The first part of the Bible is called the Old Testament.

The Old Testament is about Israel.

While they were waiting, Israel had good kings and not-so-good kings.

Jesus was God's Son, and he lived a perfect life without breaking any of God's rules.

He taught people about God, and showed people how to be like him, by helping those who were poor and sick.

And when we read the Bible, we can still learn about who God is, and what he's like.
