They scolded their children too often

They missed out on the most important moments

They didn't play enough creative games
They didn't take enough photos and videos
They didn't take their child's opinion into account
They didn't enjoy communicating with their child
They didn't educate them about money
They didn't make their child happy enough
They didn't hug their children often enough
They weren't consistent

They often followed someone else's advice
