Jesus Was Declaring that the Age To Come Had Arrived in the Present Not Now as a Weekly Advance Celebration but as a New Permanent Reality Running Concurrently and Confusingly with the Present Age until the Yet Future Date so that Jesus Followers from Then On Would Find Themselves Living Simultaneously in Two Different Theological Time Zones Paul Frequently Refers to that Kind of Theological Jet Lag Saying that It's Time To Wake Up Even though the Rest of the World Seems Still To Be in Darkness but with Jesus There Are Other Further Wrinkles Which Paul Already Takes as Read and Develops because for Jesus the Ultimate Victory over the Powers of Darkness

So that Jesus Followers from Then On Would Find Themselves Living Simultaneously in Two Different Theological Time Zones Paul Frequently Refers to that Kind of Theological Jet Lag Saying that It's Time To Wake Up Even though the Rest of the World Seems Still To Be in Darkness but with Jesus There Are Other Further Wrinkles Which Paul Already Takes as Read and Develops because for Jesus the Ultimate Victory over the Powers of Darkness the Victory Which Would Establish God's Kingdom Was Yet To Happen the Victory over Evil Spirits during the Course of His Public Career Was a Sign of an Early Victory but There Was a Darker Battle Yet To Be Fought

The Crucifixion of Jesus Is the Victory over the Dark Enslaving Powers Takes a Lot of Figuring out of First Century Jewish Thought To Understand How that Could Make Sense the Victory Was Achieved Though through What We Later Theologians Might Call Representative Substitution There Are Different Modern Theories of Atonement Which Regularly Missed this Point and Divide those Up and Force You To Choose between Them but Actually They Go Together for the Early Christians the Victory Had Indeed Been Won Yes Caesar Was Still Ruling the World the Temple Was Still Standing but both Were Tottering a New Reality Had Been Launched upon the World a Perpetual Sabbath a

This Is What It Looked like that's the Claim When Israel's God Returned in Glory Can History Prove the Truth of Such a Claim no but History Can Radically Clarify What that Claim Involves so that One Can Then Study It from all Angles and so that the Fuller Knowledge That We Seek Comes Together in All Its Coherence So for Today I Want To Bring this Lecture Back Where It Began by Asking What We Might Learn from All this about the Question of Jesus and God if this That I've Been Saying Is a Properly Historical Account of Jesus Jesus Fully at Home in the First Century World Where Might It Leave the Question of Natural Theology

So for Today I Want To Bring this Lecture Back Where It Began by Asking What We Might Learn from All this about the Question of Jesus and God if this That I've Been Saying Is a Properly Historical Account of Jesus Jesus Fully at Home in the First Century World Where Might It Leave the Question of Natural Theology I've Suggested that Historical Study of the First Century Poses a Direct Challenge to the Modern Epicurean Framework in Particular It Challenges What Has Essentially Been a Faustian Pact in Which the Real Heart of Knowledge Namely

I've Suggested that Historical Study of the First Century Poses a Direct Challenge to the Modern Epicurean Framework in Particular It Challenges What Has Essentially Been a Faustian Pact in Which the Real Heart of Knowledge Namely Love Itself Has Been Pushed Aside so that a Ruthlessly Driven Progress Could Proceed Unchecked You Know that the Faust Myth Which Goes Back to Marlowe in Shakespeare's Day and Then Goethe in Classic Expression and Then Thomas Mann Great Twentieth Century Novelist Faust Makes a Pact with the Devil the Devil Will Give Him Power on One Condition You Must Not Love as a Parable of the Modern World

And that Project Has Produced As Well as Wars a Massive Western Arrogance We Will Know How To Run the World As Long as We Don't Have To Love It so that We've Created an Attempted Epicurean Paradise Removed from the Rest of the World a Secular Temple a Secular Age To Come a Parody of the Christian Message and that's Why in the Modern World Christianity Is Reduced to the Status of a Religion and Then Were Told that Religion and Real Life Don't Go Together that's Epicureanism Again Now Even if We Don't Want To Engage the Question for Philosophical

There Are Many Vital Strands in Human Life and in the Book I've Explored Seven of Them Justice Freedom Beauty Spirituality Truth Power Love and in each Case We Know these Things Are Crucially Important but We Find Them Elusive They Are Harder To Attain and Hold On to than We Want We Feel Them To Be Clues to the Meaning of Life but They Appear To Let Us Down Justice Is Denied or Distorted Freedom Is Twisted into License or New Forms of Slavery the Sunset Disappears Spirituality Becomes Self-Serving Fantasy Truth Becomes Fake News Power Corrupts and Love Changes either into Lust or into Grief this Is Why Many Today See Natural Theology as Pointless All the Things That Might Appear To Be Signals of Transcendence Signposts to Ultimate Meaning Turn to Dust and Ashes as We Reach Out and Grasp Them

All the Things That Might Appear To Be Signals of Transcendence Signposts to Ultimate Meaning Turn to Dust and Ashes as We Reach Out and Grasp Them but My Point Is that the Gospel Story of Jesus Going to His Death Meets this Dark Human Narrative at Its Lowest Point the Story of Jesus Does Not Enable Us To Stretch Up Grandly to God It Declares that God Has Dark Come Down To Meet Us in Our Dust and Ashes and that I Believe Is Part of the Secret of the Power of the Message of the Cross the Reason Why the Cross in Statues or Pictures or Art or Music Perhaps Especially Music Has the Power To Leap

In a Whole New Way Bodily but with a Transformed Immortal Physicality Something Which Is Totally Unprecedented and on Imagined That Tells Us that Our Deepest Longings Framed and Frustrated in Equal Measure by Our Present Created but Corruptible Existence Are Now Redemptive Li Reaffirmed They Are Not They CanNot Be Affirmed as They Stand because of Their Inherent Corruption but the Act of Redemption Is Also the Real Reaffirmation and with It the Revelation of the Creator's Love the Love Which Believes the Resurrection Is Therefore an Answering

We Have the Spirit Driven Mission of the Church as Part of the Argument for Natural Theology That once We Recognize that Justice Spirituality Relationships Beauty Freedom Truth and Power Are Genuine Signals in Human Life as to Ultimate Meaning Then It Becomes Clear that in the Power of the Spirit the Mission of the Church Is To Work at all of those Simultaneously Not Resting Content with the Platonic Promise of a Disembodied Heaven or the Agnostic Delusion of Self-Discovery the Mission of God Thus Belongs Quite Properly as Part of Natural Theology

The Mission of the Church Is To Work at all of those Simultaneously Not Resting Content with the Platonic Promise of a Disembodied Heaven or the Agnostic Delusion of Self-Discovery the Mission of God Thus Belongs Quite Properly as Part of Natural Theology since It Addresses the Puzzled Awareness of all Humans Living within the World of Nature Itself So To Conclude I Do Not Believe

that One Can Straightforwardly Start with a Test Tube or a Telescope and Argue Your Way up to God but if the Test Tube and the Telescope Remind You To Look to the Larger World Including the World of History Including the Fact of Jesus

Lecture - N.T. Wright - How Paul Invented Christian Theology - Lecture - N.T. Wright - How Paul Invented Christian Theology by fleetwd1 378,815 views 9 years ago 1 hour, 16 minutes - Lecture, by N.T. Wright "How Paul Invented Christian Theology" Given 7pm - 9pm on Friday March 21, 2014 at The Lanier ...

The Jews did ask, "When is God coming back?"

What we find in Paul is a blend of Jewish narrative with quite fresh analysis.

Paul's worldview not what he looked at, but what he looked through, a grid of what he took for granted, a web of implicit narrative and cultural symbols.

What was the center of Paul's symbolic universe?

The main symbol of Paul's universe was the church itself, a united and holy community.

For Paul theology is a new challenge which comes in three stages.

A new sort of knowledge

A new sort of human beings

A new sort of task

Three Contemporary Reflections

A real challenge to contemporary systematic theology

A challenge to do with topics and themes

Theology is not an elite activity: it is an every-member occupation.
