#### Beneath the Attic

"I will probably be clutching *Flowers in the Attic*...on my deathbed." —Gillian Flynn, #1 New York Times bestselling author of *Gone Girl* Forbidden passions have shaped and haunted the Dollanganger family since their first novel—*Flowers in the Attic*—debuted forty years ago. Now discover how twisted the roots of the family tree truly are, and witness the family's origins as the result of one wild and complicated relationship. In this evocative and thrilling tale from New York Times bestselling author V.C. Andrews, see Corrine Dixon as a young girl and discover the fascinating family history of the Dollanganger clan. Two generations before Corinne Foxworth locked her children in an attic, her grandmother, a gorgeous young girl named Corrine Dixon, is swept away by the charms of rich, sophisticated, and handsome Garland Foxworth. After discovering that Corrine is pregnant, Garland does what appears to be the honorable thing and marries her in a huge ceremony on the luxurious Foxworth Hall grounds. Both families fervently overlook the pregnancy, happy for a suitable resolution. Now the mistress of a labyrinthine estate, Corrine discovers that nothing is what it seems. Garland is not the man once captivated by her charms, and she's increasingly troubled by his infatuation with memories of his departed mother. Can Corrine survive this strange new life? Or is her fate already sealed? Explore the origins of the legendary Dollanganger family in this page-turning, gripping gothic thriller.

#### Out of the Attic

"I will probably be clutching *Flowers in the Attic* in my gnarled hands on my deathbed." —GILLIAN FLYNN, #1 New York Times bestselling author of *Sharp Objects* The twisted, beloved Dollanganger legend began two generations before Corrine Foxworth locked away her children in *Flowers in the Attic*. The second book in a new prequel story arc, *Out of the Attic* explores the Dollanganger family saga by traveling back decades to when the clan's wicked destiny first took root. Married to the handsome, wealthy Garland Foxworth following a wildfire romance, and an unexpected pregnancy, young Corrine Dixon finds her life very different from how she imagined it. Often alone in the mansion of Foxworth Hall, she can practically feel the ancestors' judgment of her as insufficient—as not a Foxworth. Stern portraits glare at her from the walls, and the servants treat her strangely. Nothing in the vast place is truly hers. Even her son, Malcolm Foxworth, born in the luxe Swan Room and instantly whisked away to a wet nurse, feels alien to her. With a husband alternately absent and possessively close, Corrine doesn't yet realize that she's barely scratched the surface of what lies beneath Foxworth Hall's dark facade and the family that guards its legacies. With the fortieth anniversary celebration of *Flowers in the Attic*, and ten new Lifetime movies in the past five years, there has never been a better time to experience the forbidden world of V.C. Andrews.

The forbidden love that blossomed when Cathy and Christopher were held captive in Foxworth Hall is one the Dollanganger family's darkest secrets. Now, with three grown children and even a new last name, the pair seem to have outlived a twisted legacy. But on their son Bart's twenty-fifth birthday, when the spiteful and disturbed young man claims his rightful inheritance, the full, shattering truth of their tainted past will be revealed at Foxworth Hall—the place where the nightmare began, and where Christopher and Cathy were once just innocent flowers in the attic...

#### Petals on the Wind

Experience in this new format the original story that captured the world's imagination and earned V.C. Andrews a fiercely devoted readership. At the top of the stairs there are four secrets hidden. Blond, beautiful, innocent, and struggling to stay alive . . . They were a perfect family, golden and carefree—until a heartbreaking tragedy shattered their happiness. Now, for the sake of an inheritance that will ensure their future, the children must be hidden away out of sight, as if they never existed. Kept on the top floor of their grandmother's vast mansion, their loving mother assures them it will be just for a little while. But as brutal days swell into agonizing months and years, Cathy, Chris, and twins Cory and Carrie, realize their survival is at the mercy of their cruel and superstitious grandmother . . . and this cramped and helpless world may be the only one they ever know. Book One of the Dollanganger series, the sequels include *Petals in the Wind*, *If There Be Thorns*, *Seeds of Yesterday*, and *Garden of Shadows*. #### Seeds of Yesterday

Now a major Lifetime movie event—Book Four of the Dollanganger series that began with *Flowers in the Attic*—the novel of forbidden love that captured the world's imagination and earned V.C. Andrews a fiercely devoted fanbase. They escaped their mother's hellish trap years ago, but a cruel history of lies and deceit has come full circle... The forbidden love that blossomed when Cathy and Christopher were held captive in Foxworth Hall is one the Dollanganger family's darkest secrets. Now, with three grown children and even a new last name, the pair seem to have outlived a twisted legacy. But on their son Bart's twenty-fifth birthday, when the spiteful and disturbed young man claims his rightful inheritance, the full, shattering truth of their tainted past will be revealed at Foxworth Hall—the place where the nightmare began, and where Christopher and Cathy were once just innocent flowers in the attic...

#### Christopher's Diary: Echoes of Dollanganger

Picking up where *Christopher's Diary: Secrets of Foxworth* leaves off, Kristin Masterwood and her boyfriend up the ante—by going into her attic to re-enact scenes described in Christopher Dollanganger's journal. Jealousy, tragedy, survival, and revenge—the discovery of Christopher's diary in the ruins of Foxworth Hall brings new secrets of the Dollanganger family to light and obsesses a new generation. With *Flowers in the Attic* and *Petals on the Wind* both now major Lifetime TV events, the first new Dollanganger stories in nearly thirty years is a timely look at the events in the attic—from teenage Christopher's point of view. Christopher Dollanganger was fourteen when he and his younger siblings—Cathy and the twins, Cory and Carrie—were locked away in the attic of Foxworth Hall, prisoners of their mother's greedy inheritance scheme. For three long years he kept hope alive for the sake of the others. But the shocking truth about how their ordeal affected him was always kept hidden—until now. Seventeen-year-old Kristin Masterwood is thrilled when her father's construction company is hired to inspect the Foxworth property for a prospective buyer. The once grand Southern mansion still sparks legends and half-truths about the four innocent Dollanganger children, even all these decades later. Foxworth holds a special fascination for Kristin, who was too young when her mother died to learn much about her distant blood tie to the notorious family. Accompanying her dad to the “forbidden territory,” they find a leather-bound book, its yellowed pages filled with the neat script

of Christopher Dollanganger himself. Her father grows increasingly uneasy about her reading it, but as she devours the teen's story page by page, his shattering account of temptation, heartache, courage, and betrayal overtakes Kristin's every thought. And soon her obsession with the doomed boy crosses a dangerous line...

Andrews—featuring family photos, personal letters, a partial manuscript for an unpublished novel, and more. Best known for her internationally, multi-million-copy bestselling novel *Flowers in the Attic*, Cleo Virginia Andrews lived a fascinating life. Born to modest means, she came of age in the American South during the Great Depression and faced a series of increasingly challenging health issues. Yet, once she rose to international literary fame, she prided herself on her intense privacy. Now, *The Woman Beyond the Attic* aims to connect her personal life with the public novels for which she was famous. Based on Virginia's own letters, and interviews with her dearest family members, her long-term ghostwriter Andrew Neiderman tells Virginia's full story for the first time. Perfect for anyone hoping to learn more about the enigmatic woman behind one of the most important novels of the 20th century, *The Woman Beyond the Attic* will have you "transfixed" (Publishers Weekly) from the first page.
