

If You Dont Know Who You Are Dont Ask Nobody Down Here

[#self-identity](#) [#know yourself](#) [#personal discovery](#) [#inner guidance](#) [#find your purpose](#)

This profound quote underscores the fundamental truth that true self-identity must be discovered internally. If you don't know yourself, seeking answers from others proves futile, as personal discovery is an individual journey. It powerfully suggests that the quest to find your purpose and understand who you are is an intrinsic process that cannot be outsourced to external sources or advice from 'nobody down here'.

Our curated articles bring expert insights across a wide range of academic and professional topics.

The Art of Asking

REDISCOVER THE FORGOTTEN ART OF ASKING IN THIS NEW YORK TIMES BESTSELLING BOOK 'Amanda Palmer joyfully shows a generation how to change their lives' Caitlin Moran 'To read Amanda Palmer's remarkable memoir about asking and giving is to tumble headlong into her world' Elizabeth Gilbert 'The Art of Asking is a book about cultivating trust and getting as close as possible to love, vulnerability, and connection. Uncomfortably close. Dangerously close. Beautifully close' Brene Brown Imagine standing on a box in the middle of a busy city, dressed as a white-faced bride, and silently using your eyes to ask people for money. Or touring Europe in a punk cabaret band, and finding a place to sleep each night by reaching out to strangers on Twitter. For Amanda Palmer, actions like these have gone beyond satisfying her basic needs for food and shelter - they've taught her how to turn strangers into friends, build communities, and discover her own giving impulses. And because she had learned how to ask, she was able to go to the world to ask for the money to make a new album and tour with it, and to raise over a million dollars in a month. In the New York Times bestseller The Art of Asking, Palmer expands upon her popular TED talk to reveal how ordinary people, those of us without thousands of Twitter followers and adoring fans, can use these same principles in our own lives.

Ask a Manager

'I'm a HUGE fan of Alison Green's "Ask a Manager" column. This book is even better' Robert Sutton, author of The No Asshole Rule and The Asshole Survival Guide 'Ask A Manager is the book I wish I'd had in my desk drawer when I was starting out (or even, let's be honest, fifteen years in)' - Sarah Knight, New York Times bestselling author of The Life-Changing Magic of Not Giving a F*ck A witty, practical guide to navigating 200 difficult professional conversations Ten years as a workplace advice columnist has taught Alison Green that people avoid awkward conversations in the office because they don't know what to say. Thankfully, Alison does. In this incredibly helpful book, she takes on the tough discussions you may need to have during your career. You'll learn what to say when: · colleagues push their work on you - then take credit for it · you accidentally trash-talk someone in an email and hit 'reply all' · you're being micromanaged - or not being managed at all · your boss seems unhappy with your work · you got too drunk at the Christmas party With sharp, sage advice and candid letters from real-life readers, Ask a Manager will help you successfully navigate the stormy seas of office life.

The Guyde

The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of

social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.

How to Get What You Want Without Having To Ask

In this clever book, bestselling author Richard Templar delivers a collection of principles, tactics and techniques that will make sure things always go your way, without you even having to ask. You'll discover the secrets of being the kind of person who gets what they want, and the secrets of making it easy for people to say yes to you (sometimes without even realising they are doing it). And for those rare occasions where you really do have to ask, you'll find priceless advice on exactly what to say and how to say it, so that you'll definitely never have to ask twice.

The Underground Guide To Teenage Sexuality

The classic guide to teen sexuality updated and expanded with information on sexually-transmitted diseases; contraception; sexual abuse; healthy relationships; hotlines and resources; and much more.

How to Ask for and Get What You Want

We've all experienced frustration asking for and getting what we want. It plays out regularly with our partners, children, employers, and businesses we patronize. Sometimes we don't bother to ask for what we want, even when it's perfectly reasonable, thinking it will create hard feelings or spark an argument. Often, it's because we don't think we can succeed in getting what we want. But nothing could be further from the truth. How to Ask for What You Want and Get It: Common Sense Tips That Work will help readers learn how to ask for what they want and get good results. It teaches them how to stay in the game by using the right words. It also shows how to build rapport by using positive body language. The more you know what makes people operate as they do, the better chance you'll have of helping them see things your way. The most important aspect to negotiating anything is getting the other person on your side. That means the person you're asking has to like and respect you enough to do what you want. Most of the advice in this book employs mindfulness techniques. The mindfulness movement helps people live in the moment, speak more effectively to one another, and settle problems peacefully.

Equal Shares

Equal Share tells a fascinating story-the history of a group of dynamic tapestry workers who changed the economic life of their community. The authors examine a key community-based cooperative in

Botswana that was launched in the early 1970s, and is hailed as a model for development and social change. With little formal education, virtually no job experience, still working their own agricultural lands, and many as single mothers, the co-op workers have maintained their business for over twenty-five years. *Equal Shares* is written in different voices, and tells the story of the defining moments in the lives of the Oodi Weavers. As the workers weave their village stories into the tapestries, the book weaves a story that depicts their evolving collective experience. It's a model of community action. Inspiring reading for all those fighting to take control of their economic lives.

The Ask

Asking is more than a skill—it's a lifestyle. *The Ask* is your personal manual for building the best, most fulfilling personal and professional life possible. Crafting the perfect ask can fund your new business, support your favorite charity, and get more quality time with your significant other—but it can do so much more than that. It can change your life. In learning how to ask for what you really want and deserve, you lose your fear of rejection and judgement. You create the greatest sense of self-worth that no one can give you, you give it to yourself when you ask. The critical moment is when you turn your skills inward and make the hardest asks, the ones you ask yourself. This book is designed to make you an Exceptional Asker, and in the process, give you the confidence and skills you need to achieve all your goals and realize your dreams. You'll learn how to prepare, what words to use, what to avoid, and how to follow up, and you'll purge the natural hesitancy that has been holding you back for so long. Asking is about empowerment. It shows the world that what you want matters. It defines who you are, where you're going, and who will be by your side. This book provides over 175 sample asks, with clear actionable steps to help you claim your space in relationships, at work, and in the world. Rewrite your own rulebook and find empowerment in asking. Learn the simple five steps to craft the perfect ask. Discover the secret of the ask – it's two sentences and a question. Remove your Money Blockers and turn a bad ask into a win. Conquer the hardest asks you'll ever make—the ones you ask yourself. Mastering the art of the ask reconfigures your approach to life, and changes the way you tackle challenges and goals. *The Ask* gives you the skills—and the mindset—you need to accomplish anything you can dream.

7 Simple Habits of Extraordinary Salespeople

An often-quoted statistic is, "5% of salespeople earn 90% of the commission generated in residential real estate sales". The same statistic holds for true in many industries. The obvious question is, "Why do a select number of salespeople earn extraordinary incomes, while others with the same apparent ambition do not?" Extraordinary salespeople develop a business plan that reaches for an extraordinary reputation that provides a powerful stream of enthusiastic referrals and repeat business. The result is a marketing advantage that cannot be matched by any other method. The common elements driving these extraordinary salespeople are 7 Simple "Take the High Road" Habits.

Why I'm No Longer Talking to White People About Race

'Every voice raised against racism chips away at its power. We can't afford to stay silent. This book is an attempt to speak.' The book that sparked a national conversation. Exploring everything from eradicated black history to the inextricable link between class and race, *Why I'm No Longer Talking to White People About Race* is the essential handbook for anyone who wants to understand race relations in Britain today. THE NO.1 SUNDAY TIMES BESTSELLER WINNER OF THE BRITISH BOOK AWARDS NON-FICTION NARRATIVE BOOK OF THE YEAR 2018 FOYLES NON-FICTION BOOK OF THE YEAR BLACKWELL'S NON-FICTION BOOK OF THE YEAR WINNER OF THE JHALAK PRIZE LONGLISTED FOR THE BAILLIE GIFFORD PRIZE FOR NON-FICTION LONGLISTED FOR THE ORWELL PRIZE SHORTLISTED FOR A BOOKS ARE MY BAG READERS AWARD

Tariff Hearings Before the Committee on Ways and Means of the House of Representatives, Sixtieth Congress, 1908-1909

This 240-page workbook is a highly effective, no nonsense, self-marketing instrument to facilitate and manage the entire job-search campaign. Contained in its pages are all the tools and information necessary to help your terminated employee win and keep their next job. Whether or not you provide Outplacement support to your separated employees, our workbook would be an excellent tool to augment their job search. It provides a complete resource to help the discharged worker achieve and keep their next position. FINDING A JOB IS HARD WORK. It has been estimated that as many as one out of every three workers attempts to change jobs annually in the United States. Out of a labor force of 153 million, that represents almost 50,000,000 job seekers who are seeking new employment each year. As a result, the job search process is highly competitive at all levels. It can be lengthy, frustrating, prejudicial, and unfair. Older, more traditional job finding techniques have become less productive. The traditional resume no longer has the same impact in generating the all important and often elusive interview. Both the Wall Street Journal and USA TODAY have highlighted the fact that only about 15% of all professionals find a new position through responding to published advertisements or online postings, another 10% through placement agencies or search firms, and only 5% through unsolicited direct mail. Why then, would anyone focus 90% of their time and effort in areas that represent only about 30% of all potential opportunities? It is not uncommon for 200-300 people to respond to help wanted advertisements. Yet seldom do more than 6 to 10 people achieve interviews, and after an often lengthy process, only one person gets the job. Everyone else starts the whole process again. Older Americans, women, and minorities can often face an even more difficult road due to unspoken, but ever-present biases. There is a better way. Tomorrow Is Today dispels the myth that the most qualified candidate always gets the job. It points out that the person who is hired is usually the one who is liked the best. This book can be a major factor in how you differentiate yourself from other candidates when the hiring decision is almost always based upon subjective factors such as the individual's personality style, body language, and manner of being interviewed. It is an invaluable resource in helping you to achieve your next position with added features that assist in effectively managing both career growth and family issues.

TOMORROW IS TODAY, A behavior modification methodology, guide, and workbook to manage the job search process

Winners of 8 national championships, Indiana University is to men's college soccer what University of North Carolina is to college basketball or University of Notre Dame is to college football. To Chase a Dream is the true story of one kid's near-impossible desire to play soccer at that national powerhouse, a kid who was told time after time that he simply wasn't good enough and never would be. What all the doubters failed to consider was that inside the body of an under-sized, humble Paul Kapsalis was the heart of a lion. This is his journey, a story that affirms that perseverance, optimism, hard work, a willingness to learn, and kindness can lead to remarkable achievements and transform a kid who just wanted to play soccer into a leader of men. It took him 5 years, fighting through rejection and a career-threatening injury, but Paul got where he never expected to go. Here's a chance to see how he did it.

To Chase a Dream

A New York Times Best Illustrated Children's Book of 2011! A picture-book delight by a rising talent tells a cumulative tale with a mischievous twist. Features an audio read-along! The bear's hat is gone, and he wants it back. Patiently and politely, he asks the animals he comes across, one by one, whether they have seen it. Each animal says no, some more elaborately than others. But just as the bear begins to despond, a deer comes by and asks a simple question that sparks the bear's memory and renews his search with a vengeance. Told completely in dialogue, this delicious take on the classic repetitive tale plays out in sly illustrations laced with visual humor-- and winks at the reader with a wry irreverence that will have kids of all ages thrilled to be in on the joke.

I Want My Hat Back

Rooted in the creative success of over 30 years of supermarket tabloid publishing, the Weekly World News has been the world's only reliable news source since 1979. The online hub www.weeklyworld-news.com is a leading entertainment news site.

Weekly World News

James Genius is a traveler hiding a secret. While trying to fit into a community that thrives off death, James begins building a new life that quickly turns into a personal hell in futuristic America. A new Civil War brews in America while James simultaneously fights his own internal demons and hallucinations as he attempts to locate the survivors of his hidden family. While the government promises to protect and separate citizens from one another, obsessive political control and suspicious behavior begins to confuse and upset the public. As a result, survival groups start preparing for the collapse of the government while a news organization, The Zoo Trials, tries to explain and solve the country's seemingly inevitable demise. James holds the key to a major change, but in a futile attempt to protect himself, he pretends he doesn't recall his past. Meanwhile, others encourage James to reveal his true self, but he waits for the right moment to fuel his transformation. Only time will tell if James finds the real life he's been desperately seeking and if the citizens of this revolutionary community will pull together and plant the seeds of positive change.

The Coffin of James Genius

Sally Mathis, A Fashion Designer, experiences cognitive and memory issues of unknown origins and when she discovers the cause, she embarks on an unanticipated 'other-world' adventure.

Waiting for Here

Nath is a genius; Tanguy an idiot. Any such extremes disturb people. In recognition of this fact, a pharmaceutical corporation is undertaking experiment with a new drug, "normality pills," that would move them both toward the norm. It is decided to put them in contact using e-mail exchanges. Those responsible for the experiment will monitor the exchanges. So a deep friendship evolves between two individuals who normally would never have even met. Their dialogue is moving right up to the terrifying conclusion. One of the themes of the narrative is the loneliness of the extremes.

Natan

Hill tells how his Uncle Wally and Aunt Ruth came to counsel dead spirits who took up residence in bodies that didn't belong to them. He has woven this fascinating story with the history and theory of what happens at death.

Northfield Echoes

This bestselling, essential illustrated guidebook for adolescent girls is a trusty friend that can help girls feel confident about this new phase of their lives. What is my period exactly? Do I need to see a doctor? What does it feel like to wear a pad? What if I get my period at school? Karen Gravelle and her fifteen-year-old niece, Jennifer Gravelle, have written a down-to-earth and practical book that answers any questions you might have about your period, from what it is and what it feels like, to how to choose pads and tampons, to how to talk to your parents about it. The Period Book will help guide you through all the physical, emotional, and social changes that come with your period, as well as related issues like dealing with pimples, mood swings, and new expectations from friends and family. Debbie Palen's funny and sympathetic cartoons ease the confusion and exasperation you might feel, and celebrate the new sense of power and maturity that your period can bring.

How People Who Don't Know They're Dead

Mary Shane comes home from school one day to find her mother beaten to unconsciousness, this leads her on a perilous journey to find her father, the man that has spent her entire life on the run, always nothing more than a shadow. She must play his deadly game, become the very darkness he hides in, if she ever wants to have a chance at the love she found and the normal life she used to take for granted. As Mary Shane makes her way into the deadly world her father lives in, a world where people have seemingly magical powers and always seem to be one step ahead of you, she discovers that maybe his frequent disappearances and constant paranoia were justified. She finds herself forced to make dangerous decisions and do things she never in her worst nightmare had to face. With the government chasing her every footstep, she must find her father before they do if she ever hopes to survive this wild ride and earn the right to live. She discovers that everything she's ever experienced is because of her father and as she begins to put the pieces together she wonders if there is more to this story than anyone else knows.

The Charities Review

This is one of the first bestseller self-help books. Its intention is to enable you to make friends quickly and easily, help you to win people to your way of thinking, increase your influence, your prestige, your ability to get things done, as well as enable you to win new clients, new customers. Twelve Things This Book Will Do For You: Get you out of a mental rut, give you new thoughts, new visions, new ambitions. Enable you to make friends quickly and easily. Increase your popularity. Help you to win people to your way of thinking. Increase your influence, your prestige, your ability to get things done. Enable you to win new clients, new customers. Increase your earning power. Make you a better salesman, a better executive. Help you to handle complaints, avoid arguments, keep your human contacts smooth and pleasant. Make you a better speaker, a more entertaining conversationalist. Make the principles of psychology easy for you to apply in your daily contacts. Help you to arouse enthusiasm among your associates. Dale Carnegie (1888–1955) was an American writer and lecturer and the developer of famous courses in self-improvement, salesmanship, corporate training, public speaking, and interpersonal skills. Born into poverty on a farm in Missouri, he was the author of *How to Win Friends and Influence People* (1936), a massive bestseller that remains popular today.

Journal

The groundbreaking classic that explores how women can and should negotiate for parity in their workplaces, homes, and beyond When Linda Babcock wanted to know why male graduate students were teaching their own courses while female students were always assigned as assistants, her dean said: "More men ask. The women just don't ask." Drawing on psychology, sociology, economics, and organizational behavior as well as dozens of interviews with men and women in different fields and at all stages in their careers, *Women Don't Ask* explores how our institutions, child-rearing practices, and implicit assumptions discourage women from asking for the opportunities and resources that they have earned and deserve—perpetuating inequalities that are fundamentally unfair and economically unsound. *Women Don't Ask* tells women how to ask, and why they should.

The Period Book

Women don't feel comfortable telling a man what they wish he knew about dating. He's expected to know it. Unfortunately, the only time men receive specific guidelines is when they're being told what they're not supposed to do. As a result, very few know what they are supposed to do! What men want is a clear blueprint. Imagine how much simpler dating would be if women could just speak their minds! Therefore, Jason Evert surveyed more than a thousand women and asked them questions such as: · How would you want a man to ask you out? · How do you not want to be asked on a date? This book reveals their surprising answers, plus: · How to know if she's the right one · Where women don't want to go on a first date · What word they want a man to say when he asks · When, where, and how he should ask · What she hopes the date will include · How a man can save his marriage before he's married Dating doesn't need to become a relic of the past. It needs to be revived. For this to happen, men need to put down their screens, look a woman in the eye, and ask her on a date. *The Dating Blueprint* explains how.

The Clay-worker

Women Don't Ask

Our Mutual Friend - explores the conflict between doing what society expects of a person and the idea of being true to oneself The Pickwick Papers - To extend his researches into the quaint and curious phenomena of life, Samuel Pickwick suggests that he and three other "Pickwickians" should make journeys to places remote from London and report on their findings to the other members. Oliver Twist is an orphan who starts his life in a workhouse and is then sold into apprenticeship with an undertaker. He escapes from there and travels to London, where he meets the Artful Dodger, a member of a gang of juvenile pickpockets led by the elderly criminal, Fagin... A Christmas Carol tells the story of a bitter old miser named Ebenezer Scrooge and his transformation after visitations by the ghost of his former business partner and the Ghosts of Christmas Past, Present and Yet to Come. David Copperfield is a fatherless boy who is sent to lodge with his housekeeper's family after his mother remarries, but when his mother dies he decides to run away... Hard Times is set in the fictional city of Coketown and it is centered around utilitarian and industrial influences on Victorian society. A Tale of Two Cities depicts the plight of the French peasantry demoralized by the French aristocracy in the years leading up to the revolution, and many unflattering social parallels with life in London during the same period. Great Expectations depicts the personal growth and development of an orphan nicknamed Pip in Kent and London in the early to mid-19th century. Bleak House – legal thriller based on true events. Little Dorrit – criticize the institution of debtors' prisons, the shortcomings of both government and society. COLLECTED LETTERS THE LIFE OF CHARLES DICKENS by John Forster

Grip

Liam Collins wants to be a writer more than anything else. After unceremoniously being laid off from his job at the paper, he thinks he finally has time to write that book. As his writer's block continues, he spends his time gardening and brewing his own beer. One day, he notices someone has been stealing peas in his garden in the idyllic Irish countryside. Only meaning to scare them off, he accidentally shoots someone. Following them to the Hawthorn tree, there is a wailing girl up there dressed in strange, ripped clothing who doesn't appear to have the ability to speak except in strange noises. Curiosity wins out after he drops her off at the hospital and he goes back to visit her. This strange, wild girl cannot speak and doesn't know what food is when it's presented to her. Thinking she appeared in his tree as a shrieking banshee for a reason, Liam claims her and brings her home. He thinks he can help her and teach her to speak and she can help him by giving him the book he knows is inside him.
