Intro

1..{Andrew Tate vs. Scripture} Who is Andrew Tate, and do his views line up with the Bible?

2..{About Saul's Motives} Was Saul's hostility toward the Jewish Christians based on his biblical beliefs, or was he really on a mission to achieve status considering his age prior to conversion and extreme actions?

3..{Can a Christian become Reprobate?} Is it possible for a Christian to become a reprobate? If so, can it still be undone? I don't know why, but God seems out of reach.

4..{Blaspheming the Spirit vs. the Son/Father} Why is the unforgivable sin described as blaspheming the Holy Spirit, as opposed to blaspheming the Son or the Father?

5..{Fulfilled or Unfilled Prophecy?} Has Zechariah 9:1-8 already been fulfilled? If not, is it possible that it is in the process of being fulfilled today?

6..{Is Jesus Presently "King"?} Is it right to call Jesus "king" since He has not yet set up His Millennial Kingdom on Earth (Revelation 20:4-6)?

7..{Reaching a Pagan Friend} I've got a Pagan friend. He believes that all the different gods exist, including the Abrahamic God, and that the Norse Pantheon is most worthy of worship. Any advice on reaching him?

8..{Marital Relations during Menstruation?} Is it a sin to have marital relations during the menstrual cycle? In Leviticus 18: 19, 24-25, it indicates that this is an abomination. But Leviticus 15: 24 puts it in the category of ritual uncleanness.

9..{Human Sacrifice in the OT?} I'm curious about how to handle 2 Samuel 21. This sounds very close to a form of human sacrifice to honor God.

10..{Do All Incorrect Secondary Views Warrant Repentance?} You said egalitarians need to repent (I agree). But do we apply that same response to other secondary issues such as Calvinism? That's higher on the list of secondary issues compared to egalitarianism vs. complementarianism.

The Perpetual Orgy, Flaubert, Madame Bovary, literary analysis, critical interpretation

The Perpetual Orgy, Maurice Blanchot's exploration of Flaubert's Madame Bovary, delves into the novel's profound and unsettling themes of desire, dissatisfaction, and the relentless pursuit of unattainable ideals. It offers a critical interpretation of Flaubert's masterpiece, examining the enduring power of the text and its continued relevance in contemporary society by unraveling the complex narrative and its reflections on the human condition.
