As a tour guide for more than ten years, I have hosted more than a thousand overseas guests to Japan. I have noticed that certain questions come up again and again. I thought it would be helpful to have a book that answers the most common questions about the ancient Japanese art of the kimono. If you take the time to learn about the traditional kimono, you will understand its real attraction as an art. Traditional kimonos utilize sophisticated Japanese handicraft techniques that have developed through

centuries of history. Additionally, if you are planning to travel to Japan, the best preparation is to read this book, take the exclusive opportunity to attend my online tour, and meet the author to guide Japan. While exploring the treasures of Japanese culture, you will have an extraordinary experience unlike anything from your daily lives. I will make your travels in Japan into a special experience.
