I am more than enough
I am inherently valuable
I experience great abundance in my life
I withdraw my energy and attention from others now and return it to myself
I reconnect with my inner wholeness now
I give to myself all that I once desired from others, now
I make offerings of love, well-being, beauty, and nurture to myself now
I recognize my divine worthiness
Today, I bring forth those qualities
I honor what makes me unique
I am worthy of everything good that is coming to me
I am beautiful and lovable
I love and accept myself
I have so much to offer
Someone else's worth does not take away from my own
I am in competition with no one
I am the best at what I do, in my own way
I am worthy of all that is good
I am abundant in energy and creativity
My self-worth comes from validating myself
I take all others off a pedestal now
Other people recognize my sense of worth
I honor myself and therefore the world honors me
I respect my own time and energy
I already have the qualities that I admire in others, within myself
I spend my time and energy wisely
