The Soldier's Scoundrel

A scoundrel who lives in the shadows Jack Turner grew up in the darkness of London's slums, born into a life of crime and willing to do anything to keep his belly full and his siblings safe. Now he uses the tricks and schemes of the underworld to help those who need the kind of assistance only a scoundrel can provide. His distrust of the nobility runs deep and his services do not extend to the gorgeous high-born soldier who personifies everything Jack will never be. A soldier untarnished by vice After the chaos of war, Oliver Rivington craves the safe predictability of a gentleman's life-one that doesn't include sparring with a ne'er-do-well who flouts the law at every turn. But Jack tempts Oliver like no other man has before. Soon his yearning for the unapologetic criminal is only matched by Jack's pleasure in watching his genteel polish crumble every time they're together. Two men only meant for each other

A Book of Scoundrels

Reproduction of the original. The publishing house Megali specialises in reproducing historical works in large print to make reading easier for people with impaired vision.

Star Wars: The Princess and the Scoundrel

You are cordially invited to the wedding of Princess Leia Organa and Han Solo. The Death Star is destroyed. Darth Vader is dead. The Empire is desolated. But on the forest moon of Endor, amongst the chaos of a changing galaxy, time stands still for a princess and her scoundrel. After being frozen in carbonite, then risking everything for the Rebellion, Han is eager to stop living his life for other people. He and Leia have earned their future together, a thousand times over. And when he proposes to Leia, it's the first time in a long time he's had a good feeling about this. For Leia, a lifetime of fighting doesn't truly seem over. There is work still to do, penance to pay for the dark secret she now knows runs through her veins. Her brother, Luke, is offering her that chance -- one that comes with family and the promise of the Force. But when Han asks her to marry him, Leia finds her answer immediately on her lips . . . Yes. But happily ever after doesn't come easily. As soon as Han and Leia depart their idyllic ceremony on Endor for their honeymoon, they find themselves on the grandest and most glamorous stage of all: the Halcyon, a luxury vessel on a very public journey to the most wondrous worlds in the galaxy. Their marriage, and the peace and prosperity it represents, is a lightning rod for everyone in the galaxy -- including Imperial remnants still clinging to power. Facing their most desperate hour, the soldiers of the Empire have dispersed across the galaxy, retrenching on isolated worlds vulnerable to their influence. As the Halcyon travels from world to world, one thing becomes abundantly clear: The war is not over. But as danger draws closer, Han and Leia find that they fight their best battles not alone but as husband and wife.

The Scout and the Scoundrel

Zara del Amanecer's purpose in life is to do her duty, whether as a noble or a scout. She never shirks her responsibilities, especially with missions as simple as this one: to reconnoiter the border with the Firellian Empire and report anything suspicious. Easily done, even with a new recruit conscripted from prison. Never mind that Veronique the thief ignites unfamiliar feelings in Zara, from furious loathing to overwhelming desire. Roni can't stop imagining how passionate Zara would be if she thought less about duty, or even if she cared more about survival. Because the Firellians have a new magical weapon no one suspected, and they're not about to let anyone who's seen it get out alive. In the sights of an empire planning invasion, Zara and Roni's principles might not be the only things sacrificed. Book 2 in the Sisters of Sarra's Trilogy

Always a Scoundrel

Never a gentleman . . . until now. Lord Bramwell Johns, the second son of a duke, is an unrepentant scoundrel. Now that his two closest friends are disgustingly ensconced in domestic bliss, Bram is feeling strangely restless. And not even relieving London's least deserving aristocrats of their ill-gotten jewels is enough—until the night he overhears an argument. It seems that Lady Rosamund Davies is about to be forced into marriage with a rogue even worse than himself. Rose is well aware of Bram's scandalous reputation, so any reason for his sudden interest in her is suspect; more so since he's close friends with the man about to ruin her family! She has her own plan though, and Bram may be just what she requires—as long as she remembers that he is only looking out for himself. As long as she remembers that his kisses and caresses don't mean anything. As long as she can keep from wondering whether she can trust a scoundrel . . . with her heart.

The Ruin of a Rake

A 2017 RT Reviewer's Choice Nominee for Best Digital Historical! One of Goodreads' Best Romances of July A RT Book Review Top Pick! "Sebastian proves she is a new force to be reckoned with in historical romances."—Booklist Rogue. *Libertine. Rake.* Lord Courtenay has been called many things and has never much cared. But after the publication of a salacious novel supposedly based on his exploits, he finds himself shunned from society. Unable to see his nephew, he is willing to do anything to improve his reputation, even if that means spending time with the most proper man in London. Julian Medlock has spent years becoming the epitome of correct behavior. As far as he cares, if Courtenay finds himself in hot water, it's his own fault for behaving so badly—and being so blasted irresistible. But when Julian's sister asks him to rehabilitate Courtenay's image, Julian is forced to spend time with the man he loathes—and lusts after—most. As Courtenay begins to yearn for a love he fears he doesn't deserve, Julian starts to understand how desire can drive a man to abandon all sense of propriety. But he has secrets he's determined to keep, because if the truth came out, it would ruin everyone he loves. Together, they must decide what they're willing to risk for love.

Bright Eyes of Danger

Rich in detail about the British advancement in India during the latter part of the eighteenth century, thus becoming paramount over all India except for the Sikh Kingdom in the Punjab. It gives a vivid account of the seven battles and one siege of the two wars with the Sikhs.

Proper Scoundrels

Don't miss this spin-off from Allie Therin's acclaimed Magic in Manhattan universe! Their scandalous pasts have left them wounded and unworthy—and hopelessly perfect together. London, 1925 Sebastian de Leon is adjusting to life after three years spent enthralled by blood magic. The atrocities he committed under its control still weigh heavily on his conscience, but when he's asked to investigate a series of mysterious murders, it feels like an opportunity to make amends. Until he realizes the killer's next likely target is a man who witnessed Sebastian at his worst—the Viscount Fine. Lord Fine—known as Wesley to his friends, if he had any—is haunted by ghosts of his own after serving as a British army captain during the Great War. Jaded and untrusting, he's tempted to turn Sebastian in, but there's something undeniably captivating about the reformed paranormal, and after Sebastian risks his own life to save Wesley's, they find common ground. Seeking sanctuary together at Wesley's country estate in Yorkshire, the unlikely pair begins to unravel a mystery steeped in legend and folklore, the close quarters emboldening them to see past the other's trauma to the person worth loving beneath. But with growing targets on their backs, they'll have to move quickly if they want to catch a killer—and discover whether two wounded souls can help each other heal. Magic in Manhattan Book 1: Spellbound Book 2:

The Perks of Loving a Scoundrel

New York Times bestselling author Jennifer McQuiston continues her enchanting Seduction Diaries series as a bookish spinster and an unrepentant rogue unite to unmask a traitor. Every girl dreams of a hero . . . No one loves books more than Miss Mary Channing. Perhaps that's why she's reached the ripe old age of six-and-twenty without ever being kissed. Her future may be as bland as milk toast, but Mary is content to simply dream about the heroes and adventures she reads about in her books. That way she won't end up with a villain instead. But sometimes only a scoundrel will do. When she unexpectedly finds herself in the arms of Geoffrey Westmore, London's most notorious scoundrel, it feels a bit like a plot from one of her favorite novels. Suddenly, Mary understands why even the smartest heroines can fall prey to a handsome face. And Westmore is more handsome than most. But far worse than the damage to her reputation, the moment's indiscretion uncovers an assassination plot that reaches to the highest levels of society and threatens the course of the entire country. When a tight-laced miss and a scoundrel of epic proportions put their minds together, nothing can stand in their way. But unless they put their hearts together as well, a happy ending is anything but assured.

Self-Portrait of a Scoundrel

Released for the first time 16 years after his death, this startling autobiography by one of the so-called "three tramps" from the John F. Kennedy assassination reveals the details of Chauncey Marvin Holt's many claims. Much mystery and suspicion still swirls around that fateful day in November 1963, and theories abound in nearly every form of media. But one of the major mysteries revolves around the three men spotted and later arrested in Dealey Plaza. Holt's controversial confession to being one of the three tramps has a history of its own, and in his own words he delves into his unique and wild background and life. From his United States Air Force service during Pearl Harbor to his associations with the mob and the CIA, Holt discusses his experiences and encounters in great detail. From a man who truly lived a rare and unique life, the book explains the ins and outs of his associations with Lee Harvey Oswald and the assassination in this unique retrospective of a complex and occasionally dubious life.

Sharpe S Tiger

Part of the series describing Sharpe's experiences in India, this title depicts the 1799 campaign against Seringapatam that made the British masters of southern India, a campaign that pitted brutalized soldiers against an ancient and splendid civilization. It is set against dazzling wealth, poverty, gorgeous palaces, cruelty, and pitiless battles.

American Scoundrel

Charming and ambitious, Dan Sickles literally got away with murder. His protector was none other than the President himself, the ageing James Buchanan; his political friends quickly gathered round; and Sickles was acquitted. His trial is described with all Thomas Keneally's powers of dash and drama, against a backdrop of double-dealing, intrigue and 'the slavery question'. Enslaved, in her turn, by the hypocrisy of nineteenth-century society, his wife was shunned and thereafter banned from public life. Sickles, meanwhile, was free to accept favours and patronage. He raised a regiment for the Union, and went on to become a general in the army, rising to the rank of brigadier-general and commanding a flank at the Battle of Gettysburg - at which he lost a leg, which he put into the military museum in Washington where he would take friends to visit it. Thomas Keneally brilliantly recreates an extraordinary period, when women were punished for violating codes of society that did not bind men. And the caddish, good-looking Dan Sickles personifies the extremes of the era: as a womaniser, he introduced his favourite madam to Queen Victoria while his wife stayed at home; as minister to Spain, he began an affair with the queen while courting one of her ladies in waiting; and in his later years, he installed his housekeeper as his mistress while his second wife took up residence nearby. The brio with which Thomas Keneally tells the tale is equal to the pace and bravado of Sickles's life. But, more than this, AMERICAN SCOUNDREL is the lens through which the reader can view history at a time when America was being torn apart. This book resonates with uncomfortable truths, as relevant now as they were then.

Hither Page

A jaded spy and a shell-shocked country doctor team up to solve a murder in postwar England. James Sommers returned from the war with his nerves in tatters. All he wants is to retreat to the quiet village of his childhood and enjoy the boring, predictable life of a country doctor. The last thing in the world he needs is a handsome stranger who seems to be mixed up with the first violent death the village has seen in years. It certainly doesn't help that this stranger is the first person James has wanted to touch since before the war. The war may be over for the rest of the world, but Leo Page is still busy doing the dirty work for one of the more disreputable branches of the intelligence service. When his boss orders him to cover up a murder, Leo isn't expecting to be sent to a sleepy village. After a week of helping old ladies wind balls of yarn and flirting with a handsome doctor, Leo is in danger of forgetting what he really is and why he's there. He's in danger of feeling things he has no business feeling. A person who burns his identity after every job can't set down roots. As he starts to untangle the mess of secrets and lies that lurk behind the lace curtains of even the most peaceful-seeming of villages, Leo realizes that the truths he's about to uncover will affect his future and those of the man he's growing to care about.

The Lawrence Browne Affair

An earl hiding from his future . . . Lawrence Browne, the Earl of Radnor, is mad. At least, that's what he and most of the village believes. A brilliant scientist, he hides himself away in his family's crumbling estate, unwilling to venture into the outside world. When an annoyingly handsome man arrives at Penkellis, claiming to be Lawrence's new secretary, his carefully planned world is turned upside down. A swindler haunted by his past . . . Georgie Turner has made his life pretending to be anyone but himself. A swindler and con man, he can slip into an identity faster than he can change clothes. But when his long-dead conscience resurrects and a dangerous associate is out for blood, Georgie escapes to the wilds of Cornwall. Pretending to be a secretary should be easy, but he doesn't expect that the only madness he finds is the one he has for the gorgeous earl. Can they find forever in the wreckage of their lives? Challenging each other at every turn, the two men soon give into the desire that threatens to overwhelm them. But with one man convinced he is at the very brink of madness and the other hiding his real identity, only true love can make this an affair to remember.

Sweetest Scoundrel

SHE'S TAKING CHARGE Prim, proper, and thrifty, Eve Dinwoody is all business when it comes to protecting her brother's investment. But when she agrees to control the purse strings of London's premier pleasure garden, Harte's Folly, she finds herself butting heads with an infuriating scoundrel who can't be controlled. **HE'S RUNNING THE SHOW** Bawdy and bold, Asa Makepeace doesn't have time for a penny-pinching prude like Eve. As the garden's larger-than-life owner, he's already dealing with self-centered sopranos and temperamental tenors. He's not about to let an aristocratic woman boss him around . . . no matter how enticing she is. **BUT LOVE CONQUERS ALL** In spite of her lack of theatrical experience—and her fiery clashes with Asa—Eve is determined to turn Harte's Folly into a smashing success. But the harder she tries to manage the stubborn rake, the harder it is to ignore his seductive charm and raw magnetism. There's no denying the smoldering fire between them—and trying to put it out would be the greatest folly of all . . .

The Misfit Soldier

Ocean's Eleven meets John Scalzi in this funny, action-filled, stand-alone sci-fi adventure from the author of *Planetside*, in which a small team of misfit soldiers takes on a mission that could change the entire galaxy. Sergeant Gastovsky—Gas to everyone but his superior officers—never wanted to be a soldier. Far from it. But when a con goes wrong and he needs a place to lay low for a while, he finds himself wearing the power armor of the augmented infantry. After three years on a six-year contract, Gas has found his groove running low-level cons and various illegal activities that make him good money on the side. He's the guy who can get you what you need. But he's always had his eye out for a big score—the one that might set him up for life after the military. When one of his soldiers is left behind after a seemingly pointless battle, Gas sees his chance. He assembles a team of misfit soldiers that would push the term “ragtag” to its limits for a big con that leads them on a daring behind-the-lines mission, pitting him not only against enemy soldiers but against the top brass of his own organization. If he pulls this off, not only will he save his squadmate, he might just become the legend he's always considered himself. He might also change the way the entire galaxy looks at this war. But for any of that to happen, he has to live through this insane plan. And charm rarely stops bullets.

Faith

Faith is a poignant conversation between the dead and the living, the past and the present, and a young woman grappling to find her place in it all.

Scoundrels in Iraq

My morning run was almost over as the road curved through the pines towards the Post Gym. It dawned on me that I had a comprehensive understanding of the war, having been in Iraq in its beginning and again at the end of Operation Iraqi Freedom. In between I trained troops. I finally had a story worth telling. The compulsion to write down my goofy adventures overcame the inertia since college that limited my writing to post-it notes, Emails and greeting cards. Inspiration mixed with boredom and beer got me typing. Strangers in grocery stores thanked me for my service, and I avoided wearing my uniform in public. People hailed heroes at sporting events, placed Soldiers on pedestals. Mr. and Mrs. America didn't have a clue past what they saw on TV. The naiveté continues to piss me off fiercely. Heartache isn't the monopoly of Special Operators - the Men in Black. The petroleum specialist or mechanic halfway around the world feel the same loneliness amongst many. Going home can be harder than leaving. It doesn't matter what your job was downrange. But sexy and violent sells. What about scoundrels in the Army? It seems an ageless tale. I kept replaying my overseas adventures in my head while fighting dandelions in my yard or while driving the 175-mile weekly commute back to Fort McCoy. My Battle Buddy, Hank Molina would pester me during phone calls to write down our hilarious criminal acts from Operation Iraqi Freedom One (2003-04). Finally, I relented to the nagging pressure from my mind while remodeling the exterior of a Hotel in Charleston, West Virginia. The book outline took two nights and a two six packs, I mean three. Quickly, I became used to feeling that a portion of my work at night was basically crap. But it was fun. If I could make myself laugh, then that alone was worth the effort. Making myself cry because my writing was incredibly moving was sometimes due to alcohol, sometimes not. Resumption of a lifelong passion was very satisfying. Not a big fan of the fickle Uniform Code of Military Justice I worried about telling the world that I stole the most bad ass up-armored bulldozer ever built, supposedly. It seemed wise to retire before my entire confession was in print. But like we used to say, "what are they going to do to me? Send me to Iraq?" I'd love to go back, at least to Kurdistan. I was hesitant to make my voice so dominant, but my nephew, who helped me storyboard the various lines of effort (themes), convinced me that he wanted to know my opinions, observations, recollections, everything about the war from my point of view. Mike said he'd never be in Iraq so he wanted all I could give. Writing the story directly to him meant I could be my goofball self. Finding the ludicrous in Iraq was easy. Soldiers got hurt and reminders of loss came to the fore, like Jessica Lynch. Perhaps a cathartic project is all the book would amount to. But I didn't see any representation of ordinary Soldiers in Iraq in media that was even close to reality. Didn't women deploy? Where's their atta-girl? To change the tone while the story came back to the States, I eliminated all dialogue in Part Two "McCoy". It's a method, I guessed. Reverting back to using dialogue, brought vivaciousness to theater, I hoped. My battle buddy Hank, provided illustrations of BIAP (Baghdad International Airport), the huge city itself, plus the book design. I included a glossary of Military acronyms plus a listing of US Army rank structure for civilian types. Ultimately, I figured out the war. At least to my satisfaction. Eight years of my life was dedicated to the people of Iraq and my sisters and brothers at arms. Soldiers with addictions, personality disorders, a family crisis back home can profoundly affect a person's mental stability. I was guided through the hairiest of situations, especially during my first deployment. Tony wasn't just a hook or a crutch, gave me the courage to write this.

The Officer and the Proper Lady

A proper English lady battles her desire for a rakish officer as Napoleon marches into Brussels in this sexy Regency romance. Major Hal Carlow was a fine soldier, but he was also a flirt, a rake and a scoundrel! In general, he tried to steer clear of proper young ladies—no fun at all—and spend time with the sort of women who appreciated his finer qualities. . . . Miss Julia Tresilian's duty was to find a husband, but her prospective suitors bored her to tears. Yet even talking to the incorrigible Hal Carlow was dangerous to her marriage prospects, let alone anything more. . . .

Star Wars

Collects Star Wars: Lando — Double or Nothing #1-5. Straight from the frames of the highly anticipated film Solo: A Star Wars Story swaggers a younger — and somehow even cockier — Lando Calrissian! Before his days in the Rebellion, before he ran Cloud City, even before he lost the Millennium Falcon,

comes this tale of Lando's adventures and misadventures in search of love and money — leading right up to his appearance in Solo! Lando isn't one to stick his neck out unless there are credits to be had. So when oppressed workers in a droid junkyard need his help, they'd better hope their freedom is worth something to him. But one of their number is out to turn Lando over to his enemies — and there are plenty of those. Will a galaxy of bad guys finally get their due against the ultimate thorn in their side?

The Tin-Pot Foreign General And the Old Iron Woman

BANG! BANG! BANG! went the guns of the Tin-Pot Foreign General BANG! BANG! BANG! went the guns of the Old Iron Woman Raymond Briggs's visceral take on the Falklands War is uncompromising in its dark and moving satire of the build-up and aftermath of the conflict. This controversial book's infamous stars - General Leopoldo Galtieri and Margaret Thatcher - are depicted as robotic caricatures with a pointless blood lust. Now available as an eBook for the first time.

Flashman and the Mountain of Light

This ninth volume of The Flashman Papers finds that history's most unheroic hero, Sir Harry Flashman, is back in India, where his saga began. This time, our hero is sent by Her Majesty's Secret Service to spy on the corrupt court of Lahore, on India's Northwest Frontier. Flashy deals with a ravishing maharini and her equally sex-hungry maid, joins forces with an American adventurer with royal ambitions, and attempts to win the brightest jewel in England's imperial crown at the cost of something he will never miss—namely, his honor.

Street Soldier

The almost unbelievable story of endemic corruption, and the official condoning by the FBI of violent crimes committed by James "Whitey" Bulger and his South Boston Irish mob, entered a new chapter with Bulger's arrest in California. For decades the FBI let Bulger get away with murder, protecting him from prosecution for crimes it knew he had committed and allowing him continued control of his criminal enterprise in exchange for information about the rival Italian mafia and even members of his own gang. During the 1980s, Edward J. MacKenzie, Jr., "Eddie Mac," was a drug dealer and enforcer who would do just about anything for Bulger. In this compelling eyewitness account, the first from a Bulger insider, Eddie Mac delivers the goods on his one-time boss and on such former associates as Stephen "The Rifleman" Flemmi and turncoat FBI agent John Connolly. Eddie Mac provides a window onto a world rarely glimpsed by those on the outside. Street Soldier is also a story of the search for family, for acceptance, for respect, loyalty, and love. Abandoned by his parents at the age of four, MacKenzie became a ward of the state of Massachusetts, suffered physical and sexual abuse in the foster care system, and eventually drifted into a life of crime and Bulger's orbit. The Eddie Mac who emerges in these pages is complex: An enforcer who was also a kick-boxing and Golden Gloves champion; a womanizer who fought for custody of his daughters; a tenth-grade dropout living on the streets who went on, as an adult, to earn a college degree in three years; a man, who lived by the strict code of loyalty to the mob, but set up a sting operation that would net one of the largest hauls of cocaine ever seized. Eddie's is a harsh story, but it tells us something important about the darker corners of our world. Street Soldier is as disturbing and fascinating as a crime scene, as heart-stopping as a bar fight, and at times as darkly comic as Quentin Tarantino's Pulp Fiction or Martin Scorsese's Good Fellas.

Armor

The planet is called Banshee. The air is unbreathable, the water is poisonous. It is home to the most implacable enemies that humanity, in all its interstellar expansion, has ever encountered. Body armor has been devised for the commando forces that are to be dropped on Banshee--the culmination of ten thousand years of the armorers' craft. A trooper in this armor is a one-man, atomic powered battle fortress. But he will have to fight a nearly endless horde of berserk, hard-shelled monsters--the fighting arm of a species which uses biological technology to design perfect, mindless war minions. Felix is a scout in A-team Two. Highly competent, he is the sole survivor of mission after mission. Yet he is a man consumed by fear and hatred. And he is protected, not only by his custom-fitted body armor, but by an odd being which seems to live within him, a cold killing machine he calls "The Engine."

A Little Light Mischief

A seductive thief Lady's maid Molly Wilkins is done with thieving—and cheating and stabbing and all the rest of it. She's determined to keep her hands to herself, so she really shouldn't be tempted to seduce her employer's prim and proper companion, Alice. But how can she resist when Alice can't seem to keep her eyes off Molly? Finds her own heart For the first time in her life, Alice Stapleton has absolutely nothing to do. The only thing that seems to occupy her thoughts is a lady's maid with a sharp tongue and a beautiful mouth. Her determination to know Molly's secrets has her behaving in ways she never imagined as she begins to fall for the impertinent woman. Has been stolen When an unwelcome specter from Alice's past shows up unexpectedly at a house party, Molly volunteers to help the only way she knows how: with a little bit of mischief.

Once a Spy

Love and survival in the shadow of Waterloo . . . Wearied by his years as a British intelligence officer, Simon Duval resigns his commission after Napoleon's abdication. Hoping to find new meaning in his life, he returns to England, where he discovers his cousin's widow, Suzanne Duval, the Comtesse de Chambron. Working as a seamstress, living in reduced circumstances, Suzanne has had a life as complicated as Simon's. While both believe they are beyond love, their sympathetic bond leads him to propose a marriage of companionship, and Suzanne accepts. She didn't want or expect a true marriage, but as Suzanne joins Simon in a search for his long missing foster brother, warmth and caring begin to heal both their scars—and a powerful passion sparks between them. Then news from France threatens to disrupt their happiness. Napoleon has escaped from Elba and Wellington personally asks Simon to help prevent another devastating war. Only this time, Simon does not go into danger alone. He and Suzanne will face deadly peril together, and pray that love will carry them through . . . Praise for the Rogues Redeemed series "Deftly balances fascinating historical detail, adventure, and menace with a passionate romance." —Library Journal "Though suspense and adventure drive this story forward, the love at its center sets it apart." —Kirkus Reviews "Impeccably written." —Booklist

Alice in Love and War

YA. Love stories. War. At some point, every girl is going to come up with a whole bunch of questions about her skin, her hair, her looks ... and when Alice's daughter, Molly, started asking, there seemed to be so many, you could write a book. With chapters about hair, make-up, spots, skincare, hair removal, manicures, pedicures and how to look good in pictures, this fabulous beauty bible extends a sympathetic helping hand as it guides teenagers through the minefield of often inappropriate beauty advice in a friendly and informative way.

City of Scoundrels

An exciting new book in the series featuring Elizabeth Miles, con woman turned Lady, from the beloved national bestselling author of the Gaslight Mysteries. Elizabeth Miles finds herself in a position no one can help her escape. Her beloved fiancé, Gideon Bates, is awaiting his turn in the draft to fight in the Great War. Elizabeth is finding it hard to think of anything else, but Gideon has thrown himself into his work, preparing wills for soldiers before they ship out. Corporal Tom Preston is part owner of Preston Shoes, a company that is making footwear for the army, so he has a rather large estate. He needs a new will, however, because he has just been secretly married to a woman whom his family would never approve. He wants to make sure she and their unborn child are provided for if he does not return. When Tom is later reported killed, Elizabeth and Gideon learn that the new will has gone missing after Tom's bride revealed her identity to his family. Unless the new will is found and validated, the original will, which leaves everything to Tom's brother, will prevail and the wife and child will get nothing. If Tom's new bride survives, that is. Some terrible threats have been leveled against her, and Elizabeth and Gideon must figure out a way, legal or not quite, to secure Tom's fortune for his wife and child while saving her life in the process.

Albion's Seed

This fascinating book is the first volume in a projected cultural history of the United States, from the earliest English settlements to our own time. It is a history of American folkways as they have changed through time, and it argues a thesis about the importance for the United States of having been British in its cultural origins. While most people in the United States today have no British ancestors, they have assimilated regional cultures which were created by British colonists, even while preserving ethnic identities at the same time. In this sense, nearly all Americans are "Albion's Seed," no matter what

their ethnicity may be. The concluding section of this remarkable book explores the ways that regional cultures have continued to dominate national politics from 1789 to 1988, and still help to shape attitudes toward education, government, gender, and violence, on which differences between American regions are greater than between European nations.

A Gentleman Never Keeps Score

If you haven't read *Cat Sebastian*, what are you waiting for?"—Lorraine Heath, *New York Times* bestselling author *Once* beloved by London's fashionable elite, Hartley Sedgwick has become a recluse after a spate of salacious gossip exposed his most-private secrets. Rarely venturing from the house whose inheritance is a daily reminder of his downfall, he's captivated by the exceedingly handsome man who seeks to rob him. Since retiring from the boxing ring, Sam Fox has made his pub, *The Bell*, into a haven for those in his Free Black community. But when his best friend Kate implores him to find and destroy a scandalously revealing painting of her, he agrees. Sam would do anything to protect those he loves, even if it means stealing from a wealthy gentleman. But when he encounters Hartley, he soon finds himself wanting to steal more than just a painting from the lovely, lonely man—he wants to steal his heart.

It Takes Two to Tumble

"Sebastian proves she is a new force to be reckoned with in historical romances."--Booklist Some of Ben Sedgwick's favorite things: Helping his poor parishioners Baby animals Shamelessly flirting with the handsome Captain Phillip Dacre After an unconventional upbringing, Ben is perfectly content with the quiet, predictable life of a country vicar, free of strife or turmoil. When he's asked to look after an absent naval captain's three wild children, he reluctantly agrees, but instantly falls for the hellions. And when their stern but gloriously handsome father arrives, Ben is tempted in ways that make him doubt everything. Some of Phillip Dacre's favorite things: His ship People doing precisely as they're told Touching the irresistible vicar at every opportunity Phillip can't wait to leave England's shores and be back on his ship, away from the grief that haunts him. But his children have driven off a succession of governesses and tutors and he must set things right. The unexpected presence of the cheerful, adorable vicar sets his world on its head and now he can't seem to live without Ben's winning smiles or devastating kisses. In the midst of runaway children, a plot to blackmail Ben's family, and torturous nights of pleasure, Ben and Phillip must decide if a safe life is worth losing the one thing that makes them come alive.

Along Came a Rogue

THE WICKEDEST SECRET . . . Major Nathaniel Grey is free to bed whomever he wants, whenever he chooses, and that's exactly how he likes it. His only loyalties are to country and the two friends he served with--brothers he'd do anything for. So when one of them is gravely injured and asking for his little sister, Grey will move heaven and earth to bring her home. He's greeted not by the gangly girl he remembers, but a stunningly beautiful woman holding a loaded musket. And he's utterly captivated by her . . . IS A SECRET SEDUCTION Once upon a time, Emily would have loved nothing more than a stolen hour with her brother's best friend, the dashing officer who captured her heart and soul. But things are different now--and so is she. Gone is the eager young woman who believed in love. In her place is a widow weighed down with secrets who desperately needs to disappear before they're revealed. But Grey's sinfully sexy smile offers protection unlike anything she's ever known, tempting her to risk everything . . . even her heart.

Two Rogues Make a Right

Will Sedgwick can't believe that after months of searching for his oldest friend, Martin Easterbrook is found hiding in an attic like a gothic nightmare. Intent on nursing Martin back to health, Will kindly kidnaps him and takes him to the countryside to recover, well away from the world. Martin doesn't much care where he is or even how he got there. He's much more concerned that the man he's loved his entire life is currently waiting on him hand and foot, feeding him soup and making him tea. Martin knows he's a lost cause, one he doesn't want Will to waste his life on. As a lifetime of love transforms into a tender passion both men always desired but neither expected, can they envision a life free from the restrictions of the past, a life with each other?

Magic in Manhattan Collection

All three novels in the dazzling Magic in Manhattan paranormal historical romance series, available now in one box set. "Allie Therin built a world that came alive and flew off the pages." —Gay Book Reviews

Spellbound Arthur Kenzie's life's work is protecting the world from the supernatural relics that could destroy it. When an amulet with the power to control the tides is shipped to New York, he must intercept it before it can be used to devastating effects. This time, in order to succeed, he needs a powerful psychometric...and the only one available has sworn off his abilities altogether. Rory Brodigan's gift comes with great risk. To protect himself, he's become a recluse, redirecting his magic to find counterfeit antiques. But with the city's fate hanging in the balance, he can't force himself to say no. As Arthur coaxes him out of seclusion, a magical and emotional bond begins to form. One that proves impossible to break—even when Arthur sacrifices himself to keep Rory safe and Rory must risk everything to save him. Starcrossed Arthur's continued quest to contain supernatural relics that pose a threat to the world captured Rory's imagination—and his heart. But when a group of ruthless paranormals throw the city into chaos, the two men's strained relationship leaves Rory vulnerable to a monster from Arthur's past. With dark forces determined to tear them apart, Rory and Arthur will have to draw on every last bit of magic up their sleeves. And in the end, it's the connection they've formed without magic that will be tested like never before. Wonderstruck Arthur's search to destroy the powerful supernatural relic that threatens Manhattan has been fruitless. All it has done is keep him from the man he loves. But he'll do anything to keep Rory safe and free, even if that means leaving him behind. Rory is determined to gain power over his own magic. He can take care of himself—and maybe even Arthur, too, if Arthur will let him. An auction at the Paris world's fair offers the perfect opportunity to destroy the relic, if a group of power-hungry supernaturals don't destroy Rory and Arthur first. As the magical world converges on Paris, Arthur and Rory have to decide who they can trust. Guessing wrong could spell destruction for their bond—and for the world as they know it

Paths of Glory

The first instalment of the Flashman Papers sees the fag-roasting rotter from Tom Brown's Schooldays commence his military career as a reluctant secret agent in Afghanistan.

Flashman

Nebula and Hugo Award nominees Daniel Abraham and Ty Franck--writing as James S. A. Corey--make their Star Wars debut in this old school, action-packed, Space Opera epic. This brand-new, classic adventure stars the irrepressible Han Solo and his new friends, Luke Skywalker and Princess Leia Organa, just after the destruction of the Death Star in Star Wars: Episode VI A New Hope! When a rebel spy needs extraction from under the nose of the Empire, who better to send than master smuggler, Han Solo? But rescuing a friendly spy is just the start of a wild adventure as the intel the spy uncovers leads Han and Leia to an ancient and deadly secret that threatens to be the Empire's ultimate--and likely successful--weapon against the Rebel Alliance. Add in the chance to lose Luke Skywalker to this horrific threat, and Han and Chewbacca may have finally met a trap even they can't escape...

Star Wars: Empire and Rebellion: Honor Among Thieves

Byzantium Endures, the first of the Pyat Quartet, introduces one of Michael Moorcock's most magnificent creations - Maxim Arturovitch Pyatnitski. Born in Kiev on the cusp of the twentieth century, he discovers the pleasures of sex and cocaine and glimpses a sophisticated world beyond his horizons before the storm of the October Revolution breaks. Still a student at St Petersburg, he is deflected into more immediate concerns, caught up in the rip-tide of history.

Byzantium Endures

The Boys of Company K shows how life was for the common soldier on the dangerous western prairies. The men faced the threat of hostile Indians, disease, and unpredictable Wyoming weather. Follow the boys on their journey from Hillsboro, Dayton, Cincinnati and other Ohio, Kansas and Nebraska towns to Fort Laramie, Fort Halleck, the Powder River, and other frontier locations. Accounts are taken from first-hand sources such as newspaper articles, personal journals, and military records.

She grew up to become a ...

Shurpanakha was Ravana's sister.

Hearing her description of Sita's beauty

an evil thought entered his mind - that he should abduct Sita!

As he lay dying, Mareecha cried out in Rama's voice.

Meanwhile, a Sanyasi arrived at Rama's hut.

At that moment, eagles began flying overhead

and the sanyasi took the form of Ravana.

He viciously dragged Sita by her hair nd took her into his chariot.

Jatayu, who was sleeping on top of a tree

Ravana lashed at Jatayu and cut off his wings.

Carrying Sita, Ravana flew to the skies, towards Lanka.
