The Curse of Raven's Rose Keep

This is a love story about Garrick who's days as a warrior were finally over. It was time for him to return home to his castle by the ocean. In his warm sanctuary, he thought this life was complete, that is until he saw her. Angela was a beautiful noble woman who lived a life of ease. Until one night when fate brought a dark stranger into her life and stole away, any chance of her ever seeing the sunrise again. Since that cold autumn evening, she has wandered the world of shadows in sorrow and confusion that is until she saw him...

The Curse of Silver Blood

This is the story of Sebastian. The most mysterious and popular character from Trials of the Bloodstone is back in an epic tale about his very own past and how he became involved with clan Raven and Rose. From his birth all the way up to Sebastian joining the clan, this deep and moving story about a conflicted young Sebastian will shed light as to how he came to be one of the most influential and important individuals within the world of Arator. Sebastian must come to terms with his birthright, and as he struggles with his own inner demons he must also attempt to prevent a mad plot that would cause the most powerful God of Death from gaining a strangle hold on the continent of Anastone. It is Sebastian against the most ultimate evil that the world of Arator knows...what will be his fate? Excerpt: Zevarik chuckled as he saw Sebastian's expressions change while he was putting it all together. Zevarik was so arrogant that he began to confirm all of what the elf was thinking. "Yes Sebastian I am employed Madam Rose and Lord Raven...but only because they are going to be the winning side. They have Morith's direct blessing, and as I began to see at how easily they were dispatching all the troops we were sending to attempt to secure the gem mines I knew who's side I had to be on." Sebastian spat on the ground then said, "You're a traitor to your own people...even dark elves do not betray their own." "Perhaps...but as I am sitting atop my mountain of precious gems and counting my thousands of gold coins I will try my best to feel bad about it." Zevarik said sarcastically. Sebastian's anger and rage could hardly be contained any more. He barked a command word and became fully visible again unsheathing his swords as he did. Zevarik raised a brow as he saw Sebastian raise his blades. Sebastian stared at Zevarik dangerously as he said, "Let's dance."

Ravens & Roses

When Satan's little helper gets real, everyone feels the heat! In this book, Raven and Mika discover the horrifying message of the black rose. It's very bad news for Mika. Once again the guys have to travel through time, and face up to some very dangerous characters. This time it is Mika's life at stake, and it's down to the others to save her. When they find themselves up against a Voodoo high sorceress with nothing left to lose, and three famous pirates in a very precarious situation, it becomes clear nothing is going to be easy. 'Black Rose' is a swashbuckling, nail-biting adventure set in the dangerous world

of early-eighteenth-century Jamaica, where Caribbean pirates still rule the waves, and mystical dark forces seem to be lurking in every shadow. "Raven is a perfect blend of romance, comedy, action-horror and fantasy. Full of moments to make you giggle, and then reach for the tissue-box!" Check out the series, and everything else we do, on the rtgreen website. Enjoy!

Raven: Book Three - Black Rose

The last surviving member of the Snowsong, an ancient bloodline all but smothered by a warlock sided with demons, must enter the forest of the infamous, dark raven prince, Raven Yatagarasu, in order to keep the Soul Gem safe from the warlock's greedy hands. Prince Raven is under the curse of his traitor father and is isolated from his kingdom until the curse is broken. The guardian of the Soul Gem makes a deal with the mysterious cat spirit, Hibar, to rid the raven prince of his curse. Meanwhile, chaos is raging as an ancient and horrible demon is breaking free from imprisonment. Can Ona Snowsong save Raven Yatagarasu in time before the demon breaks free so that the true power of this mysterious cat spirit can be unsealed in order to stop the demon from destroying all life? Time is running out as the demons and spirits prepare for the ultimate war that will decide the fate of the tangible and intangible realms and the power of Hibar's bloodline plays a large role in which side will claim victory. Prince Raven is convinced that he is destined to die from the curse. Will Ona be able to convince him otherwise and pull him out of his curse's darkness in time to restore Hibar's true strength and win the most devastating of wars in history?

The Raven's War

A Look at Black Pearls of Raven's Way by A. C. Townsend The mansion called Raven's Way stood drenched in the morning dew. A veil clings to the massive structure like a comforting blanket. The edifice wears a crooked smile for the world, yet the worn path to her front door has been trodden down with decades of loneliness, deceit, and discord! The fortune of Raven's Way began with gold that was covered with the blood of innocent life. Would an heir rise up and put an end to the curse? Would true love ever come to the Raven's Way Mansion? Someone had to balance the scales of justice. Far too many years had gone by and far too many sins had been covered up. A person should never be judged by the color of their skin. All life has value, and all men are created equal. To live in peace with humanity is to walk beside God. To see things any other way can cause a domino effect, bringing down people and nations.

Black Pearls of Raven's Way

When Satan's little helper gets real, everyone feels the heat! "Raven is a perfect blend of romance, comedy, action-horror and fantasy. Full of moments to make you giggle, and then reach for the tissue-box!" This is the Raven Combo: Books 1 – 3 - 'No Angel!' 'Unstoppable' and 'Black Rose'. Meet Raven... She's feisty, spirited, and has a tendency to get lost in the game. She was born at the age of twenty-seven. She wasn't allowed to think her own thoughts, or make a single move unless someone else wanted her to. That's life, for a character in a book. The author of the book, Mika Mills, knew all good writers try to bring their characters to life... but there are limits! When it all began one fateful, life-changing night, those limits were not only exceeded, but banished to the other side of the universe forever! One moment it was a story about she-devils and Satan, then a storm with strange red lightning hit the village... and suddenly the novel became a biography. Neither Mika or Raven realised it was just the beginning of their spectacular new lives, or that their destinies were being shaped by an ancient scribe, and an even older mystical tablet... their futures woven together through the pages of time itself. They are just about to find out... "If you've had your fill of the same-old, try a little Raven!" Check out Raven and Mika's story on the rtgreen website. Enjoy!

Twelve Ravens

Ayden Dracre, the youngest son in a family of notorious sorcerers, is successfully developing his reputation as a curse breaker. Maybe too successfully. Unfortunately, the Dracre name is not easy to escape. When Dessa warns Ayden that his mother is after him and others like him, he will have to go on his toughest quest yet. With spies on his trail and the discovery that there is something wrong with magic, Ayden will have to rely on Merlin's wisdom over his own magic to survive. He will learn that darkness is easier to give in to than it is to resist, there are secrets about his family that may get him killed, and the past does not always stay buried.

Raven: The Combo - Books 1 - 3

The races of man; elf, human, dwarf and halflings face a darkness that they can not comprehend. Molloch the dark god, has planned for thousands of years to seize Oren, but the great god EL has stopped him time and time again. Now the inhabitants of Oren have turned their backs on EL and a new window of opportunity for Molloch to seize Oren has arise. EL will not abandon Oren to the dark one without a fight, as he has a plan as well. EL has kept the elves of Shaggar safe for thousands of years, but there hearts have turned from him placing Oren in jeopardy. A lone half-elf, shunned by his people must fight against prejudice and hate to become the instrument of his god. Geric of the House of Joda must survive the trails of his youth and lead his people back into the light of EL. Shante Hartas, High Guardian of the city of Shaggar has other plans, as he secretly worships Molloch leading the great city into darkness under his rule. Raven Mercury a human warrior, fights to change his familys station in life from commoner to noble. Raven proves himself by winning the annual tournament granting him a chance to train at the legendary school of Ascension. The ancient dragon, Dragmyre is raising an army to begin his conquest of the world of Oren. Dragmyre has collected his generals to lead his army, and with the world unaware victory seems sure. Until a fateful night when Raven finds out the truth; the school is not what it seems. Will he hold too the noble intentions he has of being a knight or take his rightful place as a general in the Dragon Horde. With the world hanging in the balance, Geric Joda and Raven Mercury are thrust into the battle for Oren. Molloch is gathering his force on two fronts, preparing to seize all that EL holds dear. Two warriors will decide the future of Oren the half-elf and the human, will they unite in time to save a world or choose a darker path. All will be decided in.... Blackstarr: The Chronicles of Morgan Sparrowhawk

The Raven's Curse

Time is running out as the demons and spirits prepare for the ultimate war that will decide the fate of the realms. Ona Snowsong, the last surviving member of an ancient bloodline, must enter the forest of the infamous and cursed dark prince, Raven Yatagarasu, in order to keep the Soul Gem safe from a demon-aligned warlock's grasp. Chaos rages as the most ancient of demons grows closer to breaking free from its imprisonment. The guardian of the Soul Gem makes a deal with a mysterious cat spirit, Hibar, to rid the raven prince of his curse allowing him to return to his kingdom. Ona must save Prince Raven and unseal the true power of this mysterious cat spirit before the demon breaks free and destroys all life!

Raven Tor Curse

The time is before Christmas during the Winter Solstice. The place is El Rio de las Animas Perdidas – River of Lost Souls. Before the arrival of the Durango and Silverton Narrow Gauge Railroad in Colorado, a regiment of Spanish soldiers exploring the area were lost to the river along with a box of gold coins. The river obtained its name in their remembrance. Nobody really knows what happened to the soldiers, but a young boy, Jimmy, and his mother riding the train in present day discover that the ghosts still inhabit the canyon with the river, in a place called Purgatory. After boarding the train for a winter's ride to Silverton, they find themselves caught in the middle of an ancient battle between the ghosts of the soldiers and that of a skinwalker, a Navajo witch called Raven, who is hell-bent on revenge. In this, the right place called Purgatory, at the right time – the Winter Solstice, will the boy escape with his life? Will the cries of the ancient ghosts of the soldiers finally be silenced? Will the skinwalker finally be called to justice for his crimes against humanity? And what of the gold? An old Navajo grandfather, called Nighthawk, just might have the answers.

Rise of the Dragon Horde

Magdeline, Ohio, returns to normal after the Dowland scandal. Then crisis hits. Skid's secretive military dad plans an island getaway to toughen Robbie for the trials to come. Join these teens on a quest for the real armor of God in this well-crafted and suspenseful series. Get ready for life-changing adventure and spiritual warfare!

The Raven's War

A young English botanist arrives at the German castle home of an odd and secretive family to rejuvenate their long-neglected garden. As the garden flourishes, so do her feelings for the master of the household. But amidst her happiness, she senses an evil presence.

El Rio de las Animas Perdidas en Purgatório

Sometimes in order to let go of the past, we have to fight for our future... Lena Reynolds can't seem to escape her past. It twists her dreams into nightmares and plagues her every thought. When an object bearing the symbol of those the raven shifter has been running from finds itself in her hands, she fears her past may have finally caught up with her. Thane Jensen has no memory of how he got to the beachside town of Willow Harbor. In fact, he barely has any memories at all. Somehow he knows the dark-haired beauty he saw standing beneath the willow tree has the answers he seeks, though. If only he can get her to stop running from him. As the mystery of Thane's memories unfolds, Lena must decide if she's willing to stay in the supernatural town she's come to love and fight or give into her raven and fly away.

The Raven's Curse

Her beauty was the spark . . . Her hair was black silk against her ivory skin; her gray eyes burned with opal fire. The love child of King Edward IV, Roseanna was pledged to her father's most prized warrior. He was dark, strong, and commanding, and in the bedchamber, where he forced her to honor her marriage vows, she learned to crave his intoxicating touch. And still she swore not to love him even as she surrendered to the dark rapture of . . . the raven His passion was the fire . . . His shoulders were broad within the coat of mail that made him invulnerable to everything but Reseanna's innocence. Obsessed with taming the fiery beauty who inflamed his flesh, Ravenspur fell in love, knowing ruthless men plotted to topple the king he served and at the heart of the intrigue was she who would be either his death or his salvation . . .

The Shadow of the Raven

With a malevolent prince stealing her kingdom and her magic one dance at a time, Princess Thea must win the loyalty of a mysterious guard to save her kingdom. Athdar Owain is a hunted wanderer, one determined to keep his secrets and the treasure he carries safe at all costs. When he rescues the Kingdom of Giliosthay's prince from raiders, he's rewarded by being forced into the king's elite Silver Guard. While this gives Athdar a temporary home and some protection from those hunting him, it also makes him responsible for the young prince, who still bears curses from the raiders, and seven enchantress princesses with curses as mysterious and dangerous as their brother's. Princess Thea of Giliosthay is a Realm Walker. Betrayed by a trusted guard, her rare gift of enchantment is used to curse her brother and trap herself and her six sisters into a nightly dance with dragons in a secret Realm. The Realm's prince has the ability to take and twist her magic for his own purposes, and Thea fears what those might be. For when one dances with a prince, a kingdom might be at stake. Athdar alone can save them, but to trust enchanters is to risk exposure. And Athdar isn't sure where his loyalties lie. Wrought of Silver and Ravens is a clean adventure-romance retelling of "The Twelve Dancing Princesses" set in The Magic Collectors story world.

Raven's Sight

From the author of "Sky Carver" comes a riveting account of an unwilling heroine's quest in an intricately created world, where she must look beyond magic--and herself--to save what is most important.

The Raven and the Rose

J. Maas's books have sold millions of copies and have been translated into 37 languages. Discover the sweeping romantic fantasy that everyone's talking about for yourself.

Wrought of Silver and Ravens

In his four-volume series *Return to Neveryeon*, Hugo and Nebula award-winner Samuel R. Delany appropriated the conceits of sword-and-sorcery fantasy to explore his characteristic themes of language, power, gender, and the nature of civilization. Wesleyan University Press has reissued the long-unavailable *Neveryeon* volumes in trade paperback. The eleven stories, novellas, and novels in *Return to Neveryeon*'s four volumes chronicle a long-ago land on civilization's brink, perhaps in Asia or Africa, or even on the Mediterranean. Taken slave in childhood, Gorgik gains his freedom, leads a slave revolt, and becomes a minister of state, finally abolishing slavery. Ironically, however, he is sexually aroused by the iron slave collars of servitude. Does this contaminate his mission -- or intensify it? Presumably elaborated from an ancient text of unknown geographical origin, the stories are sunk in translators' and commentators' introductions and appendices, forming a richly comic frame.

Raven

Lady Emma of Ravenwood Keep is prepared to give Sir William l'Orage land, wealth, and her hand in marriage. But her virginity? Not unless he loves her. The curse that claimed her mother is clear: unless a Ravenwood heir is conceived in love, the mother will die in childbirth. Emma is determined to dodge the curse.

A Court of Wings and Ruin

This fantasy adventure about a contemporary teen boy magically transported to the ancient mythological Norse world by a "ring pin" promotes philosophical contemplation on the values of physical hardiness and personal honor. Includes a glossary and map.

Tales of Neveryeon

After her parents disappear from their isolated home in the Great Smoky Mountains, Adanta discovers the truth of the Cherokee stories her father told her and embarks on a journey to thwart the sorcery that has claimed her parents.

Flight of the Raven

Elspeth Fraser, a beautiful Highland seer, has a sudden vision of a handsome stranger's death. Then he rides into her life. Duncan Macrae is the Queen's lawyer, sent north to end the feud between Elspeth's wild Highland cousins and a neighboring clan. Determined to save his life, Elspeth resists her strong attraction to the queen's handsome and mysterious lawyer, and tries to send him away. Duncan ignores the vibrant Highland lass and the stormy passion she invokes. The Queen's mission must be completed. But then, a dangerous enemy threatens all Duncan and Elspeth hold dear. They must face their shared destiny—for if the prediction holds true, they will lose all... including the powerful love that could save them both. **REVIEWS:** "Powerful, magical... a delight!" ~Romantic Times Book Club **THE BORDER ROGUES**, in series order *The Raven's Wish* *The Raven's Moon* *The Heather Moon* **THE CELTIC NIGHTS**, in series order *The Stone Maiden* *The Swan Maiden* *The Sword Maiden* *Laird of the Wind* **OTHER TITLES** by Susan King *The Black Thorne's Rose*

The Raven's Ring Pin

Margaret, Lady Ravenwood, is trapped in a loveless marriage and firmly entrenched in the medieval world. Along comes Griffin Nightshade, a historian from the future whose soul resonates with hers. He persuades her to return with him to the 1950s, but heeding her heart means courting danger from a curse that could spell her doom. Haunted by his parents' sudden deaths, Griffin knows all too well the pain born of love lost. He guards his emotions, but Margaret delves deep and goes straight to the soul. She's hard to resist...and harder to set free. The heart's desire and history's demands don't always agree. Yet true love is eternal.

The Curse of the Raven Mocker

A DEADLY MENACE IS BREAKING THROUGH THE GROUND. THE PEOPLE OF ABASCAR MUST ABANDON THEIR STONE REFUGE AND FLEE INTO VULNERABILITY IN THE FOREST. BUT THEIR KING HAS HAD A VISION... Following the beacon of Auralia's colors and the footsteps of a mysterious dream-creature, King Cal-raven has discovered a destination for his weary crowd of refugees. It's a city only imagined in legendary tales. And it gives him hope to establish New Abascar. But when Cal-raven is waylaid by fortune hunters, his people become vulnerable to a danger more powerful than the prowling beastmen—House Bel Amica. In this oceanside kingdom of wealth, enchantment, and beauty, deceitful Seers are all too eager to ensnare House Abascar's wandering throng. Even worse, the Bel Amicans have discovered Auralia's colors, and are twisting a language of faith into a lie of corruption and control. If there is any hope for the people of Abascar, it lies in the courage of Cyndere, daughter of Bel Amica's queen; the strength of Jordam the beastman; and the fiery gifts of the ale boy, who is devising a rescue for prisoners of the savage Cent Regus beastmen. As his faith suffers one devastating blow after another, Cal-raven's journey is a perilous climb from despair to a faint gleam of hope—the vision he sees in Auralia's colors.

The Raven's Wish (The Border Rogues Series, Book 1)

We witness an era with more screens than ever before, and within each screen, a multitude of visual varieties. Lisa Gotto investigates this medial diversity as a field of tension between large and small forms of digital image culture. This includes, on the one hand, the immersive potential of large image arrangements, such as digital 3D cinema, and, on the other hand, the compactness of mobile image forms, such as those of the smartphone film or the media practices of Instagram. Weaving together a rich variety of examples and sources, this book presents a multifaceted collection of essays that explore the transformational potential of digital media culture, contextualize its media-technical conditions, and reflect on its social consequences.

Return of the Raven

Be careful what you search for. You just might find it . . . When a strange wolf's teeth slashed Cheyenne Clark's ankle to the bone, her old life ended, and she became the very monster that haunted her nightmares for years. Worse, the only one who can understand what Chey has become is Powell, the man - or wolf - who's doomed her to this fate. They vow to find the release to the curse, yet as the line between human and beast blurs, so too does the distinction between hunter and hunted. Because someone is on the trail of Powell and Chey, determined to get revenge - someone as deadly and as fierce as they are...

Raven's Ladder

Old secrets and a local legend force Sadie Bellam to put her trust in an easy-on-the-eyes detective in Raven's Hollow by Jenna Ryan Every small town has hidden secrets. But Raven's Hollow is also hiding a murderer. Twenty years ago, Detective Eli Blume's stepsister was killed. Though the killer was never found, Eli was forever changed by the family tragedy. Now another woman Eli cares about has been targeted: Sadie Bellam, whose legacy is closely tied to the town's eerie legends.... Sadie knows her stalker is no ghost, but a flesh-and-blood villain. And while she appreciates Eli's protection, their mutual attraction poses its own danger. Once that attraction ruined the life she thought she wanted; now Eli may be the only person standing between her and becoming yet another victim haunting Raven's Hollow....

Big Screens, Small Forms

Since the beginning of humanity, people have been afraid of thunderstorms; the electrical discharges shatter dreams, cost lives and send poor sinners down into the gorge of hell. But not everyone has to wait till death open the hell, some experience it in their daily lives. In this anthology of short stories, Preston Child teaches his beloved readers how to fear simple moments and leaves behind a shiver that will keep them awake all night long.

Ravaged

As Cin tries to cope with the reality of her new circumstances, long buried secrets are revealed while her survival is threatened at every turn. After she makes the acquaintance of an unlikely ally, Cin is forced to make choices that will irrevocably change her life forever. As new alliances are formed and

old friendships are tested, Cin knows the only thing she can do is stay true to who she is and her duty as a Thorn. While Cin's feeling for Coltan continue to grow deeper, a mysterious stranger appears who seems determined to thwart their burgeoning romance. Through this stranger, Cin is able to discover the truth about the outside world and what it means for the future of both Briardale and the City of White.

Raven's Hollow

At the end of the Civil Wars, Nevyn's young apprentice, Lilli, battles the power of the curse, her dead mother's legacy of evil, that could bring disaster upon them all. Centuries later, this ancient evil rises again, threatening a raging tide of war that could destroy Deverry forever.

Thunderstruck

The reappearance of Rogan signaled she needed protection. They'd lived together for months in a safe house, her life in this mysterious detective's hands. Dark haired and heavyhearted, Rogan had allowed his and Jasmine's fates to be intertwined, just as someone from her past sought to kill her.... Rogan and Jasmine had ended their romance because of the danger it had brought. Now, if they hoped to stop the killer, they would have to revisit Raven's Cove, the birthplace of the ancient legend he twisted to suit his dark mission. And uncover the secrets still left between them...

At a High Price

"THE GAMBLER captures your attention from page one with its snappy dialogue, intriguing characters and clever plot. Here is one western with a twist you won't want to miss. SWEET." –Romantic Times "Lois Greiman delivers!" –Christina Dodd, New York Times bestselling author Legendary bounty hunter and gambler, Raven Scott, is steeped in darkness – from his jet-black hair, his dark, brooding eyes, his lethally toned body, to the depths of his cynical soul. He keeps emotions under his hat, and people at arm's length – that's how he plays them so well...As for women? You take your best chance, then move on to the next game. Now he's chasing down a missing heiress and an easy payday – but he's met his match in gambler's daughter Charm Fergusson! Charm can't believe she's really the long-lost Chantilly Grady; and she trusts Raven about as much as she'd trust a player who holds five aces! But resisting Raven is a losing gamble; and in a game of hearts, the only winning hand is true love!

Cin d'Rella and the Lonely Tower

Life as a part-elf isn't always enchanting, especially when you're sixteen-year-old Keelie Heartwood, an L.A. girl forced to live—without an iPhone—at a year-round renaissance festival. In between foiling evil plots by rotten fairies and flirting with hot elfin boys, Keelie struggles to embrace her special talents.

Raven's Cove

Dragon bonds can build kingdoms... or break them. Three hundred years ago, the dragon shifter heirs to the kingdom of Paragon witnessed the unspeakable at the coronation of their eldest sibling. Overthrown by a wicked uncle in a violent coup, the eight remaining siblings fled to Earth, settling around the globe and blending in with the humans around them. But when one of them falls in love with a witch, the wheels of fate begin to turn. In Paragon, relationships between dragons and witches are forbidden, but nothing can stop these fated mates. Everything the heirs have been told is a lie. Destined for love and headed for war, their destinies collide with an ancient prophecy steeped in magic. Together, they’ll face the past and take back their throne, or die trying. This omnibus collection includes all nine books in the award winning Treasure of Paragon series by Genevieve Jack: 1. The Dragon of New Orleans 2. Windy City Dragon 3. Manhattan Dragon 4. The Dragon of Sedona 5. The Dragon of Cecil Court 6. Highland Dragon 7. Hidden Dragon 8. The Dragons of Paragon 9. The Last Dragon Here’s what readers are saying: “I haven’t read a series this good since Donna Grant’s Dragon Kings. It’s rare for me to find a series that just pulls me in. This one definitely did that.” – L. Stanford “The nine books by this author and the best!! Ranks right up there with JR Ward and Gena Showalter. The characters and plot twists make them difficult to put down!” - A. Zdunski “This series has just the right mix of sexy shifters, drama, and steam. Definitely a must read.” -Goodreads reviewer “This is the best series I’ve read in ages!! I absolutely loved the stories of each dragon as he finds his mate! Wonderful storyline and character development!” -S. Ellis

The Gambler

The Case of Rose Bird

Rose Elizabeth Bird was forty years old when in 1977 Governor Edmund G. “Jerry” Brown chose her to become California’s first female supreme court chief justice. Appointed to a court with a stellar reputation for being the nation’s most progressive, Bird became a lightning rod for the opposition due to her liberalism, inexperience, and gender. Over the next decade, her name became a rallying cry as critics mounted a relentless effort to get her off the court. Bird survived three unsuccessful recall efforts, but her opponents eventually succeeded in bringing about her defeat in 1986, making her the first chief justice to be removed from the California Supreme Court. The Case of Rose Bird provides a fascinating look at this important and complex woman and the political and cultural climate of California in the 1970s and 1980s. Seeking to uncover the identities and motivations of Bird’s vehement critics, Kathleen A. Cairns traces Bird’s meteoric rise and cataclysmic fall. Cairns considers the instrumental role that then-current gender dynamics played in Bird’s downfall, most visible in the tensions between

second-wave feminism and the many Americans who felt that a “radical” feminist agenda might topple long-standing institutions and threaten “traditional” values.

Framed

"This biography of Rose Elizabeth Bird is an overdue look at California's first female supreme court chief justice, against the backdrop of California's political and cultural climate in the 1970s and 1980s"--

The Case of Rose Bird

Triumph in the face of adversity for an abused woman who became the UK's first female prison governor.

Veronica's Bird: Thirty-Five Years Inside as a Female Prison Officer

The highly anticipated final book by the leading anthropologist and environmental humanities scholar Deborah Bird Rose (1946-2018)

Shimmer

"The first book to look at naturalized parrots with a global perspective, with a wide range of chapters by 36 leading researchers"--

Naturalized Parrots of the World

In the sweltering New York City summer of 1841, the beautiful 'Segar Girl' Mary Rogers is brutally murdered. Popular amongst the fledgling city's journalistic and publishing elite, the task of finding her killer falls to High Constable Jacob Hays, already embroiled in establishing law and order over the ferocious gangs who run rampant through the Five Points. In this climate of suspicion, John Colt, scion of the fireman fortune, beats his publisher to death with a hatchet. Young Irish gang leader Tommy Coleman is accused of killing his daughter, his wife, and his wife's former lover. At the end of a long and distinguished career, and fortified by the support and affection of his daughter Olga, Old Hays's investigation will ultimately span a decade, involving gang wars, grave robbing, and clues hidden in the poems of the hopeless romantic and minstrel of the night, Edgar Allen Poe. *The Blackest Bird* is both a richly textured and atmospheric portrait of the birth of New York, a city raging with bloodshed and duplicity, and a thrilling murder mystery.

The Blackest Bird

Here is a book as joyous and painful, as mysterious and memorable, as childhood itself. *I Know Why the Caged Bird Sings* captures the longing of lonely children, the brute insult of bigotry, and the wonder of words that can make the world right. Maya Angelou's debut memoir is a modern American classic beloved worldwide. Sent by their mother to live with their devout, self-sufficient grandmother in a small Southern town, Maya and her brother, Bailey, endure the ache of abandonment and the prejudice of the local “powhitetrash.” At eight years old and back at her mother’s side in St. Louis, Maya is attacked by a man many times her age—and has to live with the consequences for a lifetime. Years later, in San Francisco, Maya learns that love for herself, the kindness of others, her own strong spirit, and the ideas of great authors (“I met and fell in love with William Shakespeare”) will allow her to be free instead of imprisoned. Poetic and powerful, *I Know Why the Caged Bird Sings* will touch hearts and change minds for as long as people read. “*I Know Why the Caged Bird Sings* liberates the reader into life simply because Maya Angelou confronts her own life with such a moving wonder, such a luminous dignity.”—James Baldwin

I Know Why the Caged Bird Sings

Birdy thought she would have to wait until she was free again to see Rose, but now Rose has been convicted of a shocking crime and she and Birdy will be together. Birdy has been saving all her anger for Rose. It is Rose who should have protected her and kept her safe. Birdy was little but Rose was big and she knows Rose could have saved her. This is a story about monsters who hide in plain sight and about the secrets we keep from ourselves. It is about children who are betrayed and adults who fail them. This is the story of Birdy who was hurt and Rose who must be made to pay. A provocative and

compassionate read from the queen of white-knuckle suspense and searing family drama. You won't be able to put it down.

Hush Little Bird

"Irresistibly seductive...a masterpiece." —Anthony Bourdain In the sweltering New York summer of 1841, five people are found brutally murdered. At the center of it all is High Constable Jacob Hays, the young city's first detective and the novel's "likeable, crusty narrator" (Time Out New York). His investigation spans years, involving gang wars, graverobbers, and clues hidden in poems by that hopeless romantic and minstrel of the night: Edgar Allan Poe. *The Blackest Bird* is a gripping and atmospheric historical thriller of murder and deceit in nineteenth-century New York.

The Blackest Bird: A Novel of Murder in Nineteenth-Century New York

Barbara Graham might have been a diabolical dame in a hard-boiled detective story--beautiful, sexy, and deadly. Charged alongside two male friends in the murder of an elderly widow during a botched robbery attempt, "Bloody Babs" became the third woman executed in California--after a 1953 trial that played out before standing-room-only crowds captured the imaginations of journalists, filmmakers, and death penalty opponents. Why, Kathleen A. Cairns asks, of all the capital cases in the twentieth century, did Graham's have such political resonance and staying power? Leaving aside the question of guilt or innocence--debated to this day--Cairns examines how Graham's case became a touchstone in the ongoing debate over capital punishment. While prosecutors positioned the accused woman as a femme fatale, the media came to offer a counternarrative for Graham's life highlighting her abusive and lonely beginnings. Cairns shows how Graham's case became crucial to the abolitionists of the time, who used instances of questionable guilt to raise awareness of the arbitrary and capricious nature of death penalty prosecutions. Critical in keeping capital punishment in the forefront of public consciousness until abolitionists homed in on a winning strategy, Graham's case illustrates the power of individual stories to shape wider perceptions and ultimately public policies.

Proof of Guilt

Everybody knows about Snow White. Now let's get to know about one more enchantress, Princess Rose and her story with Golden Bird.

Princess Rose And The Golden Bird

This edited volume examines the use of militarised responses to different forms of criminal activity, discussing the outcomes and unintended consequences. Politicians and policymakers frequently use militarised responses to look tough on crime. The deployment of armies, navies, military assets and militarised approaches can send a powerful message, but have produced mixed results. While they generate the perception that governments are actively engaged on issues of concern to the public, and in some cases have resulted in notable successes, on the downside they have frequently also increased the loss of life, exacerbated the humanitarian consequences of a particular crime and entrenched divides between security and state institutions and the criminal proponents, narrowing the possibilities for future negotiated solutions. By focusing on four different areas of criminality – wildlife crime, piracy, migration and drug trafficking – the book allows context and evidence-based conclusions to be drawn on the strategic value and commonality of responses and their outcomes.

Militarised Responses to Transnational Organised Crime

"Michele Raffin has made an important contribution to saving endangered birds, and her book is a fascinating and rarely seen glimpse behind the scenes. The joy she gets from her close relationships with these amazing animals and her outsized commitment to them comes through loud and clear in this engaging and joyful book." —Dominick Dorsa, Curator of Birds, San Francisco Zoo Each morning at first light, Michele Raffin awakens to the bewitching music that heralds another day at Pandemonium Aviaries—a symphony that swells from the most vocal of over 350 avian throats representing over 40 species. "It knocks me out, every day," she admits. Pandemonium Aviaries is a conservation organization dedicated to saving and breeding birds at the edge of extinction, including some of the largest populations of rare species in the world. And their behavior is even more fascinating than their glorious plumage or their songs. They fall in love, they mourn, they rejoice, they sacrifice, they have a sense of humor, they feel jealous, they invent, plot, cope, and sometimes they murder each other.

As Raffin says, “They teach us volumes about the interrelationships of humans and animals.” Their stories make up the heart of this book. There’s Sweetie, a tiny quail with an outsize personality; the inspiring Oscar, a Lady Gouldian finch who can’t fly but finds a way to reach the highest perches of his aviary to roost. The ecstatic reunion of a disabled Victoria crowned pigeon, Wing, and her brother, Coffee, is as wondrous as the silent kinship that develops between Amadeus, a one-legged turaco, and an autistic young visitor. Ultimately, *The Birds of Pandemonium* is about one woman’s crusade to save precious lives, bird by bird, and offers insights into how following a passion can transform not only oneself but also the world. “Delightful . . . full of wonderful accounts of bird behavior, demonstrating caring, learning, sociability, adaptability, and a will to live. Its appeal is ageless, her descriptions riveting, and her devotion to the birds remarkable.” —Joanna Burger, author of *The Parrot Who Owns Me: The Story of a Relationship* “A remarkable book. Reading about the birds of Pandemonium will make you laugh and cry; it will make you see more clearly the need to take care of our planet; and it will confirm that one person with a passion can make a difference.” —Jeff Corwin, nature conservationist and host, *Animal Planet* “*The Birds of Pandemonium* touched me deeply . . . This book is about reconnecting with the nature of birds, and the nature of ourselves.” —Jon Young, author of *What the Robin Knows*

The Birds of Pandemonium

We are living in the midst of the Earth’s sixth great extinction event, the first one caused by a single species: our own. In *Wild Dog Dreaming*, Deborah Bird Rose explores what constitutes an ethical relationship with nonhuman others in this era of loss. She asks, Who are we, as a species? How do we fit into the Earth’s systems? Amidst so much change, how do we find our way into new stories to guide us? Rose explores these questions in the form of a dialogue between science and the humanities. Drawing on her conversations with Aboriginal people, for whom questions of extinction are up-close and very personal, Rose develops a mode of exposition that is dialogical, philosophical, and open-ended. An inspiration for Rose—and a touchstone throughout her book—is the endangered dingo of Australia. The dingo is not the first animal to face extinction, but its story is particularly disturbing because the threat to its future is being actively engineered by humans. The brazenness with which the dingo is being wiped out sheds valuable, and chilling, light on the likely fate of countless other animal and plant species. “People save what they love,” observed Michael Soul, the great conservation biologist. We must ask whether we, as humans, are capable of loving—and therefore capable of caring for—the animals and plants that are disappearing in a cascade of extinctions. *Wild Dog Dreaming* engages this question, and the result is a bold account of the entangled ethics of love, contingency, and desire.

All the Birds of the World

A new collection from “one of the world’s great essayists” (*The New York Times*) *The Ghosts of Birds* offers thirty-five essays by Eliot Weinberger: the first section of the book continues his linked serial-essay, *An Elemental Thing*, which pulls the reader into “a vortex for the entire universe” (*Boston Review*). Here, Weinberger chronicles a nineteenth-century journey down the Colorado River, records the dreams of people named Chang, and shares other factually verifiable discoveries that seem too fabulous to possibly be true. The second section collects Weinberger’s essays on a wide range of subjects—some of which have been published in *Harper’s*, *New York Review of Books*, and *London Review of Books*—including his notorious review of George W. Bush’s memoir *Decision Points* and writings about Mongolian art and poetry, different versions of the Buddha, American Indophilia (“There is a line, however jagged, from pseudo-Hinduism to Malcolm X”), Béla Balázs, Herbert Read, and Charles Reznikoff. This collection proves once again that Weinberger is “one of the bravest and sharpest minds in the United States” (Javier Marías).

Wild Dog Dreaming

At Warburg, Germany, in 1941, four British PoWs find an unexpected means of escape from the horrors of internment when they form a birdwatching society, and embark on an obsessive quest behind barbed wire. Through their shared love of birds, they overcome hunger, hardship, fear and stultifying boredom. Their quest draws in not only their fellow prisoners, but also some of the German guards, at great risk to them all... Derek Niemann draws on original diaries, letters and drawings, to tell of how Conder, Barrett, Waterston and Buxton were forged by their experiences as POWs into the giants of post war wildlife conservation. Their legacy lives on, in institutions such as the RSPB and the British Wildlife Trust.

The Ghosts of Birds

Intended for use in courses on law and society, as well as courses in women's and gender studies, women and politics, and women and the law - this book that takes up the question of what women judges signify in several different jurisdictions in the United States, United Kingdom, and European Union. In so doing, its empirical case studies uniquely offer a model of how to study gender as a social process rather than merely studying women and treating sex as a variable. A gender analysis yields a fuller understanding of emotions and social movement mobilization, backlash, policy implementation, agenda setting, and representation. Lastly, the book makes a non-essentialist case for more women judges, that is, one that does not rest on women's difference.

Birds in a Cage

Read the fascinating story of one of the greatest unsung figures of the nature conservation movement, founder of the RSPB and icon of early animal rights activism, Etta Lemon. A heroine for our times, Etta Lemon campaigned for fifty years against the worldwide slaughter of birds for extravagantly feathered hats. Her legacy is the RSPB, grown from an all-female pressure group of 1889 with the splendidly simple pledge: Wear No Feathers. Etta's long battle against 'murderous millinery' triumphed with the Plumage Act of 1921 – but her legacy has been eclipsed by the more glamorous campaign for the vote, led by the elegantly plumed Emmeline Pankhurst. This gripping narrative explores two formidable heroines and their rival, overlapping campaigns. Moving from the feather workers' slums to high society, from the first female political rally to the rise of the eco-feminist, it restores Etta Lemon to her rightful place in history – the extraordinary woman who saved the birds. *ETTA LEMON* was originally published in hardback in 2018 under the title of *MRS PANKHURST'S PURPLE FEATHER*. 'A great story of pioneering conservation.' KATE HUMBLE 'Quite brilliant. Meticulous and perceptive. A triumph of a book.' CHARLIE ELDER 'Shocking and entertaining. The surprising story of the campaigning women who changed Britain.' VIRGINIA NICHOLSON 'A fascinating and moving story, vividly told.' JOHN CAREY 'A fascinating clash of two causes: rights for women and rights for birds to fly free not adorn suffragettes' hats. An illuminating story, provocative, well-researched and brilliantly told.' DIANA SOUHAMI

Gender and Justice

What happens if, after being given up for adoption in childhood, you reestablish contact with your biological family -- only to discover that your newfound brother is a killer? Anne Bird, the sister of Scott Peterson, knows firsthand. Soon after her birth in 1965, Anne was given up for adoption by her mother, Jackie Latham. Welcomed into the well-adjusted Grady family, she lived a happy life. Then, in the late 1990s, she came back into contact with her mother, now Jackie Peterson, and her family -- including Jackie's son Scott Peterson and his wife, Laci. Anne was welcomed into the family, and over the next several years she grew close to Scott and especially Laci. Together they shared holidays, family reunions, and even a trip to Disneyland. Anne and Laci became pregnant at roughly the same time, and the two became confidantes. Then, on Christmas Eve 2002, Laci Peterson went missing -- and the happy façade of the Peterson family slowly began to crumble. Anne rushed to the family's aid, helping in the search for Laci, even allowing Scott to stay in her home while police tried to find his wife. Yet Scott's behavior grew increasingly bizarre during the search, and Anne grew suspicious that her brother knew more than he was telling. Finally she began keeping a list of his disturbing behavior. And by the time Laci's body -- and that of her unborn son, Conner -- were found, Anne was becoming convinced: Her brother Scott Peterson had murdered his wife and unborn child in cold blood. Filled with news-making revelations and intimate glimpses of Scott and Laci, the Peterson family, and the investigation that followed the murder, *Blood Brother* is a provocative account of how long-dormant family ties dragged one woman into one of the most notorious crimes of our time.

Etta Lemon

'Bird-watchers are tense, competitive, selfish, shifty, dishonest, distrusting, boorish, pedantic, unsentimental, arrogant and – above all – envious'. So says Bill Oddie, and he should know! It's a tough environment out there on marsh and moorland, and this scurrilous little classic is a must for all devoted birders and twitchers (and as Bill relates, there is a mighty difference!). With years of hard-earned experience, Bill dares to say all the things that other b's and t's will recognize as true but which they have never dared to own up or admit to, even to themselves. Whether discussing the birds he's seen, the birds that got away, equipment, apparel, sightings, cock-ups, places to visit or people to avoid, Bill's enthusiasm is infectious, and his knowledge unsurpassed. This little black book is one item that no

serious birdwatcher can afford to leave out of the rucksack, and it will prove an essential companion when trudging the estuaries and riverbanks, in torrential rain and gusty gale in search of that elusive rare beauty.

Blood Brother

For centuries the women of Aronsdale have lived freely among the green and misted valleys. Creatures of exotic beauty and sensuality, they possess powerful skills of enchantment...

Bill Oddie's Little Black Bird Book

This ethnography explores the culture of the Yarralin people in the Northern Territory.

The Night Bird (Luna) (The Lost Continent, Book 2)

Presents the songs and calls of fifty North American birds that are common to residential settings, city parks, and urban areas.

Dingo Makes Us Human

In recent years, political discourse about gun control and the Second Amendment has become increasingly volatile and this collection of original essays by top scholars illuminates the various reasons why. Gun lobbies such as the National Rifle Association are more organized and aggressive and their issue agenda has evolved as new and more powerful weapons and militia appear. On the other side of the debate, the critical wounding of James Brady gave gun control advocates a visible martyr with strong ties to Republican conservatives. In sum, gun control and the right to bear arms have become hotly disputed issues where political alignments are constantly shifting. The contributors chart these changes and explore how Congress, the courts, the President, and individual states are currently addressing the issue of gun control. This book, which includes profiles and examinations of relevant interest groups, the gun control coalition, recent Supreme Court decisions, and public opinion surveys, will be of great interest to classes in political science, American government, law, and sociology.

Common Birds and Their Songs

Peter Pan, Jacqueline Rose contends, forces us to question what it is we are doing in the endless production and dissemination of children's fiction. In a preface, written for this edition, Rose considers some of Peter Pan's new guises and their implications. From Spielberg's *Hook*, to the lesbian production of the play at the London Drill Hall in 1991, to debates in the English House of Lords, to a newly claimed status as the icon of transvestite culture, Peter Pan continues to demonstrate its bizarre renewability as a cultural fetish of our times.

Judging Judges

A Toronto Star Bestseller! Rose, a Canadian intelligence officer in Britain in World War II, struggles with conflicting feelings about the war and a superior's attention. Rose Jolliffe is an idealistic young woman living on a farm with her family in Saskatchewan. After Canada declares war against Germany in World War II, she joins the British Women's Auxiliary Air Force as an aerial photographic interpreter. Working with intelligence officers at RAF Medmenham in England, Rose spies on the enemy from the sky, watching the war unfold through her magnifying glass. When her commanding officer, Gideon Fowler, sets his sights on Rose, both professionally and personally, her prospects look bright. But can he be trusted? As she becomes increasingly disillusioned by the destruction of war and Gideon's affections, tragedy strikes, and Rose's world falls apart. Rose struggles to rebuild her shattered life, and finds that victory ultimately lies within herself. Her path to maturity is a painful one, paralleled by the slow, agonizing progress of the war and Canada's emergence from Britain's shadow.

The Changing Politics of Gun Control

One of the most beloved novels of all time, Colleen McCullough's magnificent saga of dreams, struggles, dark passions, and forbidden love in the Australian outback has enthralled readers the world over. *The Thorn Birds* is a chronicle of three generations of Clearys—an indomitable clan of ranchers carving lives from a beautiful, hard land while contending with the bitterness, frailty, and secrets that penetrate their family. It is a poignant love story, a powerful epic of struggle and sacrifice, a celebration

of individuality and spirit. Most of all, it is the story of the Clearys' only daughter, Meggie, and the haunted priest, Father Ralph de Bricassart—and the intense joining of two hearts and souls over a lifetime, a relationship that dangerously oversteps sacred boundaries of ethics and dogma.

The Case of Peter Pan, Or, The Impossibility of Children's Fiction

Examining globally invasive alien birds, the first part of this book provides an account of 32 global avian invasive species (as listed by the Invasive Species Specialist Group, ISSG). It acts as a one stop reference volume; it assesses current invasive status for each bird species, including details of physical description, diet, introduction and invasion pathways, breeding behaviour, natural habitat. It also looks at the environmental impact of each species, as well as current and future control methods. Full colour photographs assist with species identification and global distribution maps give a visual representation of the current known distributions of these species. The second part of the book discusses the biogeographical aspects of avian invasions, highlighting current and emerging invasive species across different regions of the world. The third section considers the impact of invasive species on native communities, problems associated with invasive bird management and the use of citizen science in the study of invasive birds.

Bird's Eye View

What drives a man to travel to sixty countries and spend a fortune to count birds? And what if that man is your father? Richard Koeppel's obsession began at age twelve, in Queens, New York, when he first spotted a Brown Thrasher, and jotted the sighting in a notebook. Several decades, one failed marriage, and two sons later, he set out to see every bird on earth, becoming a member of a subculture of competitive bird watchers worldwide all pursuing the same goal. Over twenty-five years, he collected over seven thousand species, becoming one of about ten people ever to do so. *To See Every Bird on Earth* explores the thrill of this chase, a crusade at the expense of all else—for the sake of making a check in a notebook. A riveting glimpse into a fascinating subculture, the book traces the love, loss, and reconnection between a father and son, and explains why birds are so critical to the human search for our place in the world. "Marvelous. I loved just about everything about this book."—Simon Winchester, author of *The Professor and the Madman* "A lovingly told story . . . helps you understand what moves humans to seek escape in seemingly strange other worlds."—Stefan Fatsis, author of *Word Freak* "Everyone has his or her addiction, and birdwatching is the drug of choice for the father of author Dan Koeppel, who writes affectionately but honestly about his father's obsession."—Audubon Magazine (editor's choice) "As a glimpse into human behavior and family relationships, *To See Every Bird on Earth* is a rarity: a book about birding that nonbirders will find just as rewarding."—Chicago Tribune

The Thorn Birds

Downy the Woodpecker, Spooky the Screech Owl, and other winged creatures tell Peter Cottontail about their migration patterns, calls, nesting habits, and more in this blend of fact and fiction. 32 black-and-white illustrations.

Invasive Birds

A Best Book of 2020 at Lit Hub, Electric Literature, and Refinery29 A Best Book of Summer at Vulture, Refinery29, Yahoo! Life, Alma, Subway Book Review, and Lit Hub A Best Book of the Month at Entertainment Weekly, Hello Giggles, and PopSugar EDITORS' CHOICE AT THE NEW YORK TIMES BOOK REVIEW LONGLISTED FOR THE 2021 CARNEGIE MEDAL and the Joyce Carol Oates Prize "Miraculous: spry and mordant, with sentences that lull you with their rhythms, then twist suddenly and sting." —Lauren Groff, author of *Florida* "A twisting, strange delight, Parakeet shimmers a soft and generous light on the darkest of a woman's innermost thoughts." —Kristen Iversen, Refinery29 Acclaimed author of *2 A.M.* at the Cat's Pajamas Marie-Helene Bertino's *Parakeet* is a darkly funny and warm-hearted novel about a young woman whose dead grandmother (in the form of a parakeet) warns her not to marry and sends her out to find an estranged loved one. The week of her wedding, The Bride is visited by a bird she recognizes as her dead grandmother because of the cornflower blue line beneath her eyes, her dubious expression, and the way she asks: What is the Internet? Her grandmother is a parakeet. She says not to get married. She says: Go and find your brother. In the days that follow, The Bride's march to the altar becomes a wild and increasingly fragmented, unstable journey that bends toward the surreal and forces her to confront matters long buried. A novel that does justice to the hectic confusion of becoming a woman today, *Parakeet* asks and begins to answer the

essential questions. How do our memories make, cage, and free us? How do we honor our experiences and still become our strongest, truest selves? Who are we responsible for, what do we owe them, and how do we allow them to change? Urgent, strange, warm-hearted, and sly, Parakeet is ribboned with joy, fear, and an inextricable thread of real love. It is a startling, unforgettable, life-embracing exploration of self and connection.

To See Every Bird on Earth

For fans of Wesley the Owl and The Soul of an Octopus, the story of a sick baby bird nursed back to health and into the wild by renowned writer/artist Julie Zickefoose. When Jemima, a young orphaned blue jay, is brought to wildlife rehabilitator Julie Zickefoose, she is a virtually tailless, palm-sized bundle of gray-blue fluff. But she is starved and very sick. Julie's constant care brings her around, and as Jemima is raised for eventual release, she takes over the house and the rest of the author's summer. Shortly after release, Jemima turns up with a deadly disease. But medicating a free-flying wild bird is a challenge. When the PBS show Nature expresses interest in filming Jemima, Julie must train her to behave on camera, as the bird gets ever wilder. Jemima bonds with a wild jay, stretching her ties with the family. Throughout, Julie grapples with the fallout of Jemima's illness, studies molt and migration, and does her best to keep Jemima strong and wild. She falls hard for this engaging, feisty and funny bird, a creative muse and source of strength through the author's own heartbreaking changes. Emotional and honest, Saving Jemima is a universal story of the communion between a wild creature and the human chosen to raise it.

The Burgess Bird Book for Children

Longlisted for the 2020 Wainwright Prize 'I can't remember the last book I read that I could say with absolute assurance would save lives. But this one will' Chris Packham 'Fabulously direct and truthful, filled with energy but devoid of self-pity . . . I was impressed and enchanted. Highly recommended' Stephen Fry 'Succeeds – triumphantly – in articulating with great honesty what it is like to suffer with a mental illness, and in providing strategies for coping' Mail on Sunday When Joe Harkness suffered a breakdown in 2013, he tried all the things his doctor recommended: medication helped, counselling was enlightening, and mindfulness grounded him. But nothing came close to nature, particularly birds. How had he never noticed such beauty before? Soon, every avian encounter took him one step closer to accepting who he is. The positive change in Joe's wellbeing was so profound that he started a blog to record his experience. Three years later he has become a spokesperson for the benefits of birdwatching, spreading the word everywhere from Radio 4 to Downing Street. In this groundbreaking book filled with practical advice, Joe explains the impact that birdwatching had on his life, and invites the reader to discover these extraordinary effects for themselves.

Parakeet

In 1897, Maynard Bird, of Rockland, Maine, was visiting an insurance client, Fred Hall, on the island of Vinalhaven at the mouth of the Penobscot River. "You know, Maynard," Fred was saying, "staying in touch with the mainland is getting more important every day. I was thinking on how we might go about getting some telephone service out here." "Let me look into it, Fred," Maynard responded. These sentences were enough to start him on one of his Adventures. Born four years after the Civil War, Maynard saw life as a series of adventures. He was uniquely equipped, through his quick, mathematically analytical mind, and his adventurous spirit, to take advantage of an era of great commercial, industrial and technological innovation. At 24 he started his own insurance brokerage, founded the Knox County Telephone Company, a local bank and a successful investment brokerage. At fifty he met and married a beautiful concert singer. After her tragic death, he left Maine and resumed his career in New York. The Depression found him still affluent, but the final loss of his third wife left him alone bereft of her support. He died at 91, his resources largely depleted; too proud to admit his need to those who cared.

Saving Jemima

A Bird in the House is a series of eight interconnected short stories narrated by Vanessa MacLeod as she matures from a child at age ten into a young woman at age twenty. Wise for her years, Vanessa reveals much about the adult world in which she lives. "Vanessa rebels against the dominance of age; she watches [her grandfather] imitate her aunt Edna; and her rage at times is such that she would gladly kick him. It takes great skill to keep this story within the expanding horizon of this young girl

and yet make it so revealing of the adult world."—Atlantic "A Bird in the House achieves the breadth of scope which we usually associate with the novel (and thereby is as psychologically valid as a good novel), and at the same time uses the techniques of the short story form to reveal the different aspects of the young Vanessa." —Kent Thompson, The Fiddlehead "I am haunted by the women in Laurence's novels as if they really were alive—and not as women I've known, but as women I've been."—Joan Larkin, Ms. Magazine "Not since . . . To Kill a Mockingbird has there been a novel like this. It should not be missed by anyone who has a child or was a child."—Pittsburgh Post-Gazette One of Canada's most accomplished writers, Margaret Laurence (1926-87) was the recipient of many awards including Canada's prestigious Governor General's Literary Award on two separate occasions, once for The Diviners.

Curse of the Twisted Rose

As a kickboxing cop, Marlie Franklin protected the citizens of Houston, and as a young single mom, she kept her teenage son out of trouble. However, when a dying witch curses her at a bust, she begins to attract monsters wherever she goes. One disguises itself as an Internal Affairs officer and causes Marlie to lose her badge, forcing her to leave town in search of work. Then, as the new deputy for Lockwood, Texas, Marlie discovers that mystical evil has rooted itself in the small town, with a gang of bikers casting spells to keep control. When she refuses to back down, her son could lose his life. Can Marlie learn to use the curse within her for good, to cure the corruption of Lockwood?

Twisted Rose

Hayden had lived his whole life with a curse hanging over his head. One day a girl comes along and decides that she is moving in. Nikia finds an intriguing man in the forest one day, she moves in with him and learns that he kills everything that he touches. Together they work to take down an evil lord, keep Nikia away from her horrible mother, and learn how to let other people into their lives. She taught him how to be okay in his own skin and he taught her what it meant to be safe. Together they find out what true freedom is like.

The Twisted Rose

Being recently promoted to full-time member at the Home Office was a highlight for Lord Edgar Cortland, but it was quickly overshadowed by a series of missions that first sent Lord Blakely off to America after a kidnapping, then Lord Davenport to identify the imposter that was now the spy, B. Edgar himself has been tasked with investigating the Twisted Rose Shipping Company as well as locating the Duke of Greaves's errant daughter. After situating a recently returned school friend into a position at the Home Office, both young lords head out. When a young Lady Juliana Greaves left home, it was to escape the betrothal her stepmother was attempting to entrap her in. For four years she has been free to pursue other activities along with her schooling. But now her father insists she return home and enlists Lord Cortland to track her down. An amusing game of cat and mouse ensues. The Home Office's central investigation gets a lead, when suddenly their top suspect becomes the victim of a shooting. There are bigger issues threatening England than any of the lords realize. Which only leaves one question: Who is Thorne?

The Twisted Rose

Holly Skidmore is a precocious nine year old from Richmond, Virginia, living the good life until one day she is faced with every parents' nightmare; she is abducted. Before the local authorities and the FBI

unite forces to find her, she is already on a cargo plane to the underworld of Los Angeles. She enters a life that she never knew existed, full of child pornography, drug trafficking, prostitution and murder. This is her fight to survive

Broken Curse

With Snow asleep and under a curse, Philip and Vinurien venture into Furi to see the king of the Animal Court in hopes of finding the Crown of Roses. After searching for years, Philip has finally found his soul bond only to have her fall into oblivion. However, he soon discovers that the soul bond is pulling him into the cursed darkness with her and the Furian king takes drastic measures to free him from the pull. In Furi, secrets are kept and Philip struggles to understand who Snow is and if she'll ever wake. Audora has awakened from her curse only to discover that she's manifested into fae form. And not only does she have new, pointy ears and sharper canine teeth that she never expected, but she is now a sparrow...something she's not sure how to control. In search of her true love, Audora flees Wessix for The Wilds where she quickly discovers the magic and deadliness of that world. Where everything is trying to kill her for sport or make a meal out of her, Audora is forced to survive by her own sheer will. The naïve pampered princess, betrayed by her mother, is now naked and roaming The Wilds, hoping to understand who she really is and to discover who she is to be. When fate pulls Snow and Audora in directions they never expected, they will have to make tough decisions that will lead to heartbreak and danger. Fate has put them on the path to discovering who they are, the secrets of the past, the Prophecy of Roses, and where their true enemies lie. In the midst of it all, they may find a little happiness and each other, but how long will that happiness last?

Cruel Devices

Renowned horror writer Gavin Curtis is in a rut until he stumbles upon a mysterious typewriter, a forbidden antique that ignites boundless inspiration within him. But everything has its price, and he will soon discover that his talent, charm, wealth, and fame are no match for the ruthless evil that he's unleashed. Pitted against a destructive entity from another realm, he races against time to save himself and those he loves. From author George Wright Padgett comes an unsettling story where dreams can come true, but so can the nightmares.

Face Behind the Mask

The Bourbon Street Ripper is dead, and the mastermind behind him stands revealed. His end game for both sets of killings is simple: Sam Castille cannot die. Now Sam lies in a coma as the remnants of the Knight Priory and Dr. Lazarus' fledgling group battle over her and all of New Orleans. Spanning five years and the intertwined lives of five characters, the explosive climax to this supernatural thriller trilogy will change the world forever! The Sins of the Father trilogy from author Leo King begins in The Bourbon Street Ripper, continues in A Life Without Fear and concludes in Face Behind the Mask.

Fallen is Babylon

In a plague-ravaged world in the not-too-distant future, Vann Arnett believes he may be the last unaffected survivor in a city populated by bloodthirsty monsters. During the daylight hours he struggles to survive, mourning the loss of his wife and daughter 18 months earlier, while at night he fights to keep his sanity. Safe behind the walls of his fortified stronghold, he endures the nighttime torment of the Kindred, the affected survivors who have mutated into vampire-like creatures that seek to destroy him. Vann longs for human contact, and a chance daytime encounter with an affected survivor - a young woman who isn't part of the Kindred - not only revives his sense of hope but forces him to reevaluate his beliefs about the supposedly nocturnal creatures. That carefully structured routine, one that keeps him safe in a world where he is surrounded by walking nightmares, is further disrupted when a group of heavily armed uninfected survivors rolls into the city. Are they a sign the world is righting itself or just the last brutal spasms of humanity's death throes? Before he can come to grips with the implications of these two events, matters quickly and savagely go awry and spiral out of control. The situation escalates rapidly and soon becomes a desperate life-and-death battle between Vann with the other unaffected survivors and the Kindred.

Sins of the Father: The Bourbon Street Ripper

In 1972, the city of New Orleans was terrorized by a serial killer who came to be known as the Bourbon Street Ripper. Although he was captured, convicted, and executed his deeds left a scar on the city. Now, twenty years later, the murders have started again, and the secrets of the past, left buried for so long, must be uncovered in order to stop this new horror.

The Curse of the Black Rose

Do you know why some people do the same destructive thing over and over again? What is the true source of gang violence in America? Does it ever feel like your life is stuck in a rut and nothing you do changes the circumstance? Why does a person whos labeled an addict crave doing the same thing over again? In *Breaking the Curse From a Twisted Life*, you will learn how to get right down to the root of the thing that seems to keep you from progressing.

Breaking the Curse from a Twisted Life

"Just think," the curse whispered as I drifted off to sleep. "Three years from today, you'll fall asleep like this and never wake up." I was almost too tired to care. Almost. When she was thirteen years old, Briar Rose made a terrible mistake. She's spent the last five years waiting for the day she'll finally pay for it, the day she'll be cursed to eternal sleep by cruel mages who plan to use her against her mother. Five years of anticipation. Five years of torture. The curse controls her every moment, waking or sleeping. Her movements and words. Her choices. Her destiny. When her final attempt to fight the curse fails, her only consolation is that she'll be alone in her miserable end. She didn't count on a twin sister who refuses to give up on her. Or a best friend who will do anything to save her. Or enemies who have been planning an act of unthinkable evil for centuries, forcing her to find the will to fight back when she has nothing left to give and everything to lose. Truths are revealed and steep prices are paid in this *Sleeping Beauty* retelling, the thrilling conclusion to the *Destined* series. The *Destined* series is a collection of overlapping fairy tale retellings all set in the same magical world. Read them in order: *Torn: Novelette Prequel to Cinderella* (get it free on Instafreebie - <http://smarturl.it/torn-freebie>) *Book 1 - Fated: Cinderella's Story* *Burned: Weslan's Story* - a *Destined* series short from Weslan's point of view (free on Instafreebie - <http://smarturl.it/burned-signup>) *Book 2 - Hidden: Rapunzel's Story* *Book 3 - Twisted: Belle's Story* *Book 4 - Betrayed: Ruby's Story* *Book 5 - Hunted: Alba's Story* (a *Snow White* retelling) *Book 6 - Cursed: Briar Rose's Story* (a *Sleeping Beauty* retelling)

A Curse of Roses

In a post-apocalyptic world, where an evil entity by the name of Jorne reigns his baneful wrath for blood lust and domination, stirring up an unrelenting coalition between three of the world's most harmonious nations to sign a contract --allowing Jorne to unleash some of his influence onto the army known as the Jortori. This contract was specifically formed by three very powerful men, a representative from each country, to rule the Jortori army in Jorne's place. The majority of the human race found sanctuary among the stars --with a promise to one day return. Among the handful of those left behind is a young girl by the name of Aleta Rose. Aleta and the remaing population were forced to come out of hiding to learn what true innate abilities really are, and to begin a revolt against the Jortori in order to save their home. Valcan, a Jortori leader, launched a grueling attack on Aleta's village when she was eight. Aleta, being the only survivor from the tragedy, was forced to live in the wilderness in order to survive. After nine years of living in utter isolation, Aleta, and her two wolves, are faced with the heart-stopping news of the Jortori's return to her home land. When it can't seem to get much worse, she is taken to a hidden military base, concealed in the mountains. Scared and confused in her new surroundings, Aleta learns that this is no ordinary military base. Everyone is acting strange and treating her like some disease ridden animal. The secrets and lies pile on top of each other as Aleta isn't only forced to figure out what causes her panic episodes that paralyze her body in the midst of anger but just what kind of secrets are these people not telling her?

Cursed

Two fighting partners. One monstrous prince. A last battle. The finale of *The Bone Spindle*, a fractured fairy tale based on *Sleeping Beauty*, with a m/f and a f/f romance. Perfect for fans of *CINDERELLA IS DEAD*. With Prince Briar Rose's life on the line as he slowly turns into a monster at the hands of the Spindle Witch, treasure hunter Fi must escape from a tower to rescue him. Meanwhile, her axe-wielding partner Shane is on the hunt for a mysterious weapon that holds the key to the Spindle Witch's demise. But Shane must also protect her lover, the beautiful witch Red, from the Spindle Witch's executioner.

As tensions rise and partnerships crumble, Fi and Shane need to work together again, putting their treasure hunting skills to the test at the greatest lost ruin of them all - the tomb of the Witch Queen Aurora. Will they finally unravel the thread that ties them all together and defeat the Spindle Witch and her twisted creatures once and for all? Packed with kick-ass fight scenes and featuring two romantic storylines, this retelling of Sleeping Beauty is the spectacular finale to The Bone Spindle.

Thorn of a Rose

Alina, a white witch, made a promise to the Goddess to help those in need whenever she can, hoping and believing that good deeds will in some way break the curse made by her ancestor Mary so long ago. Alina's pagan faith has taught her that what you put out comes back to you threefold and her wish is to break the curse so that it no longer affects anyone, especially the children that she hopes to have in the future. Every month, in the dark of the Moon, she performs her Banishing Ritual. Will this be enough, or will sins of the past mar Alina's future happiness? After the Rose is the third part in the trilogy 'The Mystery of the Wooden Rose' and is the culmination of an evocative love story that begins when young Gypsy lad Eddie carves a wooden rose as a token of his love for his childhood sweetheart. In this latest book, 'After the Rose,' the police ask Alina to help with the cold case of a missing teenager, and in spite of the risk to herself, and the challenges she might face, she agrees. Will this be enough to break Mary's curse?

The Bone Spindle: The Cursed Rose

This is a love story about Garrick who's days as a warrior were finally over. It was time for him to return home to his castle by the ocean. In his warm sanctuary, he thought this life was complete, that is until he saw her. Angela was a beautiful noble woman who lived a life of ease. Until one night when fate brought a dark stranger into her life and stole away, any chance of her ever seeing the sunrise again. Since that cold autumn evening, she has wandered the world of shadows in sorrow and confusion that is until she saw him...

After the Rose

Paul Sheppard has waited for centuries for this moment. He has watched Julia Fields from the shadows and is convinced that she is the one that will end his suffering. Follow Paul as he tries to balance his love for Julia, his lust for human blood, and his will to survive a painful past. Encounter the obstacles thrown in his path that only make his search more desperate and heartfelt. The stakes are high and time is running out. Can he overcome his past and find peace once again?

The Curse of Raven's Rose Keep

****A USA Today Must-Read Romance!**** Even a princely kiss may not revive this beauty's frozen heart... Don't miss **GATHERING FROST**, a fantasy romance from bestselling author Kaitlyn Davis that reimagines the classic fairy tale of Sleeping Beauty. "I wish I could say I was the hero of the story. A resister. A rebel. Someone who lived to bring an end to the queen who stole my childhood--my mother, my life, my very world. But I'm not. I'm not the good guy. I'm the one who puts the good guys in their graves." Jade was only a little girl when the earthquake struck. Before her eyes, half of New York City disappeared, replaced by a village that seemed torn out of a storybook. Horses and carriages. Cobblestone streets. A towering castle. And, above all, a queen with the magical ability to strip emotions away. Ten years later and Jade has forgotten what it is to feel, to care...even to love. Working as a member of the queen's guard, she spends most of her time on the city wall staring at the crumbling skyscrapers of old New York. But everything changes when the queen's runaway son, Prince Asher, returns. Under his relentless taunts, her blood begins to boil. Under his piercing gaze, her heart begins to flutter. And the more her icy soul begins to thaw, the more Jade comes to question everything she's ever known--and, more importantly, whose side she's really on. Keywords: Teen & Young Adult, Fairytale, Fairy Tale, Retelling, Adaptation, Fairy Tale Adaptation, Sleeping Beauty, Romance, Dystopian, Paranormal Romance, Urban Fantasy, Love, Action & Adventure, Magic, Fantasy, Evil Queen, Prince Charming **RAVE REVIEWS** for Gathering Frost! "My favorite thing about this book is the action. Jade isn't a sleeping princess. She's the best fighter and so fierce in her "empty" state. I felt like this was an urban fantasy with all the steam of a romance." - Jessie Potts, USA Today 'Happy Ever After Blog' "Davis writes with confidence and poise, and the story's many twists and turns stave off predictability and allow readers to become immersed in a starkly magical world filled with last hopes." - Publisher's Weekly "Gathering Frost is just awesome in every way. Beautiful prose, lots of

heart-wrenching emotion, action and romance, a great, unstoppable villain, and a smart, tough heroine who will fight for what she wants." - Geeks In High School "The writing is flawless as always and I must say, way to take a classic and make such a creative and wonderful twist to it...It's well thought out and it unbelievably magnificent. I seriously couldn't put it down. Wait I never actually put it down. I started and finished in one sitting because it's just that good. This one is a MUST READ." - Happy Tails and Tales Blog "I loved everything about this book! The different take on Sleeping Beauty, the strong female characters, and the overall vibe of the book/series to come. Jade is amazing and leaped off the page...This is not just a romance! It has great action scenes where Jade is kicking some major ass and there are surprises at every corner." - Hooked In A Book "I loved this book. To me is it a very loose reimagined world of Sleeping Beauty, but that is a good thing. It kept me guessing and really kept me on the edge of my seat. I stayed up late reading as I just had to know what happens next." - Michelle's Paranormal Vault of Books

Curse of the Black Rose

The Cycle continues in the sequel to Marrow Charm. Perfect for fans of Brandon Sanderson's MISTBORN and Leigh Bardugo's SHADOW AND BONE. The Children of the Gate wait for the call to Rise. Azzy Brimvine knows her brother is in the vast city of Avergard. She must find him, but time is not on her side. In the House of Seven Smiles, Azzy struggles to understand the constraints and limits of her power. She finds the whispering voices that guided her for so long suddenly silent. The enigmatic Lord Wallach is both a frustrating ally and a dangerous mystery, and a strange entity lurks among the household servants. The haven Azzy sought may not be as safe as she believed, but is anywhere in the Above truly safe? The city of Avergard is full of monsters and secrets, and a dark history festers at its root. A yawning pit nestles in the house of a scheming lord, and he will use Armin's dangerous gifts to raise a deadly history... and raze the city to the ground. As Azzy finds herself and her brother pulled into these machinations, she must navigate the politics and society of Avergard's brutal ruling class to save her family and friends before the Gate consumes them all. hr The Gate Cycle Series in order: 1. Marrow Charm 2. Skin Curse 3. Blood Vow

Gathering Frost (Once Upon A Curse Book 1)

A cursed prince. An aspiring assassin. No good deed goes unpunished... Once upon a time... Crown Prince Boris's life was perfect - a wife, a child and his father's favour for a job well done. Until his brother's traitorous plot steals everything from him, forcing him to run for his life for fear of losing what little he has left. Rossa wants nothing but to follow in her father's assassin footsteps. Whether it takes magic or a blade, she can handle anything. Until she discovers she can't bear to take a life. Together, can a failed assassin and a cursed prince save the kingdom?

Skin Curse

Before the Rose, the Gypsy's Curse. (Prequel to The Wooden Rose) They say the sins of the fathers fall on the sons, but what of the sins of the mothers... Mary always manages to get her own way. As a child, she is stubborn, determined, acts without thinking, and never considers the consequences of her actions. The old Mother tries to explain to her that what she says and does will come back to her three times over, good or bad. When she angers her common sense and control disappear, and then she worries about the old Mothers words. When Mary helps her older sister Coralina to run away with the miller's son, she is blamed for not telling her father. Johnny her childhood sweetheart has a calming influence on her, and later they marry and have a child, a beloved daughter Rosa. When Rosa is fourteen, her sweetheart Eddie, carves a piece of wood into the shape of a rose and gives it to Rosa as a token of his love. Later they marry at the Tinkers Heart, near Cairndow on the shores of Loch Fyne, and it's a time of celebration for all. Mary, a natural witch, practices healing, and casts simple, personal spells, but she often forgets the power of her words, her deeds, and her actions. She utters a vile curse, which haunts a family to this day, but it haunted Mary too, and her thoughtlessness repays her when she least expects it, in tragic and heartbreaking ways. This fascinating romantic suspense, set in and around Glasgow and Ayrshire will keep you hooked to the very end and leave you wanting more. This is a charming mysterious love story.

Curse

The glittering and bright regency society of Montserrat, a Caribbean Island, exists only because of the miserable toil of some. The accepted unjustness of it jars Miss Emmeline Durrant who arrives from

Boston to be a companion to a Mrs. Thornton, but being alone in the world, it is an opportunity she cannot afford to pass up. Even so, her welcome proves less than earnest and secrets emerge from every shadowed corner as she takes up her new position at the Rose Hill plantation. Dark deeds and intents are suspected everywhere, especially from the neighboring landowner, a Lord Cresswell, who Emmeline

Before the Rose

Based on Portuguese legend, this #OwnVoices historical fantasy is an epic tale of mystery, magic, and making the impossible choice between love and duty... With just one touch, bread turns into roses. With just one bite, cheese turns into lilies. There's a famine plaguing the land, and Princess Yzabel is wasting food simply by trying to eat. Before she can even swallow, her magic—her curse—has turned her meal into a bouquet. She's on the verge of starving, which only reminds her that the people of Portugal have been enduring the same pain for years. If only it were possible to reverse her magic. Then she could turn flowers into food. Fatyan, a beautiful Enchanted Moura, is the only one who can help. But she is trapped by magical binds. She can teach Yzabel how to control her curse—if Yzabel sets her free with a kiss. As the King of Portugal's betrothed, Yzabel would be committing treason, but what good is a king if his country has starved to death? With just one kiss, Fatyan is set free. And with just one kiss, Yzabel is yearning for more. She'd sought out Fatyan to help her save the people. Now, loving her could mean Yzabel's destruction. A Curse of Roses includes themes, imagery, and content that might be triggering for some readers. Discussions of religious-based self harm, religious-based eating disorders, and religious-based internalized homophobia appear throughout the novel.

The Curse at Rose Hill: A Regency Caribbean Gothic Romance

Meeting atop the snowy Selway-Bitterroot Mountains, two young men discover they have more in common than a love for hunting. Although from different parts of the country, they share a burning hatred for a legal system corrupted by politics, nepotism, and social status. Driven by that common passion, they create a secret alliance, develop a code, and provide justice to those who have been abused by the corruption. In his later years, one retires in search of a God he had forsaken in his pursuit of justice while the other dares to reveal the gory details of their most recent venture of revenge for justice in his novel, *The Curse of Delilah*.

A Curse of Roses

Briar Rose believes in fairy tales . . . And now, because of a family curse, she's living one. Doomed to fall asleep for one hundred years on her sixteenth birthday, Briar has woken up in the darkest, most twisted fairy tale she could ever have dreamed of – miles away from the safe, boring small-town life that she has left behind. Briar must fight her way out of the story, but she can't do it alone. She always believed in handsome princes, and now she's met one her only chance is to put her life in his hands, or there will be no happy ever after and no waking up . . .

Delilah S Curse

Beautiful but willful Emma D'Arcy is determined to stay on as mistress of Fairfield Manor after her father dies. Fairfield is called Castle Ladyslipper by the locals, due to the extraordinarily large number of women who reside there. Even though Emma cares little for politics, she pledges fealty to the current queen of England, Eleanor of Aquitaine, who helped free her from an abusive marriage. Garrick of Hawkwood is a loyal knight serving King Henry II who dispatches him to Fairfield as warder. Since the king and queen are currently at war, Henry wishes to secure the rich demesne for his own purposes. Based on actual events, the two are caught up on opposing sides of a violent family war. Still, Emma and Garrick cannot deny their mutual attraction, the heat rising between them. But first, they must overcome suspicion, mistrust and marauding neighbors intent on stealing the land. To further complicate matters, Emma is dealing with a curse preventing all women of her lineage from bearing sons. And, Garrick must figure out why he is being haunted by Rose, Emma's great-great grandmother.

Briar Rose

The fate of a cursed kingdom rests on ancient secrets, broken promises, and fierce friendships in this gasp-worthy final book of the bestselling twisted fairytale Bone Spindle series. **Perfect for fans of Margaret Rogerson, Holly Black, and Marissa Meyer** Not all curses should be broken. Not all fairytales

end happily ever after. Fi is a prisoner. Briar, a monster. Shane's a warrior. And Red is a traitor. What was once a formidable group of four fighting to reawaken the kingdom is now ruptured, torn apart by the wicked Spindle Witch. Confined to a tower with the monstrous Briar Rose, Fi is caught in the Spindle Witch's ever-tightening web. With the Spindle Witch on the verge of finding the Siphoning Spells and crushing Andar—with Fi's help, no less—Fi's only hope lies in decoding the ancient riddle of the Rose Witches before she loses Briar forever. Shane is desperate to save Andar—and her partner. She's on the hunt for a weapon left by the mysterious Lord of the Butterflies, which holds the key to the Spindle Witch's demise. Her love for Red has only fortified. But Red's betrayal puts her in danger from a new enemy—the Spindle Witch's executioner, the Wraith, a witch as powerful as he is cruel. The future of Andar lies in the secrets of its past. Fi and Shane must take on the greatest lost ruin of them all—the Tomb of Queen Aurora. Filled with vicious bone monsters, new alliances, and surprises at every turn, prepare to be swept away by this taut, clever, and heart-filled series conclusion.

The Curse of the Rose

"I pause a moment, rethinking my choices, my doubts surfacing. What if none of my plans make it to fruition? All this work, this treason, would be for nothing. Then, I think about the king and so many others that were the central part of the monarchy. They gave their lives for what they believed in. Why should I not do the same? With that, I make my decision. I make my jump, my leap of faith. The darkness welcomes me like a long lost child." A high-stakes fantasy about finding yourself amidst chaos and standing up for your beliefs.

The Cursed Rose

The World of Regina is at a peak of technological wonder. Diamonds have become the primary source of energy, catapulting the famous World Security guild into a new age of dominance. As the world spins, Myron awakens onboard a vessel with memories new and old. A brother trapped inside his shadow and an insatiable chill plaguing his chest. In search of redemption and truth, Myron finds himself thrown amongst others with no place left to go. What secrets lie in wait?

Some Dark Twisted Rose

Ananna of the Tanarau abandons ship when her parents try to marry her off to an allying pirate clan: she wants to captain her own boat, not serve as second-in-command to her handsome yet clueless fiancé. But her escape has dire consequences when she learns the scorned clan has sent an assassin after her. And when the assassin, Naji, finally catches up with her, things get even worse. Ananna inadvertently triggers a nasty curse — with a life-altering result. Now Ananna and Naji are forced to become uneasy allies as they work together to break the curse and return their lives back to normal. Or at least as normal as the lives of a pirate and an assassin can be. From the Trade Paperback edition.

Twisted Roses

****A USA Today Recommended Series!**** Beauty is cursed, and only the Beast can save her... Don't miss *WITHERING ROSE*, a fantasy romance from bestselling author Kaitlyn Davis that reimagines the classic fairy tale of Beauty & The Beast. "As the heat finally disappeared, I felt the bloom blossom in the very core of my soul, a rose just like my name--a ticking clock hidden behind a façade of beauty. From that moment on, my life would become a countdown, and all I could do was wait and watch as the petals of time slowly started to fall." Omorose Bouchene has a secret--magic. There's only one problem. At the age of seven, an earthquake struck, catapulting her into a new world. A land made of skyscrapers and cell phones. Fast cars and fluorescent lights. A land where magic isn't supposed to exist and anyone who wields it is the enemy. But after ten years of hiding, she's desperate to find a place where she can be free. Because all magic comes with a curse, and her curse is time--every ounce of power she uses strips days off of her life. The clock is winding down, and the only option left is to escape to the realm of the Beast. But the king of monsters isn't what he seems. And the more Omorose opens her heart, the more she comes to realize that the only person she may need to fear is herself. *This is the second book in *Once Upon A Curse*, a series of interconnected stand-alone novels all set in the same fantasy universe. Keywords: Teen & Young Adult, Fairytale, Fairy Tale, Retelling, Adaptation, Fairy Tale Adaptation, Beauty and the Beast, Romance, Dystopian, Paranormal Romance, Urban Fantasy, Love, Action & Adventure, Magic, Fantasy, Beast, Beauty, Shapeshifter, Werewolf, Werewolves

The Assassin's Curse

Unfortunately, bad boyfriends and even worse luck strand her near the most dangerous place for a witch to land 0 4beside a cursed town, and an even more cursed man. Jeremy Tremont's family built their house over an ancient place of power, turning it into an uneasy, rose-choked sanctuary for the weird and the dangerous alike. Scarred, quiet, and difficult, he's not Isabella's idea of a prospective employer, no matter how badly she needs the money. He's paying well, and there's only one catch: she has to be home by dusk. Because in Tremont City, bad things happen after nightfall. Secrets hide in every corner, an ancient curse cloaks itself in silence, and Isabella's arrival has begun a deadly countdown. Despite that, she may have found a home 0 4all she has to do is figure out how to break the curse. Oh, and survive in the dark...

Withering Rose (Once Upon A Curse Book 2)

The haunting story of the mother of the Tudors, Elizabeth of York, wife to Henry VII. Beautiful eldest daughter of Edward IV and Elizabeth Woodville - the White Queen - the young princess Elizabeth faces a conflict of loyalties between the red rose and the white. Forced into marriage with Henry VII, she must reconcile her slowly growing love for him with her loyalty to the House of York, and choose between her mother's rebellion and her husband's tyranny. Then she has to meet the Pretender, whose claim denies the House of Tudor itself.

The Curse of Kenton

Pluck is taken back to the Shadow Encampment. Type: novella, about 31,700 words An action-adventure retelling of the classic fairytale Beauty and the Beast with a twist. What if the woman was the one turned into the creature? Pluck's adventure started in Beauty of the Beast #1 The Mystic Rose: Part A: The Flower, The Sword, And The Kiss and continues as Pluck must face losing all she holds dear as the Shadow close in on her. A realm of adventure and peril mingled with romance, friendship, magic, and sword and sorcery. Join Pluck in this novella series as she travels through a strange land of danger and intrigue as she finds allies and foes alike in her search to lift her monstrous curse. A story like Beauty and the Beast but with more action-adventure and menacing darkness.

Rose & Thunder

A Beauty. A Beast. A Curse. This is not the story you know. Join author Heather Rose Jones on a new and magical journey into the heart of a familiar fairytale. Meet Alys, eldest daughter of a merchant, a merchant who foolishly plucks a rose from a briar as he flees from the home of a terrifying fay Beast and his seemingly icy sister. Now Alys must pay the price to save his life and allow the Beast, the once handsome Philippe, to pay court to her. But Alys has never fallen in love with anyone; how can she love a Beast? The fairy Peronelle, waiting in the woods to see the culmination of her curse, is sure that she will fail. Yet, if she does, Philippe's sister Grace and her beloved Eglantine, trapped in an enchanted briar in the garden, will pay a terrible price. Unless Alys can find another way...

The White Princess

Ben Logan wakes up in a strange bed with a stab wound in his chest, but no memory of how he got there or what happened to him. Still, the strangest part of it all is that he can no longer shift or communicate with the wolf that lives inside him. Haunted by a beautiful woman each night, Ben becomes more hopeless while he spends his days as a caretaker for the Order's wealthy elite. After performing some maintenance on his favorite house, he steps out of the Georgia mansion and comes face to face with the woman of his dreams. But when the cruel hand of Fate binds you to the one who damned you, finding your soul mate is a curse. Cursed is a werewolf romance from The Immortals Series, a dark fantasy collection.

Beauty of the Beast #3 Rise Of The Serviatrixes: Part E: Hearts At War

A thrilling, dark and sensual story of war and revenge set in 6th Century Celtic Scotland. Driven mad at the Battle of Arderydd when his lord died and his dreams were destroyed, Lailoken, the last of the great dragon harpers, arises from pain and madness to seek redemption and revenge. A culmination of myth and legend blending history and fantasy of the war plagued years that led to the rise of Northumbria and a simple man of poetic heart and warrior soul.

The Language of Roses

The Society for the Protection of Mythical Creatures is facing their most deadly threat. Connie is the only member of the society who can keep peace between humans and the hidden mythical beings that are being destroyed by our pollution. But the shapeshifter Kullervo craves her power. He wants to use it to wipe out all of humanity. During the long, hot summer, Kullervo prepares for war. The serpent-like chimera is just one part of his frightening army. As Kullervo's hatred blazes into life, Connie and her best friend Col must stop him. But how? And who will survive this fight to the death? Perfect for fans of *Fantastic Beasts* and *Where to Find Them*, this is a classic adventure story with a very modern twist!

Cursed- A Dark Werewolf Romance from The Broken immortals (Book 2)

Dragon Harper Curse
