"Learning to play drums has never been easier - it's all here so ..."--Page 4 of cover.

Drum Lessons for Kids of All Ages

Intended for the beginning drum student, this book contains many essential reading and playing skills for the snare and drumset. These studies are integrated in a logical, sequential order. For example, a new rhythm is introduced and studied on the snare drum, then later applied as a beat and then a fill. The same rhythm will appear later in the book for review and then in one of the play-along tunes. This way each concept is reinforced and utilized in different ways. Because of the need to stress the importance of dynamics and their role in the proper execution of playing a piece, dynamic markings are included in many of the snare drum exercises. The author has gone to extreme measures to provide a fun and humorous way of learning to play drums while at the same time implementing the fundamental tools necessary to be a proficient musician. The companion CD presents eight play-along tunes with and without the drums.

The Fun Drum Book for Kids

The Fun Drum Book for Kids will have you smiling, grooving and playing music in no time! This easy-to-follow drum method will help you unleash your creativity with or without a drum set! Slammin' Simon teaches aspiring rockstars all the rudiments, grooves and fills they need to get drumming in no time, and this 2-in-1 book combo is the perfect place for any young drummer to start. It's flippin' fun! The first section of the bundle is Simon's 20 Essential Drum Rudiments guide. Within these pages, Simon and his pet turtle sidekick, Rudi, introduce their favorite Roll, Diddle, Flam and Drag rudiments. These hand patterns (or "stickings") provide drummers with a solid foundation for their future percussion study and development. The second section is Slammin' Simon's bestselling Guide to Mastering Your First Rock & Roll Drum Beats. Here, Simon and Rudi introduce the basic quarter-note and eighth-note drumset beats needed to start performing in the Rock music style. Everything for a young player to get started - all in one handy book!

Procedures for Testing Color Vision
