Seven Day Bully Buster

This text offers effective strategies for dealing with bullying - both immediately and in the longer term. Helpful 'training sessions' for every day of the week show children that they can take immediate steps to start bullyingproofing themselves.

Buster'S Book

Providing insight in a familys history against the backdrop of major world wars, Busters Book offers a collection of more than a thousand letters exchanged during the twentieth century as young men provided service to their country. In this memoir, author Donald Junkins has compiled letters, diaries, interviews, recollections, and photographs of the familys participants in both world wars and the Korean and Vietnam wars. This fascinating historical record includes the stories of a variety of escapades: from single-handedly opening an eight-year-old Nazi prison camp; to B-24 air forays from New Guinea in which an aerial gunner shot down two Japanese Zero planes; and to the rescue in Korea of wounded men stalled in a jeep in the middle of a freezing river that culminated in the awarding of the Silver Star. Busters Book reflects both the lives of a middle-class American family during these years and the daily activities of two generations of young American men at war.

Jake Drake, Bully Buster

Jake recounts his second grade introduction to Link Baxter, SuperBully, who becomes his class project partner, with surprising results. When Jake was three years old at Miss Lulu's Dainty Diaper Day Care Center, what did he know about bullies? Nothing. But he learned fast! Why? Because Jake was kind of smart and not a tattletale, and he had no big brother to protect him. He was a perfect bully magnet. But everything changed the year Jake was in second grade. That's when SuperBully Link Baxter moved to town. Jake had his hands full just trying to survive, until class project time. Who did the teacher assign to be Link's partner? You guessed it. Jake has to use all his smarts -- and his heart as well -- to turn himself from Jake Drake, Bully Magnet, to Jake Drake, Bully Buster.

Wild Dog Caribbean

It is early September 1973 and the archipelago of the Bahamas has just received its independence from England. After kicking the British out of the country and realizing the result is an overwhelming shortage of teachers, the Bahamian Ministry of Education turns to North America for help, sending advertisements for qualified teachers as far north as Northern Canada. Buster Murdock, an adventurous, peace-loving young man fresh from graduate school, takes the bait. While lured to the magnetism of living in the Caribbean and its turquoise waters, Buster is also attracted to the idea of a quiet, peaceful island paradise—a desire not unknown to many men from all walks of life. But as soon as his plane lands in Nassau, Buster's dreams are quickly shattered by reality. While attempting to fit into the Bahamian culture and way of life, Buster must gain the respect of his pre-teen students, make friends with other teachers, and battle his way through loneliness. But when he finds what he hopes is love, Buster soon learns that life is unpredictable at best. *Wild Dog Caribbean* is the colorful tale of a restless American teacher who must survive outside the spheres of his old, accustomed environment and find a new normal while living and working amid an ever-changing 1970s Bahamian culture.

Gangsters, Guns & Me - Now I'm in Eastenders, but once I was on the run. This is my true story

Jamie Foreman is one of Britain's most iconic actors. He is also the son of Britain's most notorious gangster, Freddie Foreman. Jamie's life has been anything but ordinary. Right from the start, his world was one of contrast and contradiction: he grew up surrounded by London's criminal elite, living by their code of honour and respect, yet he himself was brought up to be a 'straight goer'. The backdrop of his home life was to differ greatly from his time at school as, at seven years old, Jamie found himself in the unlikely surroundings of a boarding school. The happiness of his family and school life was snatched from Jamie when his father was sentenced to ten years in prison for his involvement in the killing of Jack 'The Hat' McVitie. The subsequent years saw Jamie without the father he adored and the whole family was put under enormous strain. At 14, Jamie decided that his passion was for acting and, having been encouraged by Barbara Windsor, he discovered yet another new environment at the Italia Conti Stage School. Jamie thrived in the acting world and was soon enjoying success on both stage and screen. By the time of his dad's release from prison, Jamie had carved a 'straight' career for himself - but after years apart, there was plenty of lost time to make up for. Soon, he was dividing his time between acting and assisting with Freddie's 'business.' Before long, though, life took a surprising turn when a drug deal his father was heavily involved in went tragically wrong and he was forced to go on the run to America with his dad, which marked the start of a whole new adventure ... A truly fascinating story of a unique life. From being babysat by the Kray Twins to his life-changing meeting with Lawrence Olivier. Jamie's is a compelling tale of a boy becoming a man, of a father lost and found (and nearly lost again), and of the adventure, violence and tenderness that forged an unbreakable father-son relationship.

Bully Busters

Offers middle school teachers classroom strategies for stopping and preventing bullying.

Chart Book

'I'm a HUGE fan of Alison Green's "Ask a Manager" column. This book is even better' Robert Sutton, author of *The No Asshole Rule* and *The Asshole Survival Guide* 'Ask A Manager is the book I wish I'd had in my desk drawer when I was starting out (or even, let's be honest, fifteen years in)' - Sarah Knight, New York Times bestselling author of *The Life-Changing Magic of Not Giving a F*ck* A witty, practical guide to navigating 200 difficult professional conversations Ten years as a workplace advice columnist has taught Alison Green that people avoid awkward conversations in the office because they don't know what to say. Thankfully, Alison does. In this incredibly helpful book, she takes on the tough discussions you may need to have during your career. You'll learn what to say when: · colleagues push their work on you - then take credit for it · you accidentally trash-talk someone in an email and hit 'reply all' · you're being micromanaged - or not being managed at all · your boss seems unhappy with your work · you got too drunk at the Christmas party With sharp, sage advice and candid letters from real-life readers, *Ask a Manager* will help you successfully navigate the stormy seas of office life.

Ask a Manager

This book puts a myriad of homework, handouts, activities, and interventions in your hands! Targeted specifically toward children and adolescents, the "therapist's helpers," you'll find in this extraordinary book will give you the edge in aiding children with their feelings, incorporating play techniques into therapy, providing group therapy to children, and encouraging appropriate parental involvement. The

Therapist's Notebook for Children and Adolescents covers sleep problems, divorce, illness, grief, sexual abuse, cultural/minority issues, and more, incorporating therapeutic approaches that include play, family play, psychodynamic, family systems, behavioral, narrative, and solution-focused therapy. This ready reference is divided into eight thoughtfully planned sections to make it easy to find the right activity, handout, or intervention for the problem at hand: Dealing with Children's Feelings, The Use of Play in Therapy, Special Child Problems, Youth/Adolescents, Specific Approaches or Interventions, Family Issues, Parent Education and Intervention, and Illness and Bereavement. Covering a wide age range, The Therapist's Notebook for Children and Adolescents will help you become even more effective with your youthful clients by: providing creative ideas for use with children expanding your repertoire of proven interventions and approaches to working with children and specific children's issues exploring effective ways to run children's groups showing you how to work with children in many modalities--individual, family, with parents, and in groups examining ways to include parents and families in child/adolescent therapy to increase the ability to make systematic changes--helping the client's behavioral change to be reinforced at home A far cry from typical child intervention books, The Therapist's Notebook for Children and Adolescents: Homework, Handouts, and Activities for Use in Psychotherapy does much more than simply help you teach skills to children. Make it a part of your therapeutic arsenal today!

International Television & Video Almanac

Boys' Life is the official youth magazine for the Boy Scouts of America. Published since 1911, it contains a proven mix of news, nature, sports, history, fiction, science, comics, and Scouting.

The Therapist's Notebook for Children and Adolescents

Together, School Rampage Shootings and Other Youth Disturbances and its accompanying downloadable resources provide a complete toolkit for using early preventative interventions with elementary-school age children. In ten thoughtful, clearly written chapters, both new and experienced practitioners will find a wealth of research- and evidence-based techniques that link personal child and childhood environmental conditions to a number of symptoms, disturbances, and disorders in youth or adulthood, including the expression of rampage violence. In the second part of this indispensable collection – the accompanying downloadable resources – practitioners will find worksheets and handouts that translate useful techniques into reality and are sure to make any practice come alive.

Boys' Life

Two American Boys is a story of two childhood best friends, Mike and Rick, who grew up on the same block. Relive the late 50s and 60s with their numerous adventures and thrill with their faithful dogs, Ginger and Blackie, at their side. Play baseball, army and go hunting and fishing with Mike's father and enjoy his many stories, as they grow up in a time of innocence in America. While America might have been innocent, these boys were not. From fistfights with the Bad Brothers on the block to breaking windows, these boys always found themselves in the midst of fun and trouble. Jumping from roofs while playing Zorro and running from angry sailors and hornets are just a glimpse at some of their experiences you will enjoy as you watch them grow up. After years of friendship, high school approaches and Rick moved to California. As the years went by, the boys still kept in touch through letters and the bond that was built between them still stays strong. After high school, Mike joined the army and went to Korea while Rick joined the Marines and went to Vietnam. It was 1969 and Mike had not received anymore letters from Rick in 'Nam and now he feared the worst. Mike searched for his long lost friend for years and years with no luck at all. Finally, follow Mike to the Vietnam Wall in Washington, D.C. to find the answer to the question that plagued him: Did Rick make it back or was his name on the Wall?

School Rampage Shootings and Other Youth Disturbances

Most books about bullying tell children how to act without addressing how they feel. But the usual advice to 'ignore it' or 'say something smart' is doomed to fail, as you can't act brave and confident if you feel stressed and helpless inside. Jenny Alexander's approach is to develop readers' psychological defences. Through an entertaining mix of exercises, quizzes and fictional scenarios, she combines common sense with simple cognitive therapy techniques, to build up children's self esteem. Her tone is humorous and upbeat, but always sensitive to the reader's feelings. This new, updated edition takes account of recent technologies such as texting, MSN and bluejacking, which are increasingly abused by bullies.

Movie Maker

Wondering what video to rent tonight? This bestselling, fact-packed guide is the only sourcebook you and your family will ever need. Mick Martin and Marsha Porter steer you toward the winners and warn you about the losers. Arthur worries about remembering his magic tricks for the April Fool's Day assembly and Binky's threats to pulverize him.

Bully Busters (2-book Set)

Short subject films have a long history in American cinemas. These could be anywhere from 2 to 40 minutes long and were used as a "filler" in a picture show that would include a cartoon, a newsreel, possibly a serial and a short before launching into the feature film. Shorts could tackle any topic of interest: an unusual travelogue, a comedy, musical revues, sports, nature or popular vaudeville acts. With the advent of sound-on-film in the mid-to-late 1920s, makers of earlier silent short subjects began experimenting with the short films, using them as a testing ground for the use of sound in feature movies. After the Second World War, and the rising popularity of television, short subject films became far too expensive to produce and they had mostly disappeared from the screens by the late 1950s. This encyclopedia offers comprehensive listings of American short subject films from the 1920s through the 1950s.

Motion Picture Almanac

The Tarascon Adult Psychiatrica is the ultimate portable reference for the busy psychiatrist, psychologist, primary care physician or other health care professionals in the field of adult psychiatry. Bullies, Bigmouths and So-Called Friends

Longhorn Hoops documents the history of basketball at the University of Texas. For men's basketball, Richard Pennington goes season by season, describing every game the Longhorns have ever played from 1906 to 1998. He does the same for women's basketball, except for the first two chapters, which cover longer spans of time leading up to the establishment of basketball as a varsity sport for women in 1974. Pennington demonstrates that Texas basketball, while always secondary to King Football, actually has a long and colorful history. Beside stories of games won or lost, points scored, and rebounds collected, Pennington recalls the orange-and-white stars of yesteryear--from Clyde Littlefield to Reggie Freeman--and brings the greatest teams to life, including the unbeaten Steers of 1924, the Final Four team of 1947, Harold Bradley's 1963 team, Abe Lemons' 1978 NIT champions, and Tom Penders' 1990 Longhorns. Perhaps the most interesting story in Longhorn Hoops is how Anna Hiss, director of women's physical education at Texas from 1921 to 1957, helped lead a nationwide movement against intercollegiate competition for women, which shut down UT women's basketball for several decades and made progress in the 1960s and 1970s much more difficult. Some determined co-eds got it going again, and, with the energy and direction of women's athletic director Donna Lopiano and coach Jody Conradt (whose teams have won more than 700 games), the Longhorns built a powerhouse program that reached its apex with an undefeated team in 1986, winning the NCAA championship with the heroics of freshman star Clarissa Davis. Basketball, as Pennington notes in his preface, is the most beautiful sport of all, and its history at the University of Texas has now been told. This comprehensive book features a foreword by Dr. Denton Cooley, the world-famous heart surgeon who helped the Longhorns win an SWC title in 1939.

DVD & Video Guide 2005

Boys' Life is the official youth magazine for the Boy Scouts of America. Published since 1911, it contains a proven mix of news, nature, sports, history, fiction, science, comics, and Scouting.

School Library Journal

A step-by-step guide to reestablishing work-life balance Americans love a hard worker. The employee who toils eighteen-hour days and eats meals on the run between appointments is usually viewed with a combination of respect and awe. But for many, this lifestyle leads to family problems, a decline in work productivity, and, ultimately, physical and mental burnout. Intended for anyone touched by what Robinson calls "the best-dressed problem of the twenty-first century," *Chained to the Desk in a Hybrid World* provides an inside look at the impact of work stress on those who live and work with workaholics—partners, spouses, children, and colleagues—as well as the appropriate techniques for clinicians who treat them. This groundbreaking book builds on the research included in three previous editions of *Chained to the Desk* from the best-selling author and widely respected family therapist Bryan E. Robinson. In the wake of the COVID-19 pandemic and the rise of working from home, Robinson finds that the agonies of work stress have only become more challenging. Recent years have seen an unprecedented shift to remote work, which has made it significantly harder to maintain the already delicate work-life balance, weakened as it is by smartphones and other technology. The result is that many workaholics are more stressed and burnt out than ever before in their work, despite being constantly in the presence of family. *Chained to the Desk in a Hybrid World* both counsels and consoles. It provides a step-by-step guide to help readers spot, understand, and ultimately recover from workaholism.
