The Rookie Rebels feature a new generation of heroes ready to skate in and steal your heart. Some of them are rookies who've had their NHL careers put on hold for reasons such as military service, life-threatening injury, or unspeakable tragedy. Some of them are just new to the team. All of them are rookies in the game of love! Includes bonus content for all the Rookie Rebels couples. Book 1: Good Guy (Levi and Jordan) He's a Special Forces veteran making his pro hockey debut. She's a dogged sports reporter determined to get a scoop. She's also his best friend's widow . . . Book 2: Instacrush (Theo and Elle) Her hot hockey player neighbor is the most annoying man on the planet ... and she does not have a crush on him (okay, it's tiny, minuscule, not even worth talking about). But one sexy Santa visit, a plate of chicken parm, and a pair of dino-briefs later - don't ask - and they're celebrating the holidays horizontally. And that mistake leads to another: the pregnant kind. Oops. Book 3: Man Down (Gunnar and Sadie) He's been texting the wife he lost, the woman he loved beyond measure . . . Now someone else has answered back. Book 4: Foreplayer (Cal and Mia) She's got game everywhere but the bedroom. Enter the player who knows exactly how to grade her curves . . . Book 5: Dear Roomie (Reid and Kennedy) Reid Durand isn't here to make friends, and he's certainly not here to lose his heart to a puppy, a team, or a chaos agent like Kennedy. But then we don't always get what we want ... Book 6: Rebel Yule (Erik and Casey) Chicago Rebels goalie Erik gets his shot at love . . . but first he'll have to figure out what he did to offend the woman he's crushed on forever. Each book is completely standalone and features one primary couple, a guaranteed happily-ever-after, and no cliffhangers! Get started with the Rookie Rebels today.
