New York

The enchanting international bestseller with bonus back matter and a beautiful new cover! Two orphaned brothers, Prosper and Bo, have run away to Venice, where crumbling canals and misty alleyways shelter a secret community of street urchins. Leader of this motley crew of lost children is a clever, charming boy with a dark history of his own: He calls himself the Thief Lord. Prosper and Bo relish their new "family" and life of petty crime. But their cruel aunt and a bumbling detective are on their trail. And posing an even greater threat to the boys' freedom is something from a forgotten past: a beautiful magical treasure with the power to spin time itself.

The Thief

'A glorious tapestry of magic and murderous gods' - BuzzFeed News 'Fans of A Darker Shade of Magic and All of Us Villains will want to pick this up' - BookRiot 'A delightful, complex, intimate yet explosive debut adult fantasy' - Strange Horizons DARKNESS FALLS. GODS RISE. The Four Realms - Life, Death, Light, and Darkness - all converge on the City of Dusk. For each realm there is a god, and for each god there is an heir. But the gods have withdrawn their favour from the once vibrant and thriving metropolis. And without it, all the realms are dying. Unwilling to stand by and watch the destruction, the four heirs - Angelica, an elemental with her eyes set on the throne; Risha, a necromancer fighting to keep the peace; Nikolas, a soldier who struggles to see the light; and Taesia, a shadow-wielding rogue

with a reckless heart - will become reluctant allies in the quest to save their city. But their rebellion will cost them dearly. Set in a world of bone palaces and shadow magic, of vengeful gods and defiant chosen ones, *The City of Dusk* is Tara Sim's crackling adult fantasy debut.

An Exposition Upon the Second Epistle General of St. Peter

The *Nouvelles Récréations et Joyeux Devis* of Bonaventure des Périers are here translated for the first time into modern English. The translators have been successful in retaining the vitality of this important French Renaissance satirist, turning his colloquial sixteenth-century French into equally colloquial and lively American. The translation of the 129 tales is prefaced by a biographical study of des Périers both as man and artist, and a critical bibliography is also included.

Christ and the Catechism. (Ch. of Engl. Sunday sch. inst.).

"Remarkable . . . Scott Lynch's first novel, *The Lies of Locke Lamora*, exports the suspense and wit of a cleverly constructed crime caper into an exotic realm of fantasy, and the result is engagingly entertaining."—*The Times* (London) An orphan's life is harsh—and often short—in the mysterious island city of Camorr. But young Locke Lamora dodges death and slavery, becoming a thief under the tutelage of a gifted con artist. As leader of the band of light-fingered brothers known as the Gentleman Bastards, Locke is soon infamous, fooling even the underworld's most feared ruler. But in the shadows lurks someone still more ambitious and deadly. Faced with a bloody coup that threatens to destroy everyone and everything that holds meaning in his mercenary life, Locke vows to beat the enemy at his own brutal game—or die trying. Praise for *The Lies of Locke Lamora* "Fresh, original, and engrossing . . . gorgeously realized."—George R. R. Martin "Right now, in the full flush of a second reading, I think *The Lies of Locke Lamora* is probably in my top ten favorite books ever. Maybe my top five. If you haven't read it, you should. If you have read it, you should probably read it again."—Patrick Rothfuss, *New York Times* bestselling author of *The Name of the Wind* "A unique fantasy milieu peopled by absorbing, colorful characters . . . Locke's wit and audacity endear him to victims and bystanders alike."—*The Seattle Times* "A true genre bender, at home on almost any kind of fiction shelf . . . Lynch immediately establishes himself as a gifted and fearless storyteller, unafraid of comparisons to Silverberg and Jordan, not to mention David Liss and even Dickens."—Booklist (starred review) "High-octane fantasy . . . a great swashbuckling yarn of a novel."—Richard Morgan

The Wheel and Cycling Trade Review

"The entire field of film historians awaits the AFI volumes with eagerness."--Eileen Bowser, Museum of Modern Art Film Department Comments on previous volumes: "The source of last resort for finding socially valuable . . . films that received such scant attention that they seem 'lost' until discovered in the

AFI Catalog."--Thomas Cripps "Endlessly absorbing as an excursion into cultural history and national memory."--Arthur Schlesinger, Jr.

Christ and the Catechism ...

Aracoeli (1982) was the last novel written by Elsa Morante (1912-85), one of the most significant Italian writers of the twentieth century. The journey, both geographical and memorial, of a homosexual son in search of his dead mother is a first-person narrative that has puzzled many critics for its darkness and despair. By combining scholars from different disciplines and cultural traditions, this volume re-evaluates the esthetical and theoretical complexity of Morante's novel and argues that it engages with crucial philosophical and epistemological questions in an original and profound way. Contributors explore the manifold tensions staged by the novel in connection with contemporary philosophical discourse (from feminist/queer to political theory to psycho-analysis) and authors (such as Emilio Gadda, Pier Paolo Pasolini and Pedro Almodovar). *The Power of Disturbance* shows that by creating a 'hallucinatory' representation of the relationship between mother and child, *Aracoeli* questions the classical distinction between subject and object, and proposes an altogether new and subversive kind of writing. Manuele Gragnolati teaches Italian literature at Oxford University, where he is a Fellow of Somerville College. Sara Fortuna teaches philosophy of language at the Università Guglielmo Marconi in Rome.
