Intact

'A must-read for psychotherapists, doctors and everyone else who enjoys connecting ideas' Philippa Perry 'Compassionate and challenging, warmly human and coolly rigorous. . . I am now thinking afresh about how I live in my own body, in a world where, as Clare Chambers argues, nobody's body is ever allowed to be good enough, just as it is' Timandra Harkness What would it take for your body to be good enough? The pressure to change our bodies is overwhelming. We strive to defy ageing, build our biceps, cure our disabilities, conceal our quirks. Surrounded by filtered photos and surgically-enhanced features, we must contort our physical selves to prejudiced standards of beauty. Perfection is impossible, and even an acceptable body seems out of reach. In this mind-expanding book, Cambridge philosopher Clare Chambers argues that the unmodified body is a key political principle. While defending our right to change our bodies, she argues that the social pressures to modify undermine equality. She shows how the connected ideas of the natural body, the normal body, and the whole body have been used both to disrupt and to maintain social hierarchies - sometimes oppressing, other times liberating. The body becomes a site of political importance: a place where hierarchies of sex, gender, race, disability, age, and class are reinforced. Through a thought-provoking analysis of the power dynamics that structure our society, and with examples ranging widely from bodybuilding to breast implants, deafness to male circumcision, Intact stresses that we must break away from the oppressive forces that demand we alter our bodies. Instead, it offers a bold, transformative vision of the human body that is equal without expectation.

Chemistry for the IB Diploma Exam Preparation Guide

Gaokao essays are an important component of the National College Entrance Examination (Gaokao) for Chinese high school students. They serve as a comprehensive assessment of students' language proficiency, thinking abilities, and overall literacy. Gaokao essays and the IB Chinese exam can learn from and reference each other in certain aspects, but they also have some differences. Despite the differences, both Gaokao essays and the IB Chinese exam emphasize the development of candidates' writing and thinking abilities. By preparing for and referencing Gaokao essays, candidates can cultivate good writing habits, logical thinking, and expression skills, which are also helpful for tackling writing tasks in the IB Chinese exam. Furthermore, candidates can enhance their writing abilities and test-taking skills by familiarizing themselves with the writing requirements and evaluation criteria of the IB Chinese exam. It is important to note that during the preparation process, candidates should engage in targeted practice and preparation based on the requirements of the IB Chinese exam. Understanding the specific format and evaluation criteria of the exam and making corresponding learning and improvements are essential.
