Baabwaa and Wooliam

A hilarious and satisfying tale of literacy, dental hygiene, and friendship from David Elliott and Melissa Sweet that is sure to have readers in stitches from start to finish. Baabwaa is a sheep who loves to knit. Wooliam is a sheep who loves to read. It sounds a bit boring, but they like it. Then, quite unexpectedly, a third sheep shows up. A funny-looking sheep who wears a tattered wool coat and has long, dreadfully decaying teeth. Wooliam, being well-read, recognizes their new acquaintance: the Wolf in Sheep's Clothing! The wolf is so flattered to discover his literary reputation precedes him that he stops trying to eat Baabwaa and Wooliam. And a discovery by the sheep turns the encounter into an unexpected friendship.

"David Elliott explores how Joan of Arc changed the course of history and remains a figure of fascination centuries after her extraordinary life and death in a fiery, evocative novel-in-verse."--Provided by publisher.

In the Woods

A New York Times best-selling author shares his love for woodland animals in a revealing, beautifully illustrated collection of verse for poetry lovers and budding naturalists. The animals in the dark woods

are secretive, their inner lives a mystery. The stealthy bobcat, the inquisitive raccoon, and the dignified bear waking up from his winter nap are just a few of the glorious animals featured in this clever collection of poems and woodland scenes. This companion to *In the Sea*, *In the Wild*, and *On the Farm* is the first collaboration between David Elliott and Rob Dunlavey, whose colorful, expressive art pairs with the author's charming poems to create a love letter to the animals of the forest.

On the Farm

"This handsome poetry collection feels as hearty and comforting as a bowl of sugared porridge. . . . Children will delight in the fun and beauty." — Booklist (starred review) From the bull to the barn cat to the wild bunny, the farmyard bustles with life. The rooster crows, the rams clash, the bees buzz, and over there in the garden, a snake — silent and alone — winds and watches. David Elliott's graceful, simple verse and Holly Meade's exquisite woodcut and watercolor illustrations capture a world that is at once timeless yet disappearing from view — the world of the family farm.

On the Wing

David Elliott's witty verse takes flight with gorgeous illustrations in an enchanting look at fifteen avian species for birders of all ages. Take to the sky to explore a glorious array of all things avian, from the tiny, restless hummingbird to the inscrutable horned owl to the majestic bald eagle. David Elliott and Becca Stadtlander bestow a sense of wonder onto such common birdfeeder visitors as the sparrow, the crow, and the cardinal and capture the exotic beauty of far-flung fowl like the Andean condor, the Australian pelican, and the Caribbean flamingo. Concise, clever verse from an award-winning author pairs with striking artwork from a debut illustrator to make this a true pleasure for anyone who loves birds.

"SOME PIG," Charlotte the spider's praise for Wilbur, is just one fondly remembered snippet from E.B. White's *Charlotte's Web*. In *Some Writer!*, the two-time Caldecott Honor winner Melissa Sweet mixes White's personal letters, photos, and family ephemera with her own exquisite artwork to tell his story, from his birth in 1899 to his death in 1985. As a young man, he found himself under the tutelage of a professional body builder. Friedrich worked and worked. He changed his name to Eugen Sandow and he got bigger and stronger. Everyone wanted to become “as strong as Sandow.” Inspired by his own experiences body-building, Don Tate tells the story of how Eugen Sandow changed the way people think about strength and exercise and made it a part of everyday life. Backmatter includes more information about Sandow, suggestions for exercise, an author’s note, and a bibliography.

Nerdy Birdy likes reading, video games, and reading about video games, which immediately disqualifies him for membership in the cool crowd. He has friends and discovers that there are far more nerdy birdies than cool birdies in the sky.

"Mom, are you sure the wolf will not come?" "Absolutely, my rabbit." "But how can you be so sure?" This clever story disarms childhood bedtime anxieties in an unexpected way. A small rabbit getting ready for bed questions his mother on how she can be so sure that the wolf will not come to their house. Meanwhile, on the opposite page, we follow the progress of the wolf indeed creeping closer and closer to them, foiling the mother's reassurances one by one. In a delightful twist, the rabbit's fears are defused and all ends well. The irresistible drawings and surprise ending put nighttime anxieties in light-hearted perspective.

The Wolf Will Not Come

'Debi Gliori is amazing. Her pictures offer people an insight into depression that words often struggle to reach. She makes visible the invisible. And I for one want to thank her for that.' - Matt Haig, bestselling author of *Reasons to Stay Alive* A groundbreaking picture book on depression with stunning illustrations. With stunning black and white illustration and deceptively simple text, author and illustrator Debi Gliori examines how depression affects one's whole outlook upon life, and shows that there can be an escape - it may not be easy to find, but it is there. Drawn from Debi's own experiences and with a moving testimony at the end of the book explaining how depression has affected her and how she continues to cope, Debi hopes that by sharing her own experience she can help others who suffer from depression, and to find that subtle shift that will show the way out. 'I have used dragons to represent depression. This is partly because of their legendary ability to turn a once fertile realm into a blackened, smoking ruin and partly because popular mythology shows them as monstrous opponents with a tendency to pick fights with smaller creatures. I'm not particularly brave or resourceful, and after so many years battling my beasts, I have to admit to a certain weariness, but I will arm-wrestle dragons for eternity if it means that I can help anyone going through a similar struggle.'

Kirby "Zig" Zigonski lives for the world of simple circuits, light bulbs, buzzers, and motors. Electronics are, after all, much more predictable than most people--especially his father, who he hasn't seen in over a year. When his dad's latest visit is canceled with no explanation and his mom seems to be hiding something, Zig turns to his best friend Gianna and a new gizmo--a garage sale GPS unit--for help. Convinced that his dad is leaving clues around town to explain his absence, Zig sets out to find him. Following one clue after another, logging mile after mile, Zig soon discovers that people aren't always what they seem . . . and sometimes, there's more than one set of coordinates for home.

It's been almost a year since Sila's mum travelled halfway around the world to Turkey, hoping to secure the immigration paperwork that would allow her to return to her family in the United States. The long separation is almost impossible for Sila to bear. But things change when Sila accompanies her father (who is a mechanic) outside their Oregon town to fix a truck. There, behind an enormous stone wall, she meets a grandfatherly man who only months before won the state lottery. Their new alliance leads to the rescue of a circus elephant named Veda, and then to a friendship with a unique boy named Mateo, proving that comfort and hope come in the most unlikely of places. A moving story of family separation and the importance of the connection between animals and humans, this novel has the enormous heart and uplifting humour that readers have come to expect from the beloved author of *Counting by 7s*.

"Beep Beep Sheep in a jeep on a hill that s steep." "Sheep in a Jeep" is well-loved by the preschool and early-reader sets for its slapstick story of five sheep (in a jeep) and silly sound effects especially when the jeep goes splash and thud in the mud Nancy Shaw s rollicking rhymes are Seuss-snappy, and Margot Apple s appealing pencil illustrations are expressive and hilarious. Shear delight. Don t miss Shaw and Apple s other sheep-heaped titles: "Sheep in a Shop," "Sheep on a Ship," "Sheep Out to Eat," "Sheep Trick or Treat," "Sheep Blast Off," and "Sheep Take a Hike." "

Poor Louie! Life is perfect for this pup until Mom's belly starts getting bigger. . . . A funny and touching tale for big siblings from the illustrator of the Bink and Gollie series. Louie's life is great! A walk on the leash every morning, ice cream on Sundays, snuggling in bed at night with Mom and Dad. Even the playdates with Mom's friends — despite their little crawling creatures who pull Louie's ears — aren't all that bad. But then things get weird: cold food on the floor, no room in the bed, and lots of new stuff coming into the house in pairs — two small beds, two little sweaters, two seats in the stroller. Does that bode double trouble ahead, or could there be a happier surprise in store for Louie? With perfect visual pacing, Tony Fucile takes a familiar story and gives it a comic spin.

Poor Louie

This gorgeous and empowering picture book from award-winning author-illustrator Evan Turk paints the portrait of Marietta Barovier, the groundbreaking Renaissance artisan who helped shape the future of Venetian glassmaking. Marietta and her family lived on the island of Murano, near Venice, as all glassmakers did in the early Renaissance. Her father, Angelo Barovier, was a true maestro, a master of glass. Marietta longed to create gorgeous glass too, but glass was men's work. One day her father showed her how to shape the scalding-hot material into a work of art, and Marietta was mesmerized. Her skills grew and grew. Marietta worked until she created her own unique glass bead: the rosetta. Small but precious, the beautiful beads grew popular around the world and became as valuable as gold. The young girl who was once told she could not create art was now the woman who would leave her mark on glasswork for centuries to come.

"A sunny, smart, tongue-in-cheek tale." --The New York Times Book Review "Sweet and affirming." --Kirkus Reviews When the local Pet Club won't admit a boy's tiny pet elephant, he finds a solution--one that involves all kinds of unusual animals in this sweet and adorable picture book. Today is Pet Club day. There will be cats and dogs and fish, but strictly no elephants are allowed. The Pet Club doesn't understand that pets come in all shapes and sizes, just like friends. Now it is time for a boy and his tiny pet elephant to show them what it means to be a true friend. Imaginative and lyrical, this sweet story captures the magic of friendship and the joy of having a pet.

Celebrated artist and lead character designer of *Brave*, *Ratatouille*, and *Despicable Me*, Carter Goodrich, shows that sometimes, even the prickliest people—or the crankiest cacti—need a little love. Hank is the prickliest cactus in the entire world. He sits in a pot in a window that faces the empty desert, which is just how he likes it. So, when all manner of creatures—from tumbleweed to lizard to owl—come to disturb his peace, Hank is annoyed. He doesn't like noise, he doesn't like rowdiness, and definitely does not like hugs. But the thing is, no one is offering one. Who would want to hug a plant so mean? Hank is beginning to discover that being alone can be, well, lonely. So he comes up with a plan to get the one thing he thought he would never need: a hug from a friend.

2015 Caldecott Honor Book 2015 Sibert Medal Winner For shy young Peter Mark Roget, books were the best companions -- and it wasn't long before Peter began writing his own book. But he didn't write stories; he wrote lists. Peter took his love for words and turned it to organizing ideas and finding exactly the right word to express just what he thought. His lists grew and grew, eventually turning into one of the most important reference books of all time. Readers of all ages will marvel at Roget's life, depicted through lyrical text and brilliantly detailed illustrations. This elegant book celebrates the joy of learning and the power of words.

The Right Word

A lyrically told, exquisitely illustrated biography of influential Jewish artist and activist Ben Shahn “The first thing I can remember,” Ben said, “I drew.” As an observant child growing up in Lithuania, Ben Shahn yearns to draw everything he sees—and, after seeing his father banished by the Czar for demanding workers’ rights, he develops a keen sense of justice, too. So when Ben and the rest of his family make their way to America, Ben brings both his sharp artistic eye and his desire to fight for what’s right. As he grows, he speaks for justice through his art—by disarming classmates who bully him because he’s Jewish, by defying his teachers’ insistence that he paint beautiful landscapes rather than true stories, by urging the US government to pass Depression-era laws to help people find food and jobs. In this moving and timely portrait, award-winning author Cynthia Levinson and illustrator Evan Turk honor an artist, immigrant, and activist whose work still resonates today: a true painter for the people.

The People's Painter

"A sweet story that could be used as a springboard to discussion of the pitfalls of making snap judgments about pets — or people." — School Library Journal Norman the goldfish isn't what this little boy had in mind. He wanted a different kind of pet — one that could run and catch, or chase string and climb trees, a soft furry pet to sleep on his bed at night. Definitely not Norman. But when he tries to trade Norman for a "good pet," things don't go as he planned. Could it be that Norman is a better pet than he thought? With wry humor and lighthearted affection, author Kelly Bennett and illustrator Noah Z. Jones tell an unexpected — and positively fishy — tale about finding the good in something you didn't know you wanted.

Not Norman

This is a story about an old teddy bear that was once loved very much. But the teddy bear is not played with anymore. He just sits on a shelf, alone and waiting to be thrown away. So in his mind he writes a letter to Santa Claus to make him look new and put him back under the Christmas tree. This is a great bedtime story to read to a child. And it is a wonderful book for children who can read it themselves.

A Teddy Bear's Letter to Santa

Thank You Bear

Every December an envelope bearing a stamp from the North Pole would arrive for J.R.R. Tolkien's children. Inside would be a letter in a strange, spidery handwriting and a beautiful colored drawing or painting. The letters were from Father Christmas. They told wonderful tales of life at the North Pole: how the reindeer got loose and scattered presents all over the place; how the accident-prone North Polar Bear climbed the North Pole and fell through the roof of Father Christmas's house into the dining room; how he broke the Moon into four pieces and made the Man in it fall into the back garden; how there were wars with the troublesome horde of goblins who lived in the caves beneath the house, and many more. No reader, young or old, can fail to be charmed by Tolkien's inventiveness in this classic holiday treat.

Children will be awed to learn of legendary creatures reportedly sighted in British Columbia, such as the serpent-like lake demon called Ogopogo and the big-footed beast known as Sasquatch. They will also learn of Canada's Iceman, an ancient hunter whose body and clothing were nearly perfectly preserved in a glacier for more than 550 years. Capturing the essence of the richly varied regions and islands of British Columbia, S is for Spirit Bear takes children on a journey they will never forget.

' Both adults and children find I HATE MY TEDDY BEAR rewarding on different levels and it will give hours of pleasure.

"One of the brightest stars on the picture book scene" FINANCIAL TIMES "Enjoyable as much for the witty innocence of the pictures as the barking-mad originality of the prose" INDEPENDENT A delicious new treat from the creator of Egg Drop, The Pea and the Princess (Shortlisted for the Kate Greenaway Medal) and Traction Man is Here

Bear in a Square

The true story of a Jewish boy in hiding during World War II, as told by his teddy bear. I felt Fred's small hand grab me. He patted me and whispered, "Bear, I won't leave you here all by yourself. You are my best friend." Based on true events and beautifully illustrated, this is the story of a friendship that will last forever--told by Fred's best friend, his beloved teddy bear. During World War II, Fred must leave his home and live in hiding, apart from the rest of his family, but he always keeps Bear by his side. Bear knows it's his job to take care of Fred and make sure he doesn't feel alone. After the war, Fred and his family are reunited and leave Holland for the United States. And still Bear is with him. When Fred grows up, he and Bear part for the first time when Bear is sent to Yad Vashem--the World Holocaust Remembrance Center in Israel, where this book was first published--to show the power of hope, friendship, and love.

Biscuit Bear

Otto is a Book Bear and nothing makes him happier than when people read his book. But he also has a very special secret - when no one is looking he can come to life and explore the house. Otto must set off on his biggest adventure yet - to find a new home. But where is the best place for a Book Bear to live?

Bear and Fred

Unabridged and illustrated in glorious full-colour throughout, this exquisite gift edition of the original story of everyone's favourite bear, Paddington, is truly to be treasured! Paddington is now a major movie star. "A bear? On Paddington station?" Mrs Brown looked at her husband in amazement. "Don't be silly, Henry. There can't be!" Paddington Bear had travelled all the way from Darkest Peru when the Brown family first met him on Paddington station. Since then their lives have never been quite the same... for ordinary things become quite extraordinary when a bear called Paddington is involved.

Otto the Book Bear

Someone tickled me behind my ears, under my arms. I curled up, became a full moon, and rolled on the floor. I may also have emitted a few hoarse shrieks. Then I lifted my rump to the sky and tucked my head beneath my belly: Now I was a sickle moon, still too young to imagine any danger. Innocent, I opened my anus to the cosmos and felt it in my bowels. A bear, born and raised in captivity, is devastated by the loss of his keeper; another finds herself performing in the circus; a third sits down one day and pens a memoir which becomes an international sensation, and causes her to flee her home. Through the stories of these three bears, Tawada reflects on our own humanity, the ways in which we belong to one another and the ways in which we are formed. Delicate and surreal, *Memoirs of a Polar Bear* takes the reader into foreign bodies and foreign climes, and immerses us in what the New Yorker has called 'Yoko Tawada's magnificent strangeness'.

A Bear Called Paddington [Anniversary Edition]

With black button eyes, a little black nose, and a blue ribbon around his neck, Teddy looks a lot like the other teddy bears who are waiting in Santa's workshop for their new homes. But instead of being black, brown, or white like most bears, Teddy is the one and only purple bear.
