The vote for Breed Law is coming down the pike. Kiowa's job is to watch Amanda, the President's daughter. Look but not touch. Just make sure the Goof Troop, the Secret Service detail assigned to protect her, does their job until the law is passed. For a man who's had nothing, Amanda Marion is food for the hunger that has tortured him, the reality to every dream Kiowa never dared believe in. What he feels for her is more than heat, more than love. She breathes life into his hardened heart, melting the icy chill that has protected him all his life, and touches a part of him that he thought had died. His soul. And now he'll kill anyone who tries to take her away from him. But the one person he can't fight is Amanda, and when she wants to leave...

Rule Breaker

There's a fine line between animal instinct and human desire—and in her “highly erotic saga” (Fresh Fiction), #1 New York Times bestselling author Lora Leigh crosses it. Now, in her new novel of the Breeds, the mating heat continues... Lion Breed and enforcer Rule Breaker has just a few rules he doesn't break. Not for anything. Not for anyone—like never have sex with a woman outside his own breed, especially a human woman. Especially someone too helpless, too fun loving and too full of life to ever be able to protect herself, let alone help him to protect her. If the damned animal inside him insists on a mate, then why pick her? A woman who is an easy target and who can be used as a weapon against him at any time. But what he suspects is mating heat may not be that at all. Just his animal instincts rioting, pacing, irritated whenever he's away from her. Okay, he can handle that. What ensues is a fiery affair that breaks all the rules of mating heat and will eventually endanger his mate with the very rules designed to protect the Breeds—for she's possibly been working against them...

This early work by Radclyffe Hall was originally published in 1928 and we are now republishing it with a brand new introductory biography. 'The Well of Loneliness' is a novel that follows an upper-class Englishwoman who falls in love with another woman while serving as an ambulance driver in World War I. Marguerite Radclyffe Hall was born on 12th August 1880, in Bournemouth, England. Hall's first novel *The Unlit Lamp* (1924) was a lengthy and grim tale that proved hard to sell. It was only published following the success of the much lighter social comedy *The Forge* (1924), which made the best-seller list of John O'London's Weekly. Hall is a key figure in lesbian literature for her novel *The Well of Loneliness* (1928). This is her only work with overt lesbian themes and tells the story of the life of a masculine lesbian named Stephen Gordon.
