What made you interested in going out with me?

When you think of recent big political events, is there something that stands out to you?

When you spend time with people, how often are you the one making plans?

How well do you feel like you compromise with others?

What do you think is important for a healthy relationship?

What is something in past relationships you needed to work on?

Who is the person you talk to the most?

What is the best gift you've ever received?

What was your first impression of me?

What made you most excited about going on a date with me?

Intro

Make riffs out of chord progressions

Put as many hooks as possible into your songs

Relative chords

Don't write music with Guitar Pro!

Never leave vocals as an afterthought

There's nothing wrong with standard song structures

Stop writing overly-long song intros

Make a clear distinction between parts of your song

Use modulations to add variation

Experiment with layers and textures

Bonus tip!
