Developmental View

Cognitive Revolution

Tasks as Planned

The Critical Period

First Order and Second Order

Complex Dynamic Systems Theory

Complexity Theory

Emergence

Emergent Patterns

We Have To Make Sure as I Said that There's a Top-Down Effect As Well so that these Don't that the Innovation Has To Be Constrained in some Way and Teachers Do Need To Make Learners Aware of the Consequences of Their Linguistic Choices One Way That I've Done this Is Just To Freeze I'M Speaking and I Stop and I Say I Could Say this or I Could Say It this Way or I Could Say It that Way and Tell Me What You Think Is the Better Way To Say It or Tell Me the Difference between those Two Ways so It's Kind Of Freezing the Action Momentarily and Involving the Learners and Figuring that Out Claire Crump Has Written We Are Free To Act

And It's Important To Appreciate that Learners Have the Capacity To Create Their Own Patterns with

Meanings and Uses in Truth Learners Actively Transform To Transform Their Linguistic World They Do Not Really Transfer Previous Patterns and Conform to It so We Talked about like Learning Transfer You Learn Something in the Classroom and Then You Use It outside that's Called Transfer Learning Transfer or Knowledge Transfer I Don't Think that's True I Don't Think that There's a Conduit I Believe that We Transform

It Helps You Understand What You Read of the Text You Couldn't Grab or Couldn't Understand that's a Better One Understand for Grasp Do You See the Point It Takes the Complex and It Makes It Simpler Now I Just Shown You Doesn't It's Not Airtight by any Means but if You Could Do that Over and Over Again and Give Students a Chance To Encounter the Same Text I Want It I Couldn't Resist It Also Has a Parts of Speech Button so You Can Click on that and Get a Color Coded Analysis of the Sentence in Terms of the Part of Speech

As Such We Have a Sense of Making the Right Choices of Making Ethically Particular Choices That Will Enrich the Other this Point towards Us Points Us towards an Aesthetic Account of Agency That Puts Potentiality and Responsibility at the Center of Inquiry Now I Was Going to and There but I Have a Confession To Make and I Was Thinking about this I Was Involved in Something this Morning that I Should Have Been Present for but I Said It's New York I'M Only Here for Two Days It's a Nice Day Outside

Thank You for that Warm Response Now I Did the Promise That I Would Leave a Little Time for Q & a We Have I Cut into some of that Time but We'll Just Have a Few Minutes and Then We Have some Refreshments I Understand Afterwards So Are There Questions or Is There a Question that Anyone Would Like To Ask and that I'll Try My Best To Answer It Hello Hello Thank You So Much for the Talk I've Got a Question and some Thoughts around that but What I'M Wondering What You've Experienced in Your Work Work with Teachers in Helping Them To Engage or Go through the Process or Being Open to Being Transformed

I Don't See Why You Would Want To Go In There and Suggest Otherwise I Mean I Think They're Going To Count on You that and Part of Their Being Comfortable Is Seeing You in that Role I Wasn't Talking about that So Much I Was Talking about as I Interact with Someone as I'M Doing with You Right Now Do I Allow Myself To Be Open to You and to What You Have To Say or Do I Say Don't Go There Right Now Part of Me Wants You To Say Don't Go There because I Don't Have a Very Good Answer but the Other Part of Me Says Wow that's a Really Interesting Thing

Now Do I Allow Myself To Be Open to You and to What You Have To Say or Do I Say Don't Go There Right Now Part of Me Wants You To Say Don't Go There because I Don't Have a Very Good Answer but the Other Part of Me Says Wow that's a Really Interesting Thing I Know What I Do as a Teacher I Don't Know if It Will Be Good for You but I Want To Be Open I Want To Think about What You Have Said and I Want It To Affect Me in a Way Where Maybe I'll Be Better Prepared the Next Time Here's What I Do So at the End of Class

And I Want It To Affect Me in a Way Where Maybe I'll Be Better Prepared the Next Time Here's What I Do So at the End of Class When We're Finished the Lesson I Ask Them What They've Learned and Not Everybody Speaks but It's a Good Way for Me To Assess What's Going on Gone On and for Them To Hear Testimonies from the Other Students As Well and and See the Diversity There and Then I Say What I've Learned I Offer that I Don't Think that Undermines My Authority but It Suggests that We Are Equal in the Sense that We're both Learners or Were all Learners

The Policy Came Down to Separate Children from Families There Was a Collective Outcry across the Board and What Happened the Order Was Rescinded Now Has It Been Implemented in Its New Version Maybe Not but I Do Take Heart There That You Know with Collective Agency We Can Accomplish Something and I Think Teachers Can Fall into that Getting Back to How Do You Educate a Teacher as Opposed to Training Teachers I Only Know of Really

Communicative Language Teaching: Jeremy Harmer and Scott Thornbury | The New School - Communicative Language Teaching: Jeremy Harmer and Scott Thornbury | The New School by The New School 369,713 views 10 years ago 1 hour, 21 minutes - The Communicative Approach is so well-established, it's more or less the default methodology for second language teaching.

Yes I Mean What's Interesting Is that this Confirms What I Understand Too about the Origins of the Community of Approach Was Actually Driven by Linguistics or Social Linguistics Even Philosophy Rather than Methodology Such Where Did the Methodology Come from Which It's One Thing To Know that Language Has Functions and It's It and It Has So Always Occurs in a Socio Cultural Context but How Do You How Do You Adapt that What What Are the Changes That that Means in Terms of a Methodology for Teaching Language Okay if You Tie that with Something Else That Happened and Again this Isn't the Most Important Article Ever Written in the World
