Babe Ruth

The most famous baseball player in history, and the most enduring legend, Babe Ruth is remembered for his dramatic heroism not only on the baseball diamond but also in his life. Kal Wagenheim illustrates this larger than life athlete in his book *Babe Ruth: His Life and Legends*, and describes him as both a product of his childhood in Baltimore and of his formative years as a New York Yankee. Ruth struggled desperately with the dramatic contrast between the poverty of his youth and the glamour and stardom that his famed career brought him, and although his name became synonymous with wooing women and abusing alcohol, nothing could prevent him from becoming one of history's greatest athletes.

Babe

"The best biography ever written about an American sports figure." —Sports Illustrated Nearly a century has passed since George Herman Ruth made his major league debut, and in that time millions of words have been used to describe baseball's greatest hero. But for a man like the Babe, for whom the phrase "larger than life" seems to have been coined, those millions of words have created a mythologized legacy. Who was the real Babe Ruth? Relying on exhaustive research and interviews with teammates, family members, and friends, historian Robert W. Creamer separates fact from fiction and paints an honest and fascinating portrait of the slugger. This is the definitive biography of a man who was, in legend and in truth, the best who ever lived.

Babe Ruth

Chronicles Babe Ruth's role in saving baseball in the 1920s after the Black Sox scandal nearly destroyed the credibility of the game, illuminating the combination of skill, bravado, and charm that made him the most famous and beloved player of his generat

Babe Ruth's Called Shot

The anticipation of another showdown with the Bambino transformed Wrigley Field. Temporary bleachers held the overflow of the 50,000-strong crowd that bright September day. Game 3 of the 1932 World Series between the Cubs and Yankees stood locked at 4-4. An angry mob, rocking the ballpark with pent-up fury, aimed itself squarely at him. He had never experienced anything like it. But above the almost deafening noise, the slugger could hear the tide of barbs pouring at him from the Cubs' dugout. They called him a busher, a fat slob, and other names not fit to print at the time. He took the first pitch for a strike, stepped out of the box, and collected himself. Cubs pitcher Charlie Root threw two balls, and Ruth watched a fastball cut the corner to set the count at 2 and 2. On the on-deck circle, Lou Gehrig heard Ruth call out to Root: "I'm going to knock the next one down your goddamn throat." Ruth took a deep breath, raised his arm, and held out two fingers toward centerfield. As Root wound up, the crowd roared in expectation. It was a change-up curve, low and away, but it came in flat and without bite. The ball compressed on impact with Ruth's bat and began its long journey into history, whizzing past the centerfield flag pole. No one had ever gone that far at Wrigley—not even Cubs hitter Hack Wilson. Estimates put its distance at nearly 500 feet. Ruth practically sprinted around the bases. Video cameras of the day raced to catch up with him, his teammates cracking that they hadn't seen him run that fast in a long time. Then he flashed four fingers at the Cubs infielders and their dugout: The series was going to be over in four games. In that moment, the legend of the Called Shot was born, but the debate over what Ruth had actually done on the afternoon of October 1, 1932, had just begun.

Who Was Babe Ruth?

Just in time for baseball season! Babe Ruth came from a poor Baltimore family and, as a kid, he was a handful. It was at a reform school that Babe discovered his talent for baseball, and by the age of nineteen, he was on his way to becoming a sports legend. Babe was often out of shape and even more often out on the town, but he had a big heart and an even bigger swing! Kids will learn all about the Home Run King in this rags-to-riches sports biography. With black-and-white illustrations throughout, a true sports legend is brought to life.

The Story of Babe Ruth, Baseball's Greatest Legend

A biography of the most famous baseball player who ever lived.

The Big Bam

National Bestseller He was the Sultan of Swat. The Caliph of Clout. The Wizard of Whack. The Bambino. And simply, to his teammates, the Big Bam. Babe Ruth was more than baseball's original superstar. For eighty-five years, he has remained the sport's reigning titan. He has been named Athlete of the Century . . . more than once. But who was this large, loud, enigmatic man? Why is so little known about his childhood, his private life, and his inner thoughts? In *The Big Bam*, Leigh Montville, whose recent New York Times bestselling biography of Ted Williams garnered glowing reviews and offered an exceptionally intimate look at Williams's life, brings his trademark touch to this groundbreaking, revelatory portrait of the Babe. From the award-winning author of the New York Times bestseller *Ted Williams* comes the thoroughly original, definitively ambitious, and exhilaratingly colorful biography of the largest legend ever to loom in baseball—and in the history of organized sports. Based on newly discovered documents and interviews—including pages from Ruth's personal scrapbooks—*The Big Bam* traces Ruth's life from his bleak childhood in Baltimore to his brash entrance into professional baseball, from Boston to New York and into the record books as the world's most explosive slugger and cultural luminary.

The Man Who Made Babe Ruth

At six-feet-six, the hulking Martin Leo Boutilier (1872-1944) was hard to miss. Yet the many books written about Babe Ruth relegate the soft-spoken teacher and coach to the shadows. Ruth credited Boutilier--known as Brother Matthias in the Congregation of St. Francis Xavier--with making him the man and the baseball player he became. Matthias saw something in the troubled seven-year old and nurtured his athletic ability. Spending many extra hours on the ballfield with him over a dozen years, he taught Ruth how to hit and converted the young left-handed catcher into a formidable pitcher. Overshadowed by a fellow Xavierian brother who was given the credit for discovering the baseball prodigy, Matthias never received his due from the public but didn't complain. Ruth never forgot the father figure who continued to provide valuable counsel in later life. This is the first telling of the full story of the man who gave the world its most famous baseball star.

Babe Ruth

In a career that spanned over thirty years, George Herman "Babe" Ruth changed the way the sport of baseball was played. He was the first true power hitter, a strong pitcher, and in the outfield made some amazing game-saving catches. His love of the sport shined through in the way he laughed while jogging around the bases, in how he kidded and horsed around with teammates, and in his overall determination to win. But there was a darker side to Babe, one that nearly ruined his career - and his life. In the end, however, Ruth managed to overcome his personal demons, recapture his health, and go on to lead his beloved Yankees to championship status. Simply put, there has never been another player like the Babe. This comprehensive biography of one of baseball's most memorable legends also comes with photos.

Babe Ruth

Discover the childhood of Babe Ruth, baseball legend and American history all-star. Babe Ruth was one of the first five players inducted into the Baseball Hall of Fame, and for good reason: he broke countless records and hit 714 home runs, an achievement that went unmatched from 1935 until 1974. A legend in baseball and an American icon, Babe Ruth's impressive tenure with the Red Sox and later the New York Yankees left an enduring legacy. But did you know that Babe Ruth spent his childhood in an orphanage and reformatory—and that baseball was introduced to him by monks? This narrative biography explores the early life and influences that shaped an athletic boy into an American sports hero.

Young Babe Ruth

This work contains the heretofore unpublished memoirs of Brother Gilbert (a.k.a. Philip F. Cairnes), the Xaverian brother generally credited with steering the Babe to his first professional contract. Ruth was raised by the Xaverian Brothers, a Catholic religious order, at St. Mary's Industrial School from 1902 (when he was only 7) until 1914. These reminiscences begin with Babe Ruth's departure from St. Mary's and concentrate on his early playing years. An historical introduction by the editor of these memoirs, Harry Rothgerber, details the history and relationship that existed between this organization of Catholic educators and the man who was to become the most influential baseball player and greatest slugger who ever lived. Brother John Joseph Sterne, the book's forewordist, recounts a St. Mary's band fundraising trip in which the band accompanied the Yankees through the American League cities at the end of the 1920 season. Several previously unpublished photos from the Xaverian Order complement the text.

The Big Fella

NEW YORK TIMES BESTSELLER • From Jane Leavy, the award-winning, New York Times bestselling author of *The Last Boy* and *Sandy Koufax*, comes the definitive biography of Babe Ruth—the man Roger Angell dubbed "the model for modern celebrity." A BEST BOOK OF THE YEAR: The Boston Globe | Publishers Weekly | Kirkus | Newsweek | The Philadelphia Inquirer | The Progressive Winner of the 2019 SABR Seymour Medal | Finalist for the PEN/ESPN Literary Sports Writing Award | Longlisted for Spitball Magazine's Casey Award for Best Baseball Book of the Year | Finalist for the NBCC Award for Biography "Leavy's newest masterpiece.... A major work of American history by an author with a flair for mesmerizing story-telling." —Forbes He lived in the present tense—in the camera's lens. There was no frame he couldn't or wouldn't fill. He swung the heaviest bat, earned the most money, and

incurred the biggest fines. Like all the new-fangled gadgets then flooding the marketplace—radios, automatic clothes washers, Brownie cameras, microphones and loudspeakers—Babe Ruth "made impossible events happen." Aided by his crucial partnership with Christy Walsh—business manager, spin doctor, damage control wizard, and surrogate father, all stuffed into one tightly buttoned double-breasted suit—Ruth drafted the blueprint for modern athletic stardom. His was a life of journeys and itineraries—from uncouth to couth, spartan to spendthrift, abandoned to abandon; from Baltimore to Boston to New York, and back to Boston at the end of his career for a finale with the only team that would have him. There were road trips and hunting trips; grand tours of foreign capitals and post-season promotional tours, not to mention those 714 trips around the bases. After hitting his 60th home run in September 1927—a total that would not be exceeded until 1961, when Roger Maris did it with the aid of the extended modern season—he embarked on the mother of all barnstorming tours, a three-week victory lap across America, accompanied by Yankee teammate Lou Gehrig. Walsh called the tour a "Symphony of Swat." The Omaha World Herald called it "the biggest show since Ringling Brothers, Barnum and Bailey, and seven other associated circuses offered their entire performance under one tent." In *The Big Fella*, acclaimed biographer Jane Leavy recreates that 21-day circus and in so doing captures the romp and the pathos that defined Ruth's life and times. Drawing from more than 250 interviews, a trove of previously untapped documents, and Ruth family records, Leavy breaks through the mythology that has obscured the legend and delivers the man.

The Story of Babe Ruth

Examines the life, career, and personality of the famous baseball player.

The Babe Ruth Story

They called him the Babe. The Bambino. The Sultan of Swat. And finally they called him a legend. But the greatest baseball player who ever lived was also a flesh-and-blood man, the freest spirit ever to give managers gray hairs. This is the story of the game he played and the life he lived to the hilt—told as only he could tell it. Here are the golden moments on the diamond and the unforgettable times off of it. Here are the highs, the lows, the friendships, the feuds, and the loves—in a book filled with the plain-speaking, hard-hitting style of the man who came to symbolize America's favorite game.

The Babe Book

More than ninety full-color and black-and-white photographs, many never before published, and personal anecdotes by fellow ball players, managers, sportswriters, historians, friends, and family members capture the life and career of baseball legend George Herman "Babe" Ruth.

Babe Ruth

George Herman Ruth Jr. was born in Baltimore, Maryland, in 1895. A rebellious child, he was eventually sent to a reformatory boarding school where he never quite learned the discipline his parents hoped for, but he did learn something that changed his life: baseball. Later known as Babe Ruth, he became one of the most infamous, talented, influential, and iconic figures in baseball. Signed as a pitcher to the Boston Red Sox, he was then traded to the Yankees, where he ushered in one of the most thrilling eras in baseball history. Ruth was an exciting player, sending home runs over the wall to help the Yankees win four World Series. In 1927, he hit 60 home runs during the regular season, a record that stood until Roger Maris broke it in 1961. Babe Ruth chronicles Ruth's life from a young boy in Baltimore to an American hero, one filled at times with tragedy and chaos as well as glory.

Babe Ruth

Chronicles Babe Ruth's role in saving baseball in the 1920s after the Black Sox scandal nearly destroyed the credibility of the game, illuminating the combination of skill, bravado, and charm that made him the most famous and beloved player of his generation

Baseball fans of all ages will be entertained and educated by the full-color illustrations and historically accurate narrative of this graphical biography.

Babe

Portrays the struggles and achievements of baseball's most colorful hero

The Selling of the Babe

WINNER of the Society for American Baseball Research's (SABR) 2017 Larry Ritter Award for best baseball book of the Deadball Era The complete story surrounding the most famous and significant player transaction in professional sports The sale of Babe Ruth by the Boston Red Sox to the New York Yankees in 1919 is one of the pivotal moments in baseball history, changing the fortunes of two of baseball's most storied franchises, and helping to create the legend of the greatest player the game has ever known. More than a simple transaction, the sale resulted in a deal that created the Yankee dynasty, turned Boston into an also-ran, helped save baseball after the Black Sox scandal and led the public to fall in love with Ruth. Award-winning baseball historian Glenn Stout reveals brand-new information about Babe and the unique political situation surrounding his sale, including: -Prohibition and the lifting of Blue Laws in New York affected Yankees owner and beer baron Jacob Ruppert -Previously unexplored documents reveal that the mortgage of Fenway Park did not factor into the Ruth sale - Ruth's disruptive influence on the Red Sox in 1918 and 1919, including sabermetrics showing his negative impact on the team as he went from pitcher to outfielder The Selling of the Babe is the first book to focus on the ramifications of the sale and captures the central moment of Ruth's evolution from

player to icon, and will appeal to fans of The Kid and Pinstripe Empire. Babe's sale to New York and the subsequent selling of Ruth to America led baseball from the Deadball Era and sparked a new era in the game, one revolved around the long ball and one man, The Babe.

Lore of the Bambino

More than seventy years after his death, Babe Ruth continues to fascinate generations of fans. His exciting adventures on and off the field have become essential reading for students of baseball and pop culture. While most Ruth biographies are filled with mundane facts, *Lore of the Bambino* is the equivalent of a greatest hits compilation. Ruth's extraordinary (and at times incredulous) tales carry readers on an enthralling journey through the life of the most celebrated sports figure of the twentieth century. All of the most popular anecdotes (such as the Babe's alleged "called shot" in the 1932 World Series) are thoroughly covered along with many lesser known narratives. The book is divided into two sections. In Part One, Ruth's life and career are recounted chronologically. Part Two contains assorted stand-alone anecdotes in shorter form. Appendices include statistics, a chronology, and salary details among other bits of pertinent information.

Babe Ruth and the Creation of the Celebrity Athlete

From his first year in the majors, George Herman "Babe" Ruth knew he could profit from celebrity. Babe Ruth Cigars in 1915 marked his first attempt to cash in. Traded to the Yankees in 1920, he soon signed with Christy Walsh, baseball's first publicity agent. Walsh realized that stories of great deeds in sports were a commodity, and in 1921 sold Ruth's ghostwritten byline to a newspaper syndicate for \$15,000 (\$187,000 today). Ruth hit home runs while Walsh's writers made him a hero, crafting his public image as a lovable scalawag. Were the stories true? It didn't matter--they sold. Many survive but have never been scrutinized until now. Drawing on primary sources, this book examines the stories, separating exaggerated facts from clear falsehoods. This book traces Ruth's ascendance as the first great media-created superstar and celebrity product endorser.

Babe Ruth

*Includes pictures *Includes a bibliography for further reading "I only have one superstition: I make sure to touch all the bases when I hit a home run." - Babe Ruth As one of America's oldest and most beloved sports, baseball has long been touted as the national pastime, but of all the millions of people who have played it over the last few centuries, the first name that many associate with Major League Baseball is Babe Ruth, whose career spanned over 20 years on the way to becoming the sport's biggest legend. The Bambino came onto the scene as a pitcher for the Boston Red Sox, only to be infamously sold to the rival New York Yankees, where he went on to set records for most home runs (714), runs batted in (2,213), walks (2,062), slugging percentage (.690), and on-base plus slugging (1.164). The Sultan of Swat's records would take decades to be surpassed, but he also managed to win more than 20 games as a pitcher for Boston, along with three World Series before heading to New York. Boston wouldn't win another championship for over 80 years after Ruth's departure, a drought famously referred to as "The Curse of the Bambino." As if he wasn't accomplished enough in Boston, Ruth went on to become a pop culture fixture in New York while playing 15 years for the Yankees on some of the sport's most legendary teams. In addition to leading the Bronx Bombers to four World Series during his time there, Ruth set several single season and career records, elevating the team and MLB itself in ways that athletes could hardly dream of today. Ruth's impact could be keenly felt in a 1922 article authored by Heywood Broun, "Cutting the Heart of the Plate," which said of him, "No one ever requires more than one glance to identify Babe Ruth. Even a wholly ignorant person who had never heard of him would probably stop in wonder at the sight of Babe waddling by. It must be clear to all beholders that here is some great, primitive force harking back to the dim days of the race. William Jennings Bryan might well look upon the Babe and recant. To be sure, a certain ingenuity was required to fit just the proper name upon this personality. As George Herman Ruth he might have gone far but he could hardly have reached the heights. The man who made him by the gift of 'Babe' ought to draw a substantial royalty from Ruth's mighty income. But probably no single individual hit upon the happy thought. Undoubtably a mass movement was required. Babe Ruth has all the vigor and vitality of a piece of folk literature." Over a century after his MLB debut, Ruth remains as well known as ever, and people continue to discuss his exploits both on and off the field. Ruth used to wink at his reputation, joking, "I learned early to drink beer, wine and whiskey. And I think I was about 5 when I first chewed tobacco." Biographer Leigh Montville described a typical scene after a game: "The outrageous life fascinated [pitcher Waite] Hoyt,

the...freedom of it, the nonstop, pell-mell charge into excess. How did a man drink so much and never get drunk? ... The puzzle of Babe Ruth never was dull, no matter how many times Hoyt picked up the pieces and stared at them. After games he would follow the crowd to the Babe's suite. No matter what the town, the beer would be iced and the bottles would fill the bathtub." Given the passage of time, people tend to debate how good Ruth would be today, including most recently a current MLB reliever, Adam Ottavino, who claimed he would strike out Ruth every time. That claim became even more controversial when Ottavino joined none other than the Yankees ahead of the 2019 season, which led to the reliever walking back some of the comments. But even as far back as 1929, Bucky Harris may have foreseen debates of this kind by pointing out, "These other home run hitters are neck and neck. When the Babe was doing his stuff, he was miles ahead of his field."

Babe Ruth and the Baseball Curse (Totally True Adventures)

Before 1918, the Boston Red Sox were unstoppable. They won World Series after World Series, thanks in part to their charismatic pitcher-slugger Babe Ruth. But some people on the Red Sox felt the Babe was more trouble than he was worth, and he was traded away to one of the worst teams in baseball, the New York Yankees. From then on, the Yankees became a golden team. And the Red Sox? For over 80 years, they just couldn't win another World Series. Then, in 2004, along came a scruffy, scrappy Red Sox team. Could they break Babe Ruth's curse and win it all?

Babe Ruth

In a career that spanned over thirty years, George Herman "Babe" Ruth changed the way the sport of baseball was played. He was the first true power hitter, a strong pitcher, and in the outfield made some amazing game-saving catches. His love of the sport shined through in the way he laughed while jogging around the bases, in how he kidded and horsed around with teammates, and in his overall determination to win. But there was a darker side to Babe, one that nearly ruined his career - and his life. In the end, however, Ruth managed to overcome his personal demons, recapture his health, and go on to lead his beloved Yankees to championship status. Simply put, there has never been another player like the Babe. This comprehensive biography of one of baseball's most memorable legends also comes with photos.

Babe & the Kid

The most famous home run in baseball history: "The go-to book for an accurate portrayal of the story" (Sports Collectors Digest). On the eve of game four of the 1926 World Series, Babe Ruth heard that a young New Jersey boy, Johnny Sylvester, was laid up with a deadly illness. Ruth autographed a ball for Johnny, inscribing it, "I'll knock a homer for you in Wednesday's game—Babe Ruth." The rest was history. Ruth delivered on his promise, and Johnny made a miraculous recovery. In *Babe & the Kid*, author Charlie Poekel traces the story behind the sensational headlines, and follows Johnny's remarkable life in the aftermath of Ruth's incredible feat. Includes photos!

Babe Ruth

Babe Ruth changed the way baseball was played with his power hits, pitching, and game-saving catches. However, his dark side nearly ruined his career and his life. In the end, he overcame his demons, and led his team to championship status.

Babe Ruth

Presents the life and career of George Herman Ruth, perhaps the most talented and popular player in baseball history.

Babe Ruth

This entry in a brand new line of sports biographies from Matt Christopher takes readers onto the plate with a baseball legend Babe Ruth was baseball's first true power hitter, a strong pitcher, and smart outfielder who made some amazing game-saving catches. His love of the sport came through in his playfulness on the field and drive to win, but Babe had to overcome a lot of obstacles in order to become the greatest. This comprehensive biography - with bonus photos and infographics - tells the story behind the legend.

The Story of Babe Ruth

A brief biography of George Herman Ruth, an unforgettable baseball player.

Great Americans in Sports: Babe Ruth

Babe Ruth remains the most popular player in the history of baseball. The slugger for the New York Yankees established a home run record in the 1927 season, just a year before joining the league of authors. Babe Ruth's Own Book is a who's who of old-time greats—Lou Gehrig, Ty Cobb, Rogers Hornsby, and many others. It describes the Babe's rise from poverty to stardom, catching his image and voice as freshly and permanently as pen and ink can. In a no-nonsense style, the Babe describes the ins and outs of the game, touching all bases and loading up the reader with priceless information and advice. The surprise is that so little about the sport has changed except the size of the players' salaries.
