The Complete Idiot's Guide to Surviving Divorce

In this totally revised guide, readers will find up-to-date information to help them navigate the legal, emotional, and financial stresses that go hand-in-hand with the breakup of a marriage.

The Complete Idiot's Guide to Surviving Divorce

This practical guide offers comforting, down-to-earth strategies for coping with divorce, and throws in just enough wit and humor to help with the rough spots. Whether the issue is meditation with a spouse or protecting one's assets, this indispensable reference offers step-by-step legal advice, comforting psychological tips, as well as practical financial information. This is the only book that covers all the bases, from facing the decision to starting over.

Complete Idiot's Guide to Surviving Divorce

Are your in-laws driving you crazy? Are your dreams of living happily ever after collecting dust with the fifth toaster you got for your wedding? Now, from the #1 animated cult-hit series on cable TV (and one of "TV Guide's" "Top Ten Shows"), comes help for those suffering from the in-law blues. "Dr. Katz\

Surviving Divorce

You're no idiot, of course! You've heard the song "Breaking Up Is Hard to Do" hundreds of times and know from the cliché that there are plenty of other fish in the sea. But when it comes to surviving life after your breakup, you feel eating a pound of chocolate is your only option. Don't run out to the candy store just yet! The Complete Idiot's Guide to Handling a Breakup is here to teach you how to successfully initiate a breakup as well as how to survive the breakup when it comes as a total surprise. You'll learn how to go from victim to victor and move on to your next relationship with a confidence you've never had before. In this Complete Idiot's Guide, you get:

The Complete Idiot's Guide to Dealing with In-laws

Written at a high school level, *Idiot's Guides: Economics* offers beginners an easy-to-understand exploration of this always-complex topic. Covering microeconomics and macroeconomics, this fascinating guide incorporates helpful infographics and illustrations to make learning easier. This economics book explores dozens of topics including market efficiency; government regulation and intervention; unemployment and inflation; fiscal and monetary policy; social safety net; and much more.

The Complete Idiot's Guide to Handling a Breakup

The Complete Idiot's Guide to the Perfect Marriage takes the anxiety out of working on your marriage. Feel confident discussing sex, money, even the in-laws! In this Complete Idiot's Guide you get down-to-earth strategies for improving your communication skills; idiot-proof steps for dealing with times of transition, such as moving and career changes; expert advice in an easy-to-understand format; and plenty of quizzes and exercises to help you along the way.

Economics

You're no idiot, of course. You know a good relationship takes a lot of hard work, and, despite that, infidelities still occur. But when it comes to stopping an affair from happening, or even surviving the aftermath, you feel like breaking his (or her) cheating heart.

The Complete Idiot's Guide to the Perfect Marriage, 3rd Edition

Thoroughly revised and updated for a new generation, the essential guide for men and women to help them weather the turmoil of divorce and build rich, rewarding lives. There is nothing easy about the breakup of a marriage, from coping with loss and failure to dealing with the uncertainty of the future. In this intelligent and insightful book, Abigail Trafford charts this emotional journey, identifying the common phases in the evolution from marriage to separation to divorce, and eventually to a new life. Based upon her personal experience, extensive research, and interviews with hundreds of divorced men and women. Trafford offers individuals a better understanding of their own experiences and the message that they are not alone in their pain and confusion. *Crazy Time* is also an investment in the future—Trafford reveals the telltale signs of a marriage in crisis, and discusses what determines whether a relationship will survive over time. This revised edition includes the most up-to-date research on the personal and economic effects of divorce in adults and children's lives, addresses the special challenges of becoming single again in the age of the Internet, and broadens the experience of divorce to the breakup of all committed relationships. For anyone who has divorced or is considering taking that step, *Crazy Time* offers a sense of hope and confidence that this transition is not only an ending but can also be a valuable beginning.

The Complete Idiot's Guide to Affair-proof Love

This unique guidebook identifies and evaluates resources that will help stepparents understand and better respond to the important issues that arise when families combine.

Crazy Time

The latest title in our popular LifeCycles series, this guidebook provides, for those contemplating marriage and for couples wrestling with marital problems, a clear pathway to the best books and websites available.

Surviving Divorce

Although a majority of Americans are aware that they need a will, about 70 percent of Americans don't have one. The irony is that the legalities involved are not very complicated; most people can get by with a good self-help book. Estate planning is largely the same. A comprehensive plan to avoid probate or save on estate taxes doesn't usually require a lawyer; most basic estate planning documents are easy and safe to prepare, but again, with the help of a good self-help book. In the third edition of *The Complete Idiot's Guide to Wills and Estates*, readers will find- A complete inventory of everything to consider and include in estate planning. How a will fits in to an estate plan, and what to consider and include. How trusts work and whether you need one. Tax considerations for every aspect of an estate plan.

Index to Legal Periodicals & Books

Fascinating, fact-filled writing that delivers hundreds of years in the life of the European continent. Terrific supplementary reading for AP History students.

Current Law Index

You're no idiot, of course. You know how to push a toddler on a swing, the recipe for the gooey chocolate chip cookies, and even how to get teens to confide in you. Your own kids think you're hip, too (although they'd never admit to it). But when it comes to figuring out how not to come across as the wicked stepparent, you feel like you need a magical potion. Don't reach for the garlic yet! The Complete Idiot's Guide® to Stepparenting gives you sanity-saving advice for dealing with the stepfamily, getting to know your stepchildren, and feeling confident in your role.

Stepparenting

Time for an upgrade! The fifth edition of The Complete Idiot's Guide® to Computer Basics places the reader in charge of the computer, rather than the other way around, and places the focus on software troubleshooting rather than hardware techno-babble. The reader wants to do something practical with his or her computer—this book shows them how. • Covers basic office programs and how to manage photo, video, and music files • Advice on safe web-surfing, including coverage of newsgroups, message boards, and mailing lists • New green computing initiatives that help protect the environment • Maintenance and upgrading information

Marriage

'I'm a HUGE fan of Alison Green's "Ask a Manager" column. This book is even better' Robert Sutton, author of The No Asshole Rule and The Asshole Survival Guide 'Ask A Manager is the book I wish I'd had in my desk drawer when I was starting out (or even, let's be honest, fifteen years in)' - Sarah Knight, New York Times bestselling author of The Life-Changing Magic of Not Giving a F*ck A witty, practical guide to navigating 200 difficult professional conversations Ten years as a workplace advice columnist has taught Alison Green that people avoid awkward conversations in the office because they don't know what to say. Thankfully, Alison does. In this incredibly helpful book, she takes on the tough discussions you may need to have during your career. You'll learn what to say when: · colleagues push their work on you - then take credit for it · you accidentally trash-talk someone in an email and hit 'reply all' · you're being micromanaged - or not being managed at all · your boss seems unhappy with your work · you got too drunk at the Christmas party With sharp, sage advice and candid letters from real-life readers, Ask a Manager will help you successfully navigate the stormy seas of office life.

The Complete Idiot's Guide to Wills and Estates

Details the necessities of landlording, including acquiring property, renting versus leasing, and selecting tenants, and includes legal information and management tips.

The Complete Idiot's Guide to European History, 2nd Edition

This authoritative reference brings together leading experts for up-to-date theory, findings, and guidelines on the core aspects of child custody evaluations. Contributors offer steps for gathering more accurate family data through home observations, interviews, and collateral information. Chapters examine psychological assessment tools commonly used in evaluations, including measures relating to parenting competencies, mental illness, domestic violence, and substance abuse, and consider increasingly salient issues such as relocation and families in therapy. The section on case studies shows best practices applied in real-life custody situations, and a chapter authored by a family court judge offers rarely-seen perspective from the bench. Featured in the Handbook: · A survey of ethical and professional issues. · Observing and interviewing children, adolescents, and adults. · Psychological assessment and personality testing. · A detailed review of the Bricklin scales. · Specialized issues, including parental alienation, attachment, cults, and more. · Illustrative case studies and psychological reports. Mental health professionals who conduct child custody evaluations, including psychiatrists, clinical psychologists, clinical social workers, family and marriage counselors, and licensed clinical professional counselors, will appreciate the Handbook of Child Custody. Family law attorneys will also find the Handbook useful in assisting them in child custody litigation. Its thorough coverage will aid evaluators in making recommendations that are professional, ethical, and impartial, and family lawyers in understanding the evaluation process and preparing for expert testimony.

American Book Publishing Record

An up-close and up-to-date look at an often misunderstood faith This completely revised and updated guide explores the tenets of the Qu'ran (a.k.a. Koran), examines the history of the religion and its relationship to Christianity and Judaism, and features an expanded section on the true story behind "jihad." It explores Islamic views on war and terrorism, including the Muslim perspective on the tragic events of September 11, and the subsequent U.S. presence in both Afghanistan and Iraq. • Excellent sales for the first edition • Islam is the fastest growing religion in America, with more than six million devoted followers • Features an expanded section on women in Islam, including their status within the Taliban, and the Islamic practice of polygamy

The Complete Idiot's Guide to Stepparenting

On your marks, get set, read! Most adults today are working with antiquated skills and ingrained beliefs about their reading abilities, or lack thereof. But with the tips and examples offered in The Complete Idiot's Guide® to Speed Reading, getting through a load of must-do reading doesn't have to be an arduous or overwhelming chore. The strategies are surprisingly simple once revealed. The British National Bibliography

A compassionate, shame-free guide for your darkest days "A one-of-a-kind book . . . to read for yourself or give to a struggling friend or loved one without the fear that depression and suicidal thoughts will be minimized, medicalized or over-spiritualized."—Kay Warren, cofounder of Saddleback Church What happens when loving Jesus doesn't cure you of depression, anxiety, or suicidal thoughts? You might be crushed by shame over your mental illness, only to be told by well-meaning Christians to "choose joy" and "pray more." So you beg God to take away the pain, but nothing eases the ache inside. As darkness lingers and color drains from your world, you're left wondering if God has abandoned you. You just want a way out. But there's hope. In *I Love Jesus, But I Want to Die*, Sarah J. Robinson offers a healthy, practical, and shame-free guide for Christians struggling with mental illness. With unflinching honesty, Sarah shares her story of battling depression and fighting to stay alive despite toxic theology that made her afraid to seek help outside the church. Pairing her own story with scriptural insights, mental health research, and simple practices, Sarah helps you reconnect with the God who is present in our deepest anguish and discover that you are worth everything it takes to get better. Beautifully written and full of hard-won wisdom, *I Love Jesus, But I Want to Die* offers a path toward a rich, hope-filled life in Christ, even when healing doesn't look like what you expect.

Quill & Quire

Bust out of that mommy rut and get into the groove! When a mother finally emerges from the mommy mole tunnel of pregnancy, breastfeeding, potty-training and preschool, she comes to the inevitable realization: The road to maternity is a one-way street. No U-turns allowed. You've survived the battles of baby- and toddler-hood, playdates and temper tantrums to time-outs. And just when it seems your former life is within reach—taking up neglected jobs and hobbies, committing to a fitness program, rediscovering the boyfriend living in the body of your husband—you crash headfirst into the wall of reality. The kids may be able to fasten their own seatbelts and pour their own cereal, but the homework, tucking in, car pools, and birthday parties have just begun. Let Vicki Iovine, author of *The Girlfriends' Guides*, show you how to navigate the twists and turns of family life—and find time for your kids, your spouse, your home, your work, and yourself. You're not alone in this "mommy adolescence." In *The Girlfriends' Guide to Getting Your Groove Back*, Iovine provides her trademark sage, witty advice on: - How to focus at work when things at home are in chaos—and vice versa - Making time for yourself—and not the PTA - Getting over the romantic myth of "date nights" and weekends away from the kids - Homework help—your transformation into a human flashcard - The dinnertime crush and how to relieve frozen pizza fatigue Iovine puts the perils of perpetual parenthood into perspective. You'll feel like you do after a long chat with a good friend—relaxed, refreshed, and ready to reclaim your life ...

Ask a Manager

How our collective intelligence has helped us to evolve and prosper Humans are a puzzling species. On the one hand, we struggle to survive on our own in the wild, often failing to overcome even basic challenges, like obtaining food, building shelters, or avoiding predators. On the other hand, human groups have produced ingenious technologies, sophisticated languages, and complex institutions that have permitted us to successfully expand into a vast range of diverse environments. What has enabled us to dominate the globe, more than any other species, while remaining virtually helpless as lone individuals? This book shows that the secret of our success lies not in our innate intelligence, but in our collective brains—on the ability of human groups to socially interconnect and learn from one another over generations. Drawing insights from lost European explorers, clever chimpanzees, mobile hunter-gatherers, neuroscientific findings, ancient bones, and the human genome, Joseph Henrich demonstrates how our collective brains have propelled our species' genetic evolution and shaped our biology. Our early capacities for learning from others produced many cultural innovations, such as fire, cooking, water containers, plant knowledge, and projectile weapons, which in turn drove the expansion of our brains and altered our physiology, anatomy, and psychology in crucial ways. Later on, some collective brains generated and recombined powerful concepts, such as the lever, wheel, screw, and writing, while also creating the institutions that continue to alter our motivations and perceptions. Henrich shows how our genetics and biology are inextricably interwoven with cultural evolution, and how culture-gene interactions launched our species on an extraordinary evolutionary trajectory. Tracking clues from our ancient past to the present, *The Secret of Our Success* explores how the evolution of both our cultural and social natures produce a collective intelligence that explains both our species' immense success and the origins of human uniqueness.

The Complete Idiot's Guide to Being a Smart Landlord

The Chump Lady Survival Guide to Infidelity is for anyone who has ever been played for a fool, lied to, and left as carrion for the divorce lawyers. Here's a book about infidelity that is not about saving your marriage single-handedly -- it's about saving your sanity. Based on the writings from her popular blog "Chump Lady," Tracy Schorn's guide is the decoder ring you need to translate the manipulations of cheaters. Full of advice, gallows humor, and cartoons deflating the pomposity of cheaters, this is your step-by-step guide to navigate your way out of the infidelity nightmare.

Handbook of Child Custody

Learn when to say yes and how to say no in the context of your marriage relationship. In *Boundaries in Marriage*, Drs. Henry Cloud and John Townsend, counselors and authors of the New York Times bestseller *Boundaries*, teach us that healthy boundaries are the property lines that define and protect you and your spouse as individuals. Once you have them in place, a good marriage can become better, and a less-than-satisfying one can even be saved. *Boundaries in Marriage* will give you the tools and encouragement you need to: Set and maintain personal boundaries and respect those of your spouse Understand and practice two key ingredients to a successful marriage: freedom and responsibility Establish values that form a godly structure and architecture for your marriage Protect your marriage from different kinds of "intruders" Work with a spouse who understands and values boundaries--or with one who doesn't It's time to deepen your love by providing a better environment for it to flourish, and Drs. Cloud and Townsend are here to help. Discover how boundaries can make life better today!
