Inledning

Jag är trött på att vara singel!

Vad ska du göra i helgen?

Säg till om du är ledig imorgon.

Kan du förklara hur tvättmaskinen fungerar?

Jag hör ingenting konstigt.

Glöm inte att ta en bild!

Du måste komma hem innan midnatt.

Jag tänker på dig varje dag.

Titta på den där elefanten!

Vill du gå ut med mig imorgon?

Glöm inte ge din mamma det här brevet.

Vet du hur man använder dvd-spelaren?

Jag hittar inte mina nycklar.

Fråga din mamma först!

Jobbar du hela helgen?

Kan vi gå in i den här affären snabbt?

Jag känner mig trött idag.

Jag har lämnat min man.

Jag ringer upp dig snart!

David springer snabbare än mig.

Oxford School Dictionary

The best-selling Oxford School Dictionary gives in depth language support to all school students, with extensive vocabulary coverage, example sentences, and word origins for all root words.

Oxford School Dictionary

A major new edition of the trusted, bestselling, comprehensive Oxford School Dictionary with new curriculum support. This fantastic new edition will boost your children's vocabulary with new words and meanings from across the curriculum. A helpful new spelling, grammar and punctuation section is included to enhance language skills and bring the dictionary up to date. What makes it the best? It is uniquely powered by the Oxford Children's Corpus, the largest bank of children's language in English, so you can be confident that all entries are clearly written in child-friendly language that children actually understand. Each example is perfectly age-appropriate, making it easy and enjoyable for every child to use. New for this edition is a robust supplement on spelling, grammar and punctuation, giving targeted help with the tricky bits, making this dictionary the perfect tool to support children in their journey to become good readers and writers. As usual, it has been extensively trialled with schools, so you can be sure it is still the best dictionary for your children, in a handy pocket-sized format. Further help with writing skills is available in the updated new edition of the companion Oxford School Thesaurus. Looking for great word activities to match this dictionary? Oxford School Dictionary of Word Origins

The New Oxford Spelling Dictionary is a brand-new text, designed to offer both a quick reference for spelling and also an authoritative guide to recommended word breaks for line endings in printed text, whether on paper or in electronic form. Based on the latest Oxford Dictionaries' research, this text gives unambiguous guidance on spelling and form, including capitalization, hyphenation of compounds, UK and US spelling, and irregular inflections. It is an essential part of every writer's and editor's toolkit.

Oxford School Spelling, Punctuation and Grammar Dictionary

The fourth edition of this bestselling dictionary introduces students to the style in which most adult dictionaries are written.

Oxford School Dictionary & Thesaurus

This new edition of the Oxford Student's Dictionary is fully revised, with new curriculum vocabulary and up-to-date meanings. This is a comprehensive dictionary for students aged 14+ who need clear and straightforward definitions for vocabulary that they encounter at school and when preparing for exams. It includes subject specific language as well as everyday words and phrases. The new supplement gives spelling, punctuation and grammar tips for exam success, how to interpret exam command words and tips on what you can do to make a difference when checking through the exam paper.

New Oxford Spelling Dictionary

This is a fresh new look, in colour, for the 2007 edition of the Oxford School Thesaurus. This authoritative thesaurus is an ideal companion to the comprehensive Oxford School Dictionary. Each entry is in alphabetical order, with its word class and a broad range of imaginative synonyms with supporting example sentences. Guidewords at the top of each page and the full alphabet with a tab on the letter of the page make it very easy to navigate; the page design is clear and straightforward. It features 50 useful tinted panels that give an increased number of synonyms for words that are often overused, for example put, nice, or say. There are also almost 90 topic panels - themes that students are often writing about. These focus on vocabulary connected to the topic, for example, when writing about the weather there are general words to do with the weather, plus meteorological instruments, words to do with air pressure, to do with rain or other precipitation, to do with sky and clouds, to do with temperature or to do with wind. A wealth of material in a very solid package.

New Zealand School Oxford Dictionary

The Oxford School German Dictionary is the perfect bilingual dictionary for pupils learning German. The two sides of the dictionary are clearly divided into German-English and English-German, with an essential verb table list in the centre. The headwords are carefully selected to suit beginners, and particular attention is given to computing, word-processing, and ICT terms. In line with syllabus requirements, there is a special section dedicated to vocabulary and phrases on German life and culture. The simple two-colour layout, the alphabet down the side of each page, and the large clear print will help pupils navigate around the dictionary and take them straight to the translation they are looking for. This dictionary is exceptionally easy to use, and comes in a handy pocket-size format with a durable linen-finish cover.

Oxford Student's Dictionary

This is a new edition of the Oxford Primary School Dictionary. It is a core OUP dictionary for children aged 8 and over and specially written for home and school use. Now fully revised and updated, with a new design, this dictionary is clearer and easier to use. New additions include a large number of headwords for the first time and many derivatives defined for the first time, such as naturally, strongly and squarely. Usage notes have been expanded, for example on sew/sow, and spaceman and spacewoman, and American equivalents are given for high-profile words such as sidewalk and hood (of a car). New vocabulary includes words such as byte, mad cow disease, road rage and millennium, and all plurals, verb and adjective forms are written out in full. Pictures are specially drawn in whole sentences to show how words are used in context and idioms have also been added, for example, neck and neck, in dire straits and pipe dream. Information boxes give the origins of words and give advice about usage.

The Oxford English Minidictionary

An easy-to-use integrated dictionary and thesaurus containing 40,000 up-to-date words, phrases, and definitions and 65,000 synonyms and antonyms.

Oxford School Thesaurus

This new 2007 edition of the Oxford Junior Illustrated Dictionary features over 10,000 entries in alphabetical order, in a clear and accessible design, with many new photographs and illustrations. Each page is colourful, clear and accessible: simple, easy-to-read numbered meanings, and word classes. There are also panels that focus on overused words, words belonging to the same family and key language features such as connectives or apostrophes. Another unique feature is the example sentences by well-known children's authors, such as Dick King-Smith, Jacqueline Wilson and Roald Dahl. These show the words actually in use to reinforce meaning but they also hook children in to using language effectively. Unique to Oxford, they take children beyond looking up a word for spelling or meaning - and into thinking about reading and writing independently. The full alphabet appears on every page with a coloured tab on the letter of the page - plus the dictionary quartiles are picked out in a vibrant colour. Together, these are invaluable navigation tools for the child practising their alphabet skills. Guidewords also appear on every page. Extra material at the back is accurately levelled for the curriculum at this age. It includes information for spelling success, punctuation, simple grammar, key overused words (with alternatives) as well as word origins, prefixes and suffixes.
