Billionaire's 100 Wife-pursuing Ways

In his classic book, *The Five Dysfunctions of a Team*, Patrick Lencioni laid out a groundbreaking approach for tackling the perilous group behaviors that destroy teamwork. Here he turns his focus to the individual, revealing the three indispensable virtues of an ideal team player. In *The Ideal Team Player*, Lencioni tells the story of Jeff Shanley, a leader desperate to save his uncle's company by restoring its cultural commitment to teamwork. Jeff must crack the code on the virtues that real team players possess, and then build a culture of hiring and development around those virtues. Beyond the fable, Lencioni presents a practical framework and actionable tools for identifying, hiring, and developing ideal team players. Whether you're a leader trying to create a culture around teamwork, a staffing professional looking to hire real team players, or a team player wanting to improve yourself, this book will prove to be as useful as it is compelling.

Blackstone Dragon Heir

For thirty years, Peter Singer's Practical Ethics has been the classic introduction to applied ethics. For this third edition, the author has revised and updated all the chapters and added a new chapter addressing climate change, one of the most important ethical challenges of our generation. Some of the questions discussed in this book concern our daily lives. Is it ethical to buy luxuries when others do not have enough to eat? Should we buy meat from intensively reared animals? Am I doing something wrong if my carbon footprint is above the global average? Other questions confront us as concerned citizens: equality and discrimination on the grounds of race or sex; abortion, the use of embryos for research and euthanasia; political violence and terrorism; and the preservation of our planet's environment. This book's lucid style and provocative arguments make it an ideal text for university courses and for anyone willing to think about how she or he ought to live.

King of Always

BLURB Desperately unemployed, Arianne, answers an ad that reads Woman Wanted. With miniscule hours and excellent pay, she accepts the position of courtesan to Derek, a handsomely dashing man, whom she finds out is a billionaire. Engaging in a game of cat and mouse, will they drive each other crazy...or will they fall in love first. EXCERPT Picking up the remote with one hand and the coffee mug with the other, she alternated between surfing channels and sipping wine. She stopped at two naked females passionately exploring each other's body. Blankly staring at the screen she finished the bottle of red wine, consumed her precooked, fast-frozen meal in a container and had changed to white wine, without noticing the difference. Tossing the empty dish onto the coffee table, the fork bounced off and landed on the newspaper. She bent down to pick it up. The ad she had read to Taylor caught her eye. "What the hell." She picked her laptop up off the coffee table, typed in the website then clicked on e-box twenty four. Hi. I'm Derek. I'm looking for a woman. I don't want a girlfriend or a lover. Just a mutually sexually satisfying companion. The work will be minimal and the pay will be excellent. If interested email me your name, an introduction - 100 words or less - and a photo to entice me to hire you. Arianne drank her wine and stared at the laptop screen for fifteen minutes while she had a mental debate. The "yes" voice in her head won out. The wine may have helped. She linked the digital camera to the computer then walked to her room and stripped. She stood in front of the small mirror and tried to choose her sexiest pose. Having chosen the conservative one of standing with her hands at her sides, legs spread apart; Arianne positioned herself in front of the camera and clicked the trigger. In a moment the picture appeared on the screen. Appraising her body, Arianne smiled - soft curves, ample breasts and a neatly trimmed puff of hair below her belly button. It was a sexy body, not ravishing like a movie star's, but it had enticed a few of the male gender. With some careful editing she deleted the background of the picture until all she had was a naked, headless picture of herself. She attached the photo to an email and began to type her message. My name is Arianne. I'm 25 and recently unemployed so I'm ready to explore any job opportunity. Especially one that will pay an excellent salary. I keep in shape. I like to party but I don't do drugs. I'm not a virgin, but I am clean—no STD's. I've never done anything like this before. I don't jump into bed with every guy I meet. I'm just a regular girl pushed into a corner and is desperately looking for a way out. How much is "excellent pay"? She hit the send button. No turning back now. Night nurse Andi was desperate for money to bail out her idiot brother from jail. A one-time nursing gig seemed like the perfect deal: lots of cash, no questions asked. But when her employer, who turns out to be the notorious billionaire Damian Blackwood, saves her from a monster, there's no forgetting what she saw - not his insanely superhero physique, not the hungry way he looks at her, like she's some priceless treasure to be possessed, and definitely not the fact that he's got another hidden self; he's an honest-to-god dragon.
