"Gossip Girl" meets "The Mortal Instruments" "I crave her. I need her. I love her. And that is the reason, we will all die..." I'm a proud bookworm who is jealous of the heroines she reads about. They're always brimming with courage and going on adventures. The most courageous thing I've done is drink milk two days past its expiration date. Nothing new or exciting ever happens to me. I play it safe at every turn and live a spectacularly unremarkable life. Until... I was attacked by a hoard of Demons and rescued by the Japanese twins from my history class. They confess to being part of a six-member team of Angels; sent to earth to find me. Wait, what? It turns out, they are here to get me to reveal a secret; one I don't even realize I'm keeping. If the Demons learn the secret before the Angels, they'll use that knowledge to bring hell on earth. The twins present me to the team leader-- Marcus Cane. Marcus is stubborn and bossy. He's also ridiculously hot. I forget how to breathe when he's near and feel panic when he's away. But we could never be together. He's the most powerful Angel on earth and I'm, well...me. Also, he has a girlfriend. She's stunning, intelligent and quick to kill. That should have been enough to make us stay away from each other, it wasn't... *****This dark YA paranormal romance has over 1,000 five star reviews and is perfect for lovers of Twilight, Fallen, and Immortal Instruments!***** (Please note this series was previously titled "Guardians") Books in the series: book 1: Addiction Book 2: aftermath Book 3: Errant Book 4: Inferno Book 5: Affliction book 6: Entropy Book 7: Ensnared Book 8: Ascension

Includes the short story Austin (the first paragraph) Early on Friday morning, twenty box trucks started their journey on quiet roads. None of them were the same; various makes and models, with different images and logos emblazoned on their sides. Some for chips, others for drinks and other products, some were simply plain. Eight of them were filled with explosives, set to explode an hour apart on Saturday, the other twelve were decoys. Each truck had a driver and a passenger, but none of them knew the deadly cargo they were hauling.
