Death's Dancer

Isela Vogel has the power to attract the favor of the gods for anyone who can pay her fee but struggles to hide the degenerative hip condition that will end her career. Then she's offered a job that will set her and her family up for life. Though her prospective patron is a formidable necromancer with a heated and infuriating gaze, she can hardly refuse the payday. The Allegiance of Necromancers is powerful but not omnipotent, and when someone starts murdering his kind, Azrael must enlist a human godsdancer in order to track down the killer. But why does she have to be so frustratingly stubborn—and intriguing? Azrael can make the dead walk, but he can't make the very much alive Isela toe any line. Isela is thrown into a world of supernatural creatures—demons after dark, witches in the shadows, shifters running wild in city parks—where the grace of gods can truly infuse the blood of the most mortal-seeming dancer. As the danger increases with each thrilling discovery, trusting Azrael may be the only way to survive a conspiracy to destroy the fragile peace of a broken world. But the greatest threat is their growing attraction. Dancers and necromancers don't mix for a reason—and death is the least of their worries. Journey to the magical streets of Prague in an alternate present-day thriller for lovers of romantic urban fantasy.

The Progress of Religious Sentiment, the Advancement of ... Civil and Religious Freedom, the Affinity of Romanism, Tractarianism, and Baptismal Regeneration ... Thirty-two Articles of Christian Faith and Practice, Etc

"Nave's Topical Bible," the best known of all topical bibles, has been a valuable Bible-study reference and a best-seller for more than 75 years. It is a comprehensive digest of over 20,000 topics and subtopics with more than 100,000 associated Scripture references. The most significant references for each topic actually include the full text of the verse cited--saving the need to separately look up each verse. Because "Nave's" groups verses by "idea" (or "topic"), it offers a better overview of relevant Scriptures than a concordance, which only lists or indexes verses according to specific words. This edition also includes the helpful Scripture index (left out of some other editions), which makes it possible for the reader studying a particular biblical text to locate every topic and grouping of Scripture in "Nave's" whenever a particular verse is included. That way, it is possible for the reader to study either all the

verses related to a particular topic "or" all the topics related to a particular verse--it works both ways. For the pastor or teacher interested in saving hours of time but not willing to give their second best, and for anyone wanting to be challenged by what God has to say about a given subject, "Nave's Topical Bible" is the passport that will allow immediate and successful entry to the many points of interest.
