Robinson Crusoe

Daniel Defoe relates the tale of an English sailor marooned on a desert island for nearly three decades. An ordinary man struggling to survive in extraordinary circumstances, Robinson Crusoe wrestles with fate and the nature of God. This edition features maps.

Robinson Crusoe

The Life and Adventures of Robinson Crusoe The life and adventures of Robinson Crusoe, Who Lived Eight and Twenty Years, All Alone in an Un-inhabited Island on the Coast of America, Near the Mouth of the Great River of Oroonoke. Having Been Cast on Shore by Shipwreck, Wherein All the Men Perished but Himself. With an Account how he was at last as Strangely Deliver'd by Pyrates. Written by Himself. The Novel by Daniel Defoe, first published in London in 1719. Defoe's first long work of fiction, it introduced two of the most-enduring characters in English literature: Robinson Crusoe and Friday.

Robinson Crusoe

During one of his several adventurous voyages in the 1600s, an Englishman becomes the sole survivor of a shipwreck and lives for nearly thirty years on a deserted island.

Robinson Crusoe (Signet)

Written in a time when criminal biographies enjoyed great success, Daniel Defoe's "Moll Flanders" details the life of the irresistible Moll and her struggles through poverty and sin in search of property and power. Born in Newgate Prison to a picaresque mother, Moll propels herself through marriages, periods of success and destitution, and a trip to the New World and back, only to return to the place of her birth as a popular prostitute and brilliant thief. The story of Moll Flanders vividly illustrates Defoe's themes of

social mobility and predestination, sin, redemption and reward. This Modern Library Paperback Classic is set from the 1721 edition printed by Chetwood in London, the only edition approved by Defoe.

The Adventures of Robinson Crusoe

Robinson Crusoe is a very long book, but the novel can, more or less, be divided into three main movements. Part I: Before the island Before landing on the island, Crusoe's father wants him to be a good middle-class boy. Crusoe, who wants nothing more than to travel on a boat, definitely disagrees with this idea. He fights against the authority of both his father and God and decides to mock both of them by going on adventures at sea. After sailing for a while, he makes a little money in trade but is later captured and enslaved off the coast of Africa. Here he befriends a young man named Xury, with whom he escapes from captivity. Crusoe is picked up by a Portuguese sailing captain and arrives in Brazil, where he buys a sugar plantation. He is doing quite well financially, but he soon becomes involved in a business to procure slaves from Africa. On the trip there he is shipwrecked and remains the only survivor on a desert island. Part II: Life on the island This part of the novel is dedicated to the time when Crusoe was alone on the island. Build three main structures: your initial shelter, your cottage on the opposite side of the island, and your weapons and ammunition in the forest. He spends his time planting corn, barley, and rice. Learn to make bread. Build furniture, weave baskets and make pots. Crusoe also raises goats and tends to his small animal family of cats, dogs, and a parrot. Most important, however, Crusoe grows stronger in his religious faith and ultimately submits to God's authority. He engages in much religious reflection and prayer. Part III: Escape from the island In the final section of the book, Crusoe sees a footprint on the shore one day and discovers that he is not actually alone on the island. There are also (gasp!) Cannibals. Crusoe struggles with the question of whether or not he should take revenge on them. Finally, he meets Friday, a native whom he can rescue from the cannibals. Crusoe teaches English on Fridays and converts him to Christianity. The two become like father and son (more or less). Friday and Crusoe also rescue a Spaniard and Friday's father from a different group of cannibals. Finally, an English motorboat full of sailors lands on the island. Crusoe learns that the men have mutinied against his captain. After Crusoe helps restore order to the ship, the men and the captain swear allegiance to Crusoe and agree to take him home. Crusoe then returns to Europe with Friday, where he makes a large amount of money from his sugar plantations. Crusoe marries and finally revisits the island in his later years. The novel ends with the promise of more adventure for him in the sequel. .

Excerpt from Robinson Crusoe: For Boys and Girls This little book is the result of much experience in seeking to adapt the story of Robinson Crusoe to the literary attainments and educational needs of children in the primary schools. It is supposed to follow the study of the "Classic Stories for Little Ones" and to precede the study of the "Pioneer History Stories," which recount the stirring events in the lives of those heroes who first broke ground for our American civilization in the Mississippi Valley. Crusoe is the transition from myths and fairy tales, where the imagination is untrammelled by the "practical," to the study of real biography. Those events in DeFoe's story that are of doubtful educational value are omitted; but it is believed that the child's interest in the narrative is not impaired thereby. The language is that of children, and Robinson seems to be telling his story to them. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. The Adventures of Robinson Crusoe

Robinson Crusoe is a novel by Daniel Defoe, first published on 25 April 1719. The first edition credited the work's protagonist Robinson Crusoe as its author, leading many readers to believe he was a real person and the book a travelogue of true incidents. Epistolary, confessional, and didactic in form, the book is presented as an autobiography of the title character (whose birth name is Robinson Kreutznaer)--a castaway who spends 28 years on a remote tropical desert island near Trinidad, encountering cannibals, captives, and mutineers, before ultimately being rescued. The story has been thought to be based on the life of Alexander Selkirk, a Scottish castaway who lived for four years on a Pacific island called "Más a Tierra\

Robinson Crusoe

Robinson Crusoe is Daniel Defoe's classic about a castaway who spends 28 years on a remote tropical island near Trinidad, encountering cannibals, captives, and mutineers before being rescued. Although inspired by a real life event, it was the first notable work of literature where the story didn't come from mythology, history, legends, or previous literature. This was the first novel of its kind, and remains a great classic read to this day.

Robinson Crusoe Illustrated

Robinson Crusoe is the most famous castaway story ever written, authored by Daniel Defoe, first published in 1719. After a storm, Robinson suffers a shipwreck and strands on the desert "Island of

Despair" with only a few tools and he has to learn how to survive for the next 26 years. The first edition credited the work's protagonist as its author, leading many readers to believe he was a real person and the book a travelogue of true incidents. Despite its simple narrative style, Robinson Crusoe was well received in the literary world and is often credited as marking the beginning of realistic fiction as a literary genre. Before the end of 1719, the book had already run through four editions, and it has gone on to become one of the most widely published books in history, spawning numerous sequels and adaptations for stage, film, and TV.

New Robinson Crusoe (Classic Reprint)

Daniel Defoe (1659/1661-1731) was an English writer, journalist and spy, who gained enduring fame for his novel Robinson Crusoe (1719). Defoe is notable for being one of the earliest practitioners of the novel and helped popularise the genre in Britain. In some texts he is even referred to as one of the founders, if not the founder, of the English novel. A prolific and versatile writer, he wrote over five hundred books, pamphlets, and journals on various topics (including politics, crime, religion, marriage, psychology and the supernatural). He is also a pioneer of economic journalism. His most famous novel, Robinson Crusoe (1719), tells of a man's shipwreck on a desert island and his subsequent adventures. He also wrote Captain Singleton (1720), which portrays the redemptive power of one man's love for another; and Moll Flanders (1722), a picaresque first-person narration of the fall and eventual redemption of a lone woman in 17th century England.

Robinson Crusoe (Stellar Classic Editions)

This classic story of a shipwrecked mariner on a deserted island is perhaps the greatest adventure in all of English literature. Fleeing from pirates, Robinson Crusoe is swept ashore in a storm possessing

only a knife, a box of tobacco, a pipe-and the will to survive. His is the saga of a man alone: a man who overcomes self-pity and despair to reconstruct his life; who painstakingly teaches himself how to fashion a pot, bake bread, build a canoe; and who, after twenty-four agonizing years of solitude, discovers a human footprint in the sand... Consistently popular since its first publication in 1719, Daniel Defoe's story of human endurance in an exotic, faraway land exerts a timeless appeal. The first important English novel, Robinson Crusoe has taken its rightful place among the great myths of Western civilization.
