Vampire Tears (a Collection of Poetry)

In this first collection of paranormal poetry, Ally Thomas shares her love of vampires. Think of it as walking through the minds of various vampires. Witness their confessions, delights, fears, trepidations, doubts, and sometimes their tears. Fifty poems are included, many written in free verse.

Vampire Tears

The book is a collection of poetry that spans approximately (22) years. All works are based on experiences in my lifetime and connect to form a journey" if you will, by the author. Every poem tells a story, perhaps you can relate to some, if not all of them! Most are very romantic, some are insightful and haunting, but they all are true to my feelings, true to my heart and soul. I hope you will enjoy them as much as I enjoyed writing them. Let the journey begin.....

Vampire's Tears

Bloody tears, turned to ink. An excellent selection of Vampire poetry brought to you from the days when they were starting haunting our dreams and desires in literary form, until the dawn of the last century. This anthology includes 20 poems from authors like Johann Wolfgang von Goethe, Lord Byron, Charles Baudelaire, Rudyard Kipling, Delmira Agustini, William Butler Yeats... among others.

Bloody Tears

Discover poetry like you've never seen it before. A youthful, modern approach with over 100 Titles on Life, Love, Death, Sex, Passion, Friendship, Broken Hearts, Fear, Betrayal, Confusion, Abuse, Drugs, and Suicide. Titles include Black Butterfly, The Rose, Misunderstood, The Vampire Inside Me, Friends Forever, Ghost, Blood On The Tip of a Paint Brush, A Thirst For Seduction, Die With You, Giving Up On Me, In Your Arms, Screaming Scars & Whispering Tears, The Dark Side of the Ocean, The Perfect Drug, Sea of Sorrow, Venomous, Confessions of a Sinner, The Beautiful Letdown and the controversial "My Suicide Note"

Vampire Poetry

This is a poetry book and its all about vampires. If you like poetry and vampires than this book is a perfect choice for you. If you have an imagination you could get lost in this book.

Vampire Heart

Praise for A Silver Kiss – vampire poetry: "It takes a level of skill to cause a reaction in your readers, and Hardy has that down." – vampires.com "Beautifully written and magical." – susankmann.com "If you are looking for something different, love poetry, or love vampire lore this book is definitely worth a read." – vampirebooksite.com Description: A dark and daring addition to the literary world of vampirism, this is a collection of rhyming and freestyle poetry that explores the often taboo themes of power, possession and seduction. Emotionally charging, each poem is written from a different perspective, be it the hunter or the hunted and inspires a deeper look into the psychology of the human mind and the darker aspects of human relationships and society.

A Silver Kiss

The Sad Lover Boy, the Vampire & the Lime King, the second book of poems from Brandon Hildreth is a collection of bittersweet loving sadness and hateful goodness. It molds together to form a delicate truffle fit for a queen or a king. Whether you're a saddened, brokenhearted, lost and wandering lover from which selflessness and magical forgotten powers ooze, a torn and tormented sucker of vital bodily essences hiding in the shadows of some dark abandoned manmade structure waiting for eternity to bring you peace and happiness, or even a stargazer struggling to push the mental cheese off of its celestial cracker in order to find that orphaned inner child walking the hallways and corridors of the mind; you will find waiting for you within the pages of this book an interesting and fantastical journey.

The Sad Lover Boy, the Vampire & the Lime King

The enchanting and often mysterious world of the vampire is brought to life with a series of poems depicting the life and struggle of my existence and ranges from my darkest moments to the joys that

no amount of words can describe and whose depths, I truly believe that you would never comprehend. It is curious, is it not to catch a moment of another's thoughts, passions or something darker and have no context to place it. This tingle of insight which will always intrigue and engage, yet the full meaning will always allude you. Do not expect me to rhyme and be full of the joys of spring; this is not who I am. I write more in the style of Homer, some long, some short. Do not think ill of me for the deeds I've done, or the choices I've made, some were necessary, others fun, some of which you will glimpse as you treasure the contents of this book. I will not tell you where I currently dwell, or whence I came into this world, suffice to say, neither of us will profit from that.

Existence as a Vampire

The Vampire, Witch, and Pirate will sweep you away into an enchanting world of witches, pirates, love, romance, vampires, and fun. This poetry book is best suited for teenagers and adults. Her black raven sings while circling its prey, Enchanting with spells inviting and gay. "What can I give thee in exchange for a debt?" Asks the witch so enticing. "Come hither my pet!" The fairest of maidens, youth's bloom so believing. The cruelest of evil, so lovely-deceiving. Her heart is the blackest-deceptively charming. Her beauty bewitching-divinely disarming. "What ails thee my poppet, sweet maiden so fair?" Says the witch so alluring. "Come close if you dare!"

The Vampire, Witch, and Pirate

In his fourth collection of poetry, James Daniel Darr delves into the shadowy world of vampires and explores the tortured soul within the feared monster of myth and legend. The spirits of midnight are brought to life through intense feelings of isolation, dark hungers, longing, passion, sensuality, nocturnal lust...and yes, even love. Through this gradual progression we have witnessed Darr blossom as his talent has lent fruition unto his skills; thus we are treated to the beauty of his well choreographed semantics. Here through this new chapter of his artistic venture; he gracefully unveils the secrets beneath the world of shadows and soothes our eyes with the caresses of his ink.

The Wizard of the North, The Vampire Bride, and Other Poems

La Morte Amore: Vampire Poetry of the 1800s From the introduction, The Dark Embrace by Corvis Nocturnum Classic romantic vampire poetry had its roots in the early 1700s and well into the next century. Vampires and their shift from decaying, foul revenents was first in poetry, in poems of German writers in the mid-eighteenth century, and soon caught the fascination of the creative libertines of the English and Frenchmen. The mix was soon to influence writers of the Gothic horror and Gothic romantic period and gave birth to the modern vampire we imagine the undying to be, garbed as Ann Rice details, resplendent in lace and velvet. I theorize, that, much like myself, the classic scribes of yesterday was to leave a mark on the world long after their own death, allowing them to live on through all eternity - our own sense of immortality. So it is with great pleasure I open the dusty tomes of the past and share the dark embrace of the earliest vampire poems in the collection "La Morte Amore" ! Der Vampire by Heinrich August Eckenfelder (1748) Lenore by Gottfried August Burger (1773) Die Braut von Korinth by Johann Wolfgang von Goethe (1797) Christabel by Samuel Taylor Coleridge (date unknown) Thalaba the Destroyer by Robert Southey (1800) The Giaour by Lord Byron (1813) La Belle Dame Sans Merci by John Keats (1819) Lamia by John Keats (1820) The Vampyre by James Clerk Maxwell (1845) Le Vampire by Charles Baudelaire (1857) Les Metamorphoses du Vampire by Charles Baudelaire The Vampire by Rudyard Kipling (189 7)The Vampire by Jacques LeClercq

Path of Vampiric Verse

Vampires have always been a mystery, described anywhere from near human to a blood thirsty fiend. Which is true? Could there be different kinds of vampires out there just as there are different species of animals? One can only ponder... And so, these poems reflect the many different aspects of vampires. From a brooding romantic side, to the lusting demon.

The Vampire's Tear

Feeding the Vampire Through good luck and healthy cowardice, Misty has survived the earthquakes that have torn the world apart, but has no skills to speak of. Or so she thinks. She does have blood, and someone must feed the vampire who has offered his protection and strength in exchange for sustenance. Feeding Ivan is a priority, and Misty finally serves a purpose. But when she awakens tied

to his bed, an unwilling gift to Ivan from the townspeople, she discovers he has hungers other than blood. Hungers he expects her to satisfy in the most carnal manner. Under his seductive persuasion Misty discovers she has the power to sustain Ivan in all ways, while experiencing unspeakable pleasure herself. Hunting the Siren A vampire queen grown powerful with age, Imogen has protected her band of nightriders through the centuries. When refugee vampires from earthquake-shattered Europe seek shelter and sustenance, she's honor-bound to feed them, by any means necessary. When her lieutenants dump the vengeful human man Kasar at her feet, Imogen succumbs to his masculine vitality and her overwhelming hunger for his blood—and his body. Kasar has survived the breaking of the world, only to discover the vampire queen has slaughtered his sister and her unborn child. With the last of his bloodline dead, only his desire for vengeance keeps Kasar alive. He imagines he can pretend to succumb to Imogen's seduction—not that he has much of a choice, chained as he is to the foot of her bed—and bide his time until he has an opportunity to kill her. The passion he finds in her arms is unexpected, and impossible to resist. But this haven of desire and satiation could easily destroy them both.

Vampire Virtues

This is Sam Hedgecock's first collection; he is a young poet who wishes to share a journey with his readers. It is a set of poetry based mainly on emotions and primarily consists of dark poetry. Due to it being his first collection, Sam would love you to give him feedback on the collection and he hopes you enjoy the poetry.

La Morte Amore

New poetry from Matthew Haigh, author of *Death Magazine* (Salt) and *Black Jam* (Broken Sleep Books). *Vampires* is a rare book: devastating both for its dazzling linguistic flair and its moving central story—an elegy to a lost, beloved aunt.

Poetica Lamia

Tired of just existing, she wanted a different outlook on life and was willing to try anything. She didn't want to fall in love, but she couldn't help it. His eyes... his poetry... Ink in one hand, blood in the other. So why did he do it? Hoping his dark romantic kiss would change her like it was changing him? "Haunted by Demons and Love" are the words found written in the "Lost Vampire Letters". This collection of Lucian's poetry and letters leads Detective Van Bibber on a Blood Magic Stir trail through the dark woods of the Tattooed Forest... to the club "Forever Lightless"... a secret place, a secret club, where vampires have been carving their names in the vampire forest for hundreds of years...

The collection thus contains everything from novels and short stories to belles lettres and more populist works, and includes many exceedingly rare works not available in any other collection from the period. These invaluable, sometimes previously unknown works are of particular interest to scholars and researchers. Take a look into the mind of the undead bohemian, Jack Townson, an artist who found himself trapped in a world of nightmares, a life without sunlight, never to feel the warmth of day or the permanence of true love. Jack dives inward to put pen to paper, filling each page with forbidden secrets--from the loves he's lost, to the friends he's made, to the villains who have plagued him, and the dreams of tomorrow. Step into the shoes of a child of dusk trying to find his way back into the dawn.

The Wizard of the North

The Vampire, His Kith and Kin

Fans of urban fantasy should prepare for a new kind of vampire-one that feeds off of tears instead of blood. Descended from an ancient line of creatures that gain their energy from human tears, Cassandra Gray depends on human sorrow to live. Her job as a grief counselor at the hospital provides the perfect cover to keep this secret safe, and any time a friend needs a shoulder to cry on, she's there. Only Cass has grown tired of living a lie and wants to live like a human, especially now that she's found someone worth fighting for. With a perfect blend of supernatural and romance, Patrick Jones treats his current fans to a different taste of storytelling and will have new ones scrambling to devour this unique offering.

The Tear Collector

Merlin's Book of Poems is a collection of poems written by author Dwayne Nelson. However, the idea behind this book is a story in itself. Dwayne visualized Merlin the Magician living a long life backwards in time, and on his many journeys throughout the world he met many types of people. All of these people had stories to share with him and he wrote a lot of them down, and thus began his book of poems. This book focuses on a variety of entertaining topics to explore and reflect upon. There are important valueable life lessons that the author means to express. In all, Merlin's Book of Poems is for all ages and hopefully will bring a smile to all of those that read it.

In Another Vein

Vampire Planet is an eclectic, witty, and often moving New & Selected collection of poems from a writer whom former US Poet Laureate Billy Collins calls "the wisest, most entertaining wise guy in American poetry."

Dark Truths - A Poetry Book

"It's not always easy to see the light when you're surrounded by darkness. Sometimes you have to make your own way out of the hole." A collection of 23 poems, all written in my youth. I wrote a majority of them when I was sixteen to seventeen years old. This was a really hard time in my life. It was a time of heartbreak, pain, love, betrayal, and more. Writing these poems was a dose of sanity when the world around me was corrupting. It was my outlet when I couldn't breathe, and my safety rope when I was drowning. We don't get to pick our story in life. Usually the story picks you. So, with this release I am hoping to show inspiration. You can survive, and you can move on from your dark place. I dedicate this book to all the youth out there going through any type of struggle.

Bitey the Veggie Vampire

The Vampire: His Kith and Kin is an academic study of vampires. Its author, Montague Summers, was at one time an Anglican priest, although his later religious affiliation and status is unknown. Summers takes his study of the occult very seriously, genuinely believing that vampires, werewolves, witches and the like exist and citing evidence from a wide variety of sources.

Under a spreading chestnut-tree The village smithy stands; The smith, a mighty man is he, With large and sinewy hands; And the muscles of his brawny arms Are strong as iron bands.

Week in, week out, from morn till night, You can hear his bellows blow; You can hear him swing his heavy sledge, With measured beat and slow, Like a sexton ringing the village bell, When the evening sun is low.

He goes on Sunday to the church, And sits among his boys; He hears the parson pray and preach, He hears his daughter's voice, Singing in the village choir, And it makes his heart rejoice.

Toiling.--rejoicing.--sorrowing. Onward through life he goes; Each morning sees some task begin, Each evening sees it close Something attempted, something done, Has earned a night's repose.
