Food Artisans of Japan

An intimate deep dive into Japan's diversely rich food landscape with 120 recipes from 7 compelling Japanese chefs and 24 stories of food artisans through the eyes of award-winning author Nancy Singleton Hachisu. In *Food Artisans of Japan*, Nancy Singleton Hachisu introduces us to the chefs and artisans with whom she has formed lasting relationships following the phenomenal success of her most recent *Japan: The Cookbook* (Phaidon, 2018) as well her seminal works, *Japanese Farm Food* (Andrews McMeel, 2012) and *Preserving the Japanese Way* (Andrews McMeel, 2015). Hachisu shares an in-depth knowledge and understanding of Japanese locales, the foods, and the artisans who work there. Each chef was chosen because he goes beyond courting media exposure or Michelin stars. Each chef's food is soulful. And each chef speaks deeply to Hachisu for genuine connection to local ingredients, unwavering desire to give back to the community, and common dedication to craft. The book includes anywhere from 7 to 45 recipes from each chef, ranging from traditional Japanese to French- or Italian-influenced Japanese dishes created from regional ingredients. Each recipe is a collaboration between the chef and Hachisu, and therefore can be cooked successfully in either a home kitchen or restaurant. And bits and pieces of any chef recipe can be turned into a simple home cooked dish, or the recipe itself can serve as a blueprint for approaching the dish with seasonally available ingredients from your own locale. The stunning art and design of *Food Artisans of Japan* feels both serene and mature. It is beautiful, but not excessively glitzy or over-designed. The book has a certain soberness that feels respectful, but not at all dull. This fresh, honest work delves into the vast ocean of Japanese culinary and artistic traditions, celebrating the chefs and artisans from around Japan ... straight from the heart.

Japanese Farm Food

Japanese Farm Food offers a unique look into life on a Japanese farm through 135 simple recipes, personal stories and over 100 stunning photographs.

Japan: The Cookbook

The definitive, home cooking recipe collection from one of the most respected and beloved culinary cultures Japan: *The Cookbook* has more than 400 sumptuous recipes by acclaimed food writer Nancy Singleton Hachisu. The iconic and regional traditions of Japan are organized by course and contain insightful notes alongside the recipes. The dishes - soups, noodles, rices, pickles, one-pots, sweets, and vegetables - are simple and elegant.

The Little Japanese Cookbook

The Little Japanese Cookbook explores how geography, climate, culture, and tradition have shaped one of the world's most popular cuisines. Take a look behind-the-scenes at the world of growers, artisans, chefs, and home cooks whose passion for produce is reflected in the incredibly varied, regional styles

and flavors of Japan's rich and varied food. And even better, learn to make it yourself with the over 80 recipes featured here

Preserving the Japanese Way

This beautifully illustrated guide by the author of *Japanese Farm Food* includes essential Japanese pantry tips and 125 recipes. In *Preserving the Japanese Way*, Nancy Singleton Hachisu offers step-by-step instructions for preserving fruits, vegetables, and fish using the age-old methods of Japanese farmers and fishermen. The recipes feature ingredients easily found in grocery stores or Asian food markets, such as soy sauce, rice vinegar, sake, and koji. Recipes range from the ultratraditional—Umeboshi (Salted Sour Plums), Takuan (Half-Dried Daikon Pickled in Rice Bran), and Hakusai (Fermented Napa Cabbage)—to modern creations like Zucchini Pickled in Shoyu Koji, Turnips Pickled with Sour Plums, and Small Melons in Sake Lees. Hundreds of full-color photos offer a window into the culinary life of Japan, from barrel makers and fish sauce producers to traditional morning pickle markets. More than a simple recipe book, *Preserving the Japanese Way* is a book about community, seasonality, and ultimately about why both are relevant in our lives today. “This is a gorgeous, thoughtful—dare I say spiritual—guide to the world of Japanese pickling written with clarity and a deep respect for technique and tradition.” —Rick Bayless, author of *Authentic Mexican* and owner of *Frontera Grill*

Preserving the Japanese Way

Preserving the Japanese Way, nominated for a 2016 James Beard Award in the International Cookbook category, introduces Japanese methods of salting, pickling, and fermenting that are approachable and easy to integrate into a Western cooking repertoire. Documentary-quality photo essays reveal the local Japanese communities that support these long-established preservation practices. It is by Nancy Singleton Hachisu, author of *Japanese Farm Food*. *Preserving the Japanese Way: Traditions of Salting, Fermenting, and Pickling for the Modern Kitchen* offers a clear road map for preserving fruits, vegetables, and fish through a nonscientific, farm- or fisherman-centric approach. An essential backdrop to the 125 recipes outlined in this book are the producers and the artisanal products used to make these salted and fermented foods. The more than 350 arresting photos of the barrel maker, fish sauce producer, artisanal vinegar company, 200 hundred-year-old sake producer, and traditional morning pickle markets with local grandmas still selling their wares document an authentic view of the inner circle of Japanese life. Recipe methods range from the ultratraditional-- Umeboshi (Salted Sour Plums), Takuan (Half-Dried Daikon Pickled in Rice Bran), and Hakusai (Fermented Napa Cabbage)-- to the modern: Zucchini Pickled in Shoyu Koji, Turnips Pickled with Sour Plums, and Small Melons in Sake Lees. *Preserving the Japanese Way* also introduces and demystifies one of the most fascinating ingredients to hit the food scene in a decade: koji. Koji is neither new nor unusual in the landscape of Japan fermentation, but it has become a cult favorite for quick pickling or marinades. *Preserving the Japanese Way* is a book about community, seasonality as the root of preserved food, and ultimately about why both are relevant in our lives today. "In Japan, pickling, fermenting, and salting are elevated as a delicious and refined art form, one that Nancy Singleton Hachisu has mastered. This is a gorgeous, thoughtful--dare I say spiritual--guide to the world of Japanese pickling written with clarity and a deep respect for technique and tradition. Nancy understands that salting cherry blossoms and drying squid aren't just about preserving foods--it's about preserving a way of life." --Rick Bayless, author of *Authentic Mexican* and owner of *Frontera Grill* "In her first gorgeous book, Nancy delved into the soul of Japanese country cooking. In this stunning new volume, we are introduced to the myriad ways of preserving and fermenting that, like the writing and photography, highlight the gentle elegance and beautiful patience of Japanese cookery." --Edward Lee, author of *Smoke & Pickles* and owner of 610 Magnolia "Even if you never yearned to make your own miso or pickle your own vegetables, this beautiful book will change your mind. It's almost impossible to flip through these pages without wanting to join Nancy Singleton Hachisu in the lovely meditation of her cooking. This book is unlike anything else out there, and every serious cook will want to own it." --Ruth Reichl, author of *Tender at the Bone* and former editor-in-chief of *Gourmet Magazine*

Let's Cook Japanese Food!

Showcases seventy recipes for creating family-friendly, authentic Japanese meals at home, including such dishes as tonkatsu, crispy pork cutlets in a tangy sauce; gyoza, pan fried dumplings; onigiri, rice balls stuffed with salmon; and ramen.

Japanese Farm Food

This award-winning cookbook offers a unique look at life on a Japanese farm through 165 recipes, personal stories and stunning photographs. American born and raised, Nancy Singleton Hachisu lives with her husband and sons on a rural Japanese farm, where they prepare these 165 bright, seasonal dishes. Covering everything from pickles and soups to noodles, rice, and dipping sauces, with a special emphasis on vegetables, Hachisu demystifies the rural Japanese kitchen, laying bare the essential ingredients, equipment, and techniques needed for Japanese home cooking. Combining stories and recipes, Japanese Farm Food is about food, family, and community. More than 350 vibrant images by Kenji Miura evoke the beautiful Japanese countryside and life on a traditional farm. With a focus on fresh and thoughtfully sourced ingredients, the recipes in Japanese Farm Food are perfect for fans of farmers' markets, and for home cooks looking for accessible Japanese dishes. Gourmand World Cookbook Awards 2012: USA Winner, Best Japanese Cuisine Book

Tokyo Stories

WINNER OF THE JOHN AVERY AWARD 2019 at the André Simon Awards Tokyo is rightfully known around the world as one of the most exciting places to eat on the planet. From subterranean department store food halls to luxurious top-floor hotel restaurants, and all the noodle shops, sushi bars, and yakitori shacks in between, there may be no other city so thoroughly saturated with delicious food. Tokyo Stories is a journey through the boulevards and backstreets of Tokyo via recipes both iconic and unexpected. Chef Tim Anderson takes inspiration from the chefs, shopkeepers, and home cooks of Tokyo to showcase both traditional and cutting-edge takes on classic dishes like sushi, ramen, yakitori, and tempura. Also included are dishes that Tokyoites love to eat with origins from abroad, like Japanese interpretations of Korean barbecue, Italian pizza and pasta, American burgers and more. Tim tackles his food tour of Tokyo from the ground up, with chapters broken down into: LOWER GROUND FLOOR: Tokyo on the Go (Department Store Basements, Subway Stations, and Convenience Stores); FIRST FLOOR: Tokyo Local (food traditional to Tokyo); SECOND FLOOR: Tokyo National (food traditional to Japan); THIRD FLOOR: Tokyo Global (Japanese food with an international twist) FOURTH FLOOR: Tokyo at Home (Japanese home cooking); and, FIFTH FLOOR: Tokyo Modern (experimental Japanese food found in high-end hotel bars). With Tim's easy-to-follow recipes, this is make-at-home Japanese food, authentic yet achievable for the home chef – without cutting corners. The real thrill of eating in Tokyo is in the sense of discovery – of adventurous curiosity rewarded. And that may come in the form of an unexpectedly good convenience store sandwich, an 'oh my god' sushi moment, or just the best damn bowl of ramen you've ever had. With Tokyo Stories you can explore Tokyo and discover its incredible food without leaving your home kitchen. Featuring over 90 recipes, all set to the backdrop of Tokyo location shots, this is essential for the Japanophile in your life.

Water, Wood, and Wild Things

"With this book, you feel you can stop time and savor the rituals of life." --Maira Kalman An immersive journey through the culture and cuisine of one Japanese town, its forest, and its watershed--where ducks are hunted by net, saké is brewed from the purest mountain water, and charcoal is fired in stone kilns--by an American writer and food stylist who spent years working alongside artisans One night, Brooklyn-based artist and food writer Hannah Kirshner received a life-changing invitation to apprentice with a "saké evangelist" in a misty Japanese mountain village called Yamanaka. In a rapidly modernizing Japan, the region--a stronghold of the country's old-fashioned ways--was quickly becoming a destination for chefs and artisans looking to learn about the traditions that have long shaped Japanese culture. Kirshner put on a vest and tie and took her place behind the saké bar. Before long, she met a community of craftspeople, farmers, and foragers--master woodturners, hunters, a paper artist, and a man making charcoal in his nearly abandoned village on the outskirts of town. Kirshner found each craftsperson not only exhibited an extraordinary dedication to their work but their distinct expertise contributed to the fabric of the local culture. Inspired by these masters, she devoted herself to learning how they work and live. Taking readers deep into evergreen forests, terraced rice fields, and smoke-filled workshops, Kirshner captures the centuries-old traditions still alive in Yamanaka. Water, Wood, and Wild Things invites readers to see what goes into making a fine bowl, a cup of tea, or a harvest of rice and introduces the masters who dedicate their lives to this work. Part travelogue, part meditation on the meaning of work, and full of her own beautiful drawings and recipes, Kirshner's refreshing book is an ode to a place and its people, as well as a profound examination of what it means to sustain traditions and find purpose in cultivation and craft.

Shunju

Winner of the 2004 James Beard Award for Best Photography! This innovative Japanese cookbook takes you on a tour of the restaurants and philosophy at the forefront of the Japanese cooking revolution. Just as Alice Waters changed the way Americans thought about food, Takashi Sugimoto has revolutionized the act of dining in Japan. *Shunju: New Japanese Cuisine* brings you the experience of dining at Tokyo's most innovative and exciting restaurants: *Shunju*. Everything about these restaurants is unique—their design, decoration, and lighting—but most especially the cuisine. At the *Shunju* restaurants the menu changes with the seasons and the specials change daily depending on what is available from the market. The chefs choose from hand-picked farmed and wild vegetables that arrive each morning. The food, though quintessentially Japanese, is fresh and innovative, with unexpected touches from other cuisines. The restaurants' designs are modern, funky, and often quite bizarre. Sugimoto, the famed interior designer, has incorporated such unusual installations as original sidewalk gratings from the London subway and hand plastered mud walls. In this way, the designs represent the new lifestyle philosophy of Japan's urban, cultivated youth: that within the chaotic city of modern design and Japanese food, more value should be placed on nature and time, on the textures of genuine materials, the flavors of natural foods. Stunning photographs, shot on location throughout the four seasons, and modern Japanese recipes that are as beautiful in presentation as they are to taste, make *Shunju: New Japanese Cuisine* a must for both professional chefs and dedicated amateurs. Sections include: The Seasonal Kitchen Spring foods Summer foods Autumn foods Winter foods

Asian Tofu

The enhanced ebook edition of *Asian Tofu* offers an enriched cookbook experience with 17 videos, including step-by-step guidance for making tofu at home plus coaching on other key techniques. Bonus travelogues explore tofu hotspots around the globe and immerse readers in the sights, sounds, and sources of this remarkable food. Confused about whether to buy medium or super-firm tofu? Mystified by how to handle gauzy tofu skins and dried tofu sticks? With the enhanced *Asian Tofu* ebook, there's no need to wonder. In eight instructional videos, Andrea Nguyen walks you through the wide variety of tofu available, explaining how to use each type for maximum results. For those who want to craft their own from scratch, her demonstrations of the tofu-making process illuminate potentially tricky steps and are chock full of tips for perfecting your product. To get a deeper look into the world of tofu, join Andrea on the tofu trail. In nine videos you will be transported to Taipei's bustling markets, Japan's artisanal tofu shops, and much more. With an exciting multimedia experience that showcases the vast uses for tofu and its fascinating history, the enhanced *Asian Tofu* ebook brings an exciting culinary journey to your fingertips.

Kibo (Brimming with Hope)

This cookbook is a heartfelt and fascinating tribute to the food, traditions, and courage of the people of Japan's Tohoku region before and after the devastation of the earthquake and tsunami of March 11, 2011. It features traditional recipes such as Miso-Seared Scallops, Pinched-Noodle Soup with Pork, Salmon-Stuffed Kelp Rolls, and basics like rice, stocks, and sauces, along with sake pairings and essays on Japan in recovery from journalists and food writers. *KibM* was written by Japanese culinary authority Elizabeth Andoh, who was in her Tokyo kitchen when the Great Eastern-Japan Earthquake struck. Over the following months she witnessed the strength of the people of the Tohoku region—one of the largest miso- and sake-producing areas in Japan—as they struggled with the effects of the resulting tsunami and nuclear accident. She was inspired to write *KibM* (meaning “brimming with hope”) to not only tell the story of the food of the Tohoku region but also to document the experiences of its people, both before and after the disaster. This lushly photographed original eBook will honor the region and its rich culture on the first anniversary of the earthquake, with a portion of the proceeds going to Japanese recovery efforts.

The Gaijin Cookbook

Japanese cooking for the American home from Ivan Orkin, Chef's Table sensation and "ramen genius" (Food & Wine)

I Love New York

From the acclaimed team behind Manhattan's three-Michelin-starred Elven Madison Park restaurant comes this deluxe cookbook showcasing the foods, ingredients, and culinary history of New York. After

landing rave reviews for their transformation of Eleven Madison Park from a French brasserie into a fine dining restaurant, chef Daniel Humm and general manager Will Guidara decided to refashion their Manhattan restaurant into a showcase for New York's food artisans. Instead of looking abroad for inspiration, Humm and Guidara headed to their own backyards, exploring more than fifty farms in the greater New York area and diving into the city's rich culinary heritage as a cultural melting pot. In *I Love New York*, Humm and Guidara present an in-depth look at the region's centuries-old farming traditions along with nearly 150 recipes that highlight its outstanding ingredients—from apples, celery root, and foie gras to nettles, pork, scallops, and venison. Included among these dishes designed explicitly for the home cook are reinterpretations of New York classics, like Oyster Pan Roast, Manhattan Clam Chowder, and the Bloody Mary. Lushly illustrated with photographs of the area's dramatic landscapes and the farmers who tend the land, this unique ode introduces the concept of New York regional cuisine as it celebrates the bounty of this exceptional state.

The Cooking of Japan

The essential guide to Japanese home cooking—the ingredients, techniques, and over 100 recipes—for seasoned cooks and beginners who are craving authentic Japanese flavors. Using high-quality, seasonal ingredients in simple preparations, Sonoko Sakai offers recipes with a gentle voice and a passion for authentic Japanese cooking. Beginning with the pantry, the flavors of this cuisine are explored alongside fundamental recipes, such as dashi and pickles, and traditional techniques, like making noodles and properly cooking rice. Use these building blocks to cook an abundance of everyday recipes with dishes like Grilled Onigiri (rice balls) and Japanese Chicken Curry. From there, the book expands into an exploration of dishes organized by breakfast; vegetables and grains; meat; fish; noodles, dumplings, and savory pancakes; and sweets and beverages. With classic dishes like Kenchin-jiru (Hearty Vegetable Soup with Sobagaki Buckwheat Dumplings), Temaki Zushi (Sushi Hand Rolls), and Oden (Vegetable, Seafood, and Meat Hot Pot) to more inventive dishes like Mochi Waffles with Tatsuta (Fried Chicken) and Maple Yuzu Kosho, First Garden Soba Salad with Lemon-White Miso Vinaigrette, and Amazake (Fermented Rice Drink) Ice Pops with Pickled Cherry Blossoms this is a rich guide to Japanese home cooking. Featuring stunning photographs by Rick Poon, the book also includes stories of food purveyors in California and Japan. This is a generous and authoritative book that will appeal to home cooks of all levels.

Japanese Home Cooking

Fly to Japan and come discover all there is to know about sushi. After revealing the secrets of chocolate to us, Franckie Alarcon offers a gourmet panorama of this exceptional dish that has conquered the planet! But do you really know sushi? The author traveled to Japan to meet all the players involved in the making of this true work of culinary art. From the traditional starred chef to the young cook who is shaking up the rules, including all the artisans and producers involved, this book covers the most emblematic of Japanese products from A to Z. A fascinating journey of discovery that, along the way, tells a lot about Japan itself. You'll never believe the precision and detailed obsession with quality ingredients involved.

The Art of Sushi

The world's most comprehensive, well documented and well illustrated book on this subject. With extensive subject and geographical index. 363 photographs and illustrations - many in color. Free of charge in digital PDF format.

History of Miso and Its Near Relatives

In *Japanese Home Cooking*, the techniques and ingredients of Japanese cuisine are explained clearly, thanks in great part to the many step-by-step photos. It omits nothing, from cooking rice to dressing a Japanese table. The book is the ideal guide for cooks new to Japanese cuisine, as well as those with experience. Features include: Japan's approach to food Step-by-step photographs for all recipes that require more than the most basic skills Final dish presentation Technique and important detail, such as slicing fish and vegetables in the traditional Japanese manner Dashi stock base, symbol of Japanese cooking Notes on the history of Japanese regional cooking and the influence of foreigners The Japanese table. *Japanese Home Cooking* has six sections with more than 90 recipes plus variations for everyday dishes and for gourmet cuisine for special occasions. Examples of the recipes are: Starters: Cucumber and wakame Sunomono; Prawns with pickled egg and kimi-zu Bowls and

Soups: Red miso soup with clams *asa ri*; Clear soup dumpling and crab wakame Vegetables and Tofu: Pumpkin in chicken broth *soboro*; Seaweed *hijiki*; Sweet daikon with miso Fried and Grilled: Teriyaki salmon; Breaded shrimp *tonkatsu*; Tamago-yaki omelette Rice and Noodles: Rice with five favors; Asa-zuke of cabbage, cucumber, carrots and Brussels sprouts; Yakisoba fried noodles Sweets: Soy milk creme caramel; Hortensia cake; Ukishima (floating island). For hard-to-find ingredients, the book includes a resource section and tips on generally available substitutions.

Japanese Home Cooking

In 1975, *Gourmet* magazine published a series on traditional Japanese food —the first of its kind in a major American food magazine — written by a graduate of the prestigious Yanagihara School of classical cuisine in Tokyo. Today, the author of that groundbreaking series, Elizabeth Andoh, is recognized as the leading English-language authority on the subject. She shares her knowledge and passion for the food culture of Japan in *WASHOKU*, an authoritative, deeply personal tribute to one of the world's most distinctive culinary traditions. Andoh begins by setting forth the ethos of *washoku* (traditional Japanese food), exploring its nuanced approach to balancing flavor, applying technique, and considering aesthetics hand-in-hand with nutrition. With detailed descriptions of ingredients complemented by stunning full-color photography, the book's comprehensive chapter on the Japanese pantry is practically a book unto itself. The recipes for soups, rice dishes and noodles, meat and poultry, seafood, and desserts are models of clarity and precision, and the rich cultural context and practical notes that Andoh provides help readers master the rhythm and flow of the *washoku* kitchen. Much more than just a collection of recipes, *WASHOKU* is a journey through a cuisine that is rich in history and as handsome as it is healthful. Awards2006 IACP Award WinnerReviews“*This extensive volume is clearly intended for the cook serious about Japanese food.*”—*Minneapolis Star Tribune*“*... scholarly, yet inspirational ... a foodie might just sit back and read for sheer enjoyment and edification.*”—*Milwaukee Journal Sentinel*

Washoku

"Emi Kazuko has assembled 20 leading chefs and food experts in *Masterclass in Japanese Cooking*. Each cook offers you three of their favorite dishes, one of which is selected to be a step-by-step masterclass, such as Susumu Hatekeyama's Chicken Simmered with Vegetables, Kentaro's Swordfish Rice Bowl with Honey Shoyu Sauce, and Hiroshi Miura's Steamed Duck with Miso Sauce. Commentary on Japanese regions and traditions, including the tea ceremony, and an informative look inside the Japanese pantry, completes this superbly designed cookbook."--Publisher's description.

Masterclass in Japanese Cooking

Foreword by Alice Waters In honor of its twenty-fifth anniversary comes this full-color culinary celebration of *Il Buco*, one of New York City's most beloved restaurants, featuring more than 80 mouthwatering recipes and detailing the romantic origins of the restaurant's philosophy of sourcing the best prime materials, including olive oil, salt, vinegar and all that make the Mediterranean way of life so alluring. "This book holds the succulent substance of *Il Buco*'s history, which has always been guided by Donna's acute intuition. Through these pages, we travel around the Mediterranean, from the vineyards of Umbria to the salt flats of Sicily, visiting the farmers, artisans, and winemakers in their element. And then we return to Bond Street, stories and recipes in hand, to celebrate life and everything possible at the melting edge of sizzling pans and the heart of Italy."—Francis Mallmann In New York City, restaurants, even very good ones, come and go. But there are a very small number of establishments that take root and continue to flourish, where food, wine, atmosphere, history, and all the makers behind the scenes come together in a unique alchemy to create an experience. *Il Buco* is such a place. For over 25 years, Donna Lennard has presided over an international—and ever growing—family of artisans, farmers, winemakers, chefs and regulars from her outpost on Bond Street in the heart of New York City. Since 1994, *Il Buco* has withstood the test of time. In *Il Buco*, written with Joshua David Stein, Donna shares her incredible journey from antique shop owner to award-winning restaurateur and taste-maker. She reflects on the iconic ingredient-driven, farm-to-table Italian cooking that seduced palates and earned the loyalty of notoriously discriminating New York diners. Donna also expounds upon the essential elements of good eating and good living she learned over the restaurant's nearly three-decade history. Both a cookbook and a deeply personal journey through the places and with the people who have influenced the restaurant's ethos the most, *Il Buco* includes the beloved best-of dishes from the kitchen's roster of now-famous chefs: Ignacio Mattos's Black Kale Salad, Justin Smillie's Bucatini

Cacio e Pepe, and Sara Jenkins's Porchetta alla Romana, to name a few. It also includes profiles of the artisans whose craftsmanship evokes the warm Mediterranean patinas that have enhanced the restaurants' atmosphere over the years. Donna has dedicated her life to identifying, cultivating, and celebrating the essential ingredients of a beautiful life well-lived. Il Buco isn't just a place, it's a feeling—of warmth, of home, of ease, of love—and Il Buco allows any home cook to experience some of the restaurant's beautiful and inviting magic, creating sumptuous easy meals to enjoy at his or her own table. Accompanying the mouthwatering recipes and gorgeous photography are Donna's insights on what it truly means to live well and to eat well and tributes to food producers in Spain, Italy, France and other parts of the world, including dedicated chapters on the building blocks to a perfect meal: salt, olive oil, wine, and salumi, among others. Il Buco is a very personal exploration of what makes the heart of a restaurant and a lifestyle: a celebration of a true New York success story. It is a book about learning to listen to what pleases us, and a reminder of just how wide, wonderful, and flavorful the world is. Il Buco Locations: Il Buco (47 Bond Street, NYC 10012) Il Buco Alimentari & Vineria (53 Great Jones Street, NYC 10012) Il Buco Vita (4 East 2nd Street, NYC 10003) Il Buco (Ibiza, Spain)

Il Buco

With Australian tourists flocking to Japan in numbers greater than ever before, Rice, Noodle, Fish couldn't have arrived in a better moment. Part travel guide, part cultural celebration, this is the perfect book for anyone obsessed with food (and aren't we all!). Celebrated traveller and writer, Matt Goulding, navigates the intersection between food, history and culture. Organised into seven key regions, Rice, Noodle, Fish explores Japan's most intriguing culinary disciplines in an informative, intelligent, jovial manner. From the kaiseki of Kyoto and sushi masters of Tokyo, to the street food of Osaka and the ramen of Fukuoka, Rice, Noodle, Fish contains countless facts you never knew and would never have guessed. It's a wonderfully detailed, artful book that will have you appreciating your Japanese adventure that much more.

Rice, Noodle, Fish

This book is an entertaining and useful guide to Clearspring's delicious Japanese artisan-crafted foods. Full of the stories behind the tastes, and top tips on how to use them, you'll find yourself dipping into these irresistible morsels of information almost as often as the packets themselves. From shoyu to amazake, find out the facts about the familiar and unusual Japanese ingredients. This book is also packed with over 50 delicious recipes showing you how to enjoy Japanese ingredients at their best.

Clearspring[Registered] - The Real Taste of Japan

A beautiful and lavishly photographed cookbook focused on authentic Japanese clay-pot cooking, showcasing beloved recipes and updates on classics, with background on the origins and history of donabe. Japanese clay pot (donabe) cooking has been refined over centuries into a versatile and simple method for preparing both dramatic and comforting one-pot meals. In Donabe, Tokyo native and cooking school instructor Naoko Takei Moore and chef Kyle Connaughton offer inspiring Japanese home-style recipes such as Sizzling Tofu and Mushrooms in Miso Sauce and Dashi-Rich Shabu-Shabu, as well as California-inspired dishes including Steam-Fried Black Cod with Crisp Potatoes, Leeks, and Walnut-Nori Pesto or Smoked Duck Breast with Creamy Wasabi-Green Onion Dipping Sauce. All are rich in flavor, simple to prepare, and perfect for a communal dining experience with family and friends. Donabe also features recipes from luminary chefs such as David Kinch, Noma Shinobu, and Cortney Burns and Nick Balla, all of whom use donabe in their own kitchens. Collectible, beautiful, and functional, donabe can easily be an essential part of your cooking repertoire.

Donabe

Japanese food is healthy, delicious and universally enjoyed but despite the popularity of sushi and noodle bars worldwide too few of us cook this delightful cuisine at home. In Japanese in 7 (the latest addition to the in 7 series), Kimiko Barber uses just 7 ingredients or fewer to make deliciously fragrant dishes that you can effortlessly pull together any night of the week. Chapters are divided into: *Fresh - vibrant and healthy meals such as Yellowtail Sashimi, Hand-rolled Sushi and Japanese-style Duck Orange. *Fast - Meals like Dashi-rolled Omelette and Tuna Hotpot that can be on the table quickly after a long day at work. *Light - delicious recipes such as Japanese Onion Soup and Savoury Egg Tofu. *Vegan - nourishing plant-based recipes like Grilled Aubergine in Miso Soup and Mushroom Rice. *Comfort - bowls of warming Moon Udon, Chicken and Miso Porridge or Sea Bream Rice to enjoy on a

cold winter's evening. *Sweet - creative Japanese desserts such as Matcha Jelly, Kyoto Tiramisu and Black Sesame Ice Cream. *Basics - Dashi and flavoursome dressings you can use to quickly create authentic Japanese dishes.

Japanese in 7

****Shortlisted for the 2017 André Simon Food and Drink Book Awards** **Shortlisted for the 2018 Fortnum & Mason Food Book Award**** 'The next Bill Bryson.' New York Times Food and travel writer Michael Booth and his family embark on an epic journey the length of Japan to explore its dazzling food culture. They find a country much altered since their previous visit ten years earlier (which resulted in the award-winning international bestseller *Sushi and Beyond*). Over the last decade the country's restaurants have won a record number of Michelin stars and its cuisine was awarded United Nations heritage status. The world's top chefs now flock to learn more about the extraordinary dedication of Japan's food artisans, while the country's fast foods – ramen, sushi and yakitori – have conquered the world. As well as the plaudits, Japan is also facing enormous challenges. Ironically, as Booth discovers, the future of Japan's culinary heritage is under threat. Often venturing far off the beaten track, the author and his family discover intriguing future food trends and meet a fascinating cast of food heroes, from a couple lavishing love on rotten fish, to a chef who literally sacrificed a limb in pursuit of the ultimate bowl of ramen, and a farmer who has dedicated his life to growing the finest rice in the world... in the shadow of Fukushima.

The Meaning of Rice

Since elementary school, I spent almost every evening in my mother's kitchen helping her prepare dinner. She showed me that cooking can be fun and simple recipes really can be delicious! I cherish all the tips and tricks she taught me and incorporate them into my daily cooking, using fresh, high quality ingredients. This cookbook is a collection of the most popular recipes shared on my blog, *Just One Cookbook*, over the past three years. It includes classic Japanese recipes like chawanmushi, gyudon and kitsune udon, as well as modern favorites like California rolls and green tea ice cream. Enjoy!

Just One Cookbook - Essential Japanese Recipes

Winner of a 2020 James Beard Foundation Book Award in the International category Ethiopia stands as a land apart: never colonised, the country celebrates and preserves ancient traditions. The fascinating cuisine is enriched with the different religious influences of Judaism, Christianity and Islam - a combination unique to Africa. The delicious dishes featured are Doro Wat, chicken slowly stewed with berbere spice, Yeassa Alichia, curried fish stew, and Siga Tibs, flashfried beef cubes, as well as a wealth of vegetarian dishes such as Gomen, minced collard greens with ginger and garlic and Azifa, green lentil salad. Chef Yohanis takes the reader on a journey through all the essential dishes of his native country, including the traditional Injera made from the staple grain teff and synonymous with an Ethiopian feast, along the way telling wondrous stories of the local communities and customs. Complete with photography of the country's stunning landscapes and vibrant artisans, this book demonstrates why Ethiopian food should be considered as one of the world's greatest, most enchanting cuisines.

History of Amazake and Rice Milk (1000 BCE to 1021)

JAMES BEARD AWARD WINNER • Showcasing the new talent of Tokyo's vibrant food scene, Andrea Fazzari profiles 31 chefs who are shaping the future of one of the world's most dynamic cities. In a luxe collection filled with portraits, interviews, and recipes, author and photographer Andrea Fazzari explores the changing landscape of food in Tokyo, Japan. A young and charismatic generation is redefining what it means to be a chef in this celebrated food city. Open to the world and its influences, these chefs have traveled more than their predecessors, have lived abroad, speak other languages,

and embrace social media. Yet they still remain distinctly Japanese, influenced by a style, tradition, and terroir to which they are inextricably linked. This combination of the old and the new is on display in Tokyo New Wave, a transporting cookbook and armchair travel guide that captures this moment in Japanese cuisine and brings it to a savvy global audience.

Tokyo New Wave

The essence of Japan is captured right here in this beautiful Japanese cookbook! More than any other cuisine in the world, Japanese food is a complete aesthetic experience—a delight for the eyes, the nose and the palate. The desire to enhance rather than to alter the essential quality of fresh seasonal ingredients results in a cuisine that is unique, a tribute to nature and what people can create from it. In Authentic Recipes from Japan, the essence of Japanese cooking is captured in a collection of recipes ranging from essential stocks, sauces and pickles, to rustic one-pot dishes such as soba noodles to the popular bento box and everything in between. This fascinating Japanese cookbook, with recipes gathered and photographed in Japan, also explains the correct use of ingredients and the way Japanese meals are traditionally structured and presented. The secret to preparing Japanese cuisine at home is an understanding of a few very simple ingredients and of how a meal is composed; the culinary methods used are actually very easy to master. But the most important requirement of all is simply a love for good food prepared and presented with a sense of harmony. Recipes include: Mixed Chicken and Vegetable Yakitori Rice with Green Tea and Wasabi Fresh Shellfish Sashimi Abalone Simmered in Sake and Ginger Seared Tataki Beef Oyster and Miso Hotpot Sweetened Azuki Bean Paste

Authentic Recipes from Japan

A celebration of Japan's vegan and vegetarian traditions with 100 vegan recipes. Kansha is an expression of gratitude for nature's gifts and the efforts and ingenuity of those who transform nature's bounty into marvelous food. The spirit of kansha, deeply rooted in Buddhist philosophy and practice, encourages all cooks to prepare nutritionally sound and aesthetically satisfying meals that avoid waste, conserve energy, and preserve our natural resources. In these pages, with kansha as credo, Japan culinary authority Elizabeth Andoh offers more than 100 carefully crafted vegan recipes. She has culled classics from shōjin ryōri, or Buddhist temple cuisine (Creamy Sesame Pudding, Glazed Eel Look-Alike); gathered essentials of macrobiotic cooking (Toasted Hand-Pressed Brown Rice with Hijiki, Robust Miso); selected dishes rooted in history (Skillet-Scrambled Tofu with Leafy Greens, Pungent Pickles); and included inventive modern fare (Eggplant Sushi, TMfu-TMfu Burgers). Decades of living immersed in Japanese culture and years of culinary training have given Andoh a unique platform from which to teach. She explains basic cutting techniques, cooking methods, and equipment that will help you enhance flavor, eliminate waste, and speed meal preparation. Then she demystifies ingredients that are staples in Japanese pantries that will boost your kitchen repertoire—vegan or omnivore—to new heights.

Kansha

Practice mindful eating with the Japanese art of Itadakimasu. Inspired by Japan's delicious and innovative cuisine, this cookbook introduces 70 simple yet sumptuous recipes to bring exquisite dishes to everyday life. From Veggie Crunch Rolls and Yakatori Chicken Skewers, to Crab Tempura and Matcha Cheesecake, Japanese Cooking for the Soul caters to every taste, bringing hearty lunchtime favourites and indulgent eats to life through easy-to-follow recipes. The energy of this cookbook is inspired by the performance of Itadakimasu, an essential part of Japanese culture which allows us to express gratitude before a meal. With this mindful practice woven throughout each step of every recipe, Japanese Cooking for the Soul celebrates fresh, quality Japanese-inspired cuisine through simple and accessible creations.

Japanese Cooking for the Soul

Lonely Planet presents Japan's most authentic dishes - direct from the kitchens where they were perfected. From street-food vendors to Michelin-starred chefs, Japan's best local cooks share their passion for food and 60 of their region's classic recipes - from steaming soups and silky ramen noodles to fresh, hand-rolled sushi. Recipes include: Takoyaki - octopus balls Sukiyaki - soy-simmered beef Okonomiyaki - savoury pancakes Torinabe - Chicken and vegetable hotpot Iwashi sushi - Sardine sushi Tonkatsu - deep-fried breaded pork cutlet Teppō-jiru - miso soup with crab Soki soba - Okinawan pork rib ramen with a pork broth And more! It would be easy to assume that Japanese cuisine is all about

the food itself. But no. Or at least, it's not only about the food. The cuisine of this teeming archipelago of 3000 islands is a living part of its culture. In Japan, it's believed that food should be devoured with all five senses: not just smell, taste and sight, but also touch (the texture of the ingredients, the smooth warmth of bamboo chopsticks), and even sound (a high-end ryotei is oddly quiet, the better to appreciate the experience of eating). Any Japanese meal - from a simple home-cooked fare to the most structured, formal kaiseki - aims to blend each of these elements for balance and nutrition. Unsurprisingly, this provides myriad benefits for our health, as does the act of lingering over our food and cherishing each mouthful with all our senses - the latter has been proven to aid digestion and portion control. It's clear that meals taken the traditional Japanese way are good for us. That they are such a pleasure to consume, too? Well, that's just a happy coincidence. With sumptuous, original photography and inside stories and tips from Japan's best local cooks of the history, legend, emotion, and process behind each recipe, *From the Source - Japan* represents global food at its most thrilling. The perfect book for foodies and travel enthusiasts alike! Also check out: *From the Source - Spain* *From the Source - Italy* *From the Source - Thailand* *About Lonely Planet: Started in 1973, Lonely Planet has become the world's leading travel guide publisher with guidebooks to every destination on the planet, as well as an award-winning website, a suite of mobile and digital travel products, and a dedicated traveller community. Lonely Planet's mission is to enable curious travellers to experience the world and to truly get to the heart of the places they find themselves in. TripAdvisor Travelers' Choice Awards 2012, 2013, 2014, and 2015 winner in Favorite Travel Guide category 'Lonely Planet guides are, quite simply, like no other.'* - New York Times 'Lonely Planet. From the Source - Japan

"American-born Sonoko Kondo spent many of her childhood years in Kamakure, Japan, in the home of her grandmother. It was there she learned the uniquely Japanese way of appreciating and preparing food that evolved into [this book]. From her grandmother, Sonoko learned to savor fresh foods in their season, to prepare them in ways that preserve their individual tastes and texture, and to present dishes that nourish all the senses. When she and her family returned to the United States to live, Sonoko Kondo applied the culinary theories Grandmother had taught her to the meals she prepared in her American kitchen. With her American friend, Lou Stoumen, she began to modify seasonings and portions and experimented with new foods and combinations of ingredients ... Each of the more than 200 recipes clearly describes all the techniques, equipment, and ingredients needed to create sophisticated specialties ... It contains advice on menu planning, a glossary of Japanese foods, and a listing of resources for hard-to-find ingredients."--Dust jacket.

The Poetical Pursuit of Food

Many people are intimidated at the idea of cooking Japanese food at home. But in *JapanEasy*, Tim Anderson reveals that many Japanese recipes require no specialist ingredients at all, and can in fact be whipped up with products found at your local supermarket. In fact, there are only seven essential ingredients required for the whole book: soy sauce, mirin, rice vinegar, dashi, sake, miso and rice. You don't need any special equipment, either. No sushi mat? No problem - use just cling film and a tea towel! *JapanEasy* is designed to be an introduction to the world of Japanese cooking via some of its most accessible (but authentic) dishes. The recipes here do not 'cheat' in any way; there are no inadequate substitutions for obscure ingredients: this is the real deal. Tim starts with some basic sauces and marinades that any will easily 'Japanify' any meal, then moves onto favourites such as gyoza, sushi, yakitori, ramen and tempura, and introduces readers to new dishes they will love. Try your hand at a range of croquettes, sukiyaki and a Japanese 'carbonara' that will change your life. Recipes are clearly explained and rated according to difficulty, making them easy to follow and even easier to get right. If you are looking for fun, simple, relatively quick yet delicious Japanese dishes that you can actually make on a regular basis – the search stops here.

JapanEasy

For many chefs, their gardens are a direct extension of their kitchens. Whether a small rooftop in the city for growing herbs and spices, or a larger plot with fruit trees and vegetables, these fertile spots provide the ingredients and inspiration for countless seasonal dishes. Here, for the first time, *The*

Garden Chef presents fascinating stories and signature recipes from the kitchen gardens of 40 of the world's best chefs, both established and emerging talents, with a wealth of beautiful images to provide visual inspiration.
