"DISCRETE - Book One: Childhood's End" is a historical gay romance set in the Old West near the end of the Cowboy Era. It starts when Josh, a history major at NYU, and Art, a computer consultant, met and began dating. Josh's great-great-grandfather Leo kept a log of his romance and adventures with a handsome cowboy named Sean in the early 1900's. Josh shares this story with Art - of how Leo and Sean built a life together as Sean taught Leo the cowboy arts and how to love. The book, while fiction, is historically correct in every way possible, based on actual stories of real people - some of the first pioneers and settlers in the intermountain West.

Discreet - Book One

Will Baker was a jerk. A chiseled, green-eyed, hypnotizingly delicious jerk. And like a bad penny, he just kept showing up. Crashed my bike? There he was. Flat tire? One more time. And yet he thought I was the one stalking him. Seriously. How paranoid do you have to be? But the more I got to know my intense new neighbor, the more his hard shell cracked, revealing a soulful man starved for affection. A man whose secrets were eating him alive. Just like mine. He was broken. I was broken. But together we seemed whole. Maybe, just maybe, we could fix each other. If our secrets didn't break us first. Author's Note Hollywood Secret was originally published as Discreet, a steamy, 120,000-word celebrity romance from USA Today bestselling author Nicole French.

Hollywood Secret

Edgar Award for Best Young Adult Mystery Mindy McGinnis, the acclaimed author of Not a Drop to Drink and In a Handful of Dust, combines murder, madness, and mystery in a beautifully twisted gothic historical thriller perfect for fans of novels such as Asylum and The Diviners as well as television's True Detective and American Horror Story. Grace Mae is already familiar with madness when family secrets and the bulge in her belly send her to an insane asylum—but it is in the darkness that she finds a new lease on life. When a visiting doctor interested in criminal psychology recognizes Grace's brilliant mind beneath her rage, he recruits her as his assistant. Continuing to operate under the cloak of madness at crime scenes allows her to gather clues from bystanders who believe her less than human. Now comfortable in an ethical asylum, Grace finds friends—and hope. But gruesome nights bring Grace and the doctor into the circle of a killer who will bring her shaky sanity and the demons in her past dangerously close to the surface.

A Madness So Discreet

Less than twenty-four hours ago, I'd stood right here, wearing that dress, telling a boy I loved him. Oh, how the mighty fell. They betrayed me. Three boys I thought I knew. Leaving me with the one I thought I hated most. It was him who carried my broken, beaten body. Him who cleaned my wounds and held me tight. The prince to my princess. Lies. I won't be that girl anymore. The one who fell for their smooth words and smoldering looks. Colt is key to never being her again. There's still a killer on the loose. Still a murder left unsolved. Still three boys who own my heart. But some dangerous little secrets are better left buried. His is one of them. Dangerous Little Secrets is the story of three bad boys and a girl who knows how to stand her ground. It is a mature high school/new adult, #whychoose romance, meaning the main character has more than one love interest. This book contains enemies-to-lovers and bullying themes. It is the second book in an ongoing trilogy and cannot be read as a standalone. Book 1 is Devious Little Liars. Download or 1-click this hot new romance today.

Dangerous Little Secrets

Michael D'Agostino is a bestselling mystery author suffering from writer's block when he meets Arden Evans, a beguiling escort and catalog model attempting to write a memoir of his own. Michael is

captivated by the young man, whom he finds refreshingly honest and authentic. When Arden asks that they "keep it simple," Michael readily obliges. Their arrangement becomes increasingly complicated, however, as Michael begins to want more from his enchanting lover. And then there is the matter of Arden's finances, something so fiercely personal that Arden refuses to discuss it. This same debt is what obligates Arden to his wealthy benefactor, much to Michael's vexation. Michael wants their love affair to last, but how do you hold onto a man whose gaze is forever fixed on the horizon?

A Madness Most Discreet

Enjoy the MANHATTAN KNIGHTS discreet cover! Life can change in the blink of an eye. No one knows that better than Lily Tate. A chance encounter with a tall, handsome businessman, throws Lily's organized world into disarray. After witnessing her dad's murder when she was fifteen, she keeps men at a distance, reluctant to love or be loved-scared that she wouldn't survive another loss. Tormented by nightmares, and racked with guilt, Lily struggles with the onslaught of emotions that accompany this enchanting stranger. Alexander Rhodes is the whole package-intelligent, gorgeous, and wealthy. From the outside looking in, his life is perfect, but he learned the hard way not to expect loyalty or love from those around you. Success comes at a price. Xander is determined not to make the same mistakes again, but a breathtaking beauty forces him to throw caution to the wind, and win her love. A chance encounter, two broken souls, explosive consequences Will Xander and Lily be able to heal each other's wounds, or will their past spill into the present, extinguishing any chance of a future together? FLAWLESS is a sexy, sassy, and elegant take on a classic fairytale-the endearing knight in shining armor, intent on conquering the heart of his fair maiden.

Flawless

The convention-breaking creative process of New York's busiest speechwriter, offering a holistic approach to crafting every kind of speech. The ability to express yourself in words has become both a rite of passage and an essential skill for anyone who wants to make a difference within their family, community, workplace, or beyond. And yet, strategies for engaging a new generation of media and tech-savvy audiences have failed to keep up with the times, leaving speakers wondering how to articulate a resonant message that bristles with detail, authenticity, and emotional truth. While we can't all expect to captivate and inspire millions as Barack Obama and Greta Thunberg have, every speaker—regardless of their experience—can follow a road map to elevate a narrative from serviceable to unforgettable. This is true whether you're roasting a colleague at an office party, delivering a keynote industry address, accepting an award, or eulogizing a loved one. In *Before You Say Anything*, Victoria Wellman—the founder and president of Manhattan-based speechwriting company The Oratory Laboratory—shares her unique methodology for researching, reimagining, crafting, and delivering an outstanding speech by focusing on three core objectives: respect for the audience, the restless pursuit of originality, and intentionality behind every word. Full of hilarious anecdotes and examples from Wellman's extensive experience as the go-to speechwriter for power players and everyday people from around the world, *Before You Say Anything* is an irresistible antidote to the age-old doctrine of what a speech must include. Instead, it will leave readers with an enlightened and refreshing way of thinking about their sources, ideas, and material, and give them a strategy for putting it all to use.

Before You Say Anything

Felicitó Yanaque has raised himself from poverty to ownership of a trucking business. His two sons work for him. He receives a threatening letter demanding protection money. The police don't take him seriously, Felicitó refuses to pay up and gets sucked into a nightmare. He becomes a reluctant public hero. Then his mistress is kidnapped, and matters become seriously complicated. And he finds that his troubles have begun very close to home. His fate is interwoven with the story of Rigoberto, a wealthy Lima insurance executive. His boss and old friend, Ismael, suddenly announces that he is marrying his housekeeper, a chola from Piura, to the consternation of his twin sons, a pair of brutal wasters. Ismael escapes to Europe with his new bride, leaving Rigoberto to face the twins' threats, and their claims that he connived with a scheming woman to rob an old man of his fortune. Rigoberto is hounded by the press and TV. Meanwhile, his only son is having visions of a mysterious stranger who may or may not be the devil...

The Discreet Hero

This is a discreet special edition paperback of Beautiful Sin, Book 1 in the Beautiful Sin series. I was at the wrong place at the wrong time with the wrong men. Men who are not what they seem. But neither am I. Scarred, isolated, and practically alone-that was my life before attending Darlington Founders University. I spent my days in the shadows, fading into the background and hiding the person I was ten years ago. A broken, damaged girl I didn't want to remember. My life changed when I met them. Three men who altered everything. I witnessed something I shouldn't have, and now I'm suddenly the object of their obsession. Tristan Amato, Hendrix Knight, and Constantine Ferreira. Wealthy playboys hellbent on claiming me for their own. When I'm thrust into their lives and given no choice but to live with them for my protection, I realize there is a lot more to these dangerous, enigmatic men than meets the eye. As the past and the present collide, dark truths are revealed and whispers of a secret society start to surface. I'm forced to face the very things I suppressed all those years ago and question everything I know about who I am, who I can trust... and something much worse... Am I falling in love with the enemy? Beautiful Sin is a full-length new adult romance with dark themes and damaged anti-heroes. It is book one in the Beautiful Sin series and ends in a cliffhanger. Recommended for mature readers. Please check Reader's Note in the front matter of the book for potential TWs.

Beautiful Sin

From USA Today bestselling author Willow Winters comes an emotionally gripping, standalone, second chance romance. He made me a promise. And then he broke it. That's what happens with your first love. I didn't expect for Derek to fall back into my life and for me to fall back into his bed. Time changes a lot of things, but it doesn't change everything. It doesn't change the way he makes my heart skip or the way my lungs stop when he stares deep into my eyes. It didn't change his bad boy ways either and I should be smart enough to tell him no this time around. I should be, I know what it's like to be burned by him. But it's so hard to walk away when his touch begs me to stay and the pain in his eyes cuts me deeper than anything else in this world. Topics include: sweet romances, western romance, cowboy romance, alpha man book, small town romance, possessive alpha romance, willow winters books, w. winters books, contemporary romance, contemporary, romance novels, survival romance, the best romance series ever, bestselling series.

"Everybody lies, Princess. Some of us are just better at not getting caught." He murdered my uncle then covered it with fire. A fire that should have killed me, too. Instead, he hauled me from the floor while flames licked the walls, strong arms holding me close. He saved my life. Now I want to know why. I never saw his face. All I know is the letters on his shirt. SVH. Saint View High. The worst school in a hundred miles. Full of drugs and despair. Breeding ground for future criminals. Armed security guards and weapon checks at every door. A far cry from my privileged life of money, private school, and fancy vacations. With the police doing nothing, I take matters into my own hands. I enroll in a school I have no business being at. But the Untouchables are quick to let me know exactly how big a mistake I've made. They're the group of boys even the teachers are scared of. Colt. Banjo. Rafe. Every teenage girl's dream. Good looking. Popular. Powerful. And determined to break me. Thing is, I'm not that easily broken. And I'm coming for them, too. Devious Little Liars is the story of three bad boys and a girl who knows how to stand her ground. It is a mature high school/new adult, #whychoose romance, meaning the main character has more than one love interest. This book contains enemies-to-lovers and bullying themes. It is the first book in an ongoing trilogy.

Burned Promises

An all-new and addictive dark, why-choose, captive romance from the USA Today & Wall Street Journal bestselling author, Tracy Lorraine. All my life I've been a prisoner. Locked away by men who think they hold all the power. First my father. And now him. The devil himself. Reid Harris. Even my husband can't save me from the most infamous man in Harrow Creek and his loyal best friend. I'm tangled up in their twisted games. One woman. Three dangerous men. They expect me to cower. To beg and plead for mercy. But Reid's about to discover that not everyone bends to his will. Because I don't care who he is or what he does, I will not break. Not for any man. And certainly not for him. Dear Reader, Merciless is book one of four in the Harrow Creek Hawks series. It is a dark why-choose romance, meaning our leading lady has several love interests and never has to choose to find her HEA. These three a-hole alphas are certainly no heroes; their morals are questionable at best. If you're looking for a good guy, then you're in the wrong place. Enter at your own discretion.

Devious Little Liars

Theodore Giovanni was finally going to leave behind the grim town that held so many dark memories. Rising among the ranks on the ice, he had done well as Thunderbirds's star Left Wing within the Division 1 Hockey league. Well enough that he had signed an NHL contract which guaranteed his freedom from the gruesomely checkered past that had been his life. Just a few more months and he would be able to escape the gory truth hidden beneath years of lies. Everything was going perfectly as planned for Theo, until he met the one person that could change his fate in an instant: Enter Danica Ellis, a girl with a few dark secrets of her own. Having spent the past two years solely trying to survive whilst living under the intense scrutiny of her family and the public eye, she has had to cross a few lines of her own. As his teammate's younger sister, Danica is more trouble than Theo ever bargained for. Just one wrong look in her direction could send his carefully guarded heart spiraling. Bending more rules and pushing a few boundaries might just be the only way to save her from Hell, but will trying to protect her from the flames send both their lives up in smoke?

Merciless

He wants me to be his queen... Warned as a girl to keep her kisses to herself, Greer Galloway wants nothing to do with kisses--or love. Twice she's ignored the childhood warning and kissed a man, and both times ended in gutting, miserable heartbreak. Now she's sworn off all romance forever, determined to teach her classes and do her research, and live out the rest of her days alone. I want to be his everything. But Ash Colchester hasn't sworn off Greer--not at all. Still in love with the girl he once kissed in a circle of broken glass, this soldier-turned-President has never forgotten the taste of her kiss or the sound of her whispered, yes, please against his mouth. He's never forgotten the promises he wanted to make her and couldn't because she was too young for him then, and far too innocent for the things he needs. But he can't wait any longer . . . But can a fairy tale have a happily ever after for three people? Desperate to have her, Ash sends his best friend Embry to bring Greer to him, not knowing they have their own secrets, their own tragedies together. Their own cravings . . . Soon, Greer finds herself caught between past and present, pleasure and pain--and the two men who long for each other as much as they long for her. And as war and betrayal press ever closer, they tumble headlong into a passionate love affair that will change the world. My name is Greer Galloway and I serve at the pleasure of the President of the United States. From the USA Today bestselling author of Priest and Misadventures of a Curvy Girl comes a contemporary reimagining of the legend of King Arthur, Guinevere, and Lancelot--elegant, carnal, and unforgettable.

Splintered Truths- Splintered Promises Duet Book One-Discreet Edition

From USA Today bestselling authors, Willow Winters and Lauren Landish, comes a sizzling and tempting romance about the bad boy you can't resist. I lived my life with no regrets. Until she showed up. It started with her old man. That stubborn bastard set me up. He knew what he was doing, and I fell for his daughter before I even heard her voice. What was he thinking, trying to set her up with a prick like me? She's too good for me. I should've walked away, but every time she told me no, it only made me want to chase her more. I shouldn't have brought her into my life. I'm trouble, that's all I am, and I brought that to her doorstep. But I can't let her go now, even if she hates me for it. She tempted me; now she's mine.

American Queen

Sexiest man alive. Playboy movie star. Reckless actor. Will Baker, better known as "Fitz," is back, and the world has questions. Where did he go? Why is he back? Who is Maggie Sharp, the girl who found him? As Will and Maggie flee her family's troubles, they return to a world most only dream of, where

privacy belongs to the highest bidders, and loving Will might cost Maggie everything she has. Secrets mean betrayal, and Will's are bigger than most. As he returns to a life of wealth and excess, will he fall back into his old vices too? Or is loving Maggie Sharp the one thing that will save him?

Hardball for Women

After her philandering husband died and left her penniless in Prohibition-era New York, Lola Woodby escaped with her Swedish cook to the only place she could—her deceased husband's secret love nest in the middle of Manhattan. Her only comforts were chocolate cake, dime store detective novels, and the occasional highball (okay, maybe not so occasional). But rent came due and Lola and Berta were forced to accept the first job that came their way, leading them to set up shop as private detectives operating out of Alfie's cramped love nest. Now Lola and Berta are in danger of losing the business they've barely gotten off the ground—work is sparse and money is running out. So when a society matron offers them a job, they take it—even if it means sneaking into a slimming and exercise facility and consuming only water and health food until they can steal a diary from Grace Whiddle, a resident at the “health farm.” But barely a day in, Grace and her diary escape from the facility—and Grace's future mother-in-law is found murdered on the premises. Lola and Berta are promptly fired. But before they can climb into Lola's brown and white Duesenberg Model A and whiz off the health farm property, they find themselves with a new client and a new charge: to solve the murder of Grace's future mother-in-law. Teetotaled, Maia Chance's sparkling new installment in the Discreet Retrieval Agency Mysteries will delight readers with its clever plotting, larger-than-life characters, and rich 1920s atmosphere.

Note: This is a custom edition of Levin's full Discrete Mathematics text, arranged specifically for use in a discrete math course for future elementary and middle school teachers. (It is NOT a new and updated edition of the main text.) This gentle introduction to discrete mathematics is written for first and second year math majors, especially those who intend to teach. The text began as a set of lecture notes for the discrete mathematics course at the University of Northern Colorado. This course serves both as an introduction to topics in discrete math and as the “introduction to proof” course for math majors. The course is usually taught with a large amount of student inquiry, and this text is written to help facilitate this. Four main topics are covered: counting, sequences, logic, and graph theory. Along the way proofs are introduced, including proofs by contradiction, proofs by induction, and combinatorial proofs. While there are many fine discrete math textbooks available, this text has the following advantages: - It is written to be used in an inquiry rich course. - It is written to be used in a course for future math teachers. - It is open source, with low cost print editions and free electronic editions.

From USA Today bestselling author Willow Winters comes a HOT mafia, standalone romance. I was innocent before him, and he wanted nothing more than to ruin me. And if I'm honest, I wanted him too, even knowing I shouldn't. I knew he was a bad man, it doesn't take more than a single look to know it. Dark eyes and a charming smile that's made to fool girls like me. Still, I caved; I gave into temptation. And then I saw something I shouldn't have. Wrong place, wrong time. The mafia doesn't let witnesses simply walk away. Regret has a name, and it's Vincent Valetti. He won't let them kill me, but he's not going to let me go either.

Today is my wedding day. In a few breathless moments, I will be Mrs Alejandro Montoya. He is the King of L.A, and everything a woman could want. Handsome, powerful, rich, and hotter than hell itself. But I am not just any woman. I am Alana Carmichael and I'm only here to save my father. I will not bow to any king. This is no fairy tale. This is my nightmare. He is fierce and unyielding. I should hate him. But, the way he looks at me makes me feel more alive than I've ever felt before, and his touch sets my skin on fire. And as I uncover the secrets of our pasts, I discover that monsters are not always what they seem. Sometimes, the real monsters look like ordinary men. Fierce King is a forced marriage, dark mafia romance. It is book 1 in the L.A Ruthless series and features the Montoya crime family. Publishers Note: This book deals with adult and mature themes.

According to the Department of Labor, the average woman in 1998 was bringing home less than \$25,000 a year. For every dollar that a man makes, a woman makes between 50 and 75 cents, and that is hardly news. But what you may not know is that, quietly and steadily, the number of women making six figures or more is rapidly increasing. Currently, over fifteen million women make \$100,000 or more, and the number continues to rise at a rate faster than for men. And these women come from every industry - psychologists, dot com founders, consultants, freelance writers, and even part-timers. What makes these particular women able to do so well in the workplace? Fueled by curiosity, Barbara Stanny, author of *Price Charming Isn't Coming: How Women Get Smart About Money* (Viking Penguin), set out to research this phenomenon. What she discovered was that, though the high-earning women she interviewed came from different backgrounds and had had greatly different work experiences, they all had certain characteristics in common. *Secrets of Six Figure Woman: Surprising Strategies of the Successful High Earners* will be a ground breaking book for high earners who want to ensure their wealth, enhance their success, and learn from others who are in the same boat. It will also offer inspiration, guidance, and motivation to those who aspire to make more.

Vince & Elle

Never underestimate a woman who's been hurt... The vengeance she has will be beautiful. Jade Gallagher would walk through fire for her family. Her sacrifices have had no limits. Being sent to prison for a crime she didn't commit was only the beginning. Five years have been spent away from her family, enduring unspeakable things while incarcerated. She's been put on pause, biding her time until she is released to exact her revenge. When she is finally free, an arranged marriage was the absolute last thing she thought she'd have to face. Being tied to a complete stranger is not on her to do list. Jade has an agenda and Rocco will only get in her way. When their connection becomes undeniable; and walls begin to fall. Can she let Rocco in? And reveal her true self? Rocco Gallo has grown up within the ranks of the Italian mafia in Chicago. The Famiglia expects their significant others to behave a certain way. A disobedient, fearless wife like Jade goes against everything they stand for. She gets under his skin in more ways than one. But when Jade's secrets are unraveled, he realizes there is so much more to her than he initially thought. No one hurts his wife and lives to tell the tale. No one challenges the Clann and the Famiglia and gets away with it. There are enemies around every corner waiting to take them out. Will Jade and Rocco be able to survive their Explosive Union?

Fierce King

'It was some moments before Charlie turned his gaze back to Control. When he did, there were tears in his eyes. "What have you done?" "Something that evolution wouldn't have accomplished in a million years, left to itself," Control replied calmly. "You're custom-built, Charlie, a hero for our time..." Charlie Monk is the ultimate superhero. He has no conscience. He has no fear. But he also has no memory. Dr Susan Flemmyng has found a way to give memory back. In a world where even virtual reality is controlled, that is the most dangerous knowledge of all. Can she trust those she works for, or should she take the greatest risk and trust Charlie?

Secrets of Six-Figure Women

An epic and addictive roller coaster ride of a romance that's unforgettably heart-wrenching and jaw-dropping, brought to you by Wall Street Journal and USA Today Best Selling Author, Willow Winters. Our love story isn't a tragedy but it sure as hell started out like one. I grew up in the life, and learned to hate everything in this town. Everything but her. She was my constant through it all. Just a look would tempt and torment. Just a touch would singe and soothe. I only survived because she was by my side. I feared the danger would bleed into what we had. After all, she was too good for this world. But I was too far gone to push her away. I was Laura's downfall. Problem was, she was mine too. *Hard to Love* is book 1 of the *Hard to Love*, romantic suspense, series. "This highly addictive read had me glued to its pages, and unable to put it down. This story will have you jaw-dropping, gasping for breath, and begging for more!" Sarah, SWBR Book Blog & Reviews

Explosive Union

Being kidnapped by aliens is only the start of Jade's problems. Thankfully, her rescuers, an alien race known as the Clecanians, are willing to protect her, but she has to stay on their planet for one year and respect the rules of their culture--including choosing a husband. Jade refuses at first but decides to play along until she can find a way back to Earth. Theo, a scarred mercenary who prefers a life of

solitude, is stunned when Jade selects him as her husband. After years of being passed over, he never imagined he would be chosen and neither did anyone else. Only one explanation makes sense?the curvy enticing female must be a spy, and Theo's determined to break her cover using any means necessary.As Jade and Theo are forced to spend time together, their chemistry becomes undeniable. But neither can afford to bring love into the equation, especially since Jade seems determined to go home. After all, she can't possibly stay here, right?

The Discrete Charm Of Charlie Monk

Episodes 1, 2, 3, and 4 of McKenzie Stone's exciting new lesbian drama fiction series is now available in a single book. The haunting story takes Mandy, the protagonist, from the very bosom of the church to a lesbian relationship, to being chased by the FBI for kidnapping, to the shelter of the unofficial lesbian underground. This book includes the following episodes: EPISODE 1: Mandy Blackwood is a product of a strict upbringing in the Eudora Southern Baptist Church. A church steeped in taboos against almost everything, but especially against homosexuality. She has been brought up to make her mother proud - marry, have children, and bring no shame on the family. As was expected of her, Mandy marries in the church, adopts a baby boy, and then suddenly meets her destiny, Kathleen Crutchfield. EPISODE 2: Mandy walks a tight rope between heaven and hell as she struggles to live with her husband Scott just long enough for their son's adoption to go through. Then she can get a divorce from her cruel husband and she and Kathleen, the real love of her life, can take the boy and move to a big city where they can be free of Scott, their Southern Baptist families, and the self-righteous community where they live. EPISODE 3: Kathleen's mother boldly unveils a cruel, insane plan that would separate Kathleen and Mandy forever. Now utterly alone and the only sane person left to fight for their relationship, Mandy vows to wait for sick Kathleen regardless of how long it takes. She experiences, first hand, the clout of the good ole boy system, which conspires together with her husband to illegally strip her of everything including her baby boy. EPISODE 4: Mandy, being helped by unsung lesbian heroes crisscrosses the country in a last-ditch effort to keep her son and herself safe from her now politically powerful husband and the FBI. She and her new-found lesbian friends do everything they can to avoid leaving a trail for the authorities. But Mandy, herself, makes the final mistake that puts FBI agents and her ex-husband hot on the trail.

Seth & Laura

What do you get when you take a failed novelist, a capricious "alien," a world renowned- but debauched evangelist, an alcoholic estate manager and mix them together with a half dozen other eccentric characters? What you get is distinctly different cocktail called THE PROFIT that you won't be able to order at a bar anywhere. The plot is a riddle in an enigma that is so well-woven and imaginative it's almost too simple to understand. The content is mature, intended for adults who are discerning readers who enjoy fine, avant-garde literature and bristling social satire, particularly about evangelists and their followers, and should be appreciated by atheists, agnostics and the devoutly religious alike who have open minds. The reader is sure to be as "captivated" as it the Writerman in the book in this most exquisite of his offerings.

Choosing Theo

This book describes the new generation of discrete choice methods, focusing on the many advances that are made possible by simulation. Researchers use these statistical methods to examine the choices that consumers, households, firms, and other agents make. Each of the major models is covered: logit, generalized extreme value, or GEV (including nested and cross-nested logits), probit, and mixed logit, plus a variety of specifications that build on these basics. Simulation-assisted estimation procedures are investigated and compared, including maximum stimulated likelihood, method of simulated moments, and method of simulated scores. Procedures for drawing from densities are described, including variance reduction techniques such as anithetics and Halton draws. Recent advances in Bayesian procedures are explored, including the use of the Metropolis-Hastings algorithm and its variant Gibbs sampling. The second edition adds chapters on endogeneity and expectation-maximization (EM) algorithms. No other book incorporates all these fields, which have arisen in the past 25 years. The procedures are applicable in many fields, including energy, transportation, environmental studies, health, labor, and marketing.

The Discreet Lesbian

I didn't get to where I am by being nice. I'm the boss, the CEO, the owner of whatever I want. Right now, that includes every person in this building of the company I just bought. I stop at nothing once I've decided I'm taking something. And then she showed up... full of spitfire just for me, the man she's decided is her worst enemy. Like I said, I stop at nothing once I've decided I'm taking something. This pretty little thing just moved to the top of my "must acquire" list. Topics include: sexy romances, office romance, alpha business man book, billionaire romance, billionaire romance series, possessive alpha romance, willow winters books, w. winters books, contemporary romance, contemporary, romance novels, survival romance, the best romance series ever, bestselling series, captive romance.

The Profit Book One

When we began to consider the scope of this book, we envisaged a catalogue supplying at least one abstract definition for any finitely generated group that the reader might propose. But we soon realized that more or less arbitrary restrictions are necessary, because interesting groups are so numerous. For permutation groups of degree 8 or less (i. e., subgroups of e_8), the reader cannot do better than consult the 8 tables of JOSEPHINE BURNS (1915), while keeping an eye open for misprints. Our own tables (on pages 134-143) deal with groups of low order, finite and infinite groups of congruent transformations, symmetric and alternating groups, linear fractional groups, and groups generated by reflections in real Euclidean space of any number of dimensions. The best substitute for a more extensive catalogue is the description (in Chapter 2) of a method whereby the reader can easily work out his own abstract definition for almost any given finite group. This method is sufficiently mechanical for the use of an electronic computer. There is also a topological method (Chapter 3), suitable not only for groups of low order but also for some infinite groups. This involves choosing a set of generators, constructing a certain graph (the Cayley diagram or DEHNsche Gruppenbild), and embedding the graph into a surface. Cases in which the surface is a sphere or a plane are described in Chapter 4, where we obtain algebraically, and verify topologically, an abstract definition for each of the 17 space groups of two-dimensional crystallography.

Discrete Choice Methods with Simulation

Work hard to get ahead; the poor are mostly minorities in inner cities living lazily off of welfare fraud; the government spends more on welfare than anywhere else in the world; America is a land of equal opportunity with easy social mobility for all. These are but a handful of the many myths about poverty in America, some of which have persisted for decades, with significant and harmful consequences on our social policy, our social compacts, and ourselves. Poorly Understood seeks to challenge and debunk these myths, along the way asking tough questions about how and why they have persisted and what it would take to replace them with true stories.

Tell Me You Want Me

Their authoritative presence is felt before anything else. My heart skips a beat and my blood runs cold. They're here. The voluminous cloaks cover their bodies entirely and their faces are mostly concealed by their hoods. Standing with their broad shoulders squared and hands tucked behind their backs, they emanate sheer masculinity and dominance. His baritone voice whispers, and his breath burns hot against the shell of my ear. His tone is gentle, but there's no doubt in my mind that his words are a command. Gather and present yourself. This is the offering ... To Be Claimed is a dark paranormal romance collection with high heat and suspense to keep you on edge. It features the novels Wounded Kiss, Gentle Scars, and Primal Lust.

Poorly Understood

Cole Miller is a good-for-nothing nobody who skulks around dark alleyways and makes money by boosting cars from those more fortunate than he. He's the unwanted child of a couple of deadbeats, so he never truly understood what family meant until he stumbled onto a treasure far more valuable than the GT he's supposed to steal from the heavyweight world champion. Maya Blake, on the other hand, is the daughter of high flying shark lawyers. She has a hefty trust fund coming her way, the world at her feet, and a fresh new dream job only days from starting. Raised a good, obedient girl, Maya's world is turned on it's head when the mysterious newcomer takes an interest in her. Maya and Cole couldn't be more opposite, but what begins as a 'job' for Cole becomes so much more, and when Maya finds herself in danger, the protective stranger she once considered a nuisance might be the difference between life and death when his enemies come looking to settle a score. MISTAKE is a sizzling new romance set in our favorite fighter town. Fans of Emilia Finn will get to revisit with old friends, while new readers can dive in and meet the family in this complete standalone story.
