What **habits**, are **making**, ...

What do you think smart people have in common?

Ask questions

Knowledge can only be with those who have questions.

Why is the sky blue?

Read across genres

Hang out with smart people

Take time to think

Exercise frequently

Prioritize eating healthy

Keeping a diary

Do something new, even if you think it won't work

Practice makes perfect.

Apply and share new knowledge

Be selective of what you put the effort in

Take short breaks at work

Learn how to be organized

Study other people's behavior patterns

Be actively observant

Though you can see everything around you, do you really pay attention to it?

Sleep whenever you need to

Playing games that task the mind
