A History of Accounting Thought

The project, of which this book is the end product, has the full endorsement and backing of the Academy of Accounting Historians. Chapters on resources include the finding and utilization of archival materials (including ancient forms); the growing importance of the Internet in historical research and the Accounting Research Database as a vital, contemporary finding aid; the possibilities for joint venturing with accounting practitioners and their organizations; and the pivotal influence and immediacy of oral history.

Doing Accounting History

This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. To ensure a quality reading experience, this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy-to-read typeface. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.
