It's Not Easy Being Green

'I'm a HUGE fan of Alison Green's "Ask a Manager" column. This book is even better' Robert Sutton, author of The No Asshole Rule and The Asshole Survival Guide 'Ask A Manager is the book I wish I'd had in my desk drawer when I was starting out (or even, let's be honest, fifteen years in)' - Sarah Knight, New York Times bestselling author of The Life-Changing Magic of Not Giving a F*ck A witty, practical guide to navigating 200 difficult professional conversations Ten years as a workplace advice columnist has taught Alison Green that people avoid awkward conversations in the office because they don't know what to say. Thankfully, Alison does. In this incredibly helpful book, she takes on the tough discussions you may need to have during your career. You'll learn what to say when: · colleagues push their work on you - then take credit for it · you accidentally trash-talk someone in an email and hit 'reply all' · you're being micromanaged - or not being managed at all · your boss seems unhappy with your work · you got too drunk at the Christmas party With sharp, sage advice and candid letters from real-life readers, Ask a Manager will help you successfully navigate the stormy seas of office life.

Tough Market New Home Sales

Since 1992, Jeff Shore has had the privilege to reach, influence and inspire thousands of sales professionals round the world. His experience selling in a brutally tough market combined with years of executive leadership in the industry comes together in this book. Looking for a mental edge? It's here. Looking for solid and proven technique? You'll find that as well. Read. Practice. Apply. And watch your sales soar in any market!

Tough(er) Market New Home Sales

Selling a home in a tough market is different than at any other time. Sellers can't afford to make mistakes that cost them a buyer. This book offers step by step instructions from preparing the home to sell, to pricing, and marketing the home. Preparing the home for sale is a key component of the process and an area in which a seller can do too little or too much, often with negative consequences. Pricing correctly for the market is a challenge any time but in a tough market a seller has to know what tools to use to get accurate information with which to make pricing decisions. Marketing must be designed to make the home stand out in a larger inventory of competing homes for the smaller number of buyers. The advantages and pitfalls are all laid out with suggestions on how you can be a successful "For Sale By Owner". There is also information on how to select the right agent and company that will do the best job for you. This guide details every step necessary to sell a home in the toughest market in decades. Proven techniques that will sell YOUR home - NOW!

Sell Your Home In a Tough Market - NOW!!!

Too many sales careers end before they really even begin, and even the most seasoned pros can use an occasional pick-me-up, especially in sluggish markets. "40 Day Sales Dare for New Home Sales" gives specific, relevant instruction on how to reach one's full potential.

40 Day Sales Dare for New Home Sales

ENDORSEMENTS: "A 'must read' for every real estate agent wanting to sell more homes. Loaded with great advice and entertaining to read." Jerry Reece CEO - Reece & Nichols Realtors a Partner with HomeServices of America, Inc., a Berkshire Hathaway Affiliate Jonathans results speak for themselves. He carries a listing inventory of 35 to 40 listings in the countrys worst market. Take notice to that type of production! Rich Casto Founder of Rich Casto & Company, one of the nations top Real Estate Trainers & Coaches, with over 35,000 clients. How to Sell Homes in a Tough Market is chock full of great tips not only for new agents but probably even more so for experienced agents who were used to doing things the old way. Its a fun book, easy to read, and will jump-start your real estate career. The tips are practical and spot on. Real estate today is hard work and Jonathan Goforths book highlights the importance of desire, prioritizing, consistent prospecting and the daily attention needed to be successful in the business today. Diane Ruggiero, RCE, CAE CEO - Kansas City Regional Association of REALTORS & Heartland Multiple Listing Service Jonathan writes, Your COI (Community of Influence) is the most powerful thing you have in this business. I agree wholeheartedly. The most powerful thing about How to Sell Homes in a Tough Market is that Jonathan IS selling homes in a tough market who better to learn from than someone who is doing it at a high level! This book is a valuable tool for every agents toolbox! Michael J. Maher The Maher Team, LLC - Realty Executives of Kansas City National Best-Selling Author of (7L) The Seven Levels of Communication: Go from Relationships to Referrals "Jonathans hard work and great follow-up systems have placed him in the top echelon of realtors. His straight forward advice is laced with hilarious stories. A 'must read' for rookie agents and also for experienced agents needing to jump start their sales."

Three builders get into a boat... Whether you fish or not, the overarching theme that expert real estate marketer Robert Cowes uses to create a Marketing Strategy Playbook for Residential New Home Builders and Developers is a direct reflection of what is occurring in today's new home selling market and will keep you turning page after page. From page 1, he asks a very thought-provoking question: Are you in the new home building or the new home selling business? A residential home builder or developer's true business play is to build a sales and marketing machine that generates sales and aligns with their ROI goals. If you believe this principle, then you know in order to catch the big fish, you have to make your sales and marketing count. That's where an expert fishing guide comes in. Robert Cowes has developed a playbook that reveals the most effective and innovative ways to help you reach your goals with tried-and-true methods. Ready to bait and find more buyers to sell more homes? Let's get fishing!

This encyclopedia looks at the first major recession of the 21st century and one of the deepest since the Great Depression itself. Its description of recession-related actors and events since its start provides an in-depth understanding of this major rupture in modern economy, forever changing, some have argued, not only the distribution of income in the United States but the balance of economic power across the globe. It describes and updates the events, actors, institutions, rules, regulations, and current impact of this global financial crisis that pushed banks, financial institutions, and corporations across the world to the edge.

WHAT'S THE KEY TO SALES SUCCESS? BOLDNESS. "Jeff Shore shows how to gain the essential confidence that is the first step to a great sales career." -- Neil Rackham, bestselling author of *SPIN Selling* "This book is loaded with great ideas to educate, inspire, and make you unstoppable in sales." -- Brian Tracy, bestselling author of *Unlimited Sales Success* Includes interviews with Daniel Pink, Larry Winget, Linda Richardson, and many others The most common challenge every sales professional must overcome is not indecisive customers, inferior products, or innovative competitors. It's the discomfort you feel when initiating calls, dealing with difficult customers, and asking for the sale. Sales expert Jeff Shore argues that boldness is required to embrace this discomfort and leverage it to land the sale. And it is a skill that can be learned. In this inspiring, humor-filled guide, he teaches you: How to figure out exactly what inhibits you Why you make certain decisions in moments of discomfort How to train your brain to prepare for uncomfortable moments How your customer's own discomforts affect his or her purchase decisions Featuring self-assessment tools, hands-on exercises, and case studies showing Shore's methods in action, *Be Bold and Win the Sale* is an indispensable resource for any sales professional.

The automatic filter against bad, irrelevant, outdated investing information *Cocktail Investing* takes a look at investing in a different, catalyst-driven light to form a more cohesive, globally relevant investing lens. With a focus on the intersection of economics, demographics, psychographics, technology, policy, and more, this book helps readers build a more profitable portfolio based on what they see everyday rather than following the herd on Wall Street. Industry experts expose the actionable, observable, and recognizable trends that surround us daily, and show readers how to recognize these trends for themselves and translate them into wiser investing decisions without getting sidetracked by media clutter and bad advice. Given today's ever-increasing deluge of information, the average investor faces the challenge of sorting through the babble to decipher what it means, and learn how, where, and why they should be investing given the current economic environment and the uncertain future. This book provides an 'off' switch, helping readers apply an automatic mental filter to the incoming cacophony, to filter out only what they can use for smarter money moves. Read the economy like a professional investor Filter out useless and misleading data Recognize 'go' signals, and identify the beneficiaries Identify cyclical and structural changes that have reshaped business models The economic climate has changed drastically, and traditional practices are no longer getting results. Modern investing requires a whole new approach, and *Cocktail Investing* is the clear, insightful guide for putting it into action.

Building Systems Magazine (BSM) is an award winning United States-based trade magazine read by builders, developers and general contractors using or considering using innovative construction technologies. Once commonly known as "pre-fab," today's modern building systems employ innovative materials and techniques to create residential or commercial structures in a factory setting in a fraction of the time it takes to site build. BSM focuses mainly on log, timber frame, modular, panel, and structural insulated panel building technologies. Since factory fabrication and site preparation take place simultaneously, structures are finished and ready for occupancy in weeks, rather than months or years as required by conventional site-building schedules.

NEW for 2021, the 2nd Edition of the acclaimed book on selling your California home! Ever wonder why some houses look so great when they're sold? How they end up getting mobbed by buyers and end up receiving tons of offers? How some homes can sell in just a week or two, at crazy high prices, oftentimes well over the asking price? Or how some sellers can seem so relaxed, happy, and enthusiastic about the sale of their homes while others are melancholy and practically despondent? It's got nothing to do with luck, or timing, or the vagaries of the real estate market. For the first time, this tell-all book takes readers into the sausage factory where amazing home sales are made. You'll get a behind-the-scenes look at what goes into getting a home sold quickly and for top dollar - and learn how to have fun doing it!

The 4-2 Formula®

Ignite your selling power and blow past your goals, whether the real estate market goes up, down, or sideways. This book delivers hard-boiled advice, tried and true tips, sensible solutions, and bold responses to every objection a potential homebuyer presents. Learn pure-genius techniques that will propel you to success, plus remedies for overcoming doubtful prospects, hardship economies, and lackluster sales results.

A Spell of Trouble

When town trouble maker, Louella Drummond, drops dead in front of Isolde Quinn's pet store just minutes after threatening both Issy and her cousin Graeme, the police in the small lakeside town of Silver Hollow assume it's from natural causes. ... Until it's discovered that Louella was murdered. Not just any murder, though. Murder by paranormal means. Dark magic that could only have been performed by a powerful witch. And every law-abiding paranormal knows that dark magic is forbidden and carries strict punishment at the hands of "the committee" - the mysterious entity that provides law and order within the paranormal community. Being witches, Issy and her three cousins fear they are at the top of the suspect list. To make matters worse, a secret division of the FBI has gotten wind of the happenings in Silver Hollow and sent two agents to ferret out paranormal activity. Even worse than that, Issy is annoyingly attracted to one of them! Armed with their unconventional posse of familiars, Issy and her cousins dodge the efforts of the 'real' police and the special FBI agents while following a twisty path of clues that lead to a shocking betrayal.

A Spell of Trouble

Fans of Ellery Adams and Heather Blake will be charmed by this seaside cozy mystery series full of humor and heart, mermaids and magic Aleksandra Daniels hasn't set foot in the quiet seaside town of Bellamy Bay, North Carolina in over twenty years. Ever since her mother's tragic death, her father has mysteriously forbidden her from visiting her aunt and cousins. But on a whim, Alex accepts an invitation to visit her estranged relatives and to help them in their family business: an herbal apothecary known for its remarkably potent teas, salves, and folk remedies. Bellamy Bay doesn't look like trouble, but this is a town that harbors dark secrets. Alex discovers that her own family is at the center of salacious town gossip, and that they are rumored to be magical healers descended from mermaids. She brushes this off as nonsense until a local is poisoned and her aunt Lidia is arrested for the crime. Alex is certain Lidia is being framed, and she resolves to find out why. Alex's investigation unearths stories that some have gone to desperate lengths to conceal: forbidden affairs, family rivalries, and the truth about Alex's own ancestry. And when the case turns deadly, Alex learns that not only are these secrets worth hiding, but they may even be worth killing for.

A Spell for Trouble

Everyone picks on Franklin Hobbs in A Spell of Trouble. When he finds a book of spells he sees his chance for revenge. Flying class-mates and a rhino in the school are just the start. Franklin is in trouble. TreeTops Fiction contains engaging novels from top authors and illustrators with the variety children need to develop a love of reading!

Oxford Reading Tree TreeTops Fiction: Level 15: A Spell of Trouble

The first book in the Sisters of Salem trilogy about twin witches from the powerhouse duo P.C. and Kristin Cast! Double double, twins spell trouble... Hunter and Mercy Goode are twin witches, direct descendants of the founder of their town of Goodeville. As their ancestors have done before them, it is now time for the twins to learn what it means to be Gatekeepers—the protectors of the Gates to different underworlds, ancient portals between their world and realms where mythology rules and nightmares come to life. When their mother becomes the first victim in a string of murders, the devastated sisters

vow to avenge her death. But it will take more than magic to rein in the ancient mythological monsters who've infected their peaceful town. Now Hunter and Mercy must come together and accept their destiny or risk being separated for good.

Spells Trouble

A new 20th anniversary edition of the utterly classic Clarice Bean *Spells Trouble* by bestselling Children's Laureate, Lauren Child. There are so many things in life you can't explain. Like why isn't YOU spelt U? Why isn't WHY spelt Y? And why can just opening your mouth get you into some very BIG trouble? Clarice Bean is in non-stop trouble these days - almost as much as Karl Wrenbury, and he is the naughtiest boy in school. Clarice just wants to star in the school play and impress Mrs Wilberton in the spelling bee, but things aren't quite going to plan . . . 'Witty and charming. We can't get enough of Clarice Bean.' The Sunday Times

Clarice Bean Spells Trouble

This book is part of TreeTops Fiction, a structured reading programme providing juniors with stories they will love to read. Offering chapter books with full-colour illustrations, written by well-known authors, these stories are full of humour and have real boy appeal. They are tightly levelled allowing children to read books appropriate to their ability. This book is also available as part of a mixed pack of 6 different books or a class pack of 36 books of the same Oxford Reading Tree stage. Each book pack comes with a free copy of up-to-date and invaluable teaching notes.

Oxford Reading Tree: Stage 15: TreeTops Stories: A Spell of Trouble

From award-winning illustrator David Roberts comes Dirty Bertie - the boy with nose-pickingly disgusting habits! With comic chaos and madcap schemes, these highly-illustrated stories are perfect for new readers. Join Bertie as he concocts a magic potion for Miss Boot to make her forget the dreaded maths test, finds himself at Know-All Nick's house for the worst sleepover ever and unexpectedly wins out over the school bully. David Roberts is the illustrator of many picture books and fiction titles, including Julian Clary's *THE BOLDS*, *SUFFRAGETTE: THE BATTLE FOR EQUALITY*, *JACK AND THE FLUMFLUM TREE*, *IGGY PECK*, and *ARCHITECT*. With over 30 titles in the hugely popular *DIRTY BERTIE* series, each book contains three short stories perfect for fans of *HORRID HENRY*, *WRIGGLESBOTTOM PRIMARY* and Pamela Butchart.

Trouble!

Containing one of each of the six titles at stages ten and 11, pack B, this collection is part of the Treetops series of fiction with built-in progression for pupils aged seven to 11. Specially written for children who need the support of carefully monitored language levels, the stories are accessible, motivating, and humorous. The series is organized into Oxford Reading Tree stages (from stage ten to stage 14), with each stage introducing more complex narrative forms, including flashbacks and changes in viewpoint; descriptive writing; extended reading vocabulary; and more pages, more text, and fewer illustrations. Each stage is supported by the teacher's guide, which offers guidance on using Treetops to assess children's reading ability, and includes a variety of activities (comprehension, writing for a range of audiences and in different forms, discussion and role play) many on photocopiable sheets.

Treetops

When the Blackmoore sisters travel to Salem Massachusetts in search of an ancient energy infused relic that has been hidden away since the 1692 Salem witch trials, they find themselves up to their elbows in witches, ghosts and cats ... not to mention murder. The sisters must depend on their paranormal detective skills to find the location of the relic before one of them becomes the next victim, but when their handsome guardian angel, Mateo, shows up with a surprise revelation about their paranormal gifts, the sisters must face a truth that could change their world forever.

The Un-Spell Book

'Witches occupy a clear place in contemporary imagination. We can see them, shadowy, in the corners of the past: mad, glamorous, difficult, strange. They haunt the footnotes of history - from medieval witches burning at the stake to the lurid glamour of the 1970s witchcraft revival. But they are moving out of history, too. Witches are back. They're feminist, independent, invested in self-care and care for the world. They are here, because they must be needed.' What it means to be a witch has changed radically throughout history; where 'witch' was once a dangerous - and often deadly - accusation, it is now a proud self-definition. Today, as the world becomes ever more complicated and as we face ecological, political and economic crisis - witchcraft is experiencing a resurgence. Witches are back. In *A Spell in the Wild*, Alice Tarbuck explores what it means to be a witch today. Rooted in the real world, but filled with spells, rituals and recipes, this book is an accessible, seasonal guide to witchcraft in the twenty-first century. Following the course of a witch's calendar year while also exploring the history and politics of witchcraft, *A Spell in the Wild* is the perfect primer for the contemporary witch.

A Spell in the Wild

Henry uses magic to build an awesome fort...but is his new hideout haunted? Find out in this third Henry Heckelbeck adventure! Henry is just like any other normal kid. He plays soccer. He isn't a huge fan of homework. He even has an older sister, Heidi. What's not so normal about Henry is his family. His sister and his mom are magic. Not Henry, though. He's just a normal kid. Or is he? In his third book, Henry needs a hideout. He needs a place to play with his best friend where his sister can't bother them. A hideout like this calls for a magic spell. But can magic make a hideout haunted? With easy-to-read language and illustrations on almost every page, the Henry Heckelbeck chapter books are perfect for beginning readers.

Henry Heckelbeck and the Haunted Hideout

In these four new stories, illustrated by Korky Paul, everyone's favourite witch is a trouble magnet! There's trouble after school, trouble with Auntie Aggie, trouble with her double, and trouble in ancient Egypt. Welcome to Winnie's world!

Winnie Spells Trouble!

Why is there an 'h' in ghost? William Caxton, inventor of the printing press and his Flemish employees are to blame: without a dictionary or style guide to hand in fifteenth century Bruges, the typesetters simply spelled it the way it sounded to their foreign ears, and it stuck. Seventy-five per cent of English spelling is regular but twenty-five per cent is complicated, and in *Spell It Out* our foremost linguistics expert David Crystal extends a helping hand to the confused and curious alike. He unearths the stories behind the rogue words that confound us, and explains why these peculiarities entered the mainstream, in an epic journey taking in sixth century monks, French and Latin upstarts, the Industrial Revolution and the internet. By learning the history and the principles, Crystal shows how the spellings that break all the rules become easier to get right.

Spell It Out

From the highly-acclaimed author of *SMALL PLEASURES* - WINNER of the 2022 British Book Awards Page-Turner. In 1976, four students took a trip to the desert. Now the repercussions of that fateful summer are coming back to haunt them... And repercussions are exactly what Guy doesn't need. His wife, Jane, is moving swiftly from slightly eccentric to downright peculiar, their three-year-old daughter seems set on destroying Jane's sanity, and now even God's gone quiet on him. As for Nina, she is having enough trouble with her son, James. He has exams looming, a new girlfriend with pneumatic breasts and now, it seems, he's on drugs. Nina certainly will not welcome any ghosts from the past. Life isn't going smoothly for anyone. But when Hugo, long-forgotten agent of misfortune, threatens to pay

them all a visit, disaster seems unavoidable. . . _____ Praise for Clare Chambers: 'Bleak but funny, sharply observed characters and crisp dialogue make this a great read' Yorkshire Post 'Intriguing and thought-provoking' Katie Fforde 'A wonderful novel. A Dash of Trouble

The first book in the Sisters of Salem trilogy about twin witches from the powerhouse duo P.C. and Kristin Cast! Double double, twins spell trouble... Hunter and Mercy Goode are twin witches, direct descendants of the founder of their town of Goodeville. As their ancestors have done before them, it is now time for the twins to learn what it means to be Gatekeepers--the protectors of the Gates to different underworlds, ancient portals between their world and realms where mythology rules and nightmares come to life. When their mother becomes the first victim in a string of murders, the devastated sisters vow to avenge her death. But it will take more than magic to rein in the ancient mythological monsters who've infected their peaceful town. Now Hunter and Mercy must come together and accept their destiny or risk being separated for good.

Toil & Trouble

It's Daisy's birthday and she's having a special birthday treat! Mum has invited her best friends, Gabby and Dylan, on a trip to the zoo - and, best of all, Mum has arranged for Daisy to go into the actual penguin cage with the actual zoo keeper and FEED actual penguins! REAL ACTUAL PENGUINS! With actual beaks and everything!! Trouble is, Daisy doesn't just feed the penguins, she 'adopts' one to take home and everything . . .

Daisy and the Trouble with Zoos

She's desperate... Serena Tyme is a witch in trouble, serious trouble. The kind of trouble that gets you killed. Someone is trying to bind her powers and make her helpless. Since she's not in the mood to be helpless, Serena works a dark spell and summons a very unlikely protector... He hunts. He kills. He lives forever. Luis D'Amil isn't your typical good guy. Mostly because he's not good. He's an immortal soul hunter. He has all the powers of a demon and the strength of a witch, and he doesn't bow to anyone's command. He's the boogeyman, the creature that people always fear in the dark. She thinks that because she summoned him, she can control him. She's wrong. No one can control Luis, but he does agree to help Serena. Mostly because the idea of anyone hurting her enrages him. After centuries of being alone and feeling nothing, the feisty witch has managed to break past his defenses. So, yes, he'll help her. He'll find the enemies trying to destroy her, but there will be a price. The price is her. Luis intends to claim his witch...and keep her, forever. Provided, of course, he can convince Serena to give her heart to a man who destroys souls... Who said life was easy? Author's Note: Luis D'Amil is dangerous, gorgeous, and, yes, he might be on the bad side, but even soul hunters can fall in love. Well, maybe. When he meets Serena, Luis knows that he will never be able to let her go. This is a short and steamy novella (32,000 words) of paranormal romance. Lust comes fast and first, but hold

on tight because the danger will soon follow. Don't worry, there's a HEA. I got you covered. Spooky spell casting, sizzling scenes, and hot romance. Bam. PUT A SPELL ON ME was originally released in September 2008 as part of the EVERLASTING BAD BOYS anthology (back then, the novella had the title of SPELLBOUND). I've revised and updated the story, and now Luis is ready to take you on a sexy supernatural adventure. You're not afraid of monsters, are you? Because the creatures that hide in the dark aren't always bad. Sometimes, they're just...hot. Have fun and dive in!

Put A Spell On Me

Between navigating my classes and figuring out my relationship status, a new torment promises Sophomore year to be a killer one. Literally. My freshman year saw us thwarting the apocalypse. Now, with Lucas and Isaac by my side, I'm determined to figure out what Hunter's problem is. At least I know where I stand with Nathan. He actually wants to kill me. To be fair, killing me might save the world. But after the chaos of my first year, all I want is to make it to graduation. It's not going to be easy. Something is hunting me through the halls of Rosewilde, one of my professors is hellbent of seeing me expelled, and the replacement Headmaster might be worse than the last one. Oh, and even my fearless BFF, Serena, is side-eyeing my new roommate. I'm pretty sure he wants to eat our souls. Welcome back to Rosewilde Academy of Magical Arts-where everything you thought you knew is wrong, and everything wrong feels right. A Spell for Shadows is the second book in the Rosewilde Academy of Magical Arts series following Amelia Cresswin after she gave up science for sorcery. She's got her BFF and lovers who are willing to share. This book is filled with scorching dramatics, men who love each other, and a rollercoaster of a magical adventure.

50 Of The Most Powerful Spells On The Face Of Earth

The annual Mermaid Festival is the setting for Esme Addison's sunny-yet-sinister second Enchanted Bay mystery, perfect for fans of Heather Blake and Bailey Cates. The small town of Bellamy Bay has its share of skeletons in its closet, but it isn't used to bodies turning up in the local history museum. After all, this coastal North Carolina town is much like any other...except, of course, for the mermaids. Helping to run the family business, an herbal apothecary, while keeping her supernatural secret hidden is no easy feat for water witch Aleksandra Daniels. But somehow she's still found time to help her friend Celeste, who has her own Caribbean mermaid heritage, plan the annual Mermaid Festival. As fun-seekers throng the beaches, Alex gets to know and is intrigued by renowned artist Neve Ryland, who's in town to decorate the local park with a mermaid-themed mural. Celeste, however, is less enamored with the artist, as Neve has been spending entirely too much one-on-one time with her boyfriend Jasper, director of Bellamy Bay's history museum. Then, a reception for Neve ends abruptly when the artist is found dead in his office. When the police investigation nets Celeste, Alex decides to find the true culprit. With the help of her magically-inclined aunt and cousins, Alex dives in to clear her friend's name. But there was more to Neve Ryland than met the eye...and Alex fears she may be in way too deep. Will she catch the crook or be next on the hook?

A Hex for Danger

"Get out, Emmanuel!" growled my uncle. "Take your brother and go." But where can two boys go when they're on their own, on the run, with little money or food? All 12-year-old Emmanuel knows is that he has to look after Prince. They were his father's last words to him. On the train to London, Em and Prince have no idea where they will end up - but then they meet the mysterious Mr Green and his "friends". And that's when things start to spin out of control...

Too Much Trouble

Ghosts, goblins, skeletons, and ghouls hurry to Number 13 Spooky Street for the Halloween Party.

Petrifying Pop-Ups

Fun and magic combine as usual in this new Mr Majeika story. The pupils in Class 3 at St Barty's School are not impressed when their headteacher imposes strict rules of behaviour for Halloween. Mr Majeika uses a little magic to make the evening memorable but nasty Hamish Bigmore tells the local press and gets the wizard-teacher the sack. School without magic seems rather boring and Mr Majeika doesn't last long in the other jobs he tries. His long-time enemy, Wilhelmina Warlock is clearly behind all the trouble; she and the dreaded Hamish must be defeated before life can return to normal.

Mr Majeika and the Lost Spell Book

The third book in the thrilling series about the Widdershins sisters is a spellbinding tale of sorcery, spells, and witches. A dangerous spell cast over an unsuspecting village. An enchanted painting locked in a hidden room. A desperate race against time to break the spell before it's too late . . . It should have been a fresh start for the Widdershins, finally free from the misty gloom of Crowstone and beginning a new life. But all is not as it seems in their postcard-pretty village. Their neighbors are acting strangely, and why do they flinch at the mere mention of magic? The Widdershins sisters have their own secret: a set of enchanted nesting dolls with the power to render their user invisible. The sisters must use their wits--and their magic--if they're to break the dark hold over the village, and save one of their own . . . but have they finally met their match?

Daisy and the Trouble with Coconuts

Genie has a hard time with her school work until she and Merlina, a witch who has trouble learning her spells, enter into a partnership to help one another.

Genie and the Witch's Spells

Sophie is in sixth grade which is anything but boring since she's been turned into a genie and has also developed Random Wish Disorder. She has also discovered that her missing father is also a djinn.

So now all Sophie has to do is impress the Djinn Council, find out where her father is, and get her heart-throb friend, Jonathan's twin sister, Melissa, to like her.

Under a Spell

Piers Anthony's bestselling Xanth series is one of the cornerstones of fantasy, a lively and whimsical interpretation of a genre often criticized for taking itself too seriously. Anthony's first Xanth novel, *A Spell for Chameleon*, was initially edited to target a more traditional audience. Now, in an eBook exclusive, *A Spell for Chameleon* has been reworked line by line—its language matching the simpler, playful way with words that made Piers Anthony an enduring fan favorite. Xanth is an enchanted land where magic rules, a land of centaurs and dragons and basilisks where every citizen has a unique spell to call their own. For Bink of North Village, however, Xanth is no fairy tale. He alone has no magic. And unless he gets some—and fast!—he will be exiled. Forever. But the Good Magician Humfrey is convinced that Bink does indeed have magic. In fact, both Beauregard the genie and the magic wall chart insist that Bink has magic as powerful as any possessed by the King, the Good Magician Humfrey, or even the Evil Magician Trent. Be that as it may, no one can fathom the nature of Bink's very special magic. This is even worse than having no magic at all . . . and he still faces exile!
