Great Speeches on Gay Rights

Tracing the movement's rhetoric from the late 1800s to the present, this anthology includes Ingersoll's "Address at the Funeral of Walt Whitman," Milk's "Hope Speech," and Kameny's "Civil Liberties: A Progress Report."

Great LGBTQ+ Speeches

Great Queer Speeches is an inspirational collection of speeches from the LGBTQ+ community and its allies that have changed our world, and the conversation. A sister volume to Great Women's Speeches, Great Queer Speeches (originally Loud and Proud) places the voices of the vibrant LGBTQ+ community centre stage in the first-ever anthology of LGBTQ+ speeches. From equal marriage to the AIDS crisis, bullying to parenthood, the first 19th century campaigns through to the new trans rights allyship, the issues covered in these speeches touch on all aspects of LGBTQ+ life and reflect the diverse and multi-faceted nature of this community. Pour through a pioneering collection of talks, declarations, and lectures, from people whose voices have too often been marginalised and the allies that support them; Find over 40 empowering and influential speeches that chart the history of the LGBTQ+ movement up to the present day; Each speech is presented with a striking photographic portrait and an insightful introduction, offering essential context, fresh insights and a nuanced understanding that brings each character and their words to life. We are stronger when we stand together, and this collection from award-winning activist Tea Uglow encourages us to do just that whilst celebrating the beauty of our differences. The voices: Audre Lorde; Harvey Milk; Munroe Bergdorf; Sir Elton John; Sir Ian McKellen; George Takei; Sylvia Rivera; Bayard Rustin; Elizabeth Toledo; Alison Bechdel; Loretta E. Lynch; Hanne Gaby Odiele; Vito Russo; Tammy Baldwin; Hillary Rodham Clinton; Barack Obama; Dan Savage and Terry Miller; Ban Ki-moon; Karl Heinrich Ulrichs; Robert G. Ingersoll; Theodora Ana Sprungli; Franklin "Frank" Kameny; Sally Gearhart; Harry Hay; Sue Hyde; Mary

Fisher; Essex Hemphill; Simon Nkoli; Urvashi Vaid; Eric Rofes; Justice Michael Kirby; Evan Wolfson; Paul Martin; Ian Hunter; Rabbi Kleinbaum; Penny Wong; Arsham Parsi; Anna Grodzka; Debi Jackson; Jóhanna Sigurðardóttir; Lee Mokobe; Geraldine Roman; Cecilia Chung; Olly Alexander.

Speaking for Our Lives

Read the words they risked everything for! This landmark volume collects more than a hundred years of the most important public rhetoric on gay and lesbian subjects. In the days when homosexuality was mentioned only in whispers, a few brave souls stood up to speak for the rights of sexual minorities. In *Speaking for Our Lives: Historic Speeches and Rhetoric for Gay and Lesbian Rights (1892-2000)*, their stirring words have finally been gathered together, along with the political manifestoes, broadsheets, and performance pieces of the gay and lesbian liberation movement. *Speaking for Our Lives* comprises speeches and manifestoes prompted by events ranging from demonstrations to funerals. Scholars and researchers will appreciate the brief commentary introducing each piece, which discusses the author, the occasion, and the political and social contexts in which it first appeared. You'll find the words of a broad variety of individuals and groups, including: the Victorian humanist and crusader Robert Ingersoll key groups such as the Mattachine Society, Homosexual Law Reform Society, Gay Activists Alliance, and International Gay Association activists and educators Robin Morgan, Joseph Bean, and Dr. Franklin Kameny, artists and journalists of the movement, such as John Eric Larsen, Joan Nestle, Barbara Grier, and Jim Kepner elected officials, including Bella Abzug, Ed Koch, Eleanor Holmes Norton, Gerry Studds, Tammy Baldwin, and Bill Clinton Many of these documents have long been out of print. *Speaking for Our Lives* makes these noteworthy texts readily available to the broader public they deserve. This book preserves an essential part of twentieth-century history.

History's Greatest Speeches

"While designed for classroom use, this collection will also be an invaluable tool for anyone preparing or performing a public speech. Approximately 20 of the world's most influential and stirring public orations include the Gettysburg Address, Martin Luther King's "I Have a Dream," and Patrick Henry's "Give Me Liberty or Give Me Death." "--

Great Short Short Stories: Quick Reads by Great Writers

This outstanding collection of more than 30 brilliant short stories — each just six or fewer pages in length — features popular tales by Kafka, Poe, Dickens, O. Henry, Chekhov, Wilde, and many others.

Washington Square

A wealthy spinster receives a proposal from a dashing suitor and her father threatens her with disinheritance if she accepts. James masterfully explores the moral consequences of a tender heart's ruthless manipulation.

Self-Reliance and Other Essays

Six essays and one address outline Emerson's moral idealism and hint at later scepticism. In addition to title essay, this volume includes "History," "Friendship," "The Over-Soul," "The Poet" and "Experience," plus the Harvard Divinity School Address.

The Prince

Classic, Renaissance-era guide to acquiring and maintaining political power. Today, nearly 500 years after it was written, this calculating prescription for autocratic rule continues to be much read and studied.

Paradiso

Third and final book of Dante's 14th-century allegory traces the poet's ultimate stage of his journey, as he crosses into Paradise under the guidance of the saintly Beatrice. Henry Wadsworth Longfellow translation.

Crime and Punishment

Supreme masterpiece tells the story of Raskolnikov, a student tormented by his own thoughts after he murders an old woman. Overwhelmed by guilt and terror, he confesses and goes to prison. A selection of the Common Core State Standards Initiative.

Discourse on the Origin of Inequality

A powerful, passionate explanation of the roots of social inequality, Rousseau's Discourse influenced virtually every major philosopher of the Enlightenment. It remains among the 18th-century's most provocative and frequently studied works.

On the Social Contract

A milestone of political science, Rousseau's 1762 work argues that all government is fundamentally flawed and that modern society is rife with inequality. He proposes an alternative system for the development of self-governing, self-disciplined citizens.

Arms and the Man

One of Shaw's most popular comedies, deflating romantic misconceptions of love and warfare. Reprinted from an authoritative early edition, complete with Shaw's preface to Volume II of Plays: Pleasant and Unpleasant.

Frederick Douglass on Slavery and the Civil War

Selections of speeches and writings from the great abolitionist and statesman, focusing on the slave trade, the Civil War, Abraham Lincoln, suffrage for African-Americans, Southern reconstruction, and other vital issues.

The House of the Seven Gables

Greedy Colonel Pyncheon builds his mansion on ill-gotten ground, setting the stage for generations of suffering. Years later, a country cousin and young boarder attempt to reverse the tide of misfortunes surrounding the house.

African-American Poetry

Rich selection of 74 poems ranging from religious and moral verse of Phillis Wheatley Peters (ca. 1753–1784) to 20th-century work of Countee Cullen, James Weldon Johnson, and Langston Hughes. Introduction.

The Hunchback of Notre Dame

A gypsy girl's beauty and charm captivate a priest, a vagabond, a soldier, and a deformed bell-ringer, in a gripping tale that culminates in a riot and murder.

Imagist Poetry

Over 180 well-chosen Imagist gems appear in this tribute to an important and influential poetic movement of the 20th century. Includes short verse by Pound, Lawrence, Hilda Doolittle, Joyce, Stevens, others.

Narrative of the Life of Henry Box Brown

After more than 30 years of slavery, Henry "Box" Brown managed to have himself nailed inside a packing crate and shipped from Richmond to Philadelphia. This important memoir recounts his daring and successful bid for freedom. "Just as relevant now as it was 150 years ago." — Henry Louis Gates, Jr.

The Interpretation of Dreams

"The groundbreaking masterwork that launched psychoanalysis." -- Time. Why do we dream? And what do our dreams signify? The monumental treatise that transformed the Viennese neurologist into a cause célèbre, this exploration of the dream world features dozens of fascinating case studies and Freud's engrossing analyses of actual dreams. "--

Women's Writings on Christian Spirituality

Organized chronologically, this original anthology features women authors on the themes of religion and spirituality. Writers include Julian of Norwich, Grace Mildmay, Anna Trapnel, Maria W. Stewart, and Anne Lamott.

A Narrative of Events

This 1837 memoir proved an effective tool for abolitionists. One of the few autobiographies by a Caribbean slave, it recounts the horrors of the apprenticeship system that replaced the British slave trade.

Michel de Montaigne

One of France's great Renaissance thinkers, Montaigne was remarkably modern in his views. These highly readable essays reflect his thoughts on poetry, philosophy, theology, law, literature, education, and world exploration.

Miss Julie

One of the greatest classics of modern theater concerns a willful young aristocrat's seduction of her father's valet during a Midsummer's Eve celebration. Complete with Strindberg's highly-regarded critical preface.

G. K. Chesterton Quotes

Treasury of the celebrated philosopher and wit's observations on education, humor, religion, politics, class, and many other subjects. Includes excerpts from writings on Austen, Dickens, Shaw, and other literary luminaries.

The First Amendment and LGBT Equality

Carlos A. Ball argues that as progressives fight the First Amendment claims of religious conservatives and other LGBT opponents, they should take care not to forget the crucial role the First Amendment played in the early decades of the movement, and not to erode the safeguards of liberty that allowed LGBT rights to exist in the first place.

Gay Liberation Today

Should religious people who conscientiously object to facilitating same-sex weddings, and who therefore decline to provide cakes, photography, or other services, be exempted from antidiscrimination laws? This issue has taken on an importance far beyond the tiny number who have made such claims. Gay rights advocates fear that exempting even a few religious dissenters would unleash a devastating wave of discrimination. Conservative Christians fear that the law will treat them like racists and drive them to the margins of American society. Both sides are mistaken. The answer lies, not in abstract principles, but in legislative compromise. This book clearly and empathetically engages with both sides of the debate. Koppelman explains the basis of antidiscrimination law, including the complex idea of dignitary harm. He shows why even those who do not regard religion as important or valid nonetheless have good reasons to support religious liberty, and why even those who regard religion as a value of overriding importance should nonetheless reject the extravagant power over nonbelievers that the Supreme Court has recently embraced. Koppelman also proposes a specific solution to the problem: that religious exemptions be granted only to the few businesses that are willing to announce their compunctions and bear the costs of doing so. His approach makes room for America's enormous variety of deeply held beliefs and ways of life. It can help reduce the toxic polarization of American politics.

Gay Rights Vs. Religious Liberty?

Does the Constitution protect the right to same-sex marriage? Much of the writing on this subject has been highly one-sided. This book takes a careful second look at the issue. Not only does it carefully look at the legal debate, but it also asks whether, in a democratic society, the courts should settle this question rather than the voters and it takes on the issue of whether such a court-created law could be effective in the face of public opposition. The book argues that this issue is one of the most significant constitutional issues facing society because it challenges society's commitment to the promise of true legal equality.

Same-Sex Marriage and the Constitution

The issues surrounding homosexuality have come upon us as a society with both great speed and great force. As the new guy on the block, the homosexual agenda has put forth many arguments in an attempt to persuade our culture at large to not only accept, but also celebrate, gay and lesbian relationships. Love Speech analyzes and answers these arguments through logic and reason. If we truly love our fellow humans, homosexual or heterosexual, we must speak the truth in love.

Love Speech

William Safire's invaluable and immensely entertaining Lend Me Your Ears established itself instantly as a classic treasury of the greatest speeches in human history. Selected with the instincts of a great speechwriter and language maven, arranged by theme and occasion, each deftly introduced and placed in context, the more than two hundred speeches in this compilation demonstrate the enduring power of human eloquence to inspire, to uplift, and to motivate. For this expanded edition Safire has selected more than twenty new speeches by such figures as President Bill Clinton, Senator Robert Dole, General Colin Powell, Microsoft's Bill Gates, the Dalai Lama, Edward R. Murrow, Alistair Cooke, the Buddha, and the late Israeli Prime Minister Yitzhak Rabin. They prove that even in a digital age the most forceful medium of communication is still the human voice speaking directly to the mind, heart, and soul.

Lend Me Your Ears

"America is at a turning point: energetic debate on gay issues is now becoming a part of America's public life. Gays may no longer be invisible, but the nation's long silence on gay subjects has left a void in serious thinking about the place of gay men and lesbians in American society." "A More Perfect Union is the first book to offer a concise moral case for gay people's equal citizenship. Appealing to widely held American beliefs, Mohr grounds his argument for gay justice firmly in our most valued traditions of equality and freedom. Mohr explores gay rights from the most private to the most public: Should sex be protected by the right to privacy? What does marriage mean in today's society - and is there a case for legalizing marriage between same-sex couples? What does equal protection under the law mean for gay people? What are we to make of the controversy over gays in the military?" "Through lively examples and historical cases, Mohr shows how society's current treatment of gays undercuts the rights that other Americans take for granted. If a gay man wants to prosecute queer bashers for attacking him, but knows he will lose his job or custody of his child by coming out publicly; can he truly be said to enjoy the basic right to legal protection? Using similar examples, Mohr makes an eloquent case for gay and lesbian civil rights legislation." "A More Perfect Union also offers clear guidelines on issues such as custody cases where one parent is gay or lesbian and on what the government should and shouldn't be doing about AIDS. A final chapter lays out a ten-point plan for achieving equal rights for gays that urges family, friends, other minorities, and straight men and women to join the fight to secure America's promise of liberty and justice for all." "Provocative and timely, A More Perfect Union offers a hopeful vision of a more just America."--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc. All Rights Reserved

A More Perfect Union

Designed to serve as both a one-stop information source and a guide to in-depth exploration, this engaging volume examines the controversial subject of gay and lesbian rights. Thoroughly objective in its presentation, the volume includes a chronology of significant developments in the gay rights movement, biographical sketches of important and influential people, a review of relevant legislation, and excerpts from speeches and articles on both sides of the issue. Selected print and nonprint resource listings direct readers to additional information on this complicated, emotional matter. This

volume provides solid, useful information that can serve as a foundation for further research and enhanced understanding of this critical issue.

Gay and Lesbian Rights

Most modern democracies punish hate speech. Less freedom for some, they claim, guarantees greater freedom for others. Heinze rejects that approach, arguing that democracies have better ways of combatting violence and discrimination against vulnerable groups without having to censor speakers. Critiquing dominant free speech theories, Heinze explains that free expression must be safeguarded not just as an individual right, but as an essential attribute of democratic citizenship. The book challenges contemporary state regulation of public discourse by promoting a stronger theory of what democracy is and what it demands. Examining US, European, and international approaches, Heinze offers a new vision of free speech within Western democracies.

Hate Speech and Democratic Citizenship

A new edition of a classic work of history, revealing the anti-homosexual purges of midcentury Washington. In *The Lavender Scare*, David K. Johnson tells the frightening story of how, during the Cold War, homosexuals were considered as dangerous a threat to national security as Communists. Charges that the Roosevelt and Truman administrations were havens for homosexuals proved a potent political weapon, sparking a “Lavender Scare” more vehement and long-lasting than Joseph McCarthy’s Red Scare. Drawing on declassified documents, years of research in the records of the National Archives and the FBI, and interviews with former civil servants, Johnson recreates the vibrant gay subculture that flourished in midcentury Washington and takes us inside the security interrogation rooms where anti-homosexual purges ruined the lives and careers of thousands of Americans. This enlarged edition of Johnson’s classic work of history—the winner of numerous awards and the basis for an acclaimed documentary broadcast on PBS—features a new epilogue, bringing the still-relevant story into the twenty-first century.

The Lavender Scare

Tracing the struggle for freedom and civil rights across two centuries, this anthology comprises speeches by Martin Luther King, Jr., Marcus Garvey, Malcolm X, Barack Obama, and many other influential figures.

Great Speeches by African Americans

During the Great Depression, Henry Alsberg, a journalist with a passion for social justice, directed the Federal Writers' Project, a New Deal program of the Works Progress Administration. Under his guidance, thousands of unemployed writers were hired. Despite attacks from the House Committee on Un-American Activities, the Project produced more than 1,000 publications from 1935 to 1939, including the still highly acclaimed *American Guide* series. Some writers, such as Richard Wright, went on to storied careers. Alsberg led the Project’s collection of more than 10,000 oral histories from ex-slaves, immigrants and others. Alsberg was also a leader in the struggle to save Jewish pogrom survivors in Eastern Europe. Later, he initiated the first major effort to assist international political prisoners. His friends included anarchist revolutionary Emma Goldman and U.S. Supreme Court Justice Felix Frankfurter. This book brings Alsberg to light as an important but forgotten figure of the 20th century.

The St. Croix Review

How does coding change the way we think about architecture? This question opens up an important research perspective. In this book, Miro Roman and his AI Alice_ch3n81 develop a playful scenario in which they propose coding as the new literacy of information. They convey knowledge in the form of a project model that links the fields of architecture and information through two interwoven narrative strands in an “infinite flow” of real books. Focusing on the intersection of information technology and architectural formulation, the authors create an evolving intellectual reflection on digital architecture and computer science.
