intro

I don't know everything!!

how different is grad school from undergrad?

what do you learn in business/finance classes?

what classes do you take?

what schools did you apply for / why did you choose not to go to the online schools?

how do you feel about the stigma of non-clinical workers in management positions?

have you ever thought about health informatics, medical devices, etc as a job?

is nursing degree a good background for MHA?

what undergraduate degree do I need?

how can I get a better understanding of what administrators do?

how likely is it I will get a job right out of my masters program?

MBA vs. MHA?

can MDs, PharmDs, etc get this degree?

MPH vs. MHA?

what is the admission process?

what is a typical week like?

when should you take/study for the GRE?

how competitive is it to be a hospital administrator?

do you deal with complaints from patients/medical staff?

how much harder is grad school than undergrad?

is an online degree not as good?

is this degree useless?

Thank you & subscribe!!
