A Series of Unfortunate Events Collection: Books 10-13

NOW A NETFLIX ORIGINAL SERIES A Warning from the Publisher: If you have come this far, it is likely too late. Readers who have experienced the first nine volumes in A Series of Unfortunate Events by Lemony Snicket are usually so weakened by their dreadful knowledge of the Baudelaire orphans' story that they spend most of their time moaning and weeping, and have no strength to read The Slippery Slope, The Grim Grotto, The Penultimate Peril, or The End. If, by chance, your moaning and weeping is more or less under control, there is no need to further risk your physical, emotional, and literary health by reading the four remaining volumes in the series. It would be better to regain your strength by spending your time indulging in less alarming activities, such as whistling or making cupcakes for the elderly. After all, this collection contains all of the calamities in the last four volumes of A Series of Unfortunate Events, including abandoned condiments, cigarette smoking, a shocking revelation, a ridiculous laugh, a fearsome storm, a herd of wild sheep, a truly haunting secret about the Baudelaire parents, another shocking revelation, and Phil. There is no need to expose yourself to such atrocities, not after all you've been through already.

The Penultimate Peril

The Baudelaire orphans disguise themselves as employees of the Hotel Denoument and find themselves pursued by the evil Count Olaf and others.

On the run as suspected murderers, the unlucky Baudelaire orphans find themselves trapped in the Caligari Carnival, where they must masquerade as freaks in order to hide from the evil Count Olaf

The Bad Beginning

Be warned - to commiserate 25 years of misfortune and gloom, Lemony Snicket's publishers have taken the untold risk of creating brand new collectors' editions of *A Series of Unfortunate Events*, illustrated by the obscenely talented Emily Gravett. The temptation to buy a copy is severe indeed... Dear reader, You still have time to choose another international best-selling series to read. But if you insist on discovering the unpleasant adventures of the Baudelaire orphans, then proceed with caution... Violet, Klaus, and Sunny Baudelaire are intelligent children. They are charming, and resourceful, and have pleasant facial features. Unfortunately, they are exceptionally unlucky. In *The Bad Beginning*, the siblings encounter a greedy and repulsive villain, itchy clothing, a disastrous fire, a plot to steal their fortune and cold porridge for breakfast. In the tradition of great storytellers, from Dickens to Dahl, comes an exquisitely dark comedy that is irreverent, hilarious and deftly crafted. A Series of Unfortunate Events #3: The Wide Window

Dear Reader, If you have not read anything about the Baudelaire orphans, then before you read even one more sentence, you should know this: Violet, Klaus, and Sunny are kindhearted and quick-witted, but their lives, I am sorry to say, are filled with bad luck and misery. All of the stories about these three children are unhappy and wretched, and this one may be the worst of them all. If you haven't got the stomach for a story that includes a hurricane, a signalling device, hungry leeches, cold cucumber soup, a horrible villain, and a doll named Pretty Penny, then this book will probably fill you with despair. I will continue to record these tragic tales, for that is what I do. You, however, should decide for yourself whether you can possibly endure this miserable story. With all due respect, Lemony Snicket

Who Could That Be at This Hour?

Before the Baudelaires became orphans, before he encountered A Series of Unfortunate Events, even before the invention of Netflix, Lemony Snicket was a boy discovering the mysteries of the world. In a fading town, far from anyone he knew or trusted, a young Lemony Snicket began his apprenticeship in an organization nobody knows about. He started by asking questions that shouldn't have been on his mind. Now he has written an account that should not be published, in four volumes that shouldn't be read. This is the first volume.

King of the Mild Frontier

ALA Best Fiction for Young Adults * New York Public Library Books for the Teen Age A riveting, scorching—and hilarious—autobiography by the award-winning author of *Staying Fat for Sarah Byrnes* and *Deadline*. From trying to impress a member of the girls' softball team (with disastrous dental results) to enduring the humiliation of his high school athletic club initiation (olives and oysters play unforgettable roles), Chris Crutcher's memoir of the tricky road to adulthood is candid, disarming, laugh-out-loud funny, relevant, and never less than riveting. He vividly describes a temper that was always waiting to trip him up even as it sustained him through some of the most memorable mishaps any child has survived. And how did this guy (he lifted his brother's homework through the entire tenth grade) ever become a writer, not to mention the author of fourteen critically acclaimed books for young people? The frontier may be mild, but the book is not. Fans of Tara Westover's *Educated*, Jack Gantos's *Hole in My Life*, and Walter Dean Myers's *Bad Boy* will laugh, will cry, and will remember. "Funny, bittersweet and brutally honest. Readers will clasp this hard-to-put-down book to their hearts even as they laugh sympathetically."—Publishers Weekly (starred review)

The Reptile Room

The siblings endure a car accident, a terrible smell, a deadly serpent, a long knife, a brass reading lamp, and the re-appearance of a person they hoped to never see again.

A Series of Unfortunate Events #13 CD: The End

Dear Listener, You are presumably looking at the back of this audiobook, or the end of the end. I also shouldn't mention the features of the interactive CD, which include: Perplexing word games Photos from The Lemony Snicket Archives Art from The Brett Helquist gallery It has been my solemn occupation to complete the history of the Baudelaire orphans, and at last I am finished. You likely have some other occupation, so if I were you I would drop this audiobook at once, so the end does not finish you. With all due respect, Lemony Snicket

The Devil's Feather

A blistering new thriller about the horrors of war and the struggle to survive in the face of pure evil. Foreign correspondent Connie Burns is hunting a British mercenary that she believes is responsible for the rape and murder of five women in Sierra Leone in 2002. Two years later she finds him training Iraqi police in Baghdad. Connie is determined to expose his crimes, but then she is kidnapped and released after three days of unspeakable torture. Silently, she returns to England and attempts to isolate herself, but it soon becomes apparent that the horrors of the world and her own nightmarish past aren't so easy to escape from.

The Devil's Feather

From Sierra Leone to Baghdad to Dorset - a gripping story of lurking menace told with consummate style and pacing - the build-up of tension is palpable. When five women are brutally murdered in Sierra Leone, Reuters's correspondent, Connie Burns, questions the arrest of three rebel soldiers for the crimes. No one listens. In the wake of a vicious civil war which saw hundreds of thousands killed and displaced, the rape and murder of women is of little consequence. And who cares if child soldiers are beaten into a confession? With little to go on, except her witnessing of a savage attack on a prostitute, Connie believes a foreigner's responsible. A man who claims to have been in the SAS and works as a bodyguard to a Lebanese diamond trader. She remembers him from Kinshasa when he was a mercenary for Laurent Kabila's regime, and she suspects he uses the chaos of war to act out sadistic fantasies against women. Two years later in Iraq, the consequences of her second attempt to expose him are devastating. Terrified, degraded and destroyed, she goes into hiding in England and tries to rebuild the person she was before being subjected to three days of conditioning in a Baghdad cellar. In the process, she strikes up a friendship with Jess Derbyshire, a loner whose reclusive nature has alienated her from the rest of the Dorset community where she lives. Seeing parallels between herself and Jess, Connie borrows from the other woman's strength and makes the hazardous decision to attempt a third unmasking of a serial killer, knowing he will come looking for her...

The Devil's Feather

Buried secrets and gritty bravery, *The Devil's Feather* is the psychological thriller from crime queen Minette Walters. Have you ever wanted to bury a secret so deeply that no one will find out about it? With private security firms supplying bodyguards in every theatre of war, who will notice the emergence of a sexual psychopath from the ranks of the mercenaries? Reuters correspondent Connie Burns is no stranger to the world's troublespots, including the vicious civil unrest in Sierra Leone and the war in Iraq. But as she begins to suspect that a foreigner is using the chaos of war to act out sadistic fantasies against women, her efforts to bring him to justice leave her devastated. Degraded and terrified, she goes into hiding in England and strikes up a friendship with Jess Derbyshire, a loner whose reclusive nature may well be masking secrets of her own. Connie draws from the other woman's strength and makes the hazardous decision to attempt a third unmasking of a serial killer . . . Knowing he will come looking for her . . .

The Devil's Feather

With private security firms supplying bodyguards in every theatre of war, who will notice the emergence of a sexual psychopath from the ranks of the mercenaries? A gripping story of lurking menace told with all the hallmarks of Minette Walters' consummate style.

Disordered Minds

A thirty year old murder case and a possible wrongful conviction, *Disordered Minds* is the mystery thriller from crime queen Minette Walters. In 1970, Harold Stamp, a retarded twenty-year-old was convicted on disputed evidence and a retracted confession of brutally murdering his grandmother – the one person who understood and protected him. Less than three years later he is dead, driven to suicide by isolation and despair. A fate befitting a murderer, perhaps, but what if he were innocent? Thirty years on, Jonathan Hughes, an anthropologist specializing in social stereotyping, comes across the case by accident. He finds alarming disparities in the evidence and has little doubt that Stamp's conviction was a terrible miscarriage of justice. But how far is Hughes prepared to go in the search for justice? Is the forgotten story of one friendless young man compelling enough to make him leave his books and face his own demons? And with what result? If Stamp didn't murder Grace Jeffries then somebody else did . . . and sleeping dogs are best left alone . . .

The Chameleon's Shadow

A compelling look into damaged minds, *The Chameleon's Shadow* is a psychological thriller from crime queen Minette Walters. When Lieutenant Charles Acland is flown home from Iraq with serious head injuries, he faces not only permanent disfigurement but also an apparent change to his previously outgoing personality. Crippled by migraines, and suspicious of his psychiatrist, he begins to display sporadic bouts of aggression, particularly against women, especially his ex-fiancee who seems unable to accept that the relationship is over. After his injuries prevent his return to the army, he cuts all ties with his former life and moves to London. Alone and unmonitored, he sinks into a private world of guilt and paranoid distrust . . . until a customer annoys him in a Bermondsey pub and he attracts the attention of local police investigating three murders which appear to have been motivated by extreme rage . . . Under suspicion, Acland is forced to confront the real issues behind his isolation. How much control does he have over the dark side of his personality? Do his migraines contribute to his rages? Has he always been the duplicitous chameleon that his ex-fiancee claims? And why – if he hates women – does he look to a woman for help?

Chickenfeed

Short though this novella may be, it contains all the compressed tension and unsettling ambience that we find in Minette's wide repertoire -- a chicken farm can be a dangerous place....

Devil Water

A historical novel based on a true story of the Jacobite rebellion, from “a writer who has a special feeling for the dramatic” (Chicago Tribune). This fiercely beautiful novel tells the true story of Charles Radcliffe, a Catholic nobleman who joined the short-lived Jacobite rebellion of 1715, and of Jenny, his daughter by a secret marriage. Set in the Northumbrian wilds, teeming London, and colonial Virginia—where Jenny eventually settled on the estate of the famous William Byrd of Westover—Jenny's story reveals one young woman's loyalty, passion, and courage as she struggles in a life divided between the Old World and the New. “Miss Seton's narrative is richly buttressed with the results of scrupulous research on the personages and the period. Her sole purpose is to tell a rousing good tale plainly and simply and this she does admirably.” —New York Herald Tribune

The Dark Room

Shortlisted for the CWA Gold Dagger Award, *The Dark Room* is the psychological thriller from crime queen Minette Walters. Something else had happened . . . Something so terrible that she was too frightened to search her memory for it . . . The newspapers reported the case with relish. The Angel's Game

From master storyteller Carlos Ruiz Zafon, author of the international phenomenon *The Shadow of the Wind*, comes *The Angel's Game* — a dazzling new page-turner about the perilous nature of obsession, in literature and in love. The whole of Barcelona stretched out at my feet and I wanted to believe that when I opened those windows — my new windows — each evening its streets would whisper stories to me, secrets in my ear, that I could catch on paper and narrate to whomever cared to listen... In an abandoned mansion at the heart of Barcelona, a young man, David Martin, makes his living by writing sensationalist novels under a pseudonym. The survivor of a troubled childhood, he has taken refuge in the world of books and spends his nights spinning baroque tales about the city's underworld. But perhaps his dark imaginings are not as strange as they seem, for in a locked room deep within the house lie photographs and letters hinting at the mysterious death of the previous owner. Like a slow poison, the history of the place seeps into his bones as he struggles with an impossible love. Close to despair, David receives a letter from a reclusive French editor, Andreas Corelli, who makes him the offer of a lifetime. He is to write a book unlike anything that has ever existed — a book with the power to change hearts and minds. In return, he will receive a fortune, and perhaps more. But as David begins the work, he realizes that there is a connection between his haunting book and the shadows that surround his home. Once again, Zafon takes us into a dark, gothic universe first seen in *The Shadow of the Wind* and creates a breathtaking adventure of intrigue, romance, and tragedy. Through a dizzyingly constructed labyrinth of secrets, the magic of books, passion, and friendship blend into a masterful story.

The Librarian of Auschwitz

For readers of *The Tattooist of Auschwitz* and *The Choice*: this is the story of the smallest library in the world — and the most dangerous. 'It wasn't an extensive library. In fact, it consisted of eight books and some of them were in poor condition. But they were books. In this incredibly dark place, they were a reminder of less sombre times, when words rang out more loudly than machine guns...' Fourteen-year-old Dita is one of the many imprisoned by the Nazis at Auschwitz. Taken, along with her mother and father, from the Terezín ghetto in Prague, Dita is adjusting to the constant terror that is life in the camp. When Jewish leader Freddy Hirsch asks Dita to take charge of the eight precious books the prisoners have managed to smuggle past the guards, she agrees. And so Dita becomes the secret librarian of Auschwitz, responsible for the safekeeping of the small collection of titles, as well as the 'living books' — prisoners of Auschwitz who know certain books so well, they too can be 'borrowed' to educate the children in the camp. But books are extremely dangerous. They make people think. And nowhere are they more dangerous than in Block 31 of Auschwitz, the children's block, where the slightest transgression can result in execution, no matter how young the transgressor... The Sunday Times bestseller for readers of *The Boy in the Striped Pyjamas*, *The Tattooist of Auschwitz* and *The Choice*. Based on the incredible and moving true story of Dita Kraus, Holocaust survivor and secret librarian for the children's block in Auschwitz.

Promise at Dawn

A classic of modern French literature, the thrilling real-life story of the military hero, ambassador, ladies man, writer, and loving son I grew up longing for the day when I could tear down the veil of darkness and absurdity concealing the true face of the universe and discover at last a smile of kindness and wisdom; I grew up in the certitude that one day I should help my fellow men to wrest the world from our enemies and give back the earth to those who ennoble it with their courage and warm it with their love. *Promise at Dawn* begins as the story of a mother's sacrifice: alone and poor, she fights fiercely to give her son the very best. Romain Gary chronicles his childhood in Russia, Poland, and on the French Riviera; he recounts his adventurous life as a young man fighting for France in World War II. But above all he tells the story of the love for his mother that was his very life—their secret and private planet, their wonderland “born out of a mother's murmur into a child's ear, a promise whispered at dawn of future triumphs and greatness, of justice and love.”

Marina takes Óscar to a cemetery to watch a macabre ritual that occurs on the fourth Sunday of each month. At 10 a.m. precisely a coach pulled by black horses appears. From it descends a woman dressed in black, her face shrouded, wearing gloves, holding a single rose. She walks over to a gravestone that bears no name, only the mysterious emblem of a black butterfly with open wings. When Óscar and Marina decide to follow her they begin a journey that will take them to the heights of a forgotten, post-war Barcelona, a world of aristocrats and actresses, inventors and tycoons; and a dark secret that lies waiting in the mysterious labyrinth beneath the city streets. Carlos Ruiz Zafón was born in Barcelona and is the author of seven novels including *THE SHADOW OF THE WIND*. He is one of the world's most read and best-loved writers. His work has been translated into more than 40 languages and published around the world, garnering numerous international prizes and reaching millions of readers. He divides his time between Barcelona and Los Angeles.

Written over the course of four decades, Francois-Rene's epic autobiography has drawn the admiration of Baudelaire, Flaubert, Proust, Roland Barthes, Paul Auster, and W. G. Sebald. In this unabridged section of the *Memoirs*, spanning the years 1768 to 1800, Chateaubriand looks back on the already bygone world of his youth. He recounts the history of his aristocratic family and the first rumblings of the French Revolution. He recalls playing games on the beaches of Saint-Malo, wandering in the woods near his father's castle in Combourg, hunting with King Louis XVI at Versailles, witnessing the first heads carried on pikes through the streets of Paris, meeting with George Washington in Philadelphia, and falling hopelessly in love with a young woman named Charlotte in

the small Suffolk town of Bungay. The volume ends with Chateaubriand's return to France after eight years of exile in England. In this new edition (the first unabridged translation of any portion of the Memoirs to be published in more than a century), Chateaubriand emerges as a writer of great wit and clarity, a self-deprecating egoist whose meditations on the meaning of history, memory, and morality are leavened with a mixture of high whimsy and memorable gloom.

Memoirs from Beyond the Grave: 1768-1800

A first play from a celebrated Belgian author.

Human Rites

A thrilling mix of French noir and American Western that charts a family's struggle for freedom and justice in a hostile mountain community. In the godforsaken valley of the Black Rimstone, four siblings meet by the viaduct, a place of their own away from home and daily life, which hold so little for them: Mark, who reads in secret against his father's orders; Matthew, who understands the forest, the river, and all their creatures; Mabel, who wields her stunning beauty in pursuit of pleasure and independence; and Luke, so often pitied and dismissed as simpleminded, but whose fantastic dreams reveal an uncommon wisdom. Together they live as one, bound by an unshakable bond. Hanging over them, and the rest of the valley, is the bleak prospect of work in the power plant, constructed and controlled by the fearsome Joyce. Having arrived a stranger, he owned the entire town within ten years, and now keeps a stranglehold on it through money and violence. But after generations are used and spit out in service of one man's greed, there comes a breaking point. Winner of the Prix Jean Giono, this masterful, parable-like novel bears witness to the power of nature and the promise of rebellion.

Wind Drinkers

Picasso's artistic genius was clear from childhood. This outstanding book begins with the doves young Pablo painted with his father when he was only seven, then shows us his later passions for harlequins and street people, bulls and minotaurs, new ways of seeing and new ways of rendering life.

And Picasso Painted Guernica

This is a dramatic retelling of true events in the life of Francisco Boix, a Spanish press photographer and communist who fled to France at the beginning of World War II. But there, he found himself handed over by the French to the Nazis, who sent him to the notorious Mauthausen concentration camp, where he spent the war among thousands of other Spaniards and other prisoners. More than half of them would lose their lives there. Through an odd turn of events, Boix finds himself the confidant of an SS officer who is documenting prisoner deaths at the camp. Boix realizes that he has a chance to prove Nazi war crimes by stealing the negatives of these perverse photos—but only at the risk of his own life, that of a young Spanish boy he has sworn to protect, and, indeed, that of every prisoner in the camp.

The Photographer of Mauthausen

Perfect for fans of Harlan Coben and David Baldacci. '[Kellerman] has shaped the psychological mystery novel into an art form' - Los Angeles Times Book Review When Alex Delaware first saw Lauren Teague she was a sullen teenager with the usual problems: bad grades at school, moody, uncommunicative with her parents - which is why they thought she needed to see a psychologist. Then years later, a shock: at a bachelor party for a fellow doctor, Delaware finds himself uncomfortably watching two strippers going through a degrading display - and one of them is Lauren Teague. And now her mother is pleading for help once again: Lauren has disappeared - and she thinks Delaware can find her. He's not so sure - but when her disappearance turns into a murder investigation, he knows he owes it to the dead girl to find out what demons drove her to such a horrifying end... What readers are saying about *Flesh and Blood*: 'Fantastic, thrilling and pacey' 'Buy this now and become entranced into the world of Jonathan Kellerman' 'Five stars'

The Cock and Anchor

For the first time in nearly thirty years, FBI consultant Jake Cole returns to his childhood home in Long Island to look after his estranged and elderly father. But soon, Jake finds himself investigating a murder at the request of local sheriff Mike Hauser. A mother and her young son have been tortured and killed. For Jake this case becomes personal - he recognises the killer's signature as the one left on his own mother, brutally murdered over thirty years ago. Jake was just a child and her murder was never solved. Racing against time, Jake and Hauser are on the hunt to find this monster - a serial killer who skins his victims alive. Could the Bloodman of Jake's nightmares be back?

The Natchez

"A brainy noir . . . [a] winningly cryptic tale . . . a cabinet of wonders written by a novelist whose surname and sensibility fit comfortably on the shelf between Umberto Eco and John Fowles." —Los Angeles Times "One of the year's most literate and absorbing entertainments." —Kirkus Reviews Jon Fasman's dizzyingly plotted intellectual thriller suggests a marriage between Dan Brown and Donna Tartt. When reporter Paul Tamm is assigned to investigate the mysterious death of a reclusive academic, he finds himself pursuing leads that date back to the twelfth century and the theft of alchemical instruments from the geographer of the Sicilian court. Now someone is trying to retrieve them. Interspersed with the present action are the stories of the men and women who came to possess those charmed—and sometimes cursed—artifacts, which have powers that go well beyond the transmutation of lead into gold. Deftly combining history, magic, suspense, and romance—and as handsomely illustrated as an ancient incunabulum—The Geographer's Library is irresistible.

Marcel Proust (1871-1922) was a French novelist, and considered one of the finest writers of the 20th century. *Swann's Way* is one of his most celebrated works.

'Darling, this is Younes. Yesterday he was my nephew, today he is our son'. Younes' life is changed forever when his poverty-stricken parents surrender him to the care of his more affluent uncle. Re-named Jonas, he grows up in a colourful colonial Algerian town, and forges a unique friendship with a group of boys, an enduring bond that nothing - not even the Algerian Revolt - will shake. He meets Emilie - a beautiful, beguiling girl who captures the hearts of all who see her - and an epic love story is set in motion. Time and again Jonas is forced to choose between two worlds: Algerian or European; past or present; love or loyalty, and finally decide if he will surrender to fate or take control of his own destiny at last. AN INTERNATIONAL BESTSELLER.

The Geographer's Library

Daniel is raised as an invalid in isolation by his mother until the day she is removed to an asylum and Daniel is taken to live with the doctor's family. Soon Daniel begins to uncover secrets about his mother's dark family history, and a sinister doll seems to be at the centre of the mystery. First person recount. Suggested level: intermediate, secondary.

Swann's Way

Thirty years after the publication of the best-seller *Like Water for Chocolate* comes *Tita's Diary*, an intimate look at the life of the main character who embodies love, passion and the communication of emotions through food in early 20th Century Mexico. When Tita falls in love with Pedro, she is told that being the youngest of three sisters, she will never be allowed to marry as she will have to care for her mother. As the second part of a trilogy, *Tita's Diary* brings to light a secret that will allow readers to rediscover their own intimacy as they turn page after page of never-before-seen photos, hand-pressed flower arrangements, and recipes that were skipped in the original novel. It's the physical manifestation of Tita's dream: to share her thoughts on love, food and alchemy with the world. This touching tale will

plunge readers deep into the universe of *Like Water for Chocolate*, the captivating story that has known no borders.

What the Day Owes the Night

This novel begins with a funeral for a young mother: A good-looking girl, anyway, who with that coif of hers got to look rather like a nun as the years passed, and whom few of us were content to see lying between oak planks in her least worn dress, the black one she got into on Sundays, even when she couldn't go to Mass at Saint-Sulpice, and that smelled clean, with no odor (no smoke, sweat, animals, cabbage or milk) other than the soap they said came from Marseilles and which in the spring left big bluish trails in the stream. They resembled the Milky Way, which she had showed her son in the summer sky when he was very small. Ambitious and grandiose, Richard Millet's stunning novel announces his introduction to an English-speaking audience. Set in the villages and valleys of France's mountainous provinces, *The Glory of the Pythres* follows the fortunes-or rather, the colossal misfortunes-of the Pythres (pronounced as pitres, the French word for clowns or buffoons). Of peasant stock, "suspicious, taciturn, mulish, stubborn," the Pythres live a grim existence, locked up with their dead through long winters and passing on their problems like heirlooms to their children. They, like their neighbors, are Others, their culture passing away, their language barely comprehensible to other Frenchmen, their lives defined by tribal hatreds with motives that have long since vanished into history. The translation is no less ambitious than the novel itself. It captures this forgotten world in Millet's musical prose; it contrasts the strange patois of the villagers against "proper" French. Filled with finely observed characters and a breathtaking power of description, *The Glory of the Pythres* is a unique, powerful work of art.

The Devil Walks

The abandoned daughter of Pablo Neruda speaks through "incandescent poetic prose full of magical realism, biographical details and psychological insight."

Tita's Diary

The young Julien Parme is in love with Mathilde, and is intent on telling her so. But when Julien is forced to stay at home the night he plans to tell her, and worse, when the news of his mother's decision to re-marry is cruelly passed on to him as hear-say, he decides to leave his home to become a writer. But first he must find Mathilde.

The Glory of the Pythres

An "oddball fairy tale" (*The New York Times*)—shortlisted for one of France's highest literary prizes—a dark, funny, and wholly charming novel about a young boy and his eccentric family, who grapple with the realities of mental illness in unique and whimsical ways. A young boy lives with his madcap parents, Louise and George, and an exotic bird in a Parisian apartment, where the unopened mail rises in a tower by the door and his parents dance each night to Nina Simone's mellifluous classic "Mister Bojangles." As his mother, mesmerizing and unpredictable, descends deeper into her own mind, it is up to the boy and his father to keep her safe—and, when that fails, happy. Fleeing Paris for a country home in Spain, they come to understand that some of the most radiant people bear the heaviest burdens. Told from the perspective of a young boy who idolizes his parents—and from George's journals, detailing his epic love story with his wife—*Waiting for Bojangles* is a "lighthearted and yet sorrowful tale" (*San Francisco Chronicle*) that will stay with you long after the final page.

Soar into a breathtaking world of heroes and unicorns as you've never seen them before in this fantastical middle grade debut perfect for fans of the Percy Jackson and Eragon series! Skandar Smith has always yearned to leave the Mainland and escape to the secretive Island, where wild unicorns roam free. He's spent years studying for his Hatchery exam, the annual test that selects a handful of Mainlander thirteen-year-olds to train to become unicorn riders. But on the day of Skandar's exam, things go horribly wrong, and his hopes are shattered...until a mysterious figure knocks on his door at midnight, bearing a message: the Island is in peril and Skandar must answer its call. Skandar is thrust into a world of epic sky battles, dangerous clashes with wild unicorns, and rumors of a shadowy villain amassing a unicorn army. And the closer Skandar grows to his newfound friends and community of

riders, the harder it becomes to keep his secrets—especially when he discovers their lives may all be in graver danger than he ever imagined.

Julien Parme. Florian Zeller

In this #1 international bestseller, a young woman leaves everything behind to work as a librarian in a remote French village, where she finds her outlook on life and love challenged in every way. Prudencia Prim is a young woman of intelligence and achievement, with a deep knowledge of literature and several letters after her name. But when she accepts the post of private librarian in the village of San Ireneo de Arnois, she is unprepared for what she encounters there. Her employer, a book-loving intellectual, is dashing yet contrarian, always ready with a critique of her cherished Jane Austen and Louisa May Alcott. The neighbors, too, are capable of charm and eccentricity in equal measure, determined as they are to preserve their singular little community from the modern world outside. Prudencia hoped for friendship in San Ireneo but she didn't suspect that she might find love—nor that the course of her new life would run quite so rocky or would offer challenge and heartache as well as joy, discovery, and fireside debate. Set against a backdrop of steaming cups of tea, freshly baked cakes, and lovely company, *The Awakening of Miss Prim* is a distinctive and delightfully entertaining tale of literature, philosophy, and the search for happiness.

Waiting for Bojangles

When a young Algerian named Meursault kills a man, his subsequent imprisonment and trial are puzzling and absurd. The apparently amoral Meursault—who puts little stock in ideas like love and God—seems to be on trial less for his murderous actions, and more for what the authorities believe is his deficient character.

Skandar and the Unicorn Thief

A mesmerising story of a secret society and a labyrinthine railway station with a dark past. The book begins with a chase through the streets of Calcutta in May 1916. Lieutenant Peake pauses for breath outside the ruins of the Jheeter's Gate station knowing that he only has a few hours to live. Inside his overcoat he is sheltering two newborn babies - twins, a boy and a girl. Peake entrusts them to Aryami Bose. Sixteen years later we meet the boy, Ben, and his friends. They have formed a secret club, The Chowbar Society, which meets each week at midnight in the old ruin they have christened The Midnight Palace. Then Aryami Bose turns up with Sheere, Ben's sister, and tells them the story of the parents they never knew. Their father was an engineer and writer who died in tragic circumstances at the inauguration of Jheeter's Gate station. But as the novel unfolds, there is more to their history than meets the eye and they are lured by a shadowy figure from the past into a final showdown in the ruins.

The Awakening of Miss Prim

Imagine that some people have the power to affect your thoughts and feelings when you read, or they read a book to you. They can seduce you with amazing stories, conjure up vividly imagined worlds, but also manipulate you into thinking exactly what they want you to. When Luca Campelli dies a sudden and violent death, his son Jon inherits his second-hand bookshop, Libri di Luca, in Copenhagen. Jon has not seen his father for twenty years since the mysterious death of his mother. When Luca's death is followed by an arson attempt on the shop, Jon is forced to explore his family's past. Unbeknown to Jon, the bookshop has for years been hiding a remarkable secret. It is the meeting place of a society of booklovers and readers, who have maintained a tradition of immense power passed down from the days of the great library of ancient Alexandria. Now someone is trying to destroy them, and Jon finds himself in a fight for his life and those of his new friends.

The Outsider

In 1943 Max Carver's father - a watchmaker and inventor - decides to move his family to a small town on the Atlantic coast. But as soon as they arrive, strange things begin to happen. Max discovers an overgrown garden surrounded by a metal fence topped with a six-pointed star. When he goes to investigate, Max finds statues like a circus troupe fill the garden. In the centre is a clown set in another six-pointed star. Max has the curious sensation that the statue is beckoning to him. The family grows increasingly uneasy when they discover a box of old films, his sister Alicia has unsettling dreams, while

little Irina hears voices whispering to her from an old wardrobe. But Max spends most of his time with his new friend Roland, who takes him diving to the wreck of a boat that sank close to the coast in a terrible storm. Everyone on board perished except for one man - an engineer who built the lighthouse at the end of the beach. During the dive, Max sees something that leaves him cold - on the mast floats a tattered flag and on it is the symbol of the circle and six-pointed star. As they learn more about the wreck, the chilling story of a legendary figure called the Prince of Mist begins to emerge...

The Midnight Palace

Les Fleurs du mal is a volume of French poetry by Charles Baudelaire. First published in 1857, it was important in the symbolist and modernist movements. The poems deal with themes relating to decadence and eroticism.

The Library of Shadows

Robyn Young is a compelling voice in historical fiction, writing in the tradition of Bernard Cornwell, Conn Iggulden and Manda Scott. This is the epic second novel in the million-selling Brethren trilogy. It is 1274 and in the fortified city of Acre, the last major stronghold of the Crusaders in Palestine, an epic conflict is beginning. Will Campbell is a Templar Knight, trained for war, but as a member of the mysterious group known as the Brethren, he is also a man of peace. After years of bloodshed the Brethren have helped create a truce between the Christians and Muslims. But there are those on both side for whom peace is not an option. As war looms, Will is torn between his oath as a Templar, his secret role in the Brethren and his duty to Elwen, the woman he loves but is forbidden to marry.
