A Man's Guide To STOP Numbing Out - A Man's Guide To STOP Numbing Out by ManTalks 1,998 views 1 day ago 37 minutes - Talking points: mindset, emotions, habits, burnout Ever get the feeling you...don't feel anything? Yeah, me too. This is something ...

Intro and the biggest misconceptions around numbing out

Don't see numbness as a villain, and some numbness "caveats"

What causes us to numb out? How is it a learned response?

What we need to know before we stop numbing out

The first step: what are you using to numb out?

Create a plan, and why you shouldn't expect cold turkey to go well

If you have trauma, there's a caveat

Numbness is itself an experience

How (and why) you should use your breath to reconnect to your body

Look for sensation

Final step: letting the sensations have a voice
