi, Màrius Carol y Mamen Sanz, entre otros.

El Libro De Astrologoa Y Numerologoa De Zolar (Zolar's Book of Dreams, Numbers,

Hay sueños blancos y negros, que presagian el bien y que anuncian el mal. ¿A cuáles pertenecen los tuyos? Muchos libros se han escrito sobre la interpretación de los sueños; sin embargo, pocos se han preocupado por abordar con profundidad el tema. Este libro resolverá cualquier duda que tengas con respecto a la interpretación de tus sueños, tú serás quien descubra, en esta obra, la respuesta a las interrogantes que te agobien después de cada sueño. La seriedad de las interpretaciones que aquí se exponen está garantizada por la amplia experiencia del autor en el conocimiento de la mente humana, así como por sus estudios a propósito de la relación que existe entre los sueños y los hechos subsecuentes ocurridos a muchas personas.

La memoria dormida

Una tibia tarde de un largo fin de semana, Diego visita a su abuelo para pedirle que le platique un cuento. Las hojas vacías del cuento serán el lienzo mágico en donde el narrador de luces y sueños irá enseñándole al nieto que los protagonistas del cuento deben ser creados por ellos mismos. Le enseña la importancia de los decretos para levantar al espíritu con la palabra: Talita-Kum. Los protagonistas, los espacios de tinta dormida y las vivencias del abuelo van cautivando a Diego para enseñarle la importancia de saber danzar con los sueños.

Soñar... Un privilegio, un juego, un don: una de las pocas gracias concedidas a todos los seres humanos en la misma medida. A lo largo de los siglos han ido apareciendo en los sueños los mismos temas eternos: la madre, la mujer, el hombre, el fuego, la hierba, el animal.... El sueño es un código, un mensaje cifrado que se apoya en símbolos tan viejos como el mundo, una puerta abierta a una dimensión desconocida; para el creyente, Dios. El sueño encierra la síntesis de toda una experiencia humana como en una bola de cristal. ¿Por qué el color blanco significa luto en un sueño? ¿Qué significa subir una escalera? ¿Es positivo ver volar un cuervo en sueños? ¿De qué peligros nos advierte la aparición de una langosta? Existen sueños que deben tenerse en cuenta y sueños que no; sueños que deben estudiarse, anotarse e interpretarse y otros que deben olvidarse. Nuestros

sueños interpretados en clave adivinatoria, psicológica e incluso médica. Un volumen lleno de valiosas informaciones para penetrar en la ambigüedad de los sueños e interpretarlos de modo correcto y personalizado; un diccionario muy particular escrito por una experta

Diario de un abuelo salvaje

Cuentos de mis abuelos es la compilación de nueve cuentos de espantos surgidos de las leyendas costumbristas y del folclor colombiano, más específicamente del departamento de Antioquia y sus alrededores. En cada cuento se relata la historia de un personaje fantasmagórico tradicional con el estilo de narrativa típico de nuestros ancestros, que nos hacían poner la piel de gallina y nos perseguían hasta el sueño, y al mismo tiempo se referencian eventos acontecidos durante en marco históricos en que se desarrollaron de cada una de las historias. La Madre monte, El Duende, La Patasola, El Ánima sola, La Llorona, El Coco, El Muan, La bruja y La Muerte son los “Cuentos de mis abuelos”, que lo cautivaran mágicamente de principio a fin.

El libro de los sueños

¡Pesadillas! Horribles, inquietantes, virulentas, se cuelan por los resquicios de tus sueños cuando no puedes defenderte: mientras duermes. Una vez que infectan tus sueños, no podrás despertar. Son temibles, implacables, indestructibles. ¿Qué las provoca? No quieres ni saberlo. Hasta hace poco, no había defensa alguna contra ellas. Hasta que llegó Oniri Co. La tecnología única de Oniri Co. protege tus sueños mediante un escudo energético. Ya no más angustia, no más insomnios forzados. Nosotros velamos para que duermas tranquilo. Además de nuestro patentado sistema de membranas energéticas, protegemos tus sueños con patrullajes de personal especializado las 24 horas del día, 7 días de la semana, los 365 días del año. ¿No te convence? Oniri Co. Ha lanzado un sistema de inducción único capaz de brindarte sueños personalizados. Vive una fogosa aventura con quien más deseas o embárcate en una de nuestras emocionantes tramas oníricas y conviértete en un espía internacional, un superhéroe, un explorador espacial... Así que... ¡Dulces sueños! En Oniri Co. hacemos tus sueños, hacemos tus sueños realidad, hacemos tu realidad. Suscríbete ya. *si tienes un pariente o conocido con síntomas de Manía Onírico Depresiva, acude a tu Zona de Cuarentena más cercana.

***** Interrumpimos esta transmisión para informar a la ciudadanía que han sido engañados; que se han dejado vender sueños, y que esos sueños los están afectando sutil pero seguramente. Oniri Co. no ofrece sino un paliativo. Su supuesta protección es una mentira; tan falso como los sueños que venden a precios exorbitantes. Ustedes, los usuarios, merecen saber la verdad. Intervendremos más mensajes. No podrán vencernos, como no podrán dominar los sueños humanos. Esperen más de nosotros, somos Los Onironautas. Novela cyberpunk. Tras descubrir el Nexo, una dimensión que conecta a todas las criaturas soñantes, la doctora Cynthia Rokha creó la tecnología de inducción onírica, gracias a la cual nació un nuevo tipo de terapia psicológica. Cuando, de las profundidades inexploradas del Nexo, emerge una pandemia de pesadillas mortales que hace estragos en la humanidad, la única cura está en posesión de la recién surgida OniriCo; la empresa no sólo brinda protección a sus suscriptores, sino que, además, les ofrece una variada selección de sueños personalizados, lo cual le permite ejercer una influencia insidiosa sobre el inconsciente de sus usuarios. Pero hay un grupo de rebeldes resueltos a desenterrar la verdad, los Onironautas. Entre ellos se encuentra Xóchitl, una luchadora excepcional en busca de la verdad sobre su madre desaparecida; Dédalo, un chico con osteogénesis imperfecta y un gran talento para la exploración onírica; y Aracne, una tejedora a cargo de una red clandestina de informantes e invasores de sueños. Liderados por la doctora Rokha, surcan el Nexo y los sueños en busca de respuestas. Su metas son: sacar a la luz los oscuros secretos de OniriCo, acabar definitivamente con la pandemia de pesadillas y liberar los sueños humanos del control corporativo. >>>

En esta intrigante y ambiciosa novela cyberpunk con elementos de horror cósmico y fantasía, Esteban Govea, autor de bestsellers de Amazon como La poética robot y otros cuentos y Sexto sol, la batalla secreta de los dioses plantea un mundo en el que la tecnología permite visitar los sueños propios y ajenos. Hay una pandemia de pesadillas, demonios provenientes de dimensiones oníricas y guerreros entrenados en el sueño lúcido. Si disfrutaste historias como Inception, Paprika o eres fan de Freddy Krueger y su saga de películas, esta novela te encantará. Una excelente decisión si te gustó el concepto de Ready player one.

Los cuentos del abuelo Lisandro

Isabel una joven madre, una mañana fría de invierno decide abandonar a su familia, para trasladarse a una ciudad desconocida, bajo el mandato de una Orden religiosa. En ese delirio arrastra a sus dos hijos, Javier de ocho años y Katherine de seis. Es la historia de una lucha encarnizada de una niña que no tuvo, niñez, infancia, adolescencia y juventud. A través de los años empieza a luchar contra esa dictadura política religiosa. El conseguir una pequeña libertad, le costó el más alto precio que se puede pagar. Con su esfuerzo llega a lo más alto, a vivir una vida de lujo, llena de sueños, pero eso no la lleva a alcanzar la libertad, ni la felicidad. Seguirá buscando y la vida le irá enseñando, como se puede sobrevivir a la adversidad, sin perder la esperanza de encontrar el camino a la libertad y la felicidad.

La Idea de Soñar en Grande "Este libro hará mucho por usted". Es un libro de motivación y auto-ayuda, el cual está basado en las experiencias vividas de un escritor y poeta, el cual tenía sueños, los sueños de convertirse en un escritor y poeta reconocido a nivel internacional. Él quería darse a conocer a través de poesía y libros, expresando sus pensamientos, sentimientos y emociones. Es de mucha ayuda para usted porque lo ayuda a re-descubrir sus sueños que tenía cuando era un niño, cuando era un adolescente y le motiva a que usted se enfoque en los sueños que tiene ahora. Sabiendo que todos tenemos sueños, sean éstos pequeños o grandes, podemos cumplirlos si nos enfocamos y le ponemos énfasis. Al final, usted descubrirá cosas que quizá habían pasado por su mente antes, pero no sabía el por qué de las cosas.

Aprender a ser abuelo

En este libro aprenderás no solo a mejorar tu sueño, sino también a convertirlo en una experiencia agradable y placentera. Dormir forma parte de un conjunto de procesos corporales -como el hambre, la sed o las digestiones- que tienen lugar de manera espontánea. Digamos que tú no decides que ocurran, sencillamente, suceden. Por eso, cuando nos esforzamos en dormir, como una obligación o un mandato, muchas veces acabamos boicoteando el proceso. Juntos desandaremos el camino que te ha llevado de una mala noche a un problema de insomnio, con un protocolo tranquilo y efectivo. Durante el camino aprenderás más sobre todo lo que ocurre durante la noche y qué hace el cuerpo para dormirse y para mantenerse despierto. Te maravillará lo sabio que es y te convencerás de que puedes confiar en él. Además, te presentaremos algunas claves para interpretar nuestros sueños. Soñamos historias que muchas veces nos mandan mensajes para afrontar los problemas de la vida cotidiana. Así cumpliremos con el título de este libro: «primero dormir y después soñar». Por ese orden.

A finales de curso, Serena no consigue dormir debido a constantes pesadillas. Entonces recibe la visita de un personaje llamado Doctor Letargo, el padre de una de sus compañeras de clase. Letargo presenta una amenaza para Serena y sus mejores amigos. Todos ellos se embarcarán en una aventura trepidante cuando los sueños comiencen a trascender a en la realidad. Una de la series juveniles revelación escrita a cuatro manos por Ricard Ruiz Garzón e Álex Hinojo. Fantasía, magia, gatos y amistad en una aventura fantástica. Ricard Ruiz Garzón es un escritor nacido en Barcelona en 1973. Compagina la literatura con su labor como columnista y profesor del Máster en Edición de la Universidad Pompeu Fabra. Su obra abarca la ficción fantástica, la juvenil y el ensayo, así como la coordinación de antologías literarias como Mañana todavía, Insólitas o Riesgo. Su obra le ha valido varios premios, entre ellos el Miradas 2006 por Las voces del laberinto o el Edebé por La inmortal.

El gran libro de los sueños

Como un borrón de tinta china sobre un cuaderno en blanco. Así cae la sombra de Mamá Cuervo sobre el bosque. Arropado en su manta de nieve, el bosque duerme. Mamá Cuervo le grazna desde una rama. –Cinco minutos más –bosteza el viento entre los árboles... El bosque es el nevado escenario donde se encuentran Mamá Cuervo y Abuelo Oso, que ha interrumpido su letargo invernal, incapaz de recordar dónde ha escondido un secreto. No está entre las ramas, ni en la madriguera, ni en el lago... y la inseguridad de la duda le hace sentirse vulnerable. El misterio envuelve esta hermosa obra narrativa donde la naturaleza es un personaje más; una naturaleza humanizada por la poética del texto de Pedro Mañas, con metáforas que acentúan el tono descriptivo de la historia.

Hasta siempre Diego

Este libro contiene 350 cuentos de 50 autores clásicos, premiados y notables. Elegida sabiamente por el crítico literario August Nemo para la serie de libros 7 Mejores Cuentos, esta antología contiene los cuentos de los siguientes escritores: - Abraham Valdelomar - Antón Chéjov - Antonio de Trueba - Arturo Reyes - Baldomero Lillo - César Vallejo - Charles Perrault - Edgar Allan Poe - Emilia Pardo Bazán - Fray Mocho - Gustavo Adolfo Bécquer - Horacio Quiroga - Joaquín Díaz Garcés - Joaquín Dicenta - José Martí - José Ortega Munilla - Juan Valera - Julia de Asensi - Leonid Andréiev - Leopoldo Alas - Leopoldo Lugones - Oscar Wilde - Ricardo Güiraldes - Roberto Arlt - Roberto Payró - Rubén Darío - Soledad Acosta de Samper - Teodoro Baró - Vicente Blasco Ibáñez - Washington Irving - Alfred de Musset - Marqués de Sade - Saki - Marcel Schwob - Iván Turguénev - Julio Verne - Émile Zola - Villiers de L'Isle Adam - Mark Twain - León Tolstoi - Ryunosuke Akutagawa - Ambrose Bierce - Mijaíl Bulgákov - Lewis Carroll - Arthur Conan Doyle - James Joyce - Franz Kafka - H. El gran libro ilustrado de los sueños

Contada por su nieto, en esta novela se narra la increíble historia del escritor Dante Darnius, incapaz de llevar sus creaciones al papel pero invadido siempre por prodigiosas ideas y maravillosas historias que cuenta a su familia conforme se le van ocurriendo. La potencia de su imaginación y su capacidad creadora no pasará inadvertida en Estocolmo, y se le concederá el Premio Nobel de Literatura al escritor que no ha escrito nada nunca pero que todo lo lleva en la cabeza, una mente repleta de historias y asombrosas fabulaciones. Se enlazan en este insólito libro episodios imaginativos con increíbles personajes que bullen en la cabeza del abuelo escritor, siempre bajo el signo de la poesía y el humor: páginas memorables que elevan la ficción hasta superar los límites de la realidad y la fantasía.

Cuentos De Mis Abuelos

Clara Sandra es una adolescente común... hasta que descubre que tiene la capacidad de prever el futuro. Y empieza a ser manipulada y perseguida por personas que tratan de aprovecharse de ese don, desde su novio y sus amigos (por diversión) hasta peligrosos delincuentes (por ambición). Mientras la vida de Clara Sandra y la de las personas que ama están en juego, tiene que aprender a vivir con el don -o la maldición- de ser clarividente en un mundo que está más dispuesto a una cacería de brujas de lo que podría parecer. A través de ello, descubre la reforma más importante a la religión que puede hacerse, que consiste en cambiar un acento de lugar. Y ni toda la ayuda de los planos superiores podrá salvarla si no se concentra en aprender a manejar su don y crecer junto a su primer amor. Esta novela, que lleva casi 30 años en su proceso de elaboración, fue escrita totalmente durante el National Novel Writing Month 2014, ejercicio en el que fue declarada "novela ganadora" al rebasar 70,000 palabras escritas en un mes. Asimismo, gracias al ejercicio del NaNoWriMo y quienes creyeron en este proyecto, el autor se ubicó entre los 10 donantes individuales más grandes del mundo, en una campaña para fomentar la lectura entre niños de primaria y la escritura entre jóvenes de secundaria y preparatoria. Una primera edición -fuera de mercado-, una "edición de autor" para agradecer a los donantes y a quienes apoyaron el proceso de escritura y la formación de jóvenes lectores y escritores. Adicionalmente, participó en el "Premio Alfaguara de Novela 2015". Se presenta ahora en formato digital en Google Play Books. Para más detalles, visite el sitio <http://clarasandra.com>

Confundiendo historias

El presente libro recoge la idiosincracia del pueblo caribeno de habla hispana en varias situaciones y escenarios. Aquí se incluyen estampas de Cuba, Puerto Rico Y la Republica Dominicana. Cada personaje lo he visto pasar por mi vida, sentada, en alguna plaza de cualquier pueblo, observando

en alguna de nuestras playas, hablando con algun desconocido que me ha dado parte de su tiempo; o, simplemente, viendo la tele o leyendo los periodicos. Es el retrato tuyo y mio. Es nuestra gente, sus pasiones, el humor con que enfrentan el dolor y la desgracia, la picardia cultural y nuestra singular politica. Y por ultimo, es un homenaje postumo a quienes me enseñaron, a fuerza de ejemplo, reganos, mimos y bofetadas a ser quien soy.

Descubra El Significado de Los Sueños

Con los ojos de soñar narra los viajes a través del tiempo de tres adolescentes y su mascota, quienes deben cumplir una misión trascendental: salvar a la humanidad del mayor peligro de la Historia. Una aventura llena de romances, dudas y respuestas que se desarrolla en los escenarios más insólitos: desde la imaginación de un escritor hasta en obras de arte que, increíblemente, cobran vida. Con los ojos de soñar demuestra que existen dos mundos separados por una frontera mínima, del grosor de un sello de correos. ¡Cruzar esa línea implica desafiar para siempre los falsos imposibles!

The Story of My Life - By Shayna

The story of my life is about dog racing and a good deal more. It is about cruelty, the human capacity for cruelty towards human animals and animals of other species. Dog racing, commonly known as Greyhound racing, is not a sport because no legitimate sport uses enslaved/involuntary participants and murders many of them once they start losing and no longer are competitive and profitable. Dog racing is, in fact, a deadly form of entertainment, as are horse racing, dog fighting, cock fighting, hunting and circuses that use enslaved other-specied animals. Incidentally, I remember Greta talking about a form of entertainment that was popular in Ancient Rome and which took place in public arenas. There enslaved humans known as gladiators were forced to engage in deadly combat against each other to the delight of cheering crowds. Often the losing gladiator was killed outright, and sometimes he lived depending upon the mood of the spectators. Unlike some spectator sports whose fans identify with and form emotional attachments to the athletes, dog racing fans care little or nothing about the Greyhounds. This detachment can be attributed to the racers' short racing careers; some race for just one season or part of a season at a specific track, and then are shipped elsewhere. But let's return to my story. Please know that I am real, as are other characters. On the other hand, some characters are not real. They are fictional. And although some of the events discussed in Part One are based on real happenings, some are not, and Part One is a work of fiction. In conclusion, I hope with all my heart that this book touches the hearts and minds of its readers. - Shayna Lanesboro, MA (1998)

Three Shades of Blackness

Three Shades of Blackness is a fiction novel, which depicts the story of three girls from different backgrounds as they become friends and grow up together. Shayna is abandoned by her mother and when Mrs. Andrews takes her in, she enrolls her in a religious summer program. There she meets Tanya, a preacher's child, and Mercides, who is from a wealthy background. Although they are from vastly different families, they become fast friends. Three Shades of Blackness offers a tale in which the author combines unique family relationships, loyalty among friends and faith in the Lord in the lives of three girls who must deal with the highs and lows of adolescence as well as more adult choices.

James: A Reader's Companion

James the Just held a position of prominence in Jerusalem during the early days of the Christian era. The impact of his life guided critical decisions made in first-century churches, while the influence of his words continues to shape modern Christianity. This reader's companion to Holy Scripture offers to bring to life the New Testament Epistle of James.

The Advocate

The Advocate is a lesbian, gay, bisexual, transgender (LGBT) monthly newsmagazine. Established in 1967, it is the oldest continuing LGBT publication in the United States.

The World of Author Karen Wiesner: A Compendium of Fiction

Most rock stars would be revolted if a homeless woman fainted in their arms. Dante Deity is not most rock stars. THE ROMANCE WRITER Shayna Gray is fleeing her past. Tragedy, infidelity, heartbreak: the midlist romance author has suffered it all. She was strong enough to run, like a spunky heroine from one of her novels, and soon she'll be flying...just as soon as she can walk again. After walking from Portland to Sacramento, Shayna wakes up in the hospital with famous rock star, Dante Deity offering to take her to his mansion to recuperate. Unlike her abusive ex-husband or her bullying mother, Dante is determined she succeed. As he helps her recover from her grief and get her writing back, a romance worthy of her novels blooms. But Shayna knows that they can't have a healthy loving relationship until she learns to stand on her own. AND THE ROCK GOD Dante Deity is revered by everyone who knows anything about heavy metal music, and he's respected by everyone else. Rich, handsome, and successful, he has a voice like velvet-wrapped lightning. He juggles numerous philanthropic ventures while cranking out hits. When he's on tour, music is his life. When he's taking a break, he's thinking about his next tour—or working on a project that helps him forget he's alone. When an unconscious woman falls into his arms, Dante embarks on the biggest project of his life. Saving a damsel in distress quickly becomes a secondary mission when he realizes that his heart is on the line.

Fire in the Heart

Our perfection is a facade; Our reality is a mess. Lochlyn and Shay: The picture perfect couple to everyone we know; we're anything but. Sure, he has an amazing new job. And, I'm proud of him for it. But he's never around. It's hard planning a wedding. Hard furnishing a house. Hard doing it all without him. Luckily, I have Chelsea. But you're supposed to build your life with your person - not your best friend. I yearn to regain what made us Shay and Lochlyn. I won't accept that love is lost and we were never meant to be. Will he heed my desperate pleas before it's too late, or will our love crumble under the weight of life?

Rock God

Escaping religious persecution after a pogrom against Jews in Ukraine in 1919, Shayna, a seventeen-year-old, along with her orphaned four-year-old nephew, her fiancé and his mother begin a treacherous journey to reach safety in America. The novel portrays the Yiddish culture of the shtetl and New York's Lower East side as the reader comes to know little Dovid, who lives with the trauma of losing his family; Yussi, who believes God has forsaken him in this new country; and his mother, Manya, who struggles to find a way to fit in America. Shayna's courage and determination hold them together and weaves a rich fabric from their separate threads to make a loving family, a safe place from which to build a new life in a new country.

No Limits

"A call to action ... A reminder of the beautiful resilience of formerly incarcerated women and a celebration of all that they have to offer." —Susan Burton, author of *Becoming Ms. Burton* and founder of A New Way of Life Urgent and empathetic, *Entry Lessons* is one of the first examinations of the lasting impact of incarceration on women and their families. Recent reports show that women make up the fastest-growing population within the United States' criminal justice system. And yet, despite necessary conversations about incarceration and prison abolition, their stories of abuse, neglect, poverty, and family separation often go untold. Now, through immersive storytelling and expert analysis of women's lives after prison, anthropologist Jorja Leap explores their journeys into, through, and beyond the jail cell. In these pages, you'll meet women like: —Ivy and Janet, accused of murder, whose intertwined stories of childhood harm, domestic abuse, and gang violence unfold throughout the book —Denise, who confronts the lasting impact of her childhood sexual trauma as she struggles with relationships and the realities of homelessness —Rosa, a survivor of sex trafficking whose relationship with her mother—her trafficker—is fraught with conflicting feelings she works to resolve —Carmen, whose search for love ultimately endangers not just her life but also the lives of her children —Clara, who survived placement in the child welfare system only to experience having her own children sent to foster care —Angela and

Ronnie, two women navigating the complexities of sexuality and queerness in and out of prison Leap chisels away at superficial narratives to unearth pasts rife with struggle and oppression. She reveals the sharp edges of reentry and the wounds suffered by these women and their families, exposing a cycle of trauma that powers the revolving door of reentry and reincarceration. And, still, Entry Lessons is a book of hope just as much as it is of pain. Leap calls for systemic change through the development of meaningful reentry programs and policies that will have a lasting, life-changing impact on women as they rebuild their lives and especially as they are able to reclaim their children.

Hope is snatched from her home and transported to a primitive world of magic and capricious gods. The Dayamari people believe she's a Seer and their only hope of salvation, but she's blind—she can't see anything at all, let alone the future. She must accept her destiny and learn to wield the awe-inspiring powers the gods have bestowed upon her. And if she's to save those she loves from the horrifying evil that lurks in the darkness, failure is not an option. Download this 107,000 word paranormal romance FREE! Bad Boy's Secret Baby is book 3 and the finale of The Choppers MC trilogy! I WANTED ADVENTURE. HE WANTED A BABY. WE BOTH GOT WHAT WE WANTED. Devin owned me from the second he walked into my shop. He was like something out of a romance novel. And I wanted to see where our story went. I just never guessed it would end with his baby in my belly. It was obvious from the second our eyes met: Devin wouldn't take no for an answer. He saw something in me that he wanted... And I was powerless to deny him. But that was before I knew the kinds of people who were after Devin's blood. Bad men. Evil men. Men who wouldn't hesitate to hurt me, too. I never signed up for all this. But when Devin puts his seed inside me... I'm stuck going along for the ride.

Train Whistle in the Distance - A Collection of Stories

Deep in the Forest of Fear, an angry sorceress, Meevillain, casts an ominous Cloud of Chaos across the Kingdom of Kindness. Unhappiness and mistrust spread among the people of the kingdom. Walls spring up around each village, and misunderstandings keep the villagers from remembering life before the shadowing cloud. Young Princess Shayna nearly dies from Meevillain's Sinister Sleeping Spell. Sigmund, the Royal Wizard, saves the princess, but she must take a Silver Apricot Potion every day stay to alive. On her 13th birthday, Princess Shayna embarks on a perilous Vision Quest to unite the Kingdom of Kindness. For the first time in her life, she is without her parents' reassuring guidance. Princess Shayna encounters treachery and deceit, as well as new friendships and kindness. She learns about the villagers' Praiseworthy Gifts and helps them appreciate and respect each other again as she shares her Invisible Visible Gift of self-esteem. But before the Kingdom of Kindness can be whole again, she must face her deepest fear! Like all enduring fables, Princess Shayna's Invisible Visible Gift combines exciting storytelling with a powerful message that remains long after its reading. In the 14 years since its first publication, Princess Shayna has been shared by parents, teachers, and involved adults to teach children how to: Discover and understand more about themselves and others Value their worthiness and capabilities Appreciate and accept individuals' differences Share a "color" language to express their thoughts, feelings, and defuse conflicts Recognize and effectively deal with bully behavior Develop healthy and harmonious relationships These skills have helped thousands build a firm foundation to solve their problems and savor their joys while on their life-long journey of self-discovery. The Gift Giver's Guide at the back of the book helps to start conversations and encourages children to talk about how the story and characters relate to their own real-life experiences. Every child deserves to feel loved, safe, encouraged, and confident in a trustworthy home, school, and community environment! 10% of the royalties from the sale of this book are allocated to diabetes research and education.

Seer's Hope

THE OLDEST SECRET SOCIETY OF INDIA. THE GREATEST TREASURE IN THE HISTORY OF MANKIND. THE MOST EPIC MYSTERY OF THE ANCIENT WORLD. When the richest man of India confesses to being part of a secret society in a live press conference; chaos ensues. His daughter Aanya Vashishtha takes the help of Aarav Kohrrathi, a brilliant but egoistic treasure hunter and his friend Rehann to solve the mystery of The Ring of the Seven, a society of influential men who are tasked to

protect the greatest treasure in history. What starts off as a quest to uncover her father's secret leads them to something bigger which they themselves couldn't have fathomed. They take the help from her father's associate, Shayna Maheshwari, a billionaire banker and someone herself involved with the secret, as they progress towards a treasure hidden somewhere in the Himalayas. They brave bullets, puzzles, deadly chases, cult of assassins, and betrayal as their quest takes them across the length and breadth of South Asia; from the bustling metropolises of Mumbai and Delhi to the ancient temples of Nepal; from the serene beaches of Sri Lanka to the towering mountains of the Himalayas. They try to uncover a set of secret books of lost arts, which are believed to reveal the map of the treasure, and strive to discover the identities of the masters of the Ring of the Seven to solve the penultimate mystery. In a tale of love and loss, logic and emotions, religion and history, action and adventure, and the trial of a few good men against the most powerful organization in the history of mankind. Will they find the secret of the Himalayan treasure?

Bad Boy's Secret Baby

Three generations of women struggle with oppression in this prize-winning historical saga from “a natural born storyteller” (Julia Alvarez). When I remember Russia, I ache with longing for the village of my birth, where the beloved grandparents magically produced candy in a handshake and told stories of long ago when God spoke to humans and enchantments filled the world . . . Two Jewish sisters, born in Russia shortly before the Communist Revolution, are forced to flee the pogroms and persecution and travel with their parents to British-occupied Palestine. The girls' parents befriend a widower with two children and join forces, creating a blended family. When the girls are teenagers, World War II tears the family apart, sending the girls separately to France and America. Their lives unfold in tandem: babies are born, friendships forged, and cherry pies baked—despite the brutal backdrop of the Holocaust. As the family grows into the next generation, one of the daughters, an artist drawn to a bohemian lifestyle, surrounds herself with a multicultural circle of friends the likes of which her ancestors could not have imagined. Subsequently, the artist's turns her passion to providing aid to Salvadoran refugees fleeing the death squads in their homeland, just as her own grandmother once fled the pogroms of Russia. As she follows her vocation of reversing the damage that torturers inflict on their victims, she must also overcome a past-life trauma that haunts her very core. A winner of the Fabri Literary Prize, *Memories from Cherry Harvest* spans seventy years and five continents, explores the physics of memory, and shows how the tenacity of good can ultimately withstand and overcome the memory of tragedy. “Like Julia Alvarez's *In the Time of the Butterflies* and Doris Lessing's *Martha Quest* novels, this story about fighting the injustices of the 20th century will engage readers of politically charged fiction.” —Library Journal

Princess Shayna's Invisible Visible Gift

So many questions a high school senior must resolve Which college should I attend? What should my major be? With the realization that she is pregnant, this high school senior now faces a whole new set of questions. What will everybody think of me? Will my boyfriend stay by my side? And the biggest question of all How do I tell my parents? This book is most enjoyed by older teens, twenty-somethings, and the parents and grandparents of the above.

SECRET OF THE HIMALAYAN TREASURE

"[Robson] delivers in another spell binding addition to the Weird Girl series that had me constantly on the edge of my seat never knowing what to expect next...I think Robson may have ruined all other UF books for me." - My Guilty Obsession Just when Celia thinks the supernatural world can't turn deadlier, a new rival emerges, proving just how dangerous a power-hungry were can be. Since being cursed with unique abilities, Celia Wird and her three sisters have fought the most bloodthirsty preternaturals in the Lake Tahoe region. But Celia's greatest threat is someone she would have never suspected: Anara, a werewolf Elder who has allowed his hatred for Celia to spiral out of control. In a play for dominance, Anara tortures Celia and gives her an ultimatum: sever her mate bond with pureblood were Aric—or Anara will kill everyone she loves. From the instant they met, Celia and Aric have shared an attraction that cannot be tamed. So keeping Aric away is impossible, and Aric would sooner die than allow anyone to hurt the woman he loves. Misha, master vampire and Celia's sworn protector, also finds his way into the chaos, seeking blood from those who have harmed her. Now Celia and her sisters are caught in the middle of a war driven by lust, fueled by hatred, and destined to end in tragedy. For Anara is a force to be reckoned with, and he will not succumb without robbing Celia of those who hold her heart.

Memories from Cherry Harvest

Taste Your Emotions ~unplugged~ This is the second revised and expanded version of the earlier work "Taste Your Emotions" a book containing poems only each telling a story of the struggle for physical, emotional, and spiritual sobriety. The poems inside this book express a variety of emotions taking you through an experience from deep pain to the joy of emotional freedom. Attempting to balance between a short memoir written in a creative way, self-help book of sorts, as well as grouped enlightened writing trying to lead others in embarking of self freedom. Thus this book is simply not a book of poems and writings it is a dark journey of pain, confusion and addiction leading to a bright awakening of the heart and mind. The poems and writing are both heavy, raw, thought provoking, even forceful in there convictions at times and they are also light and touching in there innocence at other times, culminating in a moving expression of strength and determination. You will not just read these poems and writings you will experience them think about them, be moved by them and maybe if I am lucky even be some what changed by them. What was changed from the first edition was some poems of lesser relevance where removed. More back ground to the author his life and experiences behind the poems was added which makes the read much richer and deeply connecting. Likewise there is added writing on the thinking and philosophies which brought about his ever evolving and life enriching change. One mantra he lives by now which he created is: KNOW yourself, LOVE yourself, & BE yourself. Comments from Past readers: Well-organized and powerful/life-affirming works ~ Chris Massey A compilation of life's struggles and victories ~ Timothy Talosi Fascinating Read ~ Pat Sturt The poems are very emotional, touching to the heart ~ Tonya Graham The title is right on. As I read this book I experienced deep feelings and emotions. Most books don't touch my soul the way this one does ~ Becky Sedgwick

Sometimes its difficult to make the right choice when we let our emotions get the best of us. More Bubbles is a rhyming book that uses the concept of more and less to help children understand the social and emotional impact they can have. Our choices affect our lives and others around us too. This picture book promotes significance, connection, growth, and contribution. It can help our children navigate their emotions and guide them down the path to more empathetic choices. Be present. Be fair. Be kind. Be aware.

A Cursed Bloodline

It's December. Shayna, the only Jewish kid in her class, would give anything to not have to celebrate Hanukkah and instead celebrate her favorite thing in the world: Christmas! But this all changes when she is visited by the spirit of a bubby from the Old Country, who takes her on a journey through Jewish history, large and small, and teaches her the value of tradition and of miracles, large and small. Drama/Comedy Full-length. 60-75 minutes 7-30+ actors

Taste Your Emotions

This booklet is filled with pure emotions. It was originally written as raw feelings put on paper about my little journeys through life. You will read simple truth put into poetic rhymes. The honesty of it makes it relatable for any teenager across the globe. It's for you to know that you are not going through these moments alone, whether they are moments of happiness, sadness, or anger. The first few poems in this book were written when I was 12, and gradually the depth of emotion increased with age. This is me listening to my mom when she told me "sharing is caring" when I wouldn't give my sisters the TV remote or some toy that was mine. This is me sharing my thoughts for you to read and feel. By Shayna Shah

More Bubbles

In the summer of 1977, Terri Jentz and her Yale roommate, Shayna Weiss, make a cross-country bike trip. They pitch a tent in the desert of central Oregon. As they are sleeping, a man in a pickup truck deliberately runs over the tent. He then attacks them with an ax. The horrific crime is reported in newspapers across the country. No one is ever arrested. Both women survive, but Shayna suffers from amnesia, while Terri is left alone with memories of the attack. Their friendship is shattered. Fifteen years later, Terri returns to the small town where she was nearly murdered, on the first of many visits she will make "to solve the crime that would solve me." And she makes an extraordinary discovery: the violence of that night is as present for the community as it is for her. Slowly, her extensive interviews with the townspeople yield a terrifying revelation: many say they know who did it, and he is living freely in their midst. Terri then sets out to discover the truth about the crime and its aftermath, and

to come to terms with the wounds that broke her life into a before and an after. Ultimately she finds herself face-to-face with the alleged axman. Powerful, eloquent, and paced like the most riveting of thrillers, *Strange Piece of Paradise* is the electrifying account of Terri's investigation into the mystery of her near murder. A startling profile of a psychopath, a sweeping reflection on violence and the myth of American individualism, and a moving record of a brave inner journey from violence to hope, this searing, unforgettable work is certain to be one of the most talked about books of the year.

Hanukkah Harriet

You found parts of me I didn't know existed, and in you, I found a love I no longer believed was real. -Unknown Shayna King is struggling to be happy again after tragically losing her fiancé to murder and her parents to a drunk driver. The middle King sister is now quiet and conservative, hiding the person she used to be. Handsome photographer, Greg Navarro, looks like he should be on the opposite end of the camera. His business is flourishing, and life is good when he's introduced to the simple beauty that is Shayna King. Greg goes after what he wants, and he finds himself wanting Shayna. Shayna is thrown off balance as an unspoken romance begins between the two of them. The guilt of Shayna's secrets and the scars from her loss causes her to continue pushing him away. When Greg is offered a job in another state, he looks to Shayna to give him a reason to stay. Her rejection causes Greg to pack up his things and move, leaving Shayna even more heartbroken and confused. Will Shayna allow herself to love again before it's too late? Find out in book two of the King Sisters series, *Are You That Somebody Greg & Shayna's Love Story*.

Cabin Fever, Book 6 of the Kaleidoscope Series

Nestled on Lake Superior in northern Wisconsin is a small, secluded town called Bloodmoon Cove with volatile weather, suspicious folk...and newly awakened ghosts. Don't close your eyes... How to bury what won't stay dead...? When Bennet Ryan was eight years old, he met Ice and fell for her. Yet who Ice was and where she came from was an enigma she adamantly concealed. When they were 19, Bennet demanded she entrust her secrets to him or he'd move on. Every year since he met her, she'd disappeared at the end of September. After Bennet left her, he'd worried she wouldn't come back within two weeks the way she always had before. His worst fear materialized when she didn't return. Now, at 20, Bennet is the new deputy sheriff in Erie County. Still grieving a year after her disappearance, he's floored when Ice reappears. As they fall in love all over again, September is approaching rapidly. Bennet is compelled to solve the mystery of Ice. The deeper he delves, the more certain he is that the hole the Mino-Miskwi elders tore in the veil between the living and the dead a century ago has created a maelstrom of twisted horror. How can he possibly save the woman he loves from an entity that wears the name of creation's first murderer, bears an immortal seal, and made a pact with the devil himself?

Reason to Rhyme

Are You That Somebody

A Most Anticipated in 2021 Pick for The Independent | Buzzfeed | The Nerd Daily When we came to America, we brought anger and socialism and hunger. We also brought our demons. In *Burning Girls and Other Stories*, Veronica Schanoes crosses borders and genres with stories of fierce women at the margins of society burning their way toward the center. This debut collection introduces readers to a fantasist in the vein of Karen Russell and Kelly Link, with a voice all her own. Emma Goldman—yes,

that Emma Goldman—takes tea with the Baba Yaga and truths unfold inside of exquisitely crafted lies. In "Among the Thorns," a young woman in seventeenth century Germany is intent on avenging the brutal murder of her peddler father, but discovers that vengeance may consume all that it touches. In the showstopping, awards finalist title story, "Burning Girls," Schanoe invests the immigrant narrative with a fearsome fairytale quality that tells a story about America we may not want—but need—to hear. Dreamy, dangerous, and precise, with the weight of the very oldest tales we tell, *Burning Girls and Other Stories* introduces a writer pushing the boundaries of both fantasy and contemporary fiction. The Advocate is a lesbian, gay, bisexual, transgender (LGBT) monthly newsmagazine. Established in 1967, it is the oldest continuing LGBT publication in the United States.

The Advocate

In a world of "Me Too," women are struggling with the notion of softness and empathy while living up to the strong-suiter persona in order to win at work. Compassion and femininity are superpowers, and toughness and fear will never earn trust and loyalty in the workplace or in life. While many women fight to put on their best "bitch face," they should simply slip on a smile instead. In her book, Mindie Barnett explores her own experiences working for the "devil" in that famous book of Prada and how she constructed her company on the complete opposite premise than leading with fear. Instead, she embraces her femininity and steers her team with a sense of warmth and compassion without losing her competitive edge. Learn how to create camaraderie with your competition, inspire your team to soar, and rock a haute shade of lipstick while doing it.

The Coach

Life in the safe suburbs of Christchurch isn't dangerous enough for Marty. He needs excitement, and goes looking for it in punk, protest, politics and crackpipes. Marty soon finds Mona, a teenage runaway living in a flophouse of skinheads and goths. The two live for drugs and dodgy deals, but they are minnows compared to savage siblings Jade and Shayna. Meanwhile, war has broken out among the

bikers Marty and Mona depend on for their daily fix. Fuelling the fight is 'King Kong' Chong, a thug determined to be Number One in the Oh-3. Swimming between the sharks is Winston, Marty's baby brother, who has big plans. When Winston gets in over his head, it's up to Marty to try and pull him out of a neo-Nazi nightmare before their family becomes a target. "Breathtaking, relentless, unapologetic... It's a wild, wild, wild ride." - Australia & NZ Crime Fiction Reviews

Ten Minutes Later

"Divulge[s] the details of top-level deliberations—details that were almost certainly known only to the administration's inner circle" (The Wall Street Journal). When he was elected in 2008, Barack Obama had vowed to close Guantánamo, put an end to coercive interrogation and military tribunals, and restore American principles of justice. Yet by the end of his first term he had backtracked on each of these promises, ramping up the secret war of drone strikes and covert operations. Behind the scenes, wrenching debates between hawks and doves—those who would kill versus those who would capture—repeatedly tested the very core of the president's identity, leading many to wonder whether he was at heart an idealist or a ruthless pragmatist. Digging deep into this period of recent history, investigative reporter Daniel Klaidman spoke to dozens of sources to piece together a riveting Washington story packed with revelations. As the president's inner circle debated secret programs, new legal frontiers, and the disjuncture between principles and down-and-dirty politics, Obama vacillated, sometimes lashed out, and spoke in lofty tones while approving a mounting toll of assassinations and kinetic-war operations. Klaidman's fly-on-the-wall reporting reveals who had his ear, how key national security decisions are really made, and whether or not President Obama lived up to the promise of candidate Obama. "Fascinating . . . Lays bare the human dimension of the wrenching national security decisions that have to be made." —Tina Brown, NPR "An important book." —Steve Coll, The New Yorker

The Purple Palace & Other Poems

Marni pulls. Pulls her hair, that is. Unable to deal with the mounting stress at home, in school, and with friends, Marni's compulsion to pluck out her eyebrows, eyelashes . . . even the hair from the top of her head, helped her to quiet her mind and escape the pressures of the world around her. Marni first began pulling the summer just before entering high school, and she was immediately hooked. Unfortunately, by the time she discovered that her habit was an actual disorder—trichotillomania or "trich"—it was way too late. "When I stared at the mirror and tried to recognize the girl without eyebrows, eyelashes, and bangs as myself and failed, I knew something had gone horribly wrong." Because Truth Is More Fascinating Than Fiction
