The New-Yorker

"A critical study of the demonic imagery that has been persistently embedded and codified in America's war culture. The authors examine "the devil myth" in both its past and present iterations and also highlight the counter-myth of the "trickster figure" whose democratic impulses have occasionally succeeded in countering the impulse towards demonization. To unveil the devil myth, the authors identify outward projections of evil onto the faces of America's enemies. They begin by scrutinizing the image of evildoers used to justify the global war on terror. It is difficult, they observe, to recognize this literalized image as a rhetorical construction subject to critical reflection without revisiting earlier manifestations of the devil myth in American history. Mythical projection is a cyclical process of political culture, they argue. Traces of earlier iterations of the devil myth carry into the present, but enemies are demonized anew in distinctive ways at each historical juncture of national crisis. To illustrate this process, the book includes chapters on demonized figures preceding the war on terror: witches, Indians, dictators, and reds. Each chapter shows how these emotionally loaded symbols have functioned as apparitions of dark foes that must be destroyed to redeem the nation's innocence. In this way, the book reveals how the subliminal figure of the devil haunts U.S. political culture so that war symbolically wards off evil in defense of, but at the cost of curtailing, its democratic soul. One of the study's underlying questions is how the nation can make peace with diversity instead of condemning it as a dark foe carrying the mark of evil. The book works toward an answer by discussing the creative and critical role of the democratic trickster"--

The Anglo American

Two years ago, when Eliza Sellman was in ninth grade, her dad found out he was being transferred and the family was going to move. Having always been shy and not so confident about her body, Eliza took that opportunity to start a list in her private notebook of all the things she planned on doing when she moved but had always been afraid to--like wearing a miniskirt and asking guys to dance; singing karaoke in front of strangers; posting a photo of herself on her Facebook wall in a bikini...you get the idea. New town, new Eliza, right? Well, she'll never know because the transfer fell through and they didn't move. But Eliza kept adding her goals and secret fears to the list in the notebook. Now it's two years later, and in that time Eliza has had and lost her first boyfriend. But this was more than your average breakup...turns out the sweet and cute Cooper was only dating her as a hazing stunt by a secret society. Eliza got her revenge by posting some pretty nasty (and only sort-of true) stuff about Cooper online. That posting has had major consequences and now Cooper and his buddies have stolen her private notebook and won't give it back until she performs all the things on her list in one night. It's torture...until Eliza steals something from the boys she knows they'll want to trade her notebook for. What starts out as a night of humiliation turns into a night of revelations as Eliza learns what Cooper was really thinking when they dated, the real reason he's stolen her notebook, and how freeing--and life-changing--it can be to do the things you fear the most.

Although there is growing concern over Satanism as a threat to American life, the topic has received surprisingly little serious attention. Recognizing this, the editors of this volume have selected papers from a wide variety of disciplines, broadly covering contemporary aspects of Satanism from the vantage points of studies in folklore, cults, religion, deviance, rock music, rumor, and the mass media. All contributors are skeptical of claims that a large, powerful satanic conspiracy can be substantiated. Their research focuses instead on claims about Satanism and on the question of whose interests are served by such claims. Several papers consider the impact of anti-Satanism campaigns on public opinion, law enforcement and civil litigation, child protection services, and other sectors of American society. The constructionist perspective adopted by the editors does not deny the existence of some activities by 'real' Satanists, and two papers describe the workings of satanic groups. Whatever the basis of the claims examined and analyzed, there is growing evidence that belief in the satanic menace will have real social consequences in the years ahead.

The New World

In the first book of Lauren Barnholdt's captivating The Moment of Truth series, Lyla discovers that trusting her head might be easy but trusting her heart is a whole other matter. Lyla McAfee had all but forgotten the email that she wrote to herself freshman year and scheduled to be delivered right before graduation—the one promising that she'd learn to trust by the end of senior year. But when she receives it the first morning of her senior trip to Florida, her life is sent into a tailspin. Soon she's questioning her seemingly perfect relationship with her boyfriend, Derrick, her attraction to the school player, Beckett, and whether ending her friendship with Aven and Quinn, her former BFFs, was one of the biggest mistakes of her life. Each book in this trilogy is told from the perspective of a different girl—Lyla, Aven, and Quinn—former best friends who, back in freshman year, wrote emails to their future selves about the one thing they hope to accomplish before they graduate. Over the course of the series, each girl will learn about life, love, and the truth about the fight that ended their perfect friendship.

Hunt the Devil

Never has an invisible friend caused a girl so much grief. From acclaimed children's author Lauren Barnholdt, a laugh-out-loud chapter book series for precocious kids everywhere! Meet Hailey Twitch. She's just like you. Well, sort of. She loves pink sparkly pencils and ice cream. But Hailey also has a secret: she's friends with Maybelle, a sprite that only she can see. Hailey and Maybelle are having fun, fun, fun. But they're also getting into lots of trouble! Can Hailey keep her friend a secret or will she have to tell?

One Night That Changes Everything

New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

Systems of North American Witchcraft and Sorcery

From the author of The Weight of Feathers comes a young adult novel about a girl hiding the truth, a boy with secrets from his past, and four sisters who could ruin them both. Recipient of a Stonewall Honor and longlisted for the National Book Award, McLemore delivers a second stunning and utterly romantic novel, again tinged with magic. To everyone who knows them, best friends Miel and Sam are as strange as they are inseparable. Roses grow out of Miel's wrist, and rumors say that she spilled out of a water tower when she was five. Sam is known for the moons he paints and hangs in the trees and for how little anyone knows about his life before he and his mother moved to town. But as odd as everyone considers Miel and Sam, even they stay away from the Bonner girls, four beautiful sisters rumored to be witches. Now they want the roses that grow from Miel's skin, convinced that their scent can make anyone fall in love. And they're willing to use every secret Miel has fought to protect to make sure she gives them up. Atmospheric, dynamic, and packed with gorgeous prose, When the Moon Was Ours is another winner from this talented author.

Orange Coast Magazine

She's in for the ride of her life...or deathAll Deirdre Boyd wants to do is trail ride, and her modest rural community is a horsewoman's dream. Miles upon miles of trails lace the landscape, and despite rumors that it's haunted, Deirdre has never seen any goblins or specters, much less the legendary horseback-riding Black Witch of Fairy Glen. But there is something sinister threatening her little piece of heaven. The local real estate mogul, who already hemmed them in with a monster suburbia to the west, wants to build fireproof mega-mansions on the ridgeline to the east, and plans to bulldoze his way through Fairy Glen to get to the top. But it's 2007. The real estate market is tanking. So where is

he getting his money? And does it have anything to do with the dead bodies showing up around the neighborhood? Meanwhile, Deirdre's daughter Rebecca has a mysterious new coworker who's totally not her style. But she's falling for him anyway...while falling deeper into his world of muscle cars and meth dealers. As the Santa Ana winds pick up, wildfire won't be the only thing threatening their lives. If mom and daughter would just talk occasionally, maybe they could figure out what's going on in Fairy Glen...before the whole place goes up in flames. A mashup of *Big Little Lies*, *Twin Peaks*, and *Trixie Belden* set in Southern California horse country, this rural noir with a dash of supernatural is a little bit cozy, a lot suspenseful, and brimming with action. The first book in a new suspense series starring the crime-solving horsewomen of Fairy Glen.

Orange Coast Magazine

'A groundbreaking work . . . Federici has become a crucial figure for . . . a new generation of feminists' Rachel Kushner, author of *The Mars Room* A cult classic since its publication in the early years of this century, *Caliban and the Witch* is Silvia Federici's history of the body in the transition to capitalism. Moving from the peasant revolts of the late Middle Ages through the European witch-hunts, the rise of scientific rationalism and the colonisation of the Americas, it gives a panoramic account of the often horrific violence with which the unruly human material of pre-capitalist societies was transformed into a set of predictable and controllable mechanisms. It is a study of indigenous traditions crushed, of the enclosure of women's reproductive powers within the nuclear family, and of how our modern world was forged in blood. 'Rewarding . . . allows us to better understand the intimate relationship between modern patriarchy, the rise of the nation state and the transition from feudalism to capitalism' Guardian

The Politician

This early work by Radclyffe Hall was originally published in 1928 and we are now republishing it with a brand new introductory biography. 'The Well of Loneliness' is a novel that follows an upper-class Englishwoman who falls in love with another woman while serving as an ambulance driver in World War I. Marguerite Radclyffe Hall was born on 12th August 1880, in Bournemouth, England. Hall's first novel *The Unlit Lamp* (1924) was a lengthy and grim tale that proved hard to sell. It was only published following the success of the much lighter social comedy *The Forge* (1924), which made the best-seller list of John O'London's Weekly. Hall is a key figure in lesbian literature for her novel *The Well of Loneliness* (1928). This is her only work with overt lesbian themes and tells the story of the life of a masculine lesbian named Stephen Gordon.

Weekly Globe

Whether used for thematic story times, program and curriculum planning, readers' advisory, or collection development, this updated edition of the well-known companion makes finding the right picture books for your library a breeze. Generations of savvy librarians and educators have relied on this detailed subject guide to children's picture books for all aspects of children's services, and this new edition does not disappoint. Covering more than 18,000 books published through 2017, it empowers users to identify current and classic titles on topics ranging from apples to zebras. Organized simply, with a subject guide that categorizes subjects by theme and topic and subject headings arranged alphabetically, this reference applies more than 1,200 intuitive (as opposed to formal catalog) subject terms to children's picture books, making it both a comprehensive and user-friendly resource that is accessible to parents and teachers as well as librarians. It can be used to identify titles to fill in gaps in library collections, to find books on particular topics for young readers, to help teachers locate titles to support lessons, or to design thematic programs and story times. Title and illustrator indexes, in addition to a bibliographic guide arranged alphabetically by author name, further extend access to titles.

Girl Meets Ghost

The *Malleus Maleficarum* is a seminal treatise regarding witchcraft and demons, presented here complete with an authoritative translation to modern English by Montague Summers. At the time this book was published in 1487, the Christian church had considered witchcraft a dangerous affront to the faith for many centuries. Executions of suspected witches were intermittent, and various explanations of behaviors deemed suspect were thought to be caused by possession, either by the devil or demon such as an incubus or succubus. Kramer wrote this book after he had tried and failed to have a woman executed for witchcraft. Unhappy at the verdict of the court, he authored the *Malleus Maleficarum* as a manual for other witch seekers to refer to. For centuries the text was used by Christians as a

reference source on matters of demonology, although it was not used directly by the Inquisition who became notorious for their tortures and murders. Contrary to popular supposition, Kramer's work does not exclusively recommend death by burning as a punishment for witches. It also describes various methods of exorcism, whereby the demonic force may be banished from the body of the suffering witch. However the book openly advocates discrimination against women, albeit while acknowledging that a minority of witchcraft practitioners are male. A theory on why the vast majority of witches are female is posited, rooted in the presence of woman in the Biblical canon; as with Eve, the wife of Adam, and Mary; the mother of Jesus Christ. By the end of the book, it is agreed that witches are created from a pact made with the Devil himself, with whom they engage in sexual liaisons. The witch is then summoned by flight to an evil assembly headed by the Devil, encouraged to practice illicit forms of sex, and then granted the powers of maleficent magic. Decades after the initial publication, the name of James Sprenger was credited. Scholars disagree on whether he was a meaningful contributor who expanded the core text. Whatever the case may be, for its thoroughness the *Malleus Maleficarum* is the single most complete source on Christian attitudes to witchcraft and demons in existence. This translation to English by Montague Summers underwent revision and refinement over the years. This edition contains the original introductions, wherein the translator explains the process by which he strove for the greatest accuracy possible.

Billboard

_____ 'A kinetic tale of the tension between duty, love and trust' - Cassandra Clare 'Defy the Night is everything I crave in a fantasy romance' - Stephanie Garber 'Addicting from page one!' - Jennifer L. Armentrout _____ The first book in the thrilling Defy the Night series: a blockbuster fantasy saga about a corrupt kingdom, a star-crossed romance and a girl who will do anything for justice. _____ A spark of rebellion is all it takes to DEFY THE NIGHT. In a kingdom where sickness stalks the streets and only the richest can afford a cure, King Harristan and his brother Prince Corrick are forced to rule with an iron fist. Tessa Cade is a masked outlaw marked for death, but she likes it that way. Together with the mysterious, handsome Weston, she robs from the rich to help the poor, distributing food and medicine to those who need it most. As it becomes clear that the only way to save her people is to assassinate the King, Tessa must face a deadly mission that will take her to the dark heart of the kingdom ... and force her to work with the very people she intended to destroy. For more fantasy romance, don't miss Brigid Kemmerer's New York Times bestselling *Cursebreaker* series.

Heat of the Moment

The second book of Lauren Barnholdt's exiting Moment of Truth series: three books, three girls, one life-changing senior trip. When the email arrived in Quinn Reynolds's in box on the morning of her flight to Florida, she sent it straight to her trash folder. The last thing Quinn needed was to be reminded of the pact she made with her ex-best friends—the one where she promised she would do something crazy before graduation. But that was before everything on the trip went wrong. Now, after a lifetime of playing it safe, Quinn figures that she might as well get a little wild...after all, what does she have to lose? When Abram, a local boy she met on the beach, asks her to hang out, she says yes. But while a vacation romance could be the best way to fulfill the pact, it might be the worst thing for her heart.... Each book in this trilogy is told from the perspective of a different girl—Lyla, Aven, and Quinn—former best friends who, back in freshman year, wrote emails to their future selves about the one thing they hope to accomplish before they graduate. Over the course of the series, each girl will learn about life, love, and the truth about the fight that ended their perfect friendship.

Hailey Twitch Is Not a Snitch

'I'm a HUGE fan of Alison Green's "Ask a Manager" column. This book is even better' Robert Sutton, author of *The No Asshole Rule* and *The Asshole Survival Guide* 'Ask A Manager is the book I wish I'd had in my desk drawer when I was starting out (or even, let's be honest, fifteen years in)' - Sarah Knight, New York Times bestselling author of *The Life-Changing Magic of Not Giving a F*ck* A witty, practical guide to navigating 200 difficult professional conversations Ten years as a workplace advice columnist has taught Alison Green that people avoid awkward conversations in the office because they

don't know what to say. Thankfully, Alison does. In this incredibly helpful book, she takes on the tough discussions you may need to have during your career. You'll learn what to say when: · colleagues push their work on you - then take credit for it · you accidentally trash-talk someone in an email and hit 'reply all' · you're being micromanaged - or not being managed at all · your boss seems unhappy with your work · you got too drunk at the Christmas party With sharp, sage advice and candid letters from real-life readers, Ask a Manager will help you successfully navigate the stormy seas of office life.
