

La V Nus Hottentote Entre Barnum Et Mus Um

[#Venus Hottentot](#) [#Saartjie Baartman](#) [#human exhibition history](#) [#colonial exploitation](#) [#19th century spectacle](#)

Delve into the poignant and complex history of the "Venus Hottentot," Saartjie Baartman, exploring her life caught between the sensational showmanship of figures like P.T. Barnum and the academic displays of early museums. This narrative sheds light on the ethical dilemmas of human exhibition, colonial exploitation, and the enduring legacy of racial objectification as a 19th-century spectacle.
