 The Jews did ask, "When is God coming back?"
 What we find in Paul is a blend of Jewish narrative with quite fresh analysis.
 Paul's worldview not what he looked at, but what he looked through, a grid of what he took for granted, a web of implicit narrative and cultural symbols.
 What was the center of Paul's symbolic universe?
 The main symbol of Paul's universe was the church itself, a united and holy community.
 For Paul theology is a new challenge which comes in three stages.
 A new sort of knowledge
 A new sort of human beings

A new sort of task

Wright "How Paul Invented **Christian Theology**," Given 7pm - 9pm on Friday March 21, 2014 at The Lanier ...

The Jews did ask, "When is God coming back?"

What we find in Paul is a blend of Jewish narrative with quite fresh analysis.

Paul's worldview not what he looked at, but what he looked through, a grid of what he took for granted, a web of implicit narrative and cultural symbols.

What was the center of Paul's symbolic universe?

The main symbol of Paul's universe was the church itself, a united and holy community.

For Paul theology is a new challenge which comes in three stages.

A new sort of knowledge

A new sort of human beings

A new sort of task

Three Contemporary Reflections

A real challenge to contemporary systematic theology

A challenge to do with topics and themes
