Artor is now weakening with age, however, and the seeds of discontent are being sown. Seeking to cleanse the land of Christian belief, dissenters need a symbol with which to legitimise their pagan claim and gather malcontents together into a cohesive weapon. These shadowy, subversive elements seize upon the ancient cup of Bishop Lucius of Glastonbury as a way of fragmenting Artor's hard-fought-for kingdom. But first, they must lay their hands on the relic and, in doing so, unleash a force for evil from which murder and violent mayhem ensue. But it emerges that the ultimate threat to Artor's rule lies far closer to home; Artor is betrayed by kin. Celt will slay Celt and the river will run with blood. What readers are saying about *King Arthur: The Bloody Cup*: 'The tale is told in a very dedicated and passionate way by the author, and it pictures Celtic Britain in a most remarkable fashion. Oh, Say Can You See!?

The first book-length study of ta'wil, a form of allegorical scriptural interpretation propagated by Ismaili-Shiite missionaries Ismailism, one of the three major branches of Shiism, is best known for ta'wil, an esoteric, allegorizing scriptural exegesis. Beyond the Qur'ān: Early Ismaili ta'wil and the Secrets of the Prophets is the first book-length study of this interpretive genre. Analyzing sources composed by tenth-century Ismaili missionaries in light of social-science theories of cognition and sectarianism, David Hollenberg argues that the missionaries used ta'wil to instill in acolytes a set of symbolic patterns, forms, and "logics." This shared symbolic world bound the community together as it created a gulf between community members and those outside the movement. Hollenberg thus situates ta'wil socially, as an interpretive practice that sustained a community of believers. An important aspect of ta'wil is its unconventional objects of interpretation. Ismaili missionaries mixed Qur'ānic exegesis with interpretation of Torah, Gospels, Greek philosophy, and symbols such as the Christian Cross and Eucharist, as well as Jewish festivals. Previously scholars have speculated that this extra- Qur'ānic ta'wil was intended to convert Jews and Christians to Ismailism. Hollenberg, departing from this view, argues that such interpretations were, like Ismaili interpretations of the Qur'ān, intended for an Ismaili audience, many of whom converted to the movement from other branches of Shiism. Hollenberg argues that through exegesis of these unconventional sources, the missionaries demonstrated that their imam alone could strip the external husk from all manner of sources and show the initiates reality in its pure, unmediated form, an imaginal world to which they alone had access. They also fulfilled the promise that their imam would teach them the secrets behind all religions, a sign that the initial stage of the end of days had commenced. Beyond the Qur'ān contributes to our understanding of early Ismaili doctrine, Fatimid rhetoric, and, more broadly, the use of esoteric literatures in the history of religion.

The Prophetic Call of the Prophet: Hidden Secrets Revealed

The just-discovered story of how two enigmatic circus performers and the cultural ferment of the Gilded Age sparked the Black Muslim movement in America Delving into new archives and uncovering fascinating biographical narratives, secret rituals, and hidden identities, historian Jacob Dorman explains why thousands of Americans were enthralled by the Islamic Orient, and why some came to see Islam

as a global antiracist movement uniquely suited to people of African descent in an era of European imperialism, Jim Crow segregation, and officially sanctioned racism. The Princess and the Prophet tells the story of the Black Broadway performer who, among the world of Arabian acrobats and equestrians, Muslim fakirs, and Wild West shows, discovered in Islam a greater measure of freedom and dignity, and a rebuttal to the racism and parochialism of white America. Overturning the received wisdom that the prophet was born on the East Coast, Dorman has discovered that Noble Drew Ali was born Walter Brister in Kentucky. With the help of his wife, a former lion tamer and "Hindoo" magician herself, Brister renamed himself Prophet Noble Drew Ali and founded the predecessor of the Nation of Islam, the Moorish Science Temple of America, in the 1920s. With an array of profitable businesses, the "Moors" built a nationwide following of thousands of dues-paying members, swung Chicago elections, and embedded themselves in Chicago's dominant Republican political machine at the height of Prohibition racketeering, only to see their sect descend into infighting in 1929 that likely claimed the prophet's life. This fascinating untold story reveals that cultures grow as much from imagination as inheritance, and that breaking down the artificial silos around various racial and religious cultures helps to understand not only America's hidden past but also its polycultural present.

The author first places the subject in its historical context - Elijah lived at a time when Israel was divided. Formerly a cohesive society under the able guidance of King Solomon, the Kingdom of Israel and Judah were at odds. The Book of Kings recounts Elijah's ascendance, wherein he became one of the greatest holy men ever seen. Meyer examines the life of the great prophet with a close examination of the scriptures. The various interactions between Elijah and Ahab for example are closely narrated, with their rivalry and conflict over the worship of other Gods analyzed. An Exposition of the Prophet Ezekiel, with Useful Observations Thereupon. Delivered in Several Lectures in London, A.D. 1650

Many parents are worried about raising their children in accordance with Islamic principles and values, especially those who live in a non-Muslim environment. They often face great obstacles in educating their children about the Islamic way of life. In such situations, it is very important to teach children properly and give them the right knowledge about Islam. This book has been prepared to help parents educate their children; its purpose is to help children and teenagers develop positive attitudes towards Islam. Secrets of Prophet Muhammad's Character book invites children and adults alike to learn about the ethics of the Prophet (peace and blessings of Allah be upon him) and to see how the Prophet (peace and blessings of Allah be upon him) lived his life according to these key ethics. Secrets of Prophet Muhammad's Character book is divided into eighteen chapters; each chapter covers one ethic and is further divided into six sections. The sections are as follows: Æ Introduction: Children will begin by learning the exact meaning of the ethic through a detailed definition. Æ Qur'an: Verses of the Qur'an related to

the ethic are quoted. Children will learn what the Qur'an says and how it commands us to adopt the ethic. Æ Hadith: In this section, only authentic Hadith with references are quoted and we have not used any weak Hadith. This section will allow children to discover the rewards for adopting specific ethics and how they can implement ethics in their own lives. Æ An example from the life of the Holy Prophet (peace and blessings of Allah be upon him): This practical example from the life of the Holy Prophet (peace and blessings of Allah be upon him) will make it easy for children to follow the example of the Holy Prophet (peace and blessings of Allah be upon him). Æ Discussion: In this section, an interesting and enjoyable conversation between parents and children is introduced. We have tried to encourage children to use their minds through raising negative questions. What makes this book unique? You will not find any weak Hadith because all Hadith are from Sahih Bukhari and Sahih Muslim and a reference with each Hadith is also mentioned. We have used both beautiful and applicable examples from the life of the Holy Prophet (peace and blessings of Allah be upon him). We encourage engaging discussions through which children will interact with their parents and also analyze different situations from their lives relating to various ethics. All chapters are written and presented in a simple and accessible way, so children can easily read and understand the topic. It is very easy for children to read one chapter about a specific ethic and then adopt this ethic in their daily lives.

In authoring biographies of several of the Bible's most important figures, Meyer took care to be evocative while shining light upon their essential humanity. That Elijah was able to go from shepherding to national prominence is an inspiring story in itself; his power to inspire and call upon God for guidance and wisdom all the more so. F. B. The Unveiling of Secrets

Commentaries on Hosea Joel Amos Obadiah Jonah Micah Nahum Habakkuk Zephaniah Haggai Zechariah Malachi For hundreds of years John Calvin's Commentaries have been admired and relied upon for their deep insights into Scripture. Charles Spurgeon told his students, "It would not be possible for me too earnestly to press upon you the importance of reading the expositions of that prince among men, John Calvin! Of all commentators I believe John Calvin to be the most candid. He was no trimmer and pruner of texts. He gave their meaning as far as he knew it. His honest intention was to translate the Hebrew and the Greek originals as accurately as he possibly could, and then to give the meaning which would naturally be conveyed by such Greek and Hebrew words: he laboured, in fact, to declare, not his own mind upon the Spirit's words, but the mind of the Spirit as couched in those words." And even Arminius himself admitted, "Next to the perusal of the Scriptures, which I earnestly inculcate, I exhort my pupils to peruse Calvin's commentaries, for I affirm that he excels beyond comparison in the interpretation of Scripture, and that his commentaries ought to be more highly valued than all that is handed down to us by the Library of the Fathers; so that I acknowledge him to have possessed above most others, or rather above all other men, what may be called an eminent gift of prophecy."

The Prophets of Israel and Their Place in History to the Close of the Eighth Century, B. C.

The theme of prophets and prophecy is a central area of theological research and discussion in both Christianity and Islam. While academic researches on the prophets of Islamic tradition do exist, it is rare to find studies which compare them with the biblical accounts based on evangelical theology. This book provides theological analysis of the biblical prophets which appear in the Qur'an and the Islamic literature. The selection of prophets includes Adam, Nuh (Noah), Ibrahim (Abraham), Yusuf (Joseph), Musa (Moses), Dawud (David), Ezekiel (Dhul-Kifl), Zakariya, Yahya (John, the Baptist), and Mary the Mother of Jesus. The contributors are a distinguished group of international scholars who combine impressive academic credentials with extensive ministry among Muslims. Moreover, the international nature of the contributors lends credibility to the work as an exercise in global theology. This book lays a good foundation for the comparison of scriptural and theological traditions of two world major religions and for generating further discussions.

Elijah and the Secret of His Power

In February 1534, a radical group of Anabaptists, gripped with apocalyptic fervor, seized the city of Münster and established an idealistic communal government that quickly deteriorated into extreme inequality and theocratic totalitarianism. In response, troops hired by the city's prince-bishop laid siege to the city. Fifteen months later the besieged inhabitants were starving, and, in the dead of the night, five men slipped out. Separated from his fellow escapees, Henry Gresbeck gambled with his life by approaching enemy troops. Taken prisoner, he collaborated with the enemy to devise a plan to recapture Münster, and later recorded the only eyewitness account of the Anabaptist kingdom of

Münster. Gresbeck's account, which attempts to explain his role in the bizarre events, disappeared into the archives and was largely ignored for centuries. Before now, Gresbeck's account was only available in a heavily edited German copy adapted from inferior manuscripts. Christopher S. Mackay, who previously produced the only modern translation of the main Latin account of these events, has adhered closely to Gresbeck's own words to produce the first complete and accurate English translation of this important primary source.

The Prophets of Israel and Their Place in History

History of Joseph Smith, the Prophet and the Church of Jesus Christ of Latter-day Saints is a semi-official history of the early Latter Day Saint movement during the lifetime of founder Joseph Smith. It is largely composed of Smith's writings and interpretations and editorial comments by Smith's secretaries, scribes, and after Smith's death, historians of The Church of Jesus Christ of Latter-day Saints. The history was written between 1839 and 1856. It was later published in its entirety with extensive annotations and edits by B. H. Roberts as History of the Church of Jesus Christ of Latter-day Saints. The first six volumes of this work cover the "History of Joseph Smith" from his birth in 1805 to his death in 1844. Volume seven covers the material from immediately after Smith's death in June 1844 until the church's first general conference in Salt Lake City. Volume 1: 1805 – December 1833 Volume 2: January 1834 – December 1837 Volume 3: January 1838 – July 1839 Volume 4: July 1839 – May 1842 Volume 5: May 1842 – August 1843 Volume 6: September 1843 – June 1844 Volume 7: June 1844 – October 1848

The Prophets of Israel and Their Place in History to the Close of the Eighth Century B. C

'Philosopher, orator, apostle, legislator, warrior, conqueror of ideas, restorer of rational dogmas, the founder of twenty terrestrial empires and of one spiritual empire, that is Muhammad. As regards all standards by which human greatness is measured, we may ask, is there any man greater than he?' – Lamartine, History of Turkey It is only lately that Western scholars have embarked on serious objective study of the life of the Prophet of Islam. In studying his life, certain factors must be kept in mind: Was the world in need of a universal divine personal message? Was the life of Muhammad, before he laid claim to prophethood, of such perfect purity as would indicate that he had been chosen? Was the message that he brought illustrated in his life and conduct? The purpose of this study is to institute an appraisal of the life of Muhammad which should be fully descriptive of its diverse facets and should enable the reader to carry out his own assessment of the man as an exemplary human being and as a divine prophet.

School of the Prophets- a Training Manual for Activating the Prophetic Spirit Within

Though over the past 1400 years, thousand of books have been written on the different aspects of the life of the Prophet Muhammad (S). Even then it cannot claim to be true and exhaustive picture of his multidimensional life as has been successfully projected in this book. The author has tried to look at his family life from a sociological perspective, an approach different from that of other writers. Her attempt is to place at the disposal of young English speaking people, a wider view of the family life of the Prophet, so that they may learn something from it to make their own lives more fruitful and happy. In the last few years and especially after 9/11, interest in Islam and Islamic literature has increased tremendously. Non believers are in a dilemma. On one hand Islam is suppose to be a religion of peace, while on the other, terrorism association with Muslims is on the rise. By making an attempt to depict an objective picture of the life of Prophet Muhammad(S), the author has tried to underline the fact that Islam is not a religion of violence but of peace and the life of the Prophet provides convincing evidence of the same and whatever is being done under the name of Muslim by a handful people has hardly any relation with Islam. The book may be a source of interest to those non Muslims who are keen to know more about Islam.

An Exposition of the Prophet Ezekiel

The Set of Initials has coded the prophecy of Dr. R. Khalifa, - the false Messenger of the Covenant. He claimed to be "God's Messenger of the Covenant." He discovered the Miracle of the Qur'an, and removed the two verses, 9:128-129, printing a Version of the Qur'an, - "QUR'AN THE FINAL TESTAMENT: Authorized English Version with Arabic Texts," in the year 1409 AH. I Ibrahim the Beast, a Sign of the Hour, am a Witness of the Messenger of the Covenant. I confirmed the prophet Muhammad [pbuh] as the true Messenger of the Covenant because he came with 9 clear signs, which are summed

up in 9:128-129, like a messenger Moses [as] who was sent to the Pharaoh of the ancient Egyptian empire. I Ibrahim the Beast, a Sign of the Hour, confirmed Dr. R. Khalifa as the false Messenger of the Covenant. He didn't come with the 9 clear signs, but considered it one of the Principal Duties of "God's Messenger of the Covenant" to "expose and remove the two false verses 9:128-129 from the Qur'an" even though it is the Certificate of Proof of the Messenger of the Covenant. I Ibrahim the Beast, a Sign of the Hour, would speak on 4 prophecies, prophesied in the Holy Qur'an. I would confirm all the Messengers of Allah, [7:35-36]; thus I am the awaited Messiah. I would present the News of Al-Qur'an, confirming the prophet Muhammad [pbuh] as the true Messenger of the Covenant, [38: 88]; thus I fulfilled the Limit of Time for the Arrival of the Messiah [Judaism]/Arrival of the Beast (Revelation) [Christianity]/Arrival of the Beast of the Last Days [Islam]: which is 1368, 19x72, years after the Messenger of Allah and the Khatam-an Nabieen as well as 2964, 19x16, years after the reign of HRH King David [as], the King of Israel. I would fulfill the King David Prophecy to the Children of Israel, regarding the re-establishment of the Throne of David in Zion, [21:105]; thus I am the Beast of Revelation whose number is 666 mentioned in the Bible. I would present a witness against Dr. R. Khalifa "God's Messenger of the Covenant," [13:43]; thus I am "Ibrahim" the Witness who has Knowledge of the Book, - al-Qur'an.
