relax into your natural breath

feel the energy of your breath softly tingling through your fingers

move the magnetic ring towards your feet

move the magnetic ring over and around your feet and ankles

moving the magnetic energy up your upper legs

move the magnetic fiber ring up into your shoulders and neck

move the cleansing fibers into your head

visualize placing your consciousness your awareness onto your solar plexus

bring your awareness back to the presence of your whole being

pull your chin towards your heart space

feel the wave of your breath moving through your body

open your eyes

concentrate on your breathing

moving through the source life connecting with a sparkling riveting vivacious energy of well-being purifying each and every cell throughout your entire body

releasing any tension that you may be holding

drifting into complete relaxation and harmony with your physical body

moving in and through your entire body enhancing your organs

moving into your third eye chakra

move on the line towards the future

connecting your heart chakra with your throat

moving into the root chakra

moving down through your feet and into the earth connecting with the heart

wraps itself around the earth protecting and loving the consciousness

breathing back into the consciousness of your awareness
