

Sold To The Enemy

[#sold to the enemy](#) [#enemy captivity](#) [#betrayal story](#) [#war acquisition](#) [#forced allegiance](#)

Explore gripping narratives where characters are unexpectedly sold to the enemy, facing themes of ultimate betrayal, desperate survival, and the harrowing struggle for freedom or forced allegiance. These tales often delve into the complexities of war acquisition and the human spirit under extreme duress.

Our digital textbook collection offers comprehensive resources for students and educators, available for free download and reference.

Sold to the Bears

In a dystopian future where fertile women are treated like commodities, curvy Lila is preparing to be the latest in a line of women to be SOLD. However, unlike most women who are sold, Lila is looking forward to it since she knows who she is going to be sold to. Adrian and Grant are bear shifters and are part of the "Bears of Sun Creek" tribe. They are impossibly handsome with perfectly chiseled bodies. Long steamy nights of passion and menage-filled ecstasy are a guarantee for a woman that is owned by these bears. Wit that in mind, surely any woman in her right mind would jump at the chance of being sold to Adrian and Grant?Only problem is, Lila is not just any woman and the reason she is eager to

be sold is nothing to do with the sex. Lila actually has revenge in mind and the Bears of Sun Creek are her targets....

Buying & Selling Teddy Bears

This comprehensive, illustrated colour price guide to the secondary market features more than 450 teddy bears dating from the earliest 1904 creations to contemporary bears by manufacturers, studios and individual artists. Well-known authorities Terry and Doris Michaud have created a unique, easy-to-use rating scale based on condition; the result is the first price guide ever to present three condition-related values for each bear listed. Identification tips are offered throughout. An extensive resource section includes guidance on maintaining and repairing teddy bears, as well as an international list of restorers, dealers, appraisers and auctioneers.

The Chicago Tribune Book of the Chicago Bears

In Chicago, the Bears grip on the city spans generations and cultures, endures disappointments, and celebrates triumphs great and small. From the team's humble beginnings to its status as a marquee NFL franchise, the Chicago Tribune has documented every season. The Chicago Tribune Book of the Chicago Bears is an impressive testament to Bears tradition, compiling photography, original box scores, and entertaining essays from Hall of Fame reporters. The Chicago Tribune Book of the Chicago Bears is a decade-by-decade look at the Chicago Bears, beginning with George Halas moving the team to Chicago in 1921. The Bears soon became known as the Monsters of the Midway, dominating the sport with four NFL titles in the 1940s, seven winning campaigns in the 1950s, and a final title with Halas as coach in 1963. Their 1985 Super Bowl championship transformed the city's passion into a full-blown love affair that continues today. Professional football was practically born in Chicago, nurtured by Halas through the Depression and a world war. The game was made for Chicago, in Chicago, by a Chicagoan. Now the award-winning journalists, photographers, and editors of the Chicago Tribune have produced a comprehensive collector's item that every Bears fan will love.

The Berenstain Bears Picture Book Collection Volume Two

Six picture books in the bestselling children's series starring everyone's favorite animal family. With more than a quarter-billion copies sold, the Berenstain Bears series has been a cherished part of growing up for more than fifty years. Now, you can delight new young readers and adoring fans alike with six of Stan and Jan Berenstain's classic tales. Visit the big tree house in Bear County and join Papa Bear, Mama Bear, Brother Bear, and Sister Bear as they celebrate holidays, overcome first-day-of-school jitters, solve mystifying mysteries, and find plenty of adventure in this charming collection of illustrated stories. This ebook includes The Berenstain Bears Go Back to School, The Berenstain Bears Play Ball, The Berenstain Bears and the Mansion Mystery, The Berenstain Bears' Knight to Remember, The Berenstain Bears' Thanksgiving, and The Berenstain Bears' Easter Surprise.

How to Make & Sell Quality Teddy Bears

Bringing together the expertise of the world's greatest auction house and the knowledge of one of the world's leading teddy bear specialists, 'Christie's Century of Teddy Bears' celebrates the one hundredth birthday of the bear, tracing its ascent from humble nursery companion to highly sought after collectors' item. Featuring the histories of the most important bear manufacturers from around the world, including Steiff, Ideal, Chad Valley, Bing, Schuco and Merrythought, this book also relates the endearing stories of individual bears. These include Teddy Girl, who achieved a world record breaking price at auction as a result of her alluring looks and experiences during both world wars, and Donald Campbell's Mr Whoppit who accompanied him in the Bluebird on his last fateful attempt at the world speed record. Special illustrated features examine the teddy at war, literary, media and novelty bears, and there is a comprehensive section of tips for collectors. Superbly illustrated with images from the Christie's archives and private collections, 'Christie's Century of Teddy Bears' is an authoritative history and guide, and essential gift for anyone who has ever loved a teddy bear.

Christie's Century of Teddy Bears

Young readers will enjoy reading about Coach Papa Bear and his players in this addition to the Living Lights™ series of Berenstain Bears books. Children will learn how to play fairly and act in a way that pleases God. The Berenstain Bears Play a Fair Game—part of the popular Zonderkidz Living Lights

series of books—is perfect for: Early readers ages 4-8 Reading out loud in classrooms, during story time, and at home or bedtime Birthday gifts, Easter, holiday gift giving, or as a new addition to your e-library Sparking meaningful conversations about good sportsmanship and being a team player The Berenstain Bears Play a Fair Game is an addition to the Living Lights™ series that: Features the hand-drawn artwork of the Berenstain family Continues in the much-loved footsteps of Stan and Jan Berenstain in this Berenstain Bears series of books Is part of one of the bestselling children's book series ever created, with more than 250 books published and nearly 300 million copies sold to date

The Berenstain Bears Play a Fair Game

The family firm of J K Farnell & Co Ltd occupies a position of unparalleled importance in British soft toy history, firstly because it was the very first British toy company to manufacture teddy bears, and also because it created the actual bear that inspired A A Milne to write the Winnie the Pooh stories. Yet impressive as those facts undoubtedly are, they comprise just a small fraction of the fascinating Farnell story. Founded in the Nineteenth century, for decades J.K. Farnell & Co Ltd was the most respected and influential soft toy manufacturer in Britain. Thanks to the superior quality of its products, the company experienced enormous commercial success at national and international level - even in Germany, home to its biggest rival, there was great demand for Farnell products. Surviving economic depression, devastating fire, the ravages of World War II and other traumatic events, the company kept going until fundamental changes in the British toy market forced its closure in 1970. Since then, the Farnell name has been forgotten by all but a dedicated band of teddy bear enthusiasts and the true story of this pioneering British firm has fallen into obscurity. Now, thanks to Kathy Martin's intensive research, the facts about J K Farnell & Co Ltd and its fabulous teddy bears are revealed in this informative and entertaining book.

Farnell Teddy Bears

The three bears decide to get their own back on Goldilocks. When they find her cottage, they wreak havoc on it. What fun they have, throwing cereal around, tangoing on table tops and filling the bathroom with shaving foam! Then Goldilocks returns and they find they have made a terrible mistake.

Polar Bears : Proceedings of the Eighth Working Meeting of the IUCN

Simon Bear, Mollie, Gwen, Baby Bear, Arthur, and Benjamin Bear are “proper” bears made from soft mohair fabric with moveable joints and growlers by Helen, the owner of the gift shop. Though the bears were made to sell, Helen falls in love with their characters and she realises she can't let them go! So the bears live together on the top shelf in the gift shop where they yearn to be involved in life “outside.” Suspicions arise when chocolates go missing from the cabinet, and when Helen opens the shop in the morning the bears seem to have swapped places on the shelf. In the story you can find out how the bears get out through the shop window for their adventures in and around the town. Prepare yourselves for some “ups and downs” as you read about the predicaments Baby Bear gets into (the other bears are always around to help out), and get to know Arthur before he sets off on his travels!

Polar Bears

Imagine making friends with a polar bear... The Last Bear is perfect for readers of 8+, beautifully illustrated throughout by Levi Pinfold – winner of the Kate Greenaway Medal and illustrator of Harry Potter 20th anniversary edition covers.

Beware of the Bears!

For years Jasper, a moon bear, lived a miserable existence, held captive in a cage by bear farmers in rural China. The farmers extracted the bile from Jasper's body and sold it to be used in traditional medicines. It's a horrific practice and conducted on thousands of moon bears each year. But now Jasper has the chance to be free and live a life away from pain and torture. In 2000, Animals Asia, an animal welfare organization, rescued Jasper and other captive moon bears, taking them to its Moon Bear Rescue Centre. Here veterinarians attended to the bears' wounds, hoping to give them some chance of a peaceful existence in the animal sanctuary. But after so many years of abuse Jasper's wounds, both physical and mental, are extensive. Can Jasper mend his body and mind and finally enjoy the life he was meant to live?

The Peppercorn Bears

An experienced Australian fund manager explains how the share market can be a fun and simple place to operate if you take the right approach. The share market is awash with new opportunities to profit everyday as millions of shares in thousands of companies change hands. Even if half of your decisions go wrong you still have a genuine chance of generating a profit like the pros – it really is the easiest game on earth! Despite all of this the share market has lost its appeal for many people since the onset of the GFC. In *Bulls, Bears and a Croupier* Matthew Kidman explains why a new bull market, with the potential to increase stock prices tenfold, is just around the corner and readers need to prise open their wallets. With more than a decade of experience as a professional fund manager, Kidman deconstructs the share market, explodes the myths and turns traditional thinking on its head to show new and experienced investors alike that the share market can be a lot of fun and you can make a lot of money. You just have to know how!

The Last Bear

A complete guide, *Selling Your Dolls and Teddy Bears* leads you, step by step, through the business, public relations and legal aspects of doll and teddy bear sales. You'll learn how and where to advertise, how to determine the right prices for your dolls, how to photograph your work properly, and what taxes and laws apply to a self-employed artist. Plus, you'll find techniques to help you manage your image and increase sales - such as how to put together a stunning press kit. Most important, you'll learn how to attract customers - and keep them coming back. From teaching workshops to making sure your name and reputation are passed word-of-mouth, you'll find techniques to enlarge your client base to include every kind of customer, from individual collectors to large retail stores.

Jasper's Story

Do you like polar bears? Do you want polar bears to be around in 50 years? Do you think that climate change is the only major threat to polar bear survival? Do you believe that polar bears are adequately protected today? Would you like to contribute to saving polar bears today and in the future? If your answer to any of those questions is yes, you need to read this book. "This book is an eye-opener and should kick off extensive debates." Dr. Thor S. Larsen, professor emeritus, Member of the IUCN Polar Bear Specialist Group 1968-1985. "In this impassioned book Morten raises very important, provocative questions that are not being addressed by the international environmental groups." Art Wolfe, Award-winning conservation photographer. In this book, the author analyses the current status of the polar bear. And he punctures the myth that polar bears are well protected and managed today. While most people think that global warming is the overhanging threat to polar bear survival, the author documents that it is actually the continuation of an unsustainable hunting pressure that is driving the species towards extinction. Across 228 pages, interspersed with beautiful photographs, Morten Joergensen demonstrates how there are probably fewer polar bears than most authorities claim, how hunting is the greatest manageable threat to the species, how current protection measures are insufficient, how the animal has been commercialized and how lack of courage and honesty is allowing this scenario to continue. The book also contains a long string of realistic and very urgent recommendations for action - to save polar bears before they are gone forever.

Bulls, Bears and a Croupier

This Paranormal Shifter Romance series is set in a dystopian future where fertile women are so rare that they are now bought and sold like commodities. Each book in the SOLD series follows the fortunes of a curvy heroine who has been sold to a pair of hunky shifters with some very interesting (and arousing!) results;) Each book features a different type of WereShifter and can be read standalone and in any order! Book 1 - Sold To The Dragons Curvy Kira Southerly has resigned herself to the fate of being SOLD to dragon shifters Blake & Steven. She is initially scared but she finds herself enjoying it much more than she expected, especially when she finds the dragons will have to share her in more ways than one.. Book 2 - Sold To The Bears Now it is the turn of curvy Lila to be SOLD to bear shifters Adrian and Grant. Long steamy nights of passion and menage-filled ecstasy are guaranteed for Lila however she has something else up her sleeve and the bears are in for a big surprise... Book 3 - Sold To The Alphas Curvy Rowan can not bear to watch her sister being given away, so she switches the documents and allows herself to be SOLD to hunky Alpha wolves Chase & Grayson. Only problem is, Rowan is one of the many infertile women left on the planet. How will the Alphas react when they find they have been sold a dud?

The Berenstain Bears and the Golden Rule

The third and final book in the best-selling, award-winning 'Bear and the Piano' trilogy. The first book in the trilogy - The Bear and the Piano - has sold over 120,000 copies in the UK and won the Waterstones Children's Book Prize, Illustrated Book Category for 2016 The Daily Mail - 'Litchfield's use of light is unequalled and this is a triumphant last movement in a great symphony.' You probably remember the story of the bear who found the piano in the woods and grew up to become a huge star. He played his music in front of millions of adoring fans and all of his wildest dreams came true. But now, the audiences are smaller, the pianos less grand, and the applause is dying away. So Bear decides to retire. Back in the woods, he is sad that his dream is over but he soon has something to distract him: Little Bear! When Little Bear stumbles upon his piano in the woods, she can't believe it when her father says that no one wants to hear his music anymore. So she comes up with a plan to prove him wrong. The final book in the award-winning, best-selling trilogy shows that while fame and fortune might be temporary, the best songs stay in your heart forever. **Don't miss David Litchfield's other books: The Bear and the Piano (1) The Bear, the Piano, The Dog and the Fiddle (2) The Bear, the Piano, and Little Bear's Concert (3) Grandad's Secret Giant Lights on Cotton Rock

The Berenstain Bears Brother Bear and the Kind Cub

Algebra is a foundational concept in the study of mathematics, and readers will delight in learning the principles of operations and algebraic thinking in a relatable and engaging way. Topics such as adding and subtracting within 20, using algebraic principles to solve equations and word problems, and understanding the relationship between addition and subtraction will give beginning math students a firm grasp on basic math concepts. Yolanda's family is having a yard sale, and by selling items from her home, she can demonstrate her ability to fluently subtract within ten. This volume meets CCSS Math Standard 1.OA.C.6. This book should be paired with "At the Block Sale" (9781477721575) from the InfoMax Math Readers Program to provide the alternative point of view on the same topic.

Code of Federal Regulations

Young readers will understand the importance of staying humble and gracious in this addition to the Living Lights™ series of Berenstain Bears books. Children will learn how to not boast and how bragging can be hurtful. The Berenstain Bears and the Biggest Brag—part of the popular Zonderkidz Living Lights series of books—is perfect for: Early readers ages 4-8 Reading out loud in classrooms, during story time, and at home or bedtime Birthday gifts, Easter, holiday gift giving, or as a new addition to your home library Sparking authentic conversations about appreciating an individual's God-given talents and the difference between being proud and bragging The Berenstain Bears and the Biggest Brag is an addition to the Living Lights™ series that: Features the hand-drawn artwork of the Berenstain family Continues in the much-loved footsteps of Stan and Jan Berenstain in this Berenstain Bears series of books Is part of one of the bestselling children's book series ever created, with more than 250 books published and nearly 300 million copies sold to date

The Bear, the Piano and Little Bear's Concert

This thorough examination of the 1963 NFL Championship chronicles the trials and triumphs of Chicago's historically most neglected champions against the economic, social, legal and human-interest backdrop of professional football in the 1960s. The Bears and their legendary owner/coach George Halas adjusted to the increased revenue of the television era and the behind-the-scenes drama of a gambling scandal, while developing into one of the greatest teams of the pre-Super Bowl era. Their tumultuous rise and tragic deterioration are covered in detail.

Yolanda's Yard Sale

Earning money is important for sustenance and people resort to it by working at a job or starting a venture. But to meet the material aspirations of individuals, it is important to make money earn too instead of lying idle. Wealth creation is the buzzword, and being successful at it is no matter of chance. A proper understanding of the various instruments of investment, how they appreciate and depreciate, and when to buy and sell/invest in or withdraw are important for this. 'Bulls and Bears all about shares'

by Soma Valliappan breaks this very myth. Unlike the popular belief, investing in the stock market is not like gambling. It works on certain basic principles and is well governed by rules and regulations, like all other legal modes of investments. What one requires is the eye to identify good companies to invest in, the right price and a certain watchfulness. 'Bulls and Bears all about shares' was first published in Tamil (by name Alla Alla Panam) and became a handbook for the several people who had always lingered on the sidelines, fearing to take the plunge into the uncertain world of stock markets. The English version is being published to reach out to a wider population across the country so that they may benefit too from Soma Valliappan's experience and insights.

The Berenstain Bears and the Biggest Brag

These proceedings provide an overview of the ongoing research and management activities on polar bears in the circumpolar arctic. Together with the previous 13 proceedings, they provide an historic record of international efforts in protecting, studying and managing polar bears. With recent documentation of how warmer arctic climate might affect the sea ice habitat of polar bears, the predictions of even warmer climate in the next decades, and documentation of effects on polar bears subpopulations, an evaluation of the red list status of polar bear subpopulations was followed by an increased conservation designation of vulnerable. In the complexity of possible interactions between climate change, local harvest, and in some areas high levels of pollutants, an increased level of international cooperation was advocated.

The 1963 Chicago Bears

Ten chapter books in the beloved series that has sold more than a quarter-billion copies and been cherished by children for more than fifty years! The Bear family lives in a big tree house down a dirt road in Bear Country. Together Mama Bear, Papa Bear, Brother Bear, and Sister Bear learn about friendship, overcome fears, and find adventure. The Berenstain Bears' Perfect Fishing Spot

Considered wise and powerful by the Inuit and other Native cultures, and celebrated in legend and literature, polar bears have become a charismatic symbol of animals threatened by climate change in the Arctic ecosystem. Yet for centuries, polar bears were demonized and slaughtered by adventurers who sailed the icy seas seeking wealth and glory. These fascinating stories from northern lands, including Canada, Alaska, Greenland and the Norwegian islands of Spitsbergen, draw from the annals of Arctic exploration and more recent polar bear research to capture the ingenuity, power and majesty of the world's largest land carnivore.

Bulls and Bears of Wall Street

The Official Price Guide to Antique and Modern Teddy Bears

The End (An Enemy Novel, Book 7)

Shadowman, realizing that Saint George's army is headed toward the center of London, has raced ahead to warn the kids of the impending disaster. He knows that he has to make them understand--somehow--that they are going to have to work together. This means that Nicola and her kids at the Houses of Parliament, David and his kids at Buckingham Palace, Matt at St. Paul's, General Jordan Hordern and his troops at the Tower of London, the squatters in St. James Park, and all the kids at the Natural History Museum must unite. But will they do it in time? The book culminates in a massive pitched battle in Hyde Park. How will it play out? Who will be the winners and who the losers? One thing is certain: this series will not go out with a whimper!

The Enemy

The first unputdownable adventure story in this phenomenal series, from the author of the bestselling Young Bond series and award-winning comedy writer and performer (The Fast Show, Down the Line), Charlie Higson. They'll chase you. They'll rip you open. They'll feed on you . . . When the sickness came, every parent, policeman, politician - every adult - fell ill. The lucky ones died. The others are crazed, confused and hungry. Only children under fourteen remain, and they're fighting to survive. Now there

are rumours of a safe place to hide. And so a gang of children begin their quest across London, where all through the city - down alleyways, in deserted houses, underground - the grown-ups lie in wait. But can they make it there - alive?

The End (The Enemy Book 7)

It all comes to an end in the final book in The Enemy series. The sickness struck everyone over fourteen. First it twisted their minds. Next it ravaged their bodies. Now they roam the streets - Crazy and hungry Sickos swarm the streets of London. Gathered in the centre of the city, they lie in wait. The survivors have one final epic battle to overcome. Together they must work out a plan of attack and end the grown-ups reign of terror before it's too late. The end is coming.

The Dead

The second heart-stopping, mind-blowing book in this killer series - the Enemy is back. A terrible disease is striking everyone over the age of fourteen. Death walks the streets. Nowhere is safe. Maxie, Blue and the rest of the Holloway crew aren't the only kids trying to escape the ferocious adults who prey on them. Jack and Ed are best friends, but their battle to stay alive tests their friendship to the limit as they go on the run with a mismatched group of other kids - nerds, fighters, misfits. And one adult. Greg, a butcher, who claims he's immune to the disease. They must work together if they want to make it in this terrifying new world. But as a fresh disaster threatens to overwhelm London, they realize they won't all survive.

The Fear (The Enemy Book 3)

HE DOESN'T KNOW IT BUT DOGNUT IS ABOUT TO SET OFF A CHAIN OF EVENTS THAT WILL AFFECT EVERY KID IN THE CITY. The sickness struck everyone over the age of fourteen. Mothers and fathers, older brothers, sisters and best friends. No one escaped its touch. And now children across London are being hunted by ferocious grown-ups . . . they're hungry. They're bloodthirsty. And they aren't giving up. DogNut and the rest of his crew want to find their lost friends, and set off on a deadly mission from the Tower of London to Buckingham Palace and beyond, as the sickos lie in wait. But who are their friends and who is the enemy in this changed world?

The Fallen (The Enemy Book 5)

The Fallen by Charlie Higson is the fifth awesome book in The Enemy series. First the sickness rotted the adults' minds. Then their bodies. Now they stalk the streets, hunting human flesh. The Holloway crew are survivors. They've fought their way across London and made it to the Natural History Museum alive - just. But the fight will never end while the Enemy lives, unless there's another way. . . The kids at the museum are looking for a cure. All they need are medical supplies. To get them means a journey down unknown roads. Roads where not only crazy, hungry sickos hide in the shadows. SUDDENLY IT'S NOT SO CLEAR WHO - OR WHAT - THEY'RE FIGHTING. The fourth terrifying part of Charlie Higson's bestselling Enemy series. The Enemy is among us. . . ** 2013 is the year of zombies, with Brad Pitt's World War Z and Nicholas Holt's Warm Bodies films hitting cinemas. ** 'Lord of the Flies with zombies' - Rick Riordan, creator of the Percy Jackson series. ** Charlie Higson is the bestselling author of Young Bond, and creator of The Fast Show. ** Perfect for bloodthirsty fans of 28 Days Later and Darren Shan's Zom-B series.

The Enemy Series, Books 4-6

They'll chase you. They'll rip you open. They'll feed on you . . . The Sacrifice (Book 4) Small Sam and his unlikely ally, The Kid, have survived. They're safe with Ed and his friends at the Tower of London, but Sam is desperate to find his sister. Their search for Ella means Sam and The Kid must cross the forbidden zone. And what awaits them there is more terrifying than any of the horror they've suffered so far . . . The Fallen (Book 5) The Holloway crew are survivors. They've fought their way across London and made it to the Natural History Museum alive - just. But the fight will never end while the Enemy lives . . . The kids at the museum are looking for a cure. All they need are medical supplies. To get them means a journey down unknown roads. Suddenly it's not so clear who - or what - they're fighting. The Hunted (Book 6) The others had promised that the countryside would be safer than the city. They were wrong. Now Ella's all-alone except for her silent rescuer, Scarface - and she's not even sure if he's a

kid or a grown-up. Back in London, Ed's determined to find her. But getting out of town's never been more dangerous- because coming in the other direction is every SICKO in the country.

The Enemy: Books I-III

When the sickness came, every parent, every policeman, every politician . . . everyone over 16 years old fell ill. The lucky ones died. The rest begin to decompose, becoming crazed, confused, and hungry for young flesh. Now, every child and teen must fight for survival against the ferocious adults who hunt them in packs, like wild dogs. In the first three books of Charlie Higson's hit series, desperate groups of children in London struggle to find a safe place to live and a way to survive in this new world where death roams the streets.

The Sacrifice

Follows the dual storylines of Small Sam on his search for Ella and of Shadowman's discoveries about Saint George and the Disease itself.

The Enemy

'There's only one Jack Reacher. Accept no substitutes' Mick Herron 'The thing about Lee Child's books is that you can't put the damn things down. . .there's something about his writing that's addictive. The Enemy is no exception. . .Superb.' Independent on Sunday _____ North Carolina. New Year's Day, 1990. A soldier is found dead in a sleazy motel bed. Jack Reacher is the officer on duty. The soldier turns out to be a two-star general. The situation is bad enough, then Reacher finds the body of the general's wife. This stomach-churning thriller turns back the clock to a younger Reacher, in dogtags. A Reacher who still believes in the service. A Reacher who imposes army discipline. Even if only in his own pragmatic way... _____ Although the Jack Reacher novels can be read in any order, The Enemy is 8th in the series. And be sure not to miss Reacher's newest adventure, no.27, No Plan B!
OUT NOW

Cruel Doubt

From the New York Times bestselling author of Fatal Vision comes a shocking true account of murder, family secrets, and final justice now available for the first time as an e-book... One hot summer night in 1988, Bonnie Von Stein's second husband was murdered in their bed, Bonnie herself stabbed, beaten, and left for dead beside him. It looked like a brutal but tragically typical case: Von Stein was newly wealthy, and Bonnie's troubled son Chris, seemed like the obvious suspect. But Chris turned out to have an air-tight alibi and new leads suggested the crime could be much more complex. The trail led to Chris's two strange new friends from college and a real-life enactment of a bizarre Dungeons and Dragons fantasy adventure, and it implicated Bonnie's teenage daughter as well. In Cruel Doubt, Joe McGinniss probes the dark heart of family life and small-town North Carolina society to uncover a fascinating and terrifying story that is at once a chilling murder mystery, a tense courtroom drama, and a heartbreaking account of a mother forced to doubt her own children.

EGO IS THE ENEMY

Buku yang Anda pegang saat ini ditulis dengan satu asumsi optimis: Ego Anda bukanlah kekuatan yang harus Anda puaskan pada setiap kesempatan. Ego dapat diatur. Ego dapat diarahkan. Dalam buku ini, kita akan melihat orang-orang, seperti William Tecumseh Sherman, Katharine Graham, Jackie Robinson, Eleanor Roosevelt, Bill Walsh, Benjamin Franklin, Belisarius, Angela Merkel, dan George C. Marshall. Bisakah mereka mendapatkan yang telah mereka dapatkan sekarang—menyelamatkan perusahaan yang hampir bangkrut, menguasai seni peperangan, menjaga kekompakan tim bisbol, merevolusi strategi rugby, melawan tirani, dan menghadapi ketidakberuntungan—jika ego menguasai mereka dan membuat mereka hanya memikirkan diri sendiri? Hal yang membuat mereka sukses adalah pemahaman terhadap realitas dan kesadaran—sesuatu yang pernah dikatakan oleh seorang penulis dan ahli strategi Robert Greene, “kita perlu menyerupai laba-laba dalam sarangnya”. Itulah inti dari kehebatan mereka, kehebatan penulisan, kehebatan desain, kehebatan bisnis, kehebatan dalam pemasaran, dan kehebatan kepemimpinan mereka. Yang kami temukan saat mempelajari orang-orang tersebut adalah mereka selalu memiliki dasar berpikir, berhati-hati, dan realistis. Tidak ada satu pun dari mereka yang tidak memiliki ego sama sekali. Akan tetapi, mereka tahu cara meredamnya. Tahu cara menyalurkannya dan melepaskannya, ketika ego muncul. Mereka hebat namun tetap rendah

hati. Sebentar, tunggu dulu, tetapi ada juga beberapa orang yang memiliki ego tinggi dan sukses. Bagaimana dengan Steve Jobs? Kanye West? Beberapa dari mereka mempelajari kerendahan hati. Beberapa orang memilih ego. Beberapa mempersiapkan diri untuk perubahan nasib, positif ataupun negatif. Yang lainnya tidak siap. Yang mana yang akan Anda pilih? Akan menjadi siapakah Anda? Yang pasti, Anda telah memilih buku ini karena merasa bahwa Anda membutuhkan menjawab pertanyaan itu, cepat atau lambat, sadar atau tidak sadar.

Level 7

Level 7 is the diary of Officer X-127, who is assigned to stand guard at the "Push Buttons," a machine devised to activate the atomic destruction of the enemy, in the country's deepest bomb shelter. Four thousand feet underground, Level 7 has been built to withstand the most devastating attack and to be self-sufficient for five hundred years. Selected according to a psychological profile that assures their willingness to destroy all life on Earth, those who are sent down may never return. Originally published in 1959, and with over 400,000 copies sold, this powerful dystopian novel remains a horrific vision of where the nuclear arms race may lead, and is an affirmation of human life and love. Level 7 merits comparison to Huxley's *A Brave New World* and Orwell's *1984* and should be considered a must-read by all science fiction fans.

The Enemy Has a Face

Netta and her family have relocated temporarily from Israel to Los Angeles, and when her seventeen-year-old brother mysteriously disappears, she becomes convinced that he has been abducted by Palestinian terrorists.

The 48 Laws of Power

Amoral, cunning, ruthless, and instructive, this multi-million-copy New York Times bestseller is the definitive manual for anyone interested in gaining, observing, or defending against ultimate control – from the author of *The Laws of Human Nature*. In the book that *People* magazine proclaimed “beguiling” and “fascinating,” Robert Greene and Joost Elffers have distilled three thousand years of the history of power into 48 essential laws by drawing from the philosophies of Machiavelli, Sun Tzu, and Carl Von Clausewitz and also from the lives of figures ranging from Henry Kissinger to P.T. Barnum. Some laws teach the need for prudence (“Law 1: Never Outshine the Master”), others teach the value of confidence (“Law 28: Enter Action with Boldness”), and many recommend absolute self-preservation (“Law 15: Crush Your Enemy Totally”). Every law, though, has one thing in common: an interest in total domination. In a bold and arresting two-color package, *The 48 Laws of Power* is ideal whether your aim is conquest, self-defense, or simply to understand the rules of the game.

The End of Fun

Everyday Reality is a Drag?. FUN®-the latest in augmented reality-is fun (YAY!) but it's also frustrating, glitchy, and dangerously addictive (BOO!). Just when everyone else is getting on, 17-year-old Aaron O'Faolain wants off. But first he has to complete his Application for Termination, and in order to do that he has to deal with his History-not to mention the present, including his grandfather's suicide and a series of clues that may (or may not) lead to buried treasure. As he attempts to unravel the mystery, Aaron is sidetracked again . . . and again. Shadowed by his virtual "best friend," Homie, Aaron struggles with love, loss, dog bites, community theater, wild horses, wildfires, and the fact (deep breath) that actual reality can sometimes surprise you. Sean McGinty's strikingly profound debut unearths a world that is eerily familiar, yet utterly original. Discover what it means to come to the end of fun.

The Sacrifice (The Enemy Book 4)

The sickness destroyed everyone over the age of fourteen. All across London diseased adults are waiting, hungry predators with rotten flesh and ravaged minds. Small Sam and his unlikely ally, The Kid, have survived. They're safe with Ed and his friends at the Tower of London, but Sam is desperate to find his sister. Their search for Ella means Sam and The Kid must cross the forbidden zone. And what awaits them there is more terrifying than any of the horror they've suffered so far . . . ** 'Lord of the Flies with zombies' - Rick Riordan, creator of the Percy Jackson series. ** Charlie Higson is the bestselling author of *Young Bond*, and creator of *The Fast Show*. ** Perfect for bloodthirsty fans of Darren Shan and *28 Days Later*.

The Enemy of Nature

We live in and from nature, but the way we have evolved of doing this is about to destroy us. Capitalism and its by-products - imperialism, war, neoliberal globalization, racism, poverty and the destruction of community - are all playing a part in the destruction of our ecosystem. Only now are we beginning to realise the depth of the crisis and the kind of transformation which will have to occur to ensure our survival. This second, thoroughly updated, edition of *The Enemy of Nature* speaks to this new environmental awareness. Joel Kovel argues against claims that we can achieve a better environment through the current Western 'way of being'. By suggesting a radical new way forward, a new kind of 'ecosocialism', Joel Kovel offers real hope and vision for a more sustainable future.

Nineteen Eighty-Four

Nineteen Eighty-Four (1949) was George Orwell's final novel and was completed in difficult conditions shortly before his early death. It is one of the most influential and widely-read novels of the post-war period.

The Enemy: Geeks vs Zombies

Can't get enough of Charlie Higson's gruesome *Enemy* series? This exclusive short story will satisfy that thirst for more blood and gore! In a changed world where adults have become sickos ravaged by disease, everyone under the age of fourteen is fighting to survive. Chris and his friends are determined to mark World Book Day, but when a fellow survivor turns against them they're left defenceless. Can they stop a gruesome attack from their violent enemy in a deadly battle of geeks vs zombies?

Trading with the Enemy

Nicomachean Ethics Aristotle - *The Nicomachean Ethics* is one of Aristotle's most widely read and influential works. Ideas central to ethics—that happiness is the end of human endeavor, that moral virtue is formed through action and habituation, and that good action requires prudence—found their most powerful proponent in the person medieval scholars simply called "the Philosopher." Drawing on their intimate knowledge of Aristotle's thought, Robert C. Bartlett and Susan D. Collins have produced here an English-language translation of the *Ethics* that is as remarkably faithful to the original as it is graceful in its rendering. Aristotle is well known for the precision with which he chooses his words, and in this elegant translation his work has found its ideal match. Bartlett and Collins provide copious notes and a glossary providing context and further explanation for students, as well as an introduction and a substantial interpretive essay that sketch central arguments of the work and the seminal place of Aristotle's *Ethics* in his political philosophy as a whole. *The Nicomachean Ethics* has engaged the serious interest of readers across centuries and civilizations—of peoples ancient, medieval, and modern; pagan, Christian, Muslim, and Jewish—and this new edition will take its place as the standard English-language translation.

Nicomachean Ethics

This is the true story of Second World War fighter pilot, Richard Hillary. After being shot down in September 1940, Hillary spent several months in hospital, undergoing numerous operations; a member of Archibald McIndoe's 'Guinea Pig Club'. Originally published in 1942, just months before he died in a second crash, *The Last Enemy* recounts the struggles and successes of a young man in the Royal Air Force. Told through Hillary's eyes, this incredible story shows that even in our darkest moments there is a glimmer of enduring hope.

The Last Enemy

DigiCat Publishing presents to you this special edition of "The Enemies of Books" by William Blades. DigiCat Publishing considers every written word to be a legacy of humankind. Every DigiCat book has been carefully reproduced for republishing in a new modern format. The books are available in print, as well as ebooks. DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature.

The Enemies of Books

#1 NEW YORK TIMES BESTSELLER • ONE OF TIME MAGAZINE'S 100 BEST YA BOOKS OF ALL TIME The extraordinary, beloved novel about the ability of books to feed the soul even in the darkest of times. When Death has a story to tell, you listen. It is 1939. Nazi Germany. The country is holding its

breath. Death has never been busier, and will become busier still. Liesel Meminger is a foster girl living outside of Munich, who scratches out a meager existence for herself by stealing when she encounters something she can't resist—books. With the help of her accordion-playing foster father, she learns to read and shares her stolen books with her neighbors during bombing raids as well as with the Jewish man hidden in her basement. In superbly crafted writing that burns with intensity, award-winning author Markus Zusak, author of *I Am the Messenger*, has given us one of the most enduring stories of our time. “The kind of book that can be life-changing.” —The New York Times “Deserves a place on the same shelf with *The Diary of a Young Girl* by Anne Frank.” —USA Today **DON'T MISS BRIDGE OF CLAY, MARKUS ZUSAK'S FIRST NOVEL SINCE THE BOOK THIEF.**

The Book Thief

Set in the future when "firemen" burn books forbidden by the totalitarian "brave new world" regime.

Fahrenheit 451

PORCHLIGHT BOOKS JUNE 2022 NONFICTION BESTSELLER “I can see this book helping estranged parties who are equally invested in bridging a gap—it could be assigned reading for fractured families aspiring to a harmonious Thanksgiving dinner.” —New York Times “Like all skills, these techniques take practice. But anyone who sincerely wants to bridge the gaps in understanding will appreciate this book. Guzmán is emphatic about making an effort to work on difficult conversations.” —Manhattan Book Review We think we have the answers, but we need to be asking a lot more questions. Journalist Mónica Guzmán is the loving liberal daughter of Mexican immigrants who voted—twice—for Donald Trump. When the country could no longer see straight across the political divide, Mónica set out to find what was blinding us and discovered the most eye-opening tool we're not using: our own built-in curiosity. Partisanship is up, trust is down, and our social media feeds make us sure we're right and everyone else is ignorant (or worse). But avoiding one another is hurting our relationships and our society. In this timely, personal guide, Mónica, the chief storyteller for the national cross-partisan depolarization organization Braver Angels, takes you to the real front lines of a crisis that threatens to grind America to a halt—broken conversations among confounded people. She shows you how to overcome the fear and certainty that surround us to finally do what only seems impossible: understand and even learn from people in your life whose whole worldview is different from or even opposed to yours. Drawing from cross-partisan conversations she's had, organized, or witnessed everywhere from the echo chambers on social media to the wheat fields in Oregon to raw, unfiltered fights with her own family on election night, Mónica shows how you can put your natural sense of wonder to work for you immediately, finding the answers you need by talking with people—rather than about them—and asking the questions you want, curiously. In these pages, you'll learn: How to ask what you really want to know (even if you're afraid to) How to grow smarter from even the most tense interactions, online or off How to cross boundaries and find common ground—with anyone Whether you're left, right, center, or not a fan of labels: If you're ready to fight back against the confusion, heartbreak, and madness of our dangerously divided times—in your own life, at least—Mónica's got the tools and fresh, surprising insights to prove that seeing where people are coming from isn't just possible. It's easier than you think.

I Never Thought of It That Way

The New York Times bestselling graphic memoir from actor/author/activist George Takei returns in a deluxe edition with 16 pages of bonus material! Experience the forces that shaped an American icon -- and America itself -- in this gripping tale of courage, country, loyalty, and love. George Takei has captured hearts and minds worldwide with his magnetic performances, sharp wit, and outspoken commitment to equal rights. But long before he braved new frontiers in *STAR TREK*, he woke up as a four-year-old boy to find his own birth country at war with his father's -- and their entire family forced from their home into an uncertain future. In 1942, at the order of President Franklin D. Roosevelt, every person of Japanese descent on the west coast was rounded up and shipped to one of ten "relocation centers," hundreds or thousands of miles from home, where they would be held for years under armed guard. **THEY CALLED US ENEMY** is Takei's firsthand account of those years behind barbed wire, the terrors and small joys of childhood in the shadow of legalized racism, his mother's hard choices, his father's tested faith in democracy, and the way those experiences planted the seeds for his astonishing future. What does it mean to be American? Who gets to decide? George Takei joins cowriters Justin Eisinger & Steven Scott and artist Harmony Becker for the journey of a lifetime.

They Called Us Enemy - Expanded Edition

Five years after attacking the human-colonized worlds of the Spiral Arm, the hydrogues maintain absolute control over stardrive fuel...and their embargo is strangling human civilization. On Earth, mankind suffers from renewed attacks by the hydrogues and decides to use a cybernetic army to fight them. Yet the Terran leaders don't realize that these military robots have already exterminated their own makers - and may soon turn on humanity. Once the rulers of an expanding empire, humans have become the galaxy's most endangered species. But the sudden appearance of incredible new beings will destroy all balances of power. Now for humans and the myriad alien factions in the universe, the real war is about to begin...and genocide may be the result.

A Forest of Stars

'Reads like a house on fire' - the extraordinary new novel by Iain Reid, the acclaimed author of I'm Thinking of Ending Things You think you know everything about your life. Long-married couple Junior and Henrietta live a quiet, solitary life on their farm, where they work at the local feed mill and raise chickens. Their lives are simple, straightforward, uncomplicated. Until everything you think you know collapses. Until the day a stranger arrives at their door with alarming news: Junior has been chosen to take an extraordinary journey, a journey across both time and distance, while Hen remains at home. Junior will be gone for years. But Hen won't be left alone. Who can you trust if you can't even trust yourself? As the time for his departure draws nearer, Junior finds himself questioning everything about his life - even whether it's really his life at all. An eerily entrancing page-turner, Foe churns with unease and suspense from the first words to its shocking finale. Perfect for fans of Humans, Westworld and Black Mirror, Foe is a book you will never forget. *** Praise for FOE *** 'I couldn't put it down. It infected my dreams. A creepy and brilliant book' Zoe Whittall, author of The Best Kind of People 'The narrative is so eerie and disturbing... fuelling the reader's unease; Reid pulls off a wonderful twist in the tail' Guardian 'From the opening page, you'll have an uneasy feeling as you settle into Iain Reid's brilliant new novel.. A masterful and breathtakingly unique read. I can't stop thinking about it ' Amy Stuart, author of Still Mine and Still Water 'Spare, consuming, unforgettable. Foe is a dark arrow from a truly original mind. Page by eerie page, Iain Reid pulls the unknown world out from under you, and leaves you trapped inside a marriage's most haunting question: can I be replaced? This is a book that seeps into your bloodstream – and crowns Iain Reid the king of deadpan, philosophical horror' Claudia Dey, author of Heartbreaker 'Movie producers are simply confirming what the literary community already knows: Iain Reid just might be the most exciting and excitingly unclassifiable author working in Canadian fiction today' - The Globe and Mail (Canada) 'Foe reads like a house on fire, and is almost impossible not to finish in one sitting...an otherworldly hothouse of introversion and fantasy' – The Toronto Star

Foe

A fireman in charge of burning books meets a revolutionary school teacher who dares to read. Depicts a future world in which all printed reading material is burned.

Fahrenheit 451

How to Defeat the Enemy During These Dark Days As the time approaches for Jesus' return, the spiritual battle between good and evil is heating up. Evidence is all around: shootings, genocide, civil wars, increased persecution. Our enemy is real, and it seems as if he is winning. The good news is that God is at work in powerful ways--and that Satan is not winning. But we need to know how to wage war against him and his plans for these turbulent days. We must understand not only the intensified warfare environment of the end times, but how we can walk in our authority in Jesus Christ. Here are the practical insights you need on how to fight using the spiritual weapons God has given us: the blood of Jesus, the Word of God, our own testimony, and more. When we learn how to wield these weapons, we will see victory over Satan and his kingdom and bring hope to these dark days.

Spiritual Warfare for the End Times

For someone damned to be forgettable, Addie LaRue is a most delightfully unforgettable character, and her story is the most joyous evocation of unlikely immortality. Neil Gaiman A Sunday Times-bestselling, award-nominated genre-defying tour-de-force of Faustian bargains, for fans of The Time Traveler's Wife and Life After Life, and The Sudden Appearance of Hope. When Addie La Rue makes a pact with the devil, she trades her soul for immortality. But there's always a price - the devil takes away her place in the world, cursing her to be forgotten by everyone. Addie flees her tiny home town in 18th-Century France, beginning a journey that takes her across the world, learning to live a life where no one remembers her

and everything she owns is lost and broken. Existing only as a muse for artists throughout history, she learns to fall in love anew every single day. Her only companion on this journey is her dark devil with hypnotic green eyes, who visits her each year on the anniversary of their deal. Alone in the world, Addie has no choice but to confront him, to understand him, maybe to beat him. Until one day, in a second hand bookshop in Manhattan, Addie meets someone who remembers her. Suddenly thrust back into a real, normal life, Addie realises she can't escape her fate forever.

The Invisible Life of Addie LaRue

Percy Jackson is a good kid, but he can't seem to focus on his schoolwork or control his temper. And lately, being away at boarding school is only getting worse-Percy could have sworn his pre-algebra teacher turned into a monster and tried to kill him.

The Lightning Thief

The Sacrifice picks up after Small Sam and The Kid arrive at the Tower of London at the end of The Dead. Though Sam finds safety and friendship at the Tower with Jordan Hordern's crew, he can't settle down. The only thing he wants is to be reunited with his sister, Ella. Despite Ed's protests, Sam and the Kid strike out westward, through the no-go zone. Meanwhile, Shadowman is tracking Saint George across north London, watching him build up his army. Shadowman knows that Saint George is an extremely dangerous threat, but no one will take his warnings seriously. Some answers to the questions we've been wondering about--What is the Disease? Where did it come from? Is there a cure?--are addressed by an unexpected source: a diseased adult nicknamed Wormwood who has the ability to speak, though his ravings are difficult to decipher. Unspeakable horror, edge-of-the-seat suspense, and stomach-churning plot twists continue in Book 4 of Charlie Higson's masterful Enemy saga.

The Sacrifice (An Enemy Novel)

The perfect companion book to the New York Times bestselling I Am Number Four series! I Am Number Four: The Lost Files: Secret Histories is a collection of three action-packed novellas by bestselling author Pittacus Lore! Originally published as the e-novellas The Search for Sam, The Last Days of Lorien, and The Forgotten Ones, now, for the first time ever, they are together in one print volume. The Search for Sam follows the rogue Mogadorian Adam on his journey of redemption as he finds the key to saving both Sam Goode and his father, Malcolm. The Last Days of Lorien reveals how the fight began with the once-peaceful planet being taken by surprise and attacked. The Forgotten Ones is the riveting continuation of Adam's story, in which he uncovers an incredible secret that will turn the tide for the Garde. You know the truth about the Mogadorians' invasion of Earth and the Garde who will do anything to defeat them—yet there is still so much to learn. The stories in Secret Histories will help you get the answers you seek, but they will not help you stop the coming war. Only the Garde can save our planet.

I Am Number Four: The Lost Files: Secret Histories

The Book of Five Rings is a text on kenjutsu and the martial arts in general, written by the Japanese swordsman Miyamoto Musashi around 1643. Written over three centuries ago by a Samurai warrior, the book has been hailed as a limitless source of psychological insight for businessmen-or anyone who relies on strategy and tactics for outwitting the competition.

The Book of Five Rings (Annotated)

For the first time in his life, something isn't coming easy for Ramsey Reed Jr., but he doesn't mind. He actually relishes the challenge. And the more Lake Warren resists, the more determined he is to have her. And not just for the sake of winning. Ramsey plans on keeping Lake forever, no matter how hard she fights him.

Amanda suspects that something fishy is going on onboard the Anna. But when her investigation of the peculiar all-female Russian crew fails to uncover anything other than more speculations, she decides it's time to stop playing detective and face her real problem--a man she shouldn't want but can't live without. Will Amanda find a way to reconcile her feelings for Dalhu? Will Dalhu find a way to redeem himself in Amanda's eyes? Will Andrew find Bhathian's long-lost lover and child?
