The King's Women

A sexy, fast-moving and dazzlingly entertaining novel of 15th-century France and King Charles VII. This luscious novel depicts the King's mother, a monstrous glutton; his exquisitely beautiful mistress; his plain, steadfast wife; and Joan of Arc, the 18-year-old warrior who lays down her life to restore his kingdom.

The King's Women

An exciting tale of intrigue, lust, power and mystery

All the King's Women

"An excellent prince, doubtless, had he been less addicted to women .. those wicked creatures took him from all application becoming so great a king." John Evelyn The image of Charles II as a randy monarch who dragged the crown through the moral mire and irredeemably weakened its position has persisted throughout the three centuries since John Evelyn gave his judgement. That judgement, Derek Wilson argues, is OK as far it goes. The Restoration court did set an example of cynical libertinism that provoked opposition not only from outraged preacher, but also satirical journalists and angry mobs who pelted royal mistresses and burned down brothels. But Charles' bedroom antics are symptoms and not causes of social decadence. Why did Pepys complain 'there is nothing almost but bawdry at court from top to bottom' or Bishop Burnet observe that throughout the three kingdoms people were 'throwing of the very professions of virtue and piety'? he answers must be sought in the traumatic upheaval of the

Civil War and its aftermath in the life of Charles Stuart and his people. In a society that was shaken loose by violent conflict the position of women changed radically. Many experienced anew

The King's Women

Arthur Penner is more than happy to aid a lady in need of help, especially if the woman is targeted by his nemesis Vance Hollister. The fact the lady in question turns out to be not only a powerful witch, but a gorgeous red head with a wealth of curves that don't quit? Even better. What he isn't prepared for is the discovery that the woman just happens to be his reincarnated Queen Guinevere, and worse, she has no memory of who he is. His well-ordered life is crumbling around him as yet another surprise turns up in the form of his reincarnated sister. It seems the past is swallowing him whole, forcing him to let go of previous betrayals and trust once more. Gwen McAllister finds herself between a rock and a hard spot. Drawn to the quiet strength and confidence of Arthur. It isn't until her memories are savagely restored by a vengeful goddess that she realizes who she is and the bitter betrayal she caused. Even her familiar, a mouthy Himalayan named Salt seems to be against her, demanding she trust the very man she destroyed.. A new threat is rising, one which will plunge the world they know into darkness. To defeat an old enemy they must depend on each other and learn to forgive. A tall order and time is running out. Can they let go of the past and embrace the promise of a future or will they lose everything in the ultimate battle between good and evil? Warning: m/m oral sex in a menage

The King's Lady

Desperate in her desire for power and her love for the King, the Marquise Athenais de Montespon, Louis XIV's official mistress, becomes enmeshed in intrigue after she makes a pact with sorcerers and witches

All the Kings Ladies

In All the King's Women Jan Rüdiger investigates medieval elite polygyny and its 'uses' in Northern Europe with a comparative perspective on England and France as well as Iberia.

All the King's Women: Polygyny and Politics in Europe, 900–1250

In the early 1600s, France has established a new colony in America, attracting many rugged men in search of adventure and fortune. Women are also being sent to the colony and Laure is one such woman. Expected to behave, it's only a matter of time before she's off on a mission of seduction.

The King's Girl

Betrothed at birth to the Duke of Rothesay, all Lady Kira Steward wants is to convince everyone that she is the worse choice to marry the future king. She devises an ingenious plan to halt their marriage but before she can institute it, Rothesay vanishes. All Lord Ian Lindsay wants is to successfully manage the Crown's elite security force while his boss is away searching for their missing future king. But when those searching also disappear, the queen orders Ian to include Lady Kira and the ladies known as the King's Ladies to assist him in finding the missing men. Hounded by deception, lies and disasters, can Ian and Kira vanquish their foes and discover through adversity, love does conquer all? Book 3 of the King's Men series

The King's Ladies

From the #1 New York Times bestselling author behind the acclaimed Starz series The White Queen comes the story of lady-in-waiting Margaret Pole and her unique view of King Henry VIII's stratospheric rise to power in Tudor England. As an heir to the Plantagenets, Margaret is seen by the King's mother, the Red Queen, as a rival to the Tudor claim to the throne. She is buried in marriage to a Tudor supporter—Sir Richard Pole, governor of Wales—and becomes guardian to Arthur, the young Prince of Wales, and his beautiful bride, Katherine of Aragon. But Margaret's destiny, as cousin to the White Princess, is not for a life in the shadows. Tragedy throws her into poverty, yet a royal death restores her to her place at young Henry VIII's court where she becomes chief lady-in-waiting to Queen Katherine. There she watches the dominance of the Spanish queen over her husband and her tragic decline. Amid the rapid deterioration of the Tudor court, Margaret must choose whether her allegiance is to the increasingly tyrannical Henry VIII or to her beloved queen. Caught between the old and the new,

Margaret must find her own way, concealing her knowledge that an old curse cast upon all the Tudors is slowly coming true...

The King's Curse

The thrilling conclusion to The KING Duet. They hated me, it wasn't a secret. Hell, I would too, I'm a bastard. But they loved me more. Five women are dead because of that. They tried to pin a murder on me ten years ago. They didn't succeed. This time, they just might. There was only one thing that saved me then, The only one I'll do everything in my power to protect. Her. In the secret world of the wealthy where nothing is forbidden, everything comes with a price. Sex. Power. Murder. Lucas King pushed Evelyn away ten years ago to save her. This time, the only way to keep her safe is to claim her. In a race against time amid lies, corruption, and every dark desire money can buy, Lucas must catch the killer who's leaving a trail of dead women. Straight to him. Evelyn is the only woman who matters. Now the killer is coming for her. Can Lucas save her, or will the ultimate trophy be claimed, destroying Lucas and his empire? **18+, mfm, romantic thriller, contemporary womens, crime thriller

All The KING'S Women

This study of Margaret Beaufort, mother of Henry VII and the founder of two Cambridge colleges is the first biography to explore the full range of archival sources and one of the best-documented studies of any late-medieval woman.

The King's Mother

The story of Elvis Presley told through the eyes of 17 Women! Some Enthralled! Some Appalled, ALL OBSESSED! A fast paced series of 5 comedic plays and 3 monologues based on the Life of Elvis Presley. From Tupelo Mississippi where 11 year old Elvis wanted a BB Gun instead of a guitar, to The Steve Allen Show, from President Richard Nixon's office, to Andy Warhol's studio, from Cadillac Salesmen, to Graceland guards, this is a touching, bring-the-family comedy with a heart that captures the effects that fame, generosity & just being a nice guy can bring to others!

All the King's Women

AN ALLURING HEALER Lady Alique Zorba is as beautiful as she is impulsive, and she's determined to rescue her family and kingdom from the dark elven menace. A PRAGMATIC GENERAL Kain Jazara has no idea of the explosive revelations hanging over his head, as he tackles the latest incursion of the dark elves into Thorius. But must he be lumbered with highborn healer, Alique when she'll only get in his way? When the two volunteer to become hostages so the innocent can be freed, little do they know they're about to embark on the first of many missions together; assignments where neither can guarantee the other's safety. As they discover an undeniable passion, will revelations from Kain's past destroy Thorius, his relationships and any chance of happiness? The Elf King's Lady is the fifth book in the epic Queenmakers Saga, combining the sweeping high fantasy world of Thorius with sizzling romance. If you like magic, political intrigue and mythical creatures, wrapped up in an inter-racial love story, then you'll adore The Elf King's Lady.

The Elf King's Lady

While providing critical perspectives on women, gender, sex and sexuality, and the colonial encounter, she considers how it was possible for this woman to take on the office and responsibilities of a traditionally male role.

The Female King of Colonial Nigeria

One of history's most complex and alluring women comes to life in this classic novel by the legendary Jean Plaidy. Anne Boleyn was not beautiful but she was irresistible and captured the hearts of kings and commoners alike. Daughter of an ambitious country lord, Anne was taught to court and marry well and raise the family's fortunes. She soon surpassed even their greatest expectations. Although his queen was loving and loyal, King Henry VIII swore he would put her aside and make Anne his wife. And so he did, though the divorce would tear apart the English church and inflict religious turmoil and bloodshed on his people for generations to come. Loathed by the English people, who called her "the King's Great Whore," Anne Boleyn was soon caught in the trap of her own ambition. Political rivals surrounded her at court and, when she failed to produce a much-desired male heir, they closed in,

preying on the king's well-known insecurity and volatile temper. Wrongfully accused of adultery and incest, Anne found herself imprisoned in the Tower of London, where she was at the mercy of her husband and of her enemies.

The Lady in the Tower

"Turns A BRILLIANT LIGHT on one of the lustiest and one of the most dramatic periods of English history."- Philadelphia Inquirer My Lady of Cleves tells the mesmerizing story of Anne of Cleves, fourth wife of Henry VIII, one of the rare women who matched wits successfully with the fiery king and lived to tell the tale. Aware of the disastrous consequences of not bearing an heir, Anne of Cleves bravely took on the duty of weathering the Tudor King's temper and won the hearts of his subjects in the process. Written by world-renowned historical novelist Margaret Campbell Barnes, My Lady of Cleves gives readers an intimate portrait of the warm, unpretentious princess who never expected to become Queen of England and how she navigated a world of high drama and courtly elegance. A refreshing historical fiction about infamous Tudor England, fans of Philippa Gregory, Anya Seton and Bernard Cornwell will delight in this tale of Henry's fourth Queen, her secret love, her power-hungry husband, and the country that ruled them all. Other books about the six wives of Henry VIII and the Tudors by Margaret Campbell Barnes: Brief Gaudy Hour a refreshing novel of Anne Boleyn, cast in a new light The Tudor Rose the richly drawn story of Elizabeth of York who united a kingdom and birthed a dynasty King's Fool an insider account of the Tudor Court, told by Henry VIII's one true friend What readers are saying about My Lady Of Cleves: "an interesting look into a woman that survived marriage to Henry VIII." "Anne outlives Catherine, Henry, and the painter Holbein...and in the end finds herself more loved than she had ever imagined." "I was completely amazed by this book. The richness that Barnes put into the characters was SPELLBINDING!" "An outstanding, brilliant story that brings the perhaps least-remembered of the wives of Henry VIII to vibrant life." "one of the best Tudor-centered historical fiction novels I've ever read." "a FASCINATING, well written book" "A fantastic novel that NO FAN OF TUDOR ENGLAND SHOULD MISS." What reviewers are saying about My Lady Of Cleves: "Turns A BRILLIANT LIGHT on one of the lustiest and one of the most dramatic periods of English history." - Philadelphia Inquirer "At long last Anne of Cleves gets her day as a noble and highminded heroine in the lists of historical fiction!" Chicago Tribune "Barnes' vision of Anne is so different from others I have encountered, it was like reading her story for the first time. This is the Anne of Cleves I choose to live in my memory." - Books N Border Collies " an appealing story of a woman who makes the best of a bad situation... it's nice to see this novel in particular being reissued." - Reading, Ranting, and Raving "I have to say that from the moment I read the inscription, I was hooked in this book... Anne is brought to life, and is portrayed as a capable woman..." -Historical Tapestry What everyone is saying about Margaret Campbell Barnes: "Margaret Campbell Barnes has added brilliant hues to a picture which never lacked in color." - Vancouver (BC) Daily Province "Immensely entertaining and absorbing." - Chicago Tribune

My Lady of Cleves

A compendium of illustrated biographies of the British monarchs, revised throughout and updated to include the recent history of the Windsors.

The Lives of the Kings & Queens of England

Born to rule. Destined to die. Saved by love. In Raven Araroa's kingdom, firstborn royal daughters were destined to rule, the Woman Kings of Nadir. A thousand years before she was born, a malevolent regime decreed there would be no more Woman Kings, by ordering firstborn daughters to immediately be put to death. But one of the daughters has survived. Born to the Queen in secret, Raven has been raised in a treevillage far from the royal palace. She is sixteen when her existence is discovered by the King. Pursued by the King's Hunters, and knowing she'll be killed if she's caught, Raven must flee. With two friends, she sets off, bound for the safety of a neighboring island nation. When she meets a charming boy along the way, her destiny becomes clear ... but can she trust him?

Fortissima

"Within the hollow crown that rounds the mortal temples of a king..." -Shakespeare, The Tragedy of King Richard II Unlike his father, the Black Prince, or his namesake, King Richard the Lionheart, Richard II never really wanted to be king. But the mantle of royalty is thrust upon his shoulders at age 11, at a time when England is racked by unrest and class warfare. A leader as unexpected as he is

inexperienced, young Richard must find a way to triumph over a fierce conflict more destructive than any foreign enemy. Richard's love for his wife, Anne of Bohemia, gave him the strength to outwit the schemes of his enemies and govern as he saw fit, providing England with years of prosperity under his reign. But when tragedy strikes, Richard begins to lose the common touch by which he had ruled so brilliantly, and begins a downward spiral from which his detractors would derive strength... "Sympathetic picture of sensitive, peace-loving, and ill-beset Richard II, who had it in him to be one of the best kings England ever had."-Booklist "Ms. Barnes captures the flavor, pageantry, and color of the Middle Ages...a distinguished novel." -Philadelphia Inquirer

Within the Hollow Crown

#1 New York Times bestselling author and "queen of royal fiction" (USA TODAY) Philippa Gregory brings to life the story of Jacquetta, Duchess of Bedford, a woman of passion and of legend who navigated a treacherous path through the battle lines in the War of the Roses to bring her family unimaginable power. When the young and beautiful Jacquetta is married to the older Duke of Bedford, English regent of France, he introduces her to a mysterious world of learning and alchemy. Her only friend in the great household is the duke's squire Richard Woodville, who is at her side when the duke's death leaves her a wealthy young widow. The two become lovers and marry in secret, returning to England to serve at the court of the young King Henry VI, where Jacquetta becomes a close and loyal friend to his new queen. The Woodvilles soon achieve a place at the very heart of the Lancaster court, though Jacquetta has visions of the growing threat from the people of England and the danger of their royal York rivals. Jacquetta fights for her king and queen, as she sees an extraordinary and unexpected future for her daughter Elizabeth: a change of fortune, the white rose of York, and the throne of England...

The Lady of the Rivers

Includes poems, newspaper columns, diary entries and other writings of Elizabeth N. Metayer, the first woman state representative from Braintree, Mass.

Bibs

"A moving and lifelike portrait... a thoroughly delightful novel." - New York Times Country-lad-turned-jester Will Somers tells the behind-the-scenes story of King Henry VIII and his six wives. Told by the man who saw the triumphs and tragedies, weddings, divorces, and dramatic pageantry that was the Tudor court. When country lad Will Somers lands himself the plum position of jester to the mercurial King Henry VIII, he has no idea that he's just been handed a front-row seat to history. At court Will witnesses firsthand the dizzying power struggles and sly scheming that marked the reign of the fiery Tudor king. A confidante of all six wives of Henry VIII including the tragic Katherine of Aragon, the doomed Anne Boleyn, and the charming princess Mary Tudor, Will's tale casts a new light on England's most infamous king. This intimate peek into the royal chambers gives readers a unique perspective on the capricious King Henry, told from the point of view of a sympathetic friend whose loyalty never wavered. A unique tale of tumultuous Tudor England, fans of Philippa Gregory, Anya Seton and Sharon Kay Penman will delight in this new look at a well-known dynasty from world-renowned historical novelist Margaret Campbell Barnes. Other books about the six wives of Henry VIII and the Tudors by Margaret Campbell Barnes: Brief Gaudy Hour a refreshing novel of Anne Boleyn, cast in a new light My Lady of Cleves a fresh story of Anne of Cleves, the bride who survived Henry VIII The Tudor Rose the richly drawn story of Elizabeth of York who united a kingdom and birthed a dynasty What readers are saying about The King's Fool: "a remarkable insider tale of the Tudor court" "I loved this REFRESHING perspective" "What a great way to look at King Henry VIII. Henry was a very difficult King to feel compassion for. Yet, after reading this book, one is reminded that things aren't always as the world views it." "But THIS book revealed sides to all characters in depths I've never seen." "a deftly written, well-researched, absorbing story" "If you liked The Other Boleyn Girl, here's another prospective of Henry 8th court." "Absolutely loved this book~ Must read for any TUDOR fan." What reviewers are saying about The King's Fool: "A moving and lifelike portrait... a thoroughly delightful novel." - New York Times "Immensely entertaining and absorbing." - Chicago Tribune "A dramatic story, full of color and good characters, great people made more human." - Book of the Month Club "...Watch the king's cruel vanities through the eyes of a friend whose love and sympathy never waver." - News Chronicle What everyone is saying about Margaret Campbell Barnes: "Margaret Campbell Barnes has added brilliant hues to a picture which never lacked in color." - Vancouver (BC) Daily Province "Immensely

entertaining and absorbing." - Chicago Tribune "Turns A BRILLIANT LIGHT on one of the lustiest and one of the most dramatic periods of English history." - Philadelphia Inquirer

King's Fool

To refer to the private life of Charles II is to abuse the adjective. His personal life was anything but private. His amorous liaisons were largely conducted in royal palaces surrounded by friends, courtiers and literally hundreds of servants and soldiers. Gossip radiated throughout the kingdom. Charles spent most of his wealth and his intellect on gaining and keeping the company of women, from the lowest sections of society such as the actress Nell Gwyn to the aristocratic Louise de K rouaille. Some of Charles' women played their part in the affairs of state, colouring the way the nation was run. Don Jordan and Michael Walsh take us inside Charles' palace, where we will meet court favourites, amusing confidants, advisors jockeying for political power, mistresses past and present as well as key figures in his inner circle such as his 'pimpmasters' and his personal pox doctor. The astonishing private life of Charles II reveals much about the man he was and why he lived and ruled as he did. The King's Bed tells the compelling story of a king ruled by his passion.

The King's Bed

The King's Mother - Memoir of Margaret Beaufort, Countess of Richmond and Derby is an unchanged, high-quality reprint of the original edition of 1899. Hansebooks is editor of the literature on different topic areas such as research and science, travel and expeditions, cooking and nutrition, medicine, and other genres. As a publisher we focus on the preservation of historical literature. Many works of historical writers and scientists are available today as antiques only. Hansebooks newly publishes these books and contributes to the preservation of literature which has become rare and historical knowledge for the future.

The King's Mother

Strong-willed Annabelle Stirling is more than capable of running the family draper shop after the untimely death of her parents. Under her father's tutelage, she became a talented cloth merchant, while her brother Wesley, the true heir, was busy philandering about Yorkshire. Knowing she must change with the times to survive, Belle installs new machinery that finishes twice the fabric in half the time it takes by hand. But not everyone is so enthusiastic. Soon, riled up by Belle's competitors, the outmoded workers seek violent revenge. Her shop destroyed, Belle travels to London to seek redress from Parliament. While there, the Prince Regent, future King George IV, commissions her to provide fabrics for his Royal Pavilion. As Belle's renown spreads, she meets handsome cabinetmaker Putnam Boyce, but worries that marriage will mean sacrificing her now flourishing shop. And after Wesley plots to kidnap the newly-crowned King—whose indiscretions are surfacing—she finds herself entangled in a duplicitous world of shifting allegiances. Painting a vivid portrait of life in the British Regency, Christine Trent spins a harrowing tale of ambition, vengeance, love, and complex loyalties against the dynamic backdrop of the early Industrial Revolution. Praise for the novels of Christine Trent "Marguerite is a strong heroine, and following her adventures is enjoyable. . . Readers interested in the battle of Trafalgar will find this retelling compelling." --Publishers Weekly on A Royal Likeness "Readers are truly gifted with a wondrous portrait." --Romantic Times on A Royal Likeness (4 stars) "Exuberant, sparkling, beguiling. . . brims with Dickensian gusto!" --Barbara Kyle, author of The Queen's Lady on The Queen's Dollmaker "Winningly original. . . glittering with atmospheric detail!" --Leslie Carroll, author of Royal Affairs on The Queen's Dollmaker

By the King's Design

Great women are hidden behind great men, or so they say, and no man is greater than the king. For centuries, royal aunts, cousins, sisters and mothers have watched history unfold from the shadows, their battlefields the bedchamber or the birthing room, their often short lives remembered only through the lens of others. But for those who want to hear them, great stories are still there to be told: the medieval princess who was kidnapped by pirates; the duchess found guilty of procuring love potions; the queen who was imprisoned in a castle for decades. Bringing thirty of these royal women out of the shadows, along with the footnotes of their families, this collection of bite-sized biographies will tell forgotten tales and shine much needed light into the darkened corners of women's history.

Forgotten Royal Women

In this groundbreaking novel, award-winning author Sandra Worth vibrantly brings to life the people's Queen, "Elizabeth the Good." Seventeen-year-old Elizabeth of York trusts that her beloved father's dying wish has left England in the hands of a just and deserving ruler. But upon the rise of Richard of Gloucester, Elizabeth's family experiences one devastation after another: her late father is exposed as a bigamist, she and her siblings are branded bastards, and her brothers are taken into the new king's custody, then reportedly killed. But one fateful night leads Elizabeth to question her prejudices. Through the eyes of Richard's ailing queen she sees a man worthy of respect and undying adoration. His dedication to his people inspires a forbidden love and ultimately gives her the courage to accept her destiny, marry Henry Tudor, and become Queen. While her soul may secretly belong to another, her heart belongs to England...

The King's Daughter

A special prequel to The Tournament from Australia's favourite novelist author of the Scarecrow series and the Jack West Jr series with new novel The One Impossible Labyrinth out now. Roger Ascham, the unorthodox tutor of Princess Elizabeth, is tasked by King Henry VIII with a most unusual and dangerous mission.

Roger Ascham and the King's Lost Girl

BOOK 6 IN THE BALLANTYNE SERIES, BY INTERNATIONAL SENSATION WILBUR SMITH 'Best historical novelist' - Stephen King 'A master storyteller' - Sunday Times 'Wilbur Smith is one of those benchmarks against whom others are compared' - The Times 'No one does adventure quite like Smith' - Daily Mirror DIVIDED BY WAR. UNITED BY LOVE. On a beautiful September day, General Penrod Ballantyne and his fiancée, the successful travel writer, Amber Benbrook, stroll hand in hand through the busy streets of Cairo. The future is theirs for the taking. But when Penrod's jealous former lover, Lady Agatha, plants doubt about his character, Amber leaves him and travels to the wilds of Abyssinia with her twin sister, Saffron, and her adventurer husband, Ryder Courtney. On a mission to establish a silver mine, they make the dangerous journey to the new capital of Addis Ababa, where they are welcomed by King Menelik II, the King of Kings. He knows of a plot to invade his beloved Abyssinia, and he needs the Courtneys to help him win. Back in Cairo, a heartbroken Penrod seeks oblivion in Lady Agatha and the city's opium dens, descending into ruin. He is rescued from himself by an old friend, who is now in the Italian army, and offered the chance restore his honour and to join the military efforts. Italy has designs on Abyssinia, and there are rumours of a plan to invade . . . With storm clouds gathering, and on opposing sides of the conflict, can Penrod and Amber find their way back to one another - against all the odds? An epic historical adventure of love, betrayal, courage and war. King of Kings brings together two of Wilbur Smith's greatest families, the Courtneys and the Ballantynes in this sequel to his worldwide bestseller, The Triumph of the Sun (Sunday Times, Jul 2018). The sixth book in the epic Ballantyne Series and the second title in an exciting crossover sequence between Wilbur Smith's two iconic family sagas, the Ballantynes and the Courtneys. The adventures of the Ballantynes and Courtney's continue in Book 7 of the Ballantyne series, Mafeking, coming soon

The King's Favourite

From towering crags to misted moors and formidable fortresses, Lady Macbeth transports readers to the heart of eleventh-century Scotland, painting a bold, vivid portrait of a woman much maligned by history. Lady Gruadh—Rue—is the last female descendant of Scotland's most royal line. Married to a powerful northern lord, she is widowed while still carrying his child and forced to marry her husband's murderer: a rising warlord named Macbeth. As she encounters danger from Vikings, Saxons, and treacherous Scottish lords, Rue begins to respect the man she once despised. When she learns that Macbeth's complex ambitions extend beyond the borders of the vast northern region, she realizes that only Macbeth can unite Scotland. But his wife's royal blood is the key to his ultimate success. Determined to protect her son and a proud legacy of warrior kings and strong women, Rue invokes the ancient wisdom and secret practices of her female ancestors as she strives to hold her own in a warrior society. Finally, side by side as the last Celtic king and queen of Scotland, she and Macbeth must face the gathering storm brought on by their combined destiny. This is Lady Macbeth as you've never seen her.

King of Kings

Already a great historian, Tracy Borman proves with this thrilling debut novel that she is also a born storyteller. As she helps to nurse the dying Queen Elizabeth, Frances Gorges longs for the fields and ancient woods of her parents' Hampshire estate, where she has learned to use the flowers and herbs to become a much-loved healer. Frances is happy to stay in her beloved countryside when the new King arrives from Scotland, bringing change, fear and suspicion. His court may be shockingly decadent, but James's religion is Puritan, intolerant of all the old ways; he has already put to death many men for treason and women for witchcraft. So when her ambitious uncle forcibly brings Frances to court, she is trapped in a claustrophobic world of intrigue and betrayal - and a ready target for the twisted scheming of Lord Cecil, the King's first minister. Surrounded by mortal dangers, Frances finds happiness only with the precocious young Princess Elizabeth, and Tom Wintour, the one courtier she can trust. Or can she? 'Watch out Philippa Gregory and Alison Weir, I can see a new contender for the Queen of Historical Fiction!' Netgalley reviewer 'A fascinating read, felt very true to time period but with that personal touch . . . Five stars' Jeannie Zelos book reviews

Lady Macbeth

Two very different women . . . Linked by destiny and a power struggle for the English crown. Empress Matilda, daughter of Henry I, is determined to win back her crown from Stephen, the usurper king, against all odds and despite all men. Adeliza, Henry's widowed queen and Matilda's stepmother, has always been on Matilda's side but now she is married to William D'Albini, a warrior of the opposition. In a world where a man's word is law, how can Adeliza obey her husband while supporting Matilda, the rightful queen? What does it cost to be 'Lady of the English'?

The King's Witch

Henrietta Howard, later Countess of Suffolk, was the long-term mistress and confidante of King George II. This book provides an insight into the dynamics of the Georgian court, and reveals a woman who was far more than the mistress to the King: a dedicated patron of the arts; and, a lively and talented intellectual in her own right.

Lady Of The English

Elizabeth Woodville, The White Queen(2009), Margaret Beaufort, The Red Queen(2010), and Jacquetta, Lady Rivers, The Rivers Woman(2011) are the subjects of the first three novels in Philippa Gregory's Cousins' War series, and of the three biographical essays in this book. Philippa Gregory and two historians, leading experts in their field who helped Philippa to research the novels, tell the extraordinary 'true' stories of the life of these women who until now have been largely forgotten by history, their background and times, highlighting questions which are raised in the fiction and illuminating the novels. With a foreword by Philippa Gregory - in which Philippa writes revealingly about the differences between history and fiction and examines the gaps in the historical record - and beautifully illustrated with rare portraits, The Women of the Cousins' War is an exciting new addition to the Philippa Gregory oeuvre.

Henrietta Howard

Includes excerpt from Gregory's book Three sisters, three queens (pages 529-535).

The Women of the Cousins' War

A novel from the bestselling author, telling of the early life of Katherine of Aragon. We think of her as the barren wife of a notorious king; but behind this legacy lies a story. She will do anything to achieve her aim; even if it means telling the greatest lie, and holding to it.

The White Princess

This Is A New Release Of The Original 1899 Edition.

The Constant Princess

Acclaimed and beloved historical novelist Norah Lofts brings to life the danger, romance, and intrigue of the Tudor court that forever altered the course of English history. The king first noticed Anne Boleyn as a heartbroken sixteen-year-old, sullen and beautiful after a thwarted romance with the son of the Earl of Northumberland. "All eyes and hair," a courtier had said disparagingly of her, but when King

Henry VIII fell for young Anne, nothing could keep him from what he desired. Against common sense and the urgings of his most trusted advisors, Henry defied all, blindly following his passion for Anne, using the power he held over the bodies and souls of all who reside in his realm and beyond. Anne's ascent to the throne elevates her from lady-in-waiting to the highest position a woman could attain, but her life spirals out of control when Henry is driven to desperate acts of betrayal and violence. The consequences of Anne's rise to power and eventual demise are felt well beyond the inner circle of the court. Loyalties, to church, to queen, to country, are tested, and -- in the wake of the king's volatile passions -- can be an unpredictable matter of life and death. First published in 1963 and adored by readers for generations, *Lofts'* lush and moving portrayal of the ambitious and doomed Anne Boleyn will continue to reign as a classic retelling of this epic chapter of history vividly brought to life.

The Lady with the Purple Hat

Ten years ago, Daisy left her husband, Bernard, to create a new life for herself. But now as their divorce proceedings continue to drag on and Bernard battles terminal cancer, Daisy determines she would rather be his widow than his ex-wife and decides to play with fate. After she dons an outlandish large purple hat to disguise her face, Daisy glides through the hospital corridors, hell-bent on poisoning her husband to accelerate his death. When she finally arrives at his door and opens it, she is shocked to see a woman sitting by his bedside. With her plan foiled, Daisy rushes out of the room as she transforms from the hunter into the hunted. Still obsessed with ending Bernards life, Daisy retreats into her memories, unaware that a surprise is waiting in the shadows. Now only time will tell if fate will intervene to save Daisy or if she will lose her soul to the dark side, where it can never be retrieved. In this contemporary thriller, a woman intent on ending her husbands life is propelled on a journey through her memories that leads her to an unexpected truth.

Lady in the Purple Hat

The Lady in the Purple Hat is set in Southwest Detroit in the summer of 1962. Twins Nelly and Niles Collins didn't have many financial advantages growing up. Their widowed mother had to work two jobs to support them. What they did have was a loving mother and good friends who would have their backs no matter what. Who was The Lady in the Purple Hat? They formed a club to catch the ghost lady and suddenly the entire neighborhood got involved. By the end of the summer every one of their lives were enriched by the bonds they formed before all of their lives went into different directions.

The Lady in the Purple Hat

Eva and Lynn were two sisters who loved each other very much. One day, Lynn found a teddy bear that she thought Eva would like, So she bought it for Eva as a present. While she was at the store trying to find the perfect outfit For The bear, it disappeared! Lynn was heartbroken. When the people from the store called to say they had found her bear, Lynn was overjoyed. She could finally give her sister the Bear with the Purple Hat!

The Bear with the Purple Hat

Mrs. Foster is a gentle lady who Loves the color purple and has an imaginary friend named "Henry" who she is often seen speaking to! A delightful story of the friendship between a young boy and how he sees Mrs. Foster.

Mrs. Foster Wears a Purple Hat

The linking of age and ill-health is part of a cultural narrative of decline as age is often defined as the absence of good health. Research has shown that we are aged by culture, but we are also culturally made ill when we age. The cultural ambiguity of aging can thus deconstruct negative images of old age as physical decrepitude. This volume investigates the topic of health within the matrix of time and experience by addressing issues such as how our understanding of health influences our notion of agency within a subversive deconstruction of normative age concepts, and what role the notion of health plays in such an interaction.

Alive and Kicking at All Ages

'Utterly charming and uplifting' The Good Book Guide Voted Britain's favourite poem, 'Warning', written in 1961, is known and loved the world over for its message of old age as a time for indulgence and fun. In the poem's respectable middle-aged woman, as she imagines herself in old age as a cheeky rebel with outrageous clothes and dotty behaviour, poet Jenny Joseph has created a character whose thoughts have been quoted at conferences and funerals, used to cheer up sick friends and remembered with pleasure by children and adults alike around the world. Here, 'Warning' appears as a beautiful updated edition with new illustrations; the perfect gift for a friend or relative who wants to grow older free from expectations, with a joyful and rebellious spirit.

Warning

"Chris and Marley are in a new school, and from the word go they discover that things are not quite the same as in other schools. Their new friends start to behave strangely, not to mention the guy with no hair and that weird library teacher. When they are slowly but surely sucked into a series of disturbing events, Chris and Marley decide to investigate - and end up in the clutches of the lady with the purple eye"--Cover.

The Lady with the Purple Eye

Cassie is very excited to spend her birthday at her grandparents' home. When she opens a big box and finds a new purple hat inside, she is thrilled when it fits perfectly! Cassie wears her new birthday hat everywhere-to school, to piano lessons, on shopping trips with her mom, and even to bed. But one morning, as she dresses for Sunday school, Cassie realizes her hat is missing. She must have left it at Race City, but how will she ever get it back? Little does she know that with the help of a cleaning lady, her birthday present has already begun changing the life of another little girl. In this charming and colourful children's tale, a well-loved hat takes an amazing journey to bring happiness and will teach little ones how to care for their belongings.

Cassie's Lost Hat

Annie receives a purple hat in the mail.

The Purple Hat

This is a fun and vibrant celebration of red hats and the women who wear them. On festive display here are some of the most amazing, unique, elegant, and just plain wacky works of millinery art even designed.

God Doesn't Talk to Me when i Wear My Purple Hat

This book, a meditation on a woman's hat on display in the Jewish Historical Museum in Amsterdam, combines a pensive prose poem with arresting collage artwork. The illustrations, consisting of pencil drawings, subdued watercolors, and old photographs, sometimes suggest a distant memory and at other times bring the reality of the Holocaust into sharp focus. Subtle yet powerful, historical and personal, this book will have a lasting impact on everyone who experiences it.

Red Hats and the Women Who Wear Them

When Janna impulsively buys a winter hat for a bag lady, she expects nothing in return. But Janna's kindness pays off in a big way when the bag lady turns out to be a genie! Now Janna is the genie's master and she couldn't be happier, especially when she learns that the "three wishes" rule is strictly for fairy tales! Before long, Janna's room is overflowing with clothes and gadgets -- but things aren't quite as simple as they seem. Making wishes comes with its own set of rules, and Janna discovers that "unlimited" has some...well, limits. Genies can't make something out of nothing, so everything that Janna wishes for is taken from somebody else. Oops. And then there's the problem of genie wattage -- there's only so much of it, and Janna is using it up faster than she'd like. What's a greedy girl to do? With insight, warmth, and a refreshing dose of humor, Kimberly K. Jones puts a new twist on the old adage "Be careful what you wish for."

My Song: Memoir of an ER Physician

First Published in 1998. Routledge is an imprint of Taylor & Francis, an informa company.

The Lady's Magazine, Or, Entertaining Companion for the Fair Sex, Appropriated Solely to Their Use and Amusement

The language children hear is too often one of hate, anger, and prejudice. Corbilina, a little fairy, teaches children a valuable lesson by introducing them to another language—one of compassion and kindness. This language is called heart language. In this story, Corbilina, who has no voice, shows a young child and her grandmother how kindness transforms sadness whenever you listen with respect. Children learn how actions, not just words, demonstrate compassion. Corbilina encourages kindness to the environment by leaving heart shapes in nature, which remind children and adults to value Planet Earth. Children will not only enjoy the story but will engage their imaginations when they answer creative questions at the end of the story. These questions open the door for conversations to build self-esteem and to encourage greater awareness and concern for the needs of others.

Friendship and Sympathy: Communities of Southern Women Writers

"The Lady in the Lake" is a thrilling crime fiction about two missing wives, one of a rich man and the other of a poor man. One of them may have gotten a quick Mexican divorce and married a Casanova-wannabe; the other might be dead. These missing women become the center of Philip Marlowe's investigation.

Schreiber collection. Catalogue of English porcelain, earthenware, enamels, &c., collected by Charles Schreiber ... and the lady Charlotte Elizabeth Schreiber, and presented to the South Kensington museum

Many people 'hate' poetry, because they find it tedious, boring and sometimes intimidating. 'I Laugh At These Skinny Girls' is a refreshing and exciting approach to poetry. It is a collection of 'poetry for people who hate poetry' which is poetry marinated in; simplicity, relatability, vividness and wittiness. Without any intention to ridicule complex forms of poetry, the poems in this book are written without the strictures of conformity and with a form and motive to portray poetry as enjoyable, especially to those people who would normally not read poetry. 'I Laugh at These Tiny Girls' is the second book in the 'Poetry for people who hate poetry' series.

Who Was the Woman Who Wore the Hat?

Death is a part of life, but for a mother who has suffered the death of a child, life can suddenly become unbearable. She finds herself completely shattered-knocked to her knees and unable to get up. Her pain is horrible, beyond anything she has ever felt or experienced before. In *Mothers with Broken Hearts*, author Monica Shipley tells the heartrending story of the suicide of her son, Jeffrey, and the unexpected miracle that occurs as he is dying. She shares the emotional free fall that his family experienced as he lay motionless for five days following his suicide attempt. She recounts the story of her life as she lives with the shadow of Jeffrey's drug addiction. She talks honestly about his suicide, God's miracle, and what she has done since his death to help hundred of mothers who have also lost a child. By sharing her story and reaching out to mothers experiencing the greatest loss imaginable, Shipley hopes to bring some measure of comfort to each of them.

The Gentleman and Lady's Gardener

Seventeen essayists study this enigmatic author's works--not in the traditional style in which they were first reviewed, but rather through a range of contemporary interpretations that resituate Barnes in the context of literary theory and feminist revisions of modernism. Paper edition (unseen), \$13.95. Annotation copyrighted by Book News, Inc., Portland, OR

The Gentleman and Lady's Gardener, Containing the Modern Method of Cultivating the Kitchen-garden, Flower-garden, and for Raising of Forest-trees. With a General Catalogue of Seeds, Plants, and Roots ... To which is Added, a Catalogue of Bulbous-rooted Flowers and Their Prices. Sold by Robert Edmeades, Seedsman, Etc

While the Marshal of Cody, Wyoming is transporting a prisoner, he is ambushed by Apaches in Arizona. He is stranded at a Fort there and injured, but soon is on his way back home in the company of a rambunctious young woman who wants nothing more than to get out of the West and go back to her home in the East...or at least, that is what she thinks she wants.

The Genie Scheme

Read the fascinating story of one of the greatest unsung figures of the nature conservation movement, founder of the RSPB and icon of early animal rights activism, Etta Lemon. A heroine for our times, Etta Lemon campaigned for fifty years against the worldwide slaughter of birds for extravagantly feathered hats. Her legacy is the RSPB, grown from an all-female pressure group of 1889 with the splendidly simple pledge: Wear No Feathers. Etta's long battle against 'murderous millinery' triumphed with the Plumage Act of 1921 – but her legacy has been eclipsed by the more glamorous campaign for the vote, led by the elegantly plumed Emmeline Pankhurst. This gripping narrative explores two formidable heroines and their rival, overlapping campaigns. Moving from the feather workers' slums to high society, from the first female political rally to the rise of the eco-feminist, it restores Etta Lemon to her rightful place in history – the extraordinary woman who saved the birds. **ETTA LEMON** was originally published in hardback in 2018 under the title of **MRS PANKHURST'S PURPLE FEATHER**. 'A great story of pioneering conservation.' **KATE HUMBLE** 'Quite brilliant. Meticulous and perceptive. A triumph of a book.' **CHARLIE ELDER** 'Shocking and entertaining. The surprising story of the campaigning women who changed Britain.' **VIRGINIA NICHOLSON** 'A fascinating and moving story, vividly told.' **JOHN CAREY** 'A fascinating clash of two causes: rights for women and rights for birds to fly free not adorn suffragettes' hats. An illuminating story, provocative, well-researched and brilliantly told.' **DIANA SOUHAMI**

Ghost Stories by British and American Women

A girl raised by squirrels in Central Park tries to make human friends in this laugh-out-loud, highly illustrated first book in a new chapter book series perfect for fans of Sophie Mouse and Critter Club! Cordelia is a girl who lives in a tree in Central Park. Found as a baby and raised by an adoring squirrel named Shakespeare, Cordelia acts just like any other young squirrel, leaping across treetops, chasing her squirrel friends, and sleeping in her treehouse. Still, she wonders what it would be like to have a human friend, and when she stumbles into a gymnastics class, it seems like she might have her chance. Living in a tree might have made Cordelia an exceptional gymnast, but people skills are a whole other matter. Even if Cordelia can't fully fit in with the other kids, can she at least make one friend? Cordelia starts her journey to be—not exactly a girl, but more than a squirrel—squirrelish!

Corbilina and the Purple Lady

Cassie is very excited to spend her birthday at her grandparent's home. When she opens a big box and finds a new purple hat inside, she is thrilled when it fits perfectly! Cassie wears her new birthday hat everywhere—to school, to piano lessons, on shopping trips with her mom, and even to bed. But one morning, as she dresses for Sunday school, Cassie realizes her hat is missing. She must have left it at Race City, but how will she ever get it back? Little does she know that with the help of a cleaning lady, her birthday present has already begun changing the life of another little girl. In this charming and colourful children's tale, a well-loved hat takes an amazing journey to bring happiness and will teach little ones how to care for their belongings.

The Lady in the Lake

The eighteen pieces collected in *Mrs. Golightly and Other Stories* bring together the many and subtle voices of Ethel Wilson, demonstrating her extraordinary range as a writer. From the gentle mockery of the title story to the absurdist reportage of "Mr. Sleepwalker," Wilson exerts unerring narrative control. Revealing what is "simple and complicated and timeless" in everyday life, these stories also venture into irrational realms of experience where chance encounters assume a malevolent form and coincidence transmuted into nightmare. First published in 1961, *Mrs. Golightly and Other Stories* is a diverse and rewarding collection, unified by Ethel Wilson's distinct and engaging wit.

I Laugh At These Skinny Girls

What does a young Navajo lad do when he discovers buried treasure worth over \$500,000, just after he joins the Navy? Combine that problem with the discovery of a wrecked and abandoned high-technology aircraft -- would you try to fix it, or turn it in? He has just graduated and has to make the decision as to what direction he must go. Al has studied Russian and German and thinks that being a technical interpreter may be a good job in the Navy. He enlists the help of his Uncle Ben, a retired Navy helicopter pilot and medicine man with his Korean girlfriend, Mae Lee. Together with his mother, they decide to use

some of the money to form a study group research teaching untrained Navajos to become wage earners in an area of high chronic unemployment—The Four Corners side of New Mexico. In a childhood of being a loner, he develops skill at being a leader with a massive curiosity. He loves his mother who raised him after his father abandoned them in poverty in a harsh land. Their project is joined by others who add wonderful ideas to the task. Al's knowledge of how to use the Internet to acquire requested information starts to expand the envelope. Al has learned gambling games such as craps and video poker on his computer with no money. He learns that it is different in the real world of Las Vegas and Atlantic City. Al Joe look for a hobby and finds that prospecting for rocks, minerals, historical artifacts and history can be exciting. Are the Anasazi the predecessors of the Navajo tribe? How did they come to the Four Corners area of New Mexico, Colorado, Arizona and Utah. Where did they go? What do the pictographs mean that are found in the castle-like ruins of Mesa Verde, Aztec, and Cholla parks? Al's team investigates possible future developments in housing, aerial fire fighting equipment, new power sources, gravity-based appliances, prospecting, treasure hunting and a different way to change forest lumber production. The Author (below) has spent thirty years working with these proud people and has spun this yarn hoping you will enjoy the romp.

The Lady's Monthly Museum

A glorious October morning in Knoxville, Tennessee. 1996. John Grigio stops dead in his tracks while crossing the street. He waits for the unseeing driver to strike him down; it is the spite within him making a stand. Although not, of course, for very long. Spite Hall. A dark comedy of misery, misanthropy and true love.

Nonfiction

A baby girl born with purple hair is promptly handed over to a convent by her horrified father, who fears she bears the sign of the witch. And indeed, little Evelyn seems to have strange powers and to attract supernatural manifestations as she grows up among the nuns, who patiently put up with it as best they can. But after one scary "trick" too many, she is entrusted to the care of a hat-maker, who whisks her off to London, where she will learn about much more than making hats! For as Evelyn and her talking cat Benedict will soon find out, Master Neil has a few tricks up his sleeve, too, and his hat shop might not be exactly what it seems...

Mothers with Broken Hearts

Take an eerie road trip! A chilling collection of true ghost stories spanning every state in the United States with a full range of ghostly manifestations and haunted locations! From séances to shiny graveyards, take a ghostly journey across the United States. Visit the highways and byways of the supernatural across the country and in each state in the union. American Ghost Stories: True Tales from All 50 States tours possessed houses, unearthly burial sites, forbidding farms, sinister forests, school bathrooms, and all manner of places haunted by spectral visitors, including ... Sullivan, Maine, and Nelly Butler, America's "first ghost." Wilder, Kentucky, and Bobby Mackey's Music World, which was originally built as a slaughterhouse and then served at various times as a honky-tonk, bingo hall, biker bar, and cocktail lounge before becoming a direct portal to Hell. Milwaukee, Wisconsin, and The Pfister Hotel, where every U.S. president since William McKinley stayed—as did Elvis Presley—and its weird noises, flickering lights, malfunctioning electronics, and moving objects. Exeter, Rhode Island, and Mercy Lena Brown, the vampire ghost that was caught on a YouTube video. San Jose, California, and the maze-like Winchester House, which was allegedly designed to confuse ghosts that haunted the original owner ... and have continued to haunt people every since. Oklahoma City, Oklahoma, and the Skirvin Hotel, the historic Art Deco hotel, former speakeasy, and location of several gunfights that is haunted full time by Effie, a Prohibition-era chambermaid. Philadelphia, Pennsylvania, and the numerous sightings at the Betsy Ross House. Huntsville, Alabama, and the Maple Hill Cemetery, the internment site for governors, U.S. senators, representatives, and soldiers that is the site of ... a playground! Tularosa Basin, New Mexico, and Pavla Blanca, the woman in white roaming the dunes of the White Sand National Monument. And many more paranormal experiences, poltergeists, residual hauntings, curses, witches, prisons, bridges, mental institutions of an America plagued with spirits, phantoms and ghosts! More than merely a collection of 50 true ghost stories, American Ghost Stories puts you in the middle of the eerie action with captivating stories that would be at home at any midnight campfire. The only difference is that these stories aren't urban legends or fantasies meant to scare you.

These stories live right next door to every one of us. We suggest you don't read them when you are home alone and the lights begin to flicker!

Silence and Power

"Relive the inferno and rebirth with 'Great Chicago Fire,' an illuminating MCQ book that delves into the historic blaze that shaped a city's destiny. Navigate through a collection of thought-provoking multiple-choice questions (MCQs) that unravel the events, aftermath, and rebuilding of Chicago in the wake of the devastating fire of 1871.
