Summary of Dan S. Kennedy's The Ultimate Sales Letter, 4th Edition

Please note: This is a companion version & not the original book. Sample Book Insights: #1 The old adage says that you can't understand someone else's situation unless you've walked a mile in his shoes. This is a good adage for entrepreneurs to remember, as they try to understand the situation of their customers, clients, and employees. #2 Out of touch with your customers or prospects. The more in touch you are, the more likely your success. Ask yourself some smart questions to help you understand your customers and prospects. #3 To write effective emails, you must first understand and connect with your customers. You can do this by analyzing their habits, desires, and frustrations. #4 You must determine in advance what your customers' priorities are, and address them, not your own. You must also consider the benefits to your company and the costs of giving before deciding to contribute to a cause.

Successful Sales and Marketing Letters and Emails

Ever struggled to make your follow-up email to your sales appointment say something more meaningful than "thank you for meeting"? Have trouble getting a prospect to commit to more than, "Email me some information on that, and I'll take a look"? How do you introduce yourself as the new BD manager when the inactive account doesn't even remember your company name? So what do you put in your proposal cover letter that hasn't already been said in the full proposal? If these issues present problems when you sit down to write a customer or prospect, you're not alone. But if you're a sales professional or entrepreneur, then you know that writing letters and emails to your prospects and clients can be your most powerful sales tool. But is it? Really? Or is that the "paperwork" that gets put off until overcome by events? Unlike the spoken word that quickly fades from memory, the written word has staying power - power that can deliver your message while building lasting relationships. And if you're a business development or marketing manager, then you know that writing sales letters and marketing emails is a valuable and necessary part of your job. But writing can eat away hours and hours of your time! Successful Sales and Marketing Letters and Emails provides you with an effective, fast way to generate powerful prose on all the routine and sensitive issues you face each day: Setting up sales appointments Following up on client and prospect meetings Dealing with disgruntled customers Introducing new products or services Announcing the discontinuation of a product or service Encouraging a distributor to increase volume Raising prices Introducing a new business development manager to the territory Reactivating "inactive" accounts Changing the commission structure Handling credit and collection issues Requesting testimonials Asking for referrals Engaging clients or prospects with "staying in touch" contacts Getting people to complete your customer satisfaction surveys This collection of 399 sample sales letters and emails will save you time, increase your sales, open new business development opportunities, strengthen your marketing position, and increase goodwill among your customers and employees. These sample sales letters and marketing letters are grouped into these main categories. You'll find sales letter templates to handle the entire customer experience A-Z: -- The Sales Cycle (106 sample sales letters or emails) -- Routine Customer Transactions (82 sample sales letters or emails) -- Goodwill and Ongoing Customer Relations (41 sample sales letters or emails) -- Sales and Marketing Management (82 sample sales and marketing letters or emails) -- Credit and Collection (77 sample letters or emails) How to Use This Successful Sales and Marketing Letters Package You have two choices. Either . . . 1. Download the PDF package and select the samples sales letter or marketing letter you need. Then copy and paste it into Microsoft Word or any other word processor. Send it out. 2. Read samples to "get the flavor" of what the sales letter or marketing letter should say. Then "pick and choose" sentences you like to use in composing your own sales letter. Total Number of Marketing and Sales Letters and Emails: 399 Total Number of Situations/Topics: 101 If you need a sales letter or marketing letter to communicate your message clearly, concisely, and compellingly - and you don't have the time or the skill to find exactly the right words - this collection is your answer. Author Dianna Booher has "handled the paperwork" so you can get on with what you do best-selling in person and on the phone! The Direct Mail Revolution

Learn how to apply the proven principles of *Hug Your Customers* to refine your selling technique, boost your sales, and keep your customers coming back for more. In his groundbreaking books, *Hug Your Customers*—a Wall Street Journal bestseller—and *Hug Your People*, Jack Mitchell brought a warm human touch to the often-cold, bottom-line world of business. As the CEO of Mitchell's clothing stores, one of the most successful small businesses in the country, he noticed that customer service and satisfaction get a lot of lip service—but not enough hugs. When you focus on the emotional connection as well as the intellectual aspect of a sale, you form strong lasting relationships that keep your customers returning, sales rising, and business booming. You don't have to hug your customers literally, of course. Mitchell's personal approach to customer service involves a simple 5-stage process that anyone can master: 1st Stage: Making the Connection Learn how to make a great first impression that engages customers immediately—and keeps them coming back again and again. 2nd Stage: Decoding the Mission Look for easy-to-read tells to determine what each customer wants—and what

you need to do to make him or her happy. 3rd Stage: Show and Share Instead of a hard sales pitch, engage your customer in a genuine one-on-one conversation and form a personal connection to you and your product. 4th Stage: Allowing the Buy Adopt a warm, relaxed manner to gradually establish trust, gently convince the customer—and ultimately close the deal. 5th Stage: The Kiss Goodbye Just as important as first impressions, make a strong lasting impression that makes each customer feel valued, special, and delighted. The Extra Stage: One for Good Measure Take that extra step to follow up on your customers, build on your connections, and make them your customers for life. These winning sales strategies will help you adjust your mindset, refine your selling style, and embrace the joy and value of caring for your customers. Mitchell's tried-and-true techniques make it easy to size up your customer quickly and customize your approach perfectly to suit each individual and situation. You'll learn how to be a better listener so you can anticipate your customer's every need. You'll discover the power of positive, passionate words to establish a warm personal connection. Most importantly, you'll be able to close the deal and make that sale in a relaxed friendly manner that people will love. It's a win-win-win for you, your customers, and your business. It's Selling the Hug Your Customers Way.

Advertising Headlines That Make You Rich

WHAT is there about some letters that makes them so much more effective than others? A letter may have perfect diction, a finished style; it may bristle with attention-getters and interest-arousers; it may follow every known rule; yet when it reaches where the reader sits and decides its fate, it may find itself in a wastebasket, while something lacking any polish, picks up the bacon and walks home with it. Why? People will give, when you have stirred their emotions. People will invest, when you have aroused their cupidity. And people want to know the future, so if you can persuade them that you are any sort of Prophet, they will buy your forecasting. It all comes back to the point we made in the beginning—"What do they want?" What is the bait that will attract your fish and make them bite? Find that-and you will

be as successful in bringing back orders as any angler can be with a properly baited hook in bringing in the fish. Get your copy today and learn the Masters of Marketing Secrets!

Not illustrated. 1916 edition. Excerpt: ... THE SALES LETTER The successful sales letter must be constructed upon certain fundamental principles. It must accomplish through the written word what the salesman accomplishes through the spoken word. It stands to reason, then, that it must be built upon the principles of salesmanship. It must carry the mind of the prospective buyer through certain fundamental processes, just as a good salesman does. There are four distinct steps that enter into every sale. These apply whether the solicitation is by letter or in person. They are what might well be termed "the mental law of sale." Memorize these four fundamental principles, for they must apply in every sales letter you write. It must--1. Attract attention. 2. Arouse interest. 3. Create desire. 4. Induce action. Note how closely these principles parallel the construction of a good salesman's selling talk. You will see, then, that the matter of writing a sales letter is simply talking to your prospect as good sales talk on paper as you would face to face. First, you must get attention. This may be done in the opening paragraph by appealing to some emotion, such as curiosity, ambition, surprise, vanity, desire, or self-interest. It should be put in a striking way so that the reader will want to know the rest of your story. 1 After you have secured attention you must awaken interest. This may be done through a description or explanation of your proposition, or by some specific suggestion of profit in it for the prospect. The salesman can show his Opening secures attention by an interesting question Description of the proposition arouses interest Argument and persuasion create desire Close induces action Dear Sir Have you thought that because your house was not wired for electricity you must...
