Das Phantom Von Manhattan

The Phantom of the Opera escapes to the U.S. and becomes a ruthless multimillionaire, still masked and obsessed with the singer Christine. Then a letter from Paris changes his life. What happens next is told from various perspectives, each of which advances the plot. The soft-voiced phantom, the snobby columnist, the evil Darius-each adds color to the story while painting a vivid portrait of early twentieth-century New York. The dialogue on human nature between the priest and God hits the heights dramatically. Zwei Grossmeister der Unterhaltungskunst begegnen sich: Frederick Forsyth erzahlt das Schicksal des "Phantoms der Oper" nach Andrew Lloyd Webber weiter und zeigt sich dabei von einer aufregend neuen Seite!

Das Phantom Von Manhattan

Zwei Grossmeister der Unterhaltungskunst begegnen sich: Frederick Forsyth erzahlt das Schicksal des "Phantoms der Oper" nach Andrew Lloyd Webber weiter und zeigt sich dabei von einer aufregend neuen Seite!

The Phantom of Manhattan

The stunning continuation of the timeless classic The Phantom of the Opera. In The Phantom of Manhattan, acclaimed, bestselling suspense novelist Frederick Forsyth pens a magnificent work of historical fiction, rife with the insights and sounds of turn-of-the-century New York City, while continuing the dramatic saga which began with Gaston Leroux's brilliant novel The Phantom of the Opera... More than two decades have passed since Antoinette Giry, the mistress of the corps de ballet at the Paris Opera, rescued a hideously disfigured boy named Erik from a carnival and brought him to live in the labyrinthine cellars of the opera house. Soon thereafter, his intense, unrequited love for a beautiful chorus girl set in motion a tragic string of events, forcing him to flee Paris forever. Now, as she lies dying in a convent, Madam Giry tells the untold story of the Phantom and his clandestine journey to New York City to start anew, where he would become a wealthy entrepreneur and build the glorious Manhattan Opera House...all so he could see his beloved, now a famous diva, once again. But the outcome of her

visit would prove even more devastating than before-- and yet, would allow the Phantom to know, for the first time in his brutal life, the true meaning of love...

Das Phantom von Manhattan

El fantasma de Manhattan

Welches war das erfolgreichste deutsche Buch des 20. Jahrhunderts? Welchen Schicksalsschlag haben Toni Morrison, Aldous Huxley, Eric Ambler und Malcolm Lowry gemeinsam? War Hemingway ein Kriegerverbrecher? Wie lautet der kürzeste Anfangssatz in einem deutschen Roman und wer hat ihn geschrieben? All das und noch viel, viel mehr steht in diesem alle Rahmen sprengenden Lexikon. Rainer Schmitz hat den Ozean der Literatur von Homer bis in die Gegenwart durchfischt und berichtet von Trouvaillen und Trophäen, von denen in herkömmlichen Literaturlexika gewöhnlich nichts zu finden ist: Affären und Prozesse, Mystifikationen und Fälschungen, Legenden und Spekulationen, Schmähe- und Nachreden, Plagiate und Pseudonyme, Poesie und Polizei, Dichtung und Bargeld, Musen und Musenküsse, Genie und Wahnsinn, Dichturfürsten und Literaturpäpste, Tod und Verklärung, Witwen und Erben. 1200 Stichwörter von A bis Z, fast 4000 Namen, zahllose Verweise.

Wenn man dich verfolgt: Drei Romane um Geheimnis und Liebe: Mystic Thriller Großband 4/2022 Sammelband 3 Romane von Alfred Bekker Über diesen Band: Dieser Band enthält folgende Romane von Alfred Bekker Ahnengeister Die Gruft des bleichen Lords Tod in Tanger Seltsame, unerklärliche Dinge geschehen im Leben einer jungen Anwältin in Kanada, seit sie einen indianischen Schamanen verteidigt, dem der Mord an einem Geschäftsmann zur Last gelegt wird und dessen Hotel mit Golfanlage auf dem Boden einer uralten indianischen Kultstätte errichtet wurde. Wird sie von rachsüchtigen indianischen Ahnengeistern verfolgt oder ist sie eher Opfer einer perfiden Verschwörung? Schon bald gibt es weitere Opfer... Eine junge Frau gerät in den Bann okkultur Mächte, als sie die Stellung als Verwalterin eines Landguts antritt – und der geheimnisvolle bleiche Lord wirft seinen dunklen Schatten auf sie... Die deutsche Studentin Elsa reist nach der für sie schmerzlichen elterlichen Scheidung nach Tanger, um Abstand zu gewinnen. Dort lernt sie den 38jährigen Robert kennen, einen attraktiven, indes einigermaßen undurchsichtigen Mann scheinbar dänischer Herkunft, in den sie sich verliebt und in dessen Villa sie bald darauf einzieht. Zunächst glaubt sie ihm bedingungslos und vertraut ihm etliches aus ihrer bedrückenden Vergangenheit an, doch als sie bemerkt, dass Robert Schminkutensilien benutzt und über mehrere Pässe verfügt, beginnt sie, sich über den Charakter von Roberts Geschäften Gedanken zu machen. Wenig später begibt sich Robert auf eine seiner sogenannten Geschäftsreisen nach Spanien und Frankreich, und Elsa bleibt zusammen mit dem arabischen Hausdiener in der Villa zurück. Es stellt sich heraus, dass ein dunkles Geheimnis Robert umgibt...

Der Fluch des Zwergengolds Die wilden Orks 2 von Alfred Bekker Der Umfang dieses Buchs entspricht 156 Taschenbuchseiten. Eine große Aufgabe steht vor Lirandil, dem Elbenwanderer. Unheil in Athranor In Athranor, der alten Heimat der Elben, leben Orks und Menschen in ständigem Krieg. Auf dem Prinzen Candric ruhen die größten Hoffnungen, auch wenn er erst zehn Jahre alt ist. Doch der Herr der Orklände kann mithilfe eines mächtigen Zaubers Candrics Körper gegen den eines jungen Orks tauschen. Candric muss sich jetzt unter prügelnden Orks behaupten, während gleichzeitig der Ork Rhomroor in seinem Körper jedes Festbankett am Königshof stört. Zusammen mit dem Elbenkrieger Lirandil reisen der Prinz und der Ork zur Stadt der Spiegel, um den Fluch zu brechen.

This book gathers papers presented at the International Conference on Advanced Intelligent Systems for Sustainable Development (AI2SD-2018), which was held in Tangiers, Morocco on 12–14 July 2018. Highlighting the latest research and advances in the field of healthcare, it shares essential insights into the health sector, and is intended to stimulate further discussion and promote closer interdisciplinary collaboration among researchers and health professionals.

Die Beute: Druckplatten zur Herstellung von Dollarnoten. FBI Special Agent Jesse Trevellian und sein Team nehmen die Ermittlungen auf und kommen einer unglaublichen Verschwörung auf die Spur. Ohne es zu ahnen, ist Trevellian jedoch längst selbst im Visier eines Mörders, der nur als KILLER OHNE NAMEN bekannt ist...

Das Buch

«Manhattan Transfer» gehört zu den großen revolutionären Romanen des 20. Jahrhunderts. Durch eine Fülle von Schauplätzen und Charakteren lässt Dos Passos ein schillerndes Porträt des urbanen New Yorker Dschungels entstehen, in dem das Jagdfieber wütet: nach Arbeit, Glück und Macht. Die Figuren des Romans – ein junger Einwanderer, ein Gewerkschaftsführer, ein Mörder, ein Karrierist, eine nach Selbständigkeit strebende Frau, ein sensibler Alkoholiker und andere – scheinen aus der unbestimmbar großen Masse der Stadtbewohner herausgerissen, um irgendwann wieder in ihrem Gewühl unterzugehen. Der eigentliche Protagonist des Romans ist jedoch die Großstadt New York von den frühen Jahren des 20. Jahrhunderts bis nach dem Ersten Weltkrieg – eine immense, scheinbar anarchische Macht, der alle ausgeliefert sind. Der Roman ist panoramisch, filmisch, eine beeindruckende Collage modernen Lebens, voller Episoden und Brüche. Dos Passos' Kamerablick setzt das Dokumentarische neben das Erleben seiner fiktiven Figuren; er verfolgt sie durch das Dickicht der Stadt, überlässt es jedoch dem Leser, seine Schlüsse aus ihrem Lebenskampf zu ziehen. Nach Erscheinen dieses Romans rückte Dos Passos mit einem Schlag in die Riege der wichtigsten Autoren des 20. Jahrhunderts. In ihm vermischen sich der Naturalismus eines Theodore Dreiser und der Modernismus eines James Joyce zu einem vibrierenden, atemlos rhythmischen Stil, der bis heute nichts von seiner schillernden Farbigkeit und leuchtenden Intensität eingebüßt hat. Zahlreiche Autoren nahmen sich Dos Passos weltweit zum Vorbild, unter anderem übte er maßgeblichen Einfluss auf Alfred Döblins berühmten Roman «Berlin Alexanderplatz» aus. Die vorliegende Neuübersetzung stammt von dem renommierten Literaturübersetzer Dirk van Gunsteren (Thomas Pynchon, Philip Roth, T.C. Boyle) und ersetzt die aus dem Jahr 1966 stammende von Paul Baudisch. Sie ist mit einem Nachwort von

Clemens Meyer (bekannt durch seinen ebenfalls Dos Passos verpflichteten großen Leipzig-Roman »Im Stein«) versehen.

Alfred Bekker schrieb als Brian Carisi Star Force - Rebellen des Mars

Is the point of philosophy to transmit beliefs about the world, or can it sometimes have higher ambitions? In this bold study, Karen Zumhagen-Yekplé makes a critical contribution to the "resolute" program of Wittgenstein scholarship, revealing his *Tractatus Logico-Philosophicus* as a complex, mock-theoretical puzzle designed to engage readers in the therapeutic self-clarification Wittgenstein saw as the true work of philosophy. Seen in this light, Wittgenstein resembles his modernist contemporaries more than might first appear. Like the literary innovators of his time, Wittgenstein believed in the productive power of difficulty, in varieties of spiritual experience, in the importance of age-old questions about life's meaning, and in the possibility of transfigurative shifts toward the right way of seeing the world. In a series of absorbing chapters, Zumhagen-Yekplé shows how Kafka, Woolf, Joyce, and Coetzee set their readers on a path toward a new way of being. Offering a new perspective on Wittgenstein as philosophical modernist, and on the lives and afterlives of his indirect teaching, *A Different Order of Difficulty* is a compelling addition to studies in both literature and philosophy.

5 Mitternachts-Thriller: Alpträume und Masken

Orpheus in Manhattan

Winner of the ASCAP Nicolas Slonimsky Award for Outstanding Musical Biography The musical landscape of New York City and the United States of America would look quite different had it not been for William Schuman. *Orpheus in Manhattan*, a fully objective and comprehensive biography of Schuman, portrays a man who had a profound influence upon the artistic and political institutions of his day and beyond. Steve Swayne draws heavily upon Schuman's letters, writings, and manuscripts as well as unprecedented access to archival recordings and previously unknown correspondence. The winner of the first Pulitzer Prize in Music, Schuman composed music that is rhythmically febrile, harmonically pungent, melodically long-breathed, and timbrally brilliant, and Swayne offers an astute analysis of his work, including many unpublished music scores. Swayne also describes Schuman's role as president of the Juilliard School of Music and of Lincoln Center, tracing how he both expanded the boundaries of music education and championed the performing arts. Filled with new discoveries and revisions of the received historical narrative, *Orpheus in Manhattan* confirms Schuman as a major figure in America's musical life.

Vincent Persichetti

Vincent Persichetti: *Grazioso, Grit, and Gold* is the first critical biography of the esteemed American composer, bringing together scholarly work and short contributed essays of prominent performers. Andrea Olmstead weaves a captivating narrative of the composer from his early life to his musical activities at Juilliard and death in 1987.

The Sound of a Superpower

"Classical composers seeking to create an American sound enjoyed unprecedented success during the 1930s and 1940s. Aaron Copland, Roy Harris, Howard Hanson, and others brought national and international attention to American composers for the first time in history. In the years after World War II, however, something changed. The prestige of musical Americanism waned rapidly as anti-Communists made accusations against leading Americanist composers. Meanwhile, a method of harmonic organization that some considered more Cold War—appropriate—serialism—began to rise in status. For many composers and historians, the Cold War had effectively “killed off” musical Americanism. In this book, the author offers a fuller, more nuanced picture of the effect of the Cold War on Americanist composers. She shows that the ideological conflict brought both challenges and opportunities. Some leftist Americanist composers struggled greatly in this new artistic and political environment, especially as American nationalism increasingly meant American exceptionalism. But composers of all political stripes would find in the federal government a new and unique channel through which to ensure the survival of musical Americanism, as the White House sought to use American music as a Cold War propaganda tool and American composers as cultural diplomats. The Americanists’ efforts to safeguard the reputation of their style would have significant consequences. Ultimately, they effected a rebranding of musical Americanism, with consequences that remain with us today.”--Rabat de la jaquette.

Strategies for Regenerating the Library and Information Profession

This volume comprises papers prepared for the 8th World Conference on Continuing Professional Development (Bologna, Italy, 18-20 August 2009). Within the broad theme of creating a positive work environment for a multi-generational workforce in library and information organizations, the conference addresses managing between and across generations, mentoring and coaching, attracting people to the profession and developing a new generation of leaders, re-skilling and transferability of skills, succession planning and passing on knowledge.

Sounds of War

Classical music in 1940s America had a cultural relevance and ubiquitousness that is hard to imagine today. No other war mobilized and instrumentalized culture in general and music in particular so totally, so consciously, and so unequivocally as World War II. Through author Annegret Fauser's in-depth, engaging, and encompassing discussion in context of this unique period in American history, *Sounds of War* brings to life the people and institutions that created, performed, and listened to this music.

George Rochberg, American Composer

Based on private diaries, correspondence, and unpublished writings, *George Rochberg, American Composer*, reveals the impact of personal trauma on the creative and intellectual work of a leading postmodern composer.

Catalog of Copyright Entries

In 1933 choreographer George Balanchine and impresario Lincoln Kirstein embarked on an elusive quest to found a ballet company and school in the United States. Though their efforts would eventually result in the creation of the New York City Ballet and the School of American Ballet, the first decade of their collaborative efforts was anything but assured. Tracing the tangled histories of two of the most important figures in twentieth-century dance, Balanchine and Kirstein's *American Enterprise* offers a fresh perspective on a pivotal period in cultural history. Deeply researched using sources only made available in recent years, the book challenges the mythologies surrounding the early years of the Balanchine-Kirstein enterprise. It also reveals the full extent of Kirstein's essential role and offers reconstructive analysis of lost works, as well as new and surprising details regarding some of Balanchine's most iconic ballets, including *Serenade*, *Apollo*, and *Concerto Barocco*. This history involved artists including Richard Rodgers, Martha Graham, George Gershwin, Katherine Dunham, Vera Zorina, and Igor Stravinsky, as well as dozens of lesser known players whose contributions have yet to be fully acknowledged. Capturing the full sweep of Balanchine and Kirstein's collaborative work across multiple genres and institutions, this book reveals their partnership in all of its exciting and ungainly complexity, showing how the 1930s Balanchine was not the artist that he would eventually become, and how the same was true of the institutions that he and Kirstein jointly created.

Symphony

This title is part of UC Press's Voices Revived program, which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice, reach, and impact. Drawing on a backlist dating to 1893, Voices Revived makes high-quality, peer-reviewed scholarship accessible once again using print-on-demand technology. This title was originally published in 1974.

Balanchine and Kirstein's American Enterprise

A hands-on resource that shows nonprofits how to adopt entrepreneurial behaviors and techniques. The rising spirit of social entrepreneurship has created all kinds of new opportunities for nonprofit organizations. But at the same time, many are discovering more than their share of challenges as well. This essential book will help anyone in the field gain the necessary skills to meet these challenges. Written by the leading thinkers and practitioners in the field, *Enterprising Nonprofits* offers concise and engaging explanations of the most successful business tools being used by nonprofits today. The authors clearly describe all the concepts so you'll be able to embrace the methods of social enterprise for your organization. With this book, you'll learn how to use practical business techniques to dramatically improve the performance of your nonprofit. Praise for *Enterprising Nonprofits* "I can't imagine a better team to bring powerful insights and practical guidance to social entrepreneurs. Readers will be inspired by the examples, and then they will roll up their sleeves to apply the many useful management tools in this engaging book."-Rosabeth Moss Kanter, Harvard Business School, Author of *Evolve!: Succeeding in the Digital Culture of Tomorrow* "In one book, *Enterprising Nonprofits* does for social entrepreneurs what countless volumes have done for entrepreneurs in the business sector. A wonderful mixture of analysis, practical advice, and inspiration."-Paul Brest, President, William and Flora Hewlett Foundation All of the royalties from this book will be used by the Ewing Marion Kauffman Foundation to support continuing work on social entrepreneurship.

Romantic Orpheus

This volume surveys the literary treatment of the Orpheus myth as the myth of the essence of poetry - the ability to encounter the fullest possible intensity of beauty and sorrow and to transform them into song. The first half of the book concentrates on the ancient literary tradition, from the myth's Greek origins through the influential poetic versions of Ovid and Virgil and its treatment by other Latin authors such as Horace and Seneca. Later chapters focus on the continuities of the myth in modern literature, including the poetry of H.D., Rukeyser, Rich, Ashbery, and, especially, Rilke. The author's leitmotif throughout is the relation of poetry to art, love and death, the 'three points of the Orphic triangle'. Through close readings of individual texts, he shows how various versions of the myth oscillate between a poetry of transcendence that asserts its power over the necessities of nature - including the ultimate necessity, death - and a poetry that celebrates its immersion in the stream of life.

Enterprising Nonprofits

"A fresh rewriting of the myth [of Orpheus] from the perspective of Eurydice, the wife of Orpheus. Eray's surrealistic novel takes place in a hot resort town in contemporary Turkey, where the site of an archeological dig brings the ancient histories of Greece and Rome in contact with junta-ruled Turkey of the 1980s"--Back cover.

Irish Orpheus

A timely and informative collection, *A Poetry Criticism Reader* brings together eleven essays and reviews that constitute some of the best and most illuminating poetry criticism from the past decade. In his introduction to the book, editor-poet Jerry Harp gives an overview of poetry criticism and its pluralistic traditions after the high modernist years of T. S. Eliot. In the essays that follow, esteemed critics and poets explore varied aspects of poetics, make aesthetic statements, relate to postmodernism with its array of meanings, and examine particular poets and poems. Works by Donald Justice, James Tate, Paul Muldoon, Jorie Graham, Seamus Heaney, and Czeslaw Milosz are among those studied. None of the pieces was written in direct response to any of the others; nonetheless, they complement each other, forming a kind of dialogue. Because editors Jerry Harp and Jan Weissmiller selected writers who give us a broad range of perspectives on our postmodern moment as they reach into history for context, the collection offers students---the next generation of poets and critics---and their teachers exemplary models of fine critical writing and thought.

The Jazz Discography

"Working On A Song is one of the best books about lyric writing for the theater I've read."—Lin-Manuel Miranda Anaïs Mitchell named to TIME's List of the 100 Most Influential People in the World of 2020 An illuminating book of lyrics and stories from *Hadestown*—the winner of eight Tony Awards, including Best Musical—from its author, songwriter Anaïs Mitchell with a foreword by Steve Earle On Broadway, this fresh take on the Greek myth of Orpheus and Eurydice has become a modern classic. Heralded as "The best new musical of the season," by The Wall Street Journal, and "Sumptuous. Gorgeously good as it gets," by The New York Times, the show was a breakout hit, with its poignant social commentary, and spellbinding music and lyrics. In this book, Anaïs Mitchell takes readers inside her more than decade's-long process of building the musical from the ground up—detailing her inspiration, breaking down the lyrics, and opening up the process of creation that gave birth to *Hadestown*. Fans and newcomers alike will love this deeply thoughtful, revealing look at how the songs from "the underground" evolved, and became the songs we sing again and again.

A Poetry Criticism Reader

New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

Working on a Song

A retelling of the tragic myth of Orpheus and his eternal love for the doomed Eurydice.

Catalogue of Title-entries of Books and Other Articles Entered in the Office of the Librarian of Congress, at Washington, Under the Copyright Law ... Wherein the Copyright Has Been Completed by the Deposit of Two Copies in the Office

This compilation reveals how followers help an organization get better and how effective followers—leading from the middle—are essential to the best kind of leadership. In "Leading from the Middle," and Other Contrarian Essays on Library Leadership, John Lubans, Jr., argues for democratic library organizations with shared leadership and decision making by leaders and followers. His book distills 15 years worth of leadership essays to advance a theory of a collaborative and empowering leadership, touching on such subjects as teamwork, empowerment, "followership," challenges, values, coaching, self-management, collaboration, communication, and techniques and tools. Lubans's 36 essays draw new and insightful perspectives on leadership from disparate realms: travel, sports, music, retail businesses, and airlines. All of the essays have been edited and revised for this book and many have been extensively updated with new material and epilogues. The essays flow from the author's experience as a manager/leader, his teaching of the topic, and his research into and experimentation with organizational leadership. Insights and suggestions are tempered by a candid reflection on successes achieved and mistakes made.

Orpheus

Flower power, black power, and Woodstock animated the late '60s. But what of the early '60s? What of the golden years animated by America's thousand days of Camelot as John Kennedy presides over the White House, boldly turns back the Soviets by his naval quarantine of Cuba, and launches the Peace Corps? Idealism flowers, sweeping up young Roman Proud whose journey to the New Frontier goes from Columbia University to Peace Corps training at Cornell University, then on to service in South America's Atacama Desert. Along the way, Long Island debutante Regina, a Barnard College pre-med, and Ellen, a Smith College scholar-athlete recruited by the Peace Corps, shape Roman's formative years - by jilting him. Returning to New York in the mid-'60s, Roman signs on to the War on Poverty with a more subdued vision of life and work. Decades later, Nadia, a once-aspiring ballerina, flees Russia to Washington, rouses Roman, now a widower, out of his apathy until he's on the verge of proposing - only to become jilted again. Yet, by spring 2005, unbeknownst to each other, Regina, Ellen, and Nadia take turns dazzling Roman with their newly rekindled passion. Avenged and reveling in their ardor, the gleeful, wayward widower betrays their trust. Will he care to retrieve his honor, choose to stay true to one woman again, and give thought to what he should do with the rest of his life?

Wiley FastCompany Reader Series , Leadership

The captivating "history" of the figure of Orpheus, his enduring legacy as the force and muse of creation itself.

Orpheus' Lyre

Demonstrates the impact of global education partnerships related to information access. International librarianship stems from a desire to bring about political change, transcultural understanding, collaboration, and mutual respect. Historically, librarians have been deeply involved with challenging issues of information sharing, equity in information access, and bridging the digital divide between different socioeconomic communities. This collection draws on case studies from American librarians who traveled to Central America, the Caribbean, Central Europe, Africa, the Mediterranean, and Asia to participate in librarian-initiated and sponsored projects. They united communities, promoted religious and cultural tolerance, developed new facilities, or enhanced existing libraries and archives, thereby enriching communities with resources, professional expertise, new partnerships, and sustainable development practices. International Librarianship offers insight into how these experiences might serve as templates and promote best practices in collaborations within the library profession in the United States and abroad, and it also demonstrates how international experiences can enliven home institutions upon return. Constantia Constantinou is Dean of University Libraries at Stony Brook University, State University of New York. Michael J. Miller is Chief Librarian at Bronx Community College,

City University of New York. Kenneth Schlesinger is Chief Librarian at Lehman College, City University of New York, and coeditor (with Robert Farrell) of *Managing in the Middle: The Librarian's Handbook*.

A Perfect Manhattan Murder

Thrilled that their playwright friend's Broadway debut was a rousing success, Nic and Nigel are trying to enjoy the A-list after-party with their pal Harper. Unfortunately, all the champagne and repartee in the world aren't enough to overlook the churlish behavior of Harper's theater-critic husband, Dan. Nic is shocked the next morning when she learns that Dan's been murdered. Nigel thinks the world may be a better place without him. Still, Harper is their friend and they're intent on helping her any way they can. Invigorated by the thrill of the hunt and fortified by a flood of cocktails, catching the killer becomes the Martinis' top priority...with their behemoth Bullmastiff Skippy along for the ride. Includes cocktail recipes! Praise: "It's impossible to resist Kiely's charming trio of husband, wife, and dog. The manner is effervescent and amusing, and the mystery surprisingly good."—Kirkus Reviews "In another amusing take-off on the Thin Man series, *A Perfect Manhattan Murder* features Nic and her husband, Nigel Martini, as witty, drink-loving amateur sleuths in a Broadway murder mystery sure to leave you shaken (with laughter), if not stirred."—Mystery Scene "A smart, sassy, sophisticated mystery with snappy dialogue and a fast-moving plot."—Suspense Magazine

Murder in Manhattan

A panel of eight mystery writers presents suspenseful and humorous mysteries set in Manhattan and peopled by a varied cast of homicidal characters

Murder in Manhattan

A crime that rocked a city. A case that stunned a nation. Based on the United States' first recorded murder trial, Eve Karlin's spellbinding debut novel re-creates early nineteenth-century New York City, where a love affair ends in a brutal murder and a conspiracy involving Alexander Hamilton and Aaron Burr erupts in shattering violence. It is high time to tell the truth. Time for justice. . . . How she was murdered and why she haunts me. It is not only Elma's story, it's mine. On the bustling docks of the Hudson River, Catherine Ring waits with her husband and children for the ship carrying her cousin, Elma Sands. Their Greenwich Street boardinghouse becomes a haven for Elma, who has at last escaped the stifling confines of her small hometown and the shameful circumstances of her birth. But in the summer of 1799, Manhattan remains a teeming cesspool of stagnant swamps and polluted rivers. The city is desperate for clean water as fires wreak devastation and the death toll from yellow fever surges. Political tensions are rising, too. It's an election year, and Alexander Hamilton is hungry for power. So is his rival, Aaron Burr, who has announced the formation of the Manhattan Water Company. But their private struggle becomes very public when the body of Elma Sands is found at the bottom of a city well built by Burr's company. Resolved to see justice done, Catherine becomes both witness and avenger. She soon finds, however, that the shocking truth behind this trial has nothing to do with guilt or innocence.

Murder in Manhattan

The Manhattan in the title sometimes refers to the suave part of New York and sometimes to its prairie twin in Kansas. The stories are equally diverse. Bull writes tales of children outwitting their elders in the name of what's right in turbulent Bleeding Kansas; of card sharks, clever dames and tough guys out on the town in the flush days of post-World War II; of an anguished husband and another furious father thwarted while seeking revenge; and a crime writer who really can't handle rejection.

City of Liars and Thieves

Comedian Steve Allen once again turns sleuth to investigate a murder on the set of a movie in which he is playing a part that requires him to dress up as Superman

Murder Manhattan Style

An historical crime thriller set in New York City in 1891 featuring detective Joseph Argenti and one of the first criminal forensic analysts Finley Jameson. They investigate a series of horrific murders of prostitutes, suspected to be carried out by the same Jack the Ripper who had previously carried out several similar crimes in London, UK.

Murder in Manhattan

A series of suicides of middle aged women leads Dr. Alexander Bloorwise and the team of Martin, Halley and Dobbelia to uncover a raw and bloody secret. It all starts when Sandy Bloorwise finds a rare copy of R. Austin Freeman's *The Golden Pool* in a dusty bookshop. He realizes it is a stolen property. He traces the owner, Dr. Kalnes Raglan, a practicing psychiatrist, who invites him and Martin to the fabulous and ultra exclusive Bacchus Club for dinner. He sets a chain of events in motion when he asks Martin to conduct psychological autopsy on a patient from his clinic, who recently committed suicide. Dr. Martin is the Forensic Psychiatrist employed by the City of New York. The latest patient he has to evaluate is Mafty Smith, a young boy accused of shooting at the President of the United States, but with a toy gun! Sandy Bloorwise, the crusty old bachelor with a dark secret from his past, falls in love with Laura, a divorcee. Therese Rankin, who has just been released from prison finds job with a strange employer, who is invisible. Another suicide follows. It leads them to a modern snake pit run by the smooth talking Dr. George Kusank. First Editions, romance, corporate greed, blighted innocence, all play a part in this mystery involving too many psychiatrists.

Murder in Manhattan: A Jameson & Argenti Thriller, Book 1

"Detective Jane Bauer is a most welcome addition to the ranks of fictional cops." –Peter Robinson
When NYPD detective Jane Bauer and her team check in for their new assignment, they reopen a cold case that's a real killer. Ten years earlier, police responding to a spate of late-night 911 calls from Greenwich Village discovered a young African American undercover cop, Micah Anthony, shot dead on Waverly Place. The killer left no clues, and the murder remains an inscrutable mystery . . . except for two things: Anthony had infiltrated a lucrative gun-trading operation in the city, and it seemed likely that he knew and trusted the killer. So begins an investigation that leads Jane from Village brownstones to middle-class Queens, from wealthy Sutton Place to sinister subway tunnels, as a mastermind of murder resumes operations—and every path is mined with menace. "Harris knows a lot about cops and a lot about women and she knows how to plot a good mystery." –Stephen Greenleaf

If There Wasn't Death

This book contains all the evidence surrounding the murder of Lisa May Rimini, dancing girl, gangster's moll, and glitzy gold-digger.

Murder in Greenwich Village

Newly promoted to detective first-grade with the NYPD, Jane Bauer, is back to work after a nearly fatal run-in with a killer. But while she's happy to be back on the job, her new assignment—another cold case—seems to hold little promise of being solved. Eight years ago, Anderson Stratton, a schizophrenic, was found dead of starvation in his apartment. Nothing on the scene indicated foul play, and although he left no note, the death was ultimately ruled a suicide. Stratton's well-connected sister, Flavia Constantine, never accepted that conclusion, and has insisted that the case be reopened. But in their investigation, Jane and her team stumble upon another grisly suicide—and realize that the two may very well be connected. As her inquiry intensifies, Jane is led to a shocking and horrible truth—and once again finds herself on the threshold of death.

Murder in Manhattan

With more than one million people crammed into just over twenty-two square miles, Manhattan Island is a petri dish for the study of humanity. From murder and suicide to fatal accidents, death takes myriad forms among the hustle and bustle of the city that never sleeps. With the city always a hotbed of mob activity, gangsters have left victims of hits throughout the city. The boom and bust of Wall Street often resulted in tragic economic desperation. The soaring heights of Manhattan's skyscrapers provided for macabre incidents of New Yorkers falling out of windows--or perhaps mysteriously pushed. Pulling from the pages of New York's heyday of newspapers, author Lawrence R. Samuel reveals the lurid and vivid details of Gotham's deadly past.

Murder in Alphabet City

“Lee Harris, author of the beloved Christine Bennett holiday mystery series, gives us a new detective and a grittier neighborhood in *Murder in Hell's Kitchen*, but her storytelling skill remains top quality.”—Tony Hillerman After twenty years of loyal service, Detective Jane Bauer is just two months and one case away from leaving the NYPD for a cushy desk job. Her last assignment: working for a special unit that tackles unsolved crimes. At a crossroads in her personal life, Jane relishes the chance to lose herself in a challenging investigation. Four years ago, Arlen Quill was found dead in the entryway to his apartment building—leaving no clues, no witnesses, and no leads. When Jane decides to interview Quill's old neighbors, she makes a startling discovery: Every single occupant at the time of the murder subsequently disappeared. Like any seasoned New Yorker, Jane knows that mere homicide isn't enough to drive people from their rent-controlled apartments. In *Hell's Kitchen*—where a cold case suddenly heats up—Jane soon finds herself face-to-face with a killer. . . . “Lee Harris heads off in an exciting new direction with *Murder in Hell's Kitchen*—a page-turner of a police procedural, in which a cold case turns hot and the suspense builds and builds. Detective Jane Bauer is a most welcome addition to the ranks of fictional cops.”—Peter Robinson

Dead on Arrival in Manhattan

In *Golden Boy*, New York Times bestselling author John Glatt tells the true story of Thomas Gilbert Jr., the handsome and charming New York socialite accused of murdering his father, a Manhattan millionaire and hedge fund founder. By all accounts, Thomas Gilbert Jr. led a charmed life. The son of a wealthy financier, he grew up surrounded by a loving family and all the luxury an Upper East Side childhood could provide: education at the elite Buckley School and Deerfield Academy, summers in a sprawling seaside mansion in the Hamptons. With his striking good looks, he moved with ease through glittering social circles and followed in his father's footsteps to Princeton. But Tommy always felt different. The cracks in his façade began to show in warning signs of OCD, increasing paranoia, and—most troubling—an inexplicable hatred of his father. As his parents begged him to seek psychiatric help, Tommy pushed back by self-medicating with drugs and escalating violence. When a fire destroyed his former best friend's Hamptons home, Tommy was the prime suspect—but he was never charged. Just months later, he arrived at his parents' apartment, calmly asked his mother to leave, and shot his father point-blank in the head. Journalist John Glatt takes an in-depth look at the devastating crime that rocked Manhattan's upper class. With exclusive access to sources close to Tommy, including his own mother, Glatt constructs the agonizing spiral of mental illness that led Thomas Gilbert Jr. to the ultimate unspeakable act.

Murder in Hell's Kitchen

The USA Today bestselling *Murder, She Wrote* mystery series continues as Jessica Fletcher learns that Manhattan is murder at Christmastime... Promoting her latest book brings bestselling mystery writer Jessica Fletcher to New York for Christmas. Her schedule includes book signings, restaurants, department stores...and murder? It all begins with a sidewalk Santa staring at Jessica with fear and recognition. Behind the beard is Waldo Morse, former drug smuggler and the most notorious citizen of Cabot Cove, Maine. Jessica hasn't a clue as to how he ended up as a street corner Saint Nick, but she agrees to meet him at two o'clock the next day. Jessica shows up with her camera, but in no time at all Santa is dead. While the police are strangely slow on their feet, and the dead man's wife uncommonly fast on the run, Jessica decides to do what she does best: strategically snoop around and graciously outwit the pros on both sides of the law...

Golden Boy

THE INTERPRETATION OF MURDER is an inventive tour de force inspired by Sigmund Freud's 1909 visit to America, accompanied by protégé and rival Carl Jung. When a wealthy young debutante is discovered bound, whipped and strangled in a luxurious apartment overlooking the city, and another society beauty narrowly escapes the same fate, the mayor of New York calls upon Freud to use his revolutionary new ideas to help the surviving victim recover her memory of the attack, and solve the crime. But nothing about the attacks - or about the surviving victim, Nora - is quite as it seems. And there are those in very high places determined to stop the truth coming out, and Freud's startling theories taking root on American soil.

Murder, She Wrote: Manhattans & Murder

New York City is being terrorized by a serial killer preying on young professional ladies. The authorities are baffled by the murders. The first murder was thought to be a case of extreme sex gone bad, except when two more victims were added to the list. The politicians fearing a city-wide panic, have kept the murders under wrap, desperately trying to apprehend the maniacal killer before going public. NYPD's Midtown South Precinct, at their wits end, hire a private investigative team, Mancuso & O'Brian Investigations. Hailed as 'The Last Advocate of the Victims' by the local New York media because of his Sherlock Holmes style of deduction, Joey Mancuso is a former top NYPD's Midtown South Precinct homicide detective. His brother and co-partner, Father Dominic O'Brian, is the Associate Pastor at St. Helen's Church in Brooklyn. Charged with solving these horrific murders, the brothers work out of a makeshift squad room in the back of their Irish pub set in the heart of the Financial District of Manhattan-Captain O'Brian's Irish Pub and Cigar Bar. The killer, profiled as an "unprincipled psychopath and highly narcissistic," seems to be three steps ahead of everyone. Little does Mancuso know that this killer could turn these killings into a personal affront that can threaten him and those around him. Now in the third book of his Mancuso & O'Brian Crime Mystery series, award winning author Owen Parr tantalizes readers with clues and possibilities in this fast-paced, page-turning novel. Don't be fooled by what you see! Like Mancuso, you'll need to observe and search beyond the obvious. Join Joey and Father O'Brian as they feverishly work out of their Irish pub to solve this case that possibly threatens the ones they love.

The Interpretation of Murder

A Murder on Wall Street takes us inside the world of Captain O'Brian's Irish Pub and Cigar Bar in Manhattan, a legendary hotspot in the Financial District. Investigating the death are pub owners Joey Mancuso, fired from the NYPD for his unorthodox methods, and his brother Father Dominic, who isn't your typical priest. Also investigating is Marcy Martinez, a Cuban bombshell and FBI agent who's Joey's girlfriend. When a customer kills himself after celebrating the night before, the three know something's wrong. Turns out, the customer's death coincides with people losing money, and lots of it-and some of those people are very, very dangerous. The apparent suicide of a hedge fund executive and the hit and run accident of his assistant leads Mancuso, Father O'Brian, and FBI Special Agent Martinez into the underworld of Wall Street. Money laundering, insider trading, and a Ponzi scheme are but a few of the crimes they uncovered, as they try and piece together this crime-ridden puzzle. Joey Mancuso spent sixteen years in the NYPD earning his First Grade Detective shield and becoming one of the most successful homicide detectives. His last case, the murder of a homeless person in an alley behind the famed 21 Club, went unsolved. Political pressure undermined the case, as Joey's efforts led him to a congressional candidate and a Wall Street major donor with political juice. His efforts to continue the investigation in spite of the pushback caused his forced retirement from the NYPD. The Internal Affairs Division has sealed his file warning him to cease or else. Now a half-owner, with his half-brother, Catholic priest, Father Mancuso, of an Irish pub, he continues his quest to solve crimes. Both are private investigators and together with Joey's girlfriend, FBI agent Marcy, set out to bring to justice perpetrators of crimes, law enforcement is ignoring. Can a priest, his brother, and the brother's girlfriend solve a murder case and see justice done-or will they be the murderer's latest victim? Fast-paced, suspenseful and thrilling, A Murder on Wall Street is one case you'll want to solve yourself. But the ending is unexpected, as the puzzle finally comes together in this page-turner you won't want to put down. -Parr is a master storyteller, equally adept at weaving a tale of international political intrigue or, as he proves in his latest novel, a classic story of private sleuths cracking a New York murder mystery, with a side order of whiskey and cigars. You'll want to have both on hand when you pick up this book. - Jim Nesbitt, author of The Last Second Chance and The Right Wrong Number, Ed Earl Burch hard-boiled detective thrillers. -A well-plotted and researched detective mystery novel. As much as I tried to solve the case while I read, Parr proved me wrong every time. -Oscar Rodriguez, Criminal Attorney -Parr has a knack for creating memorable characters that come to life in the pages of his novels. -Tom Spencer, Esquire -If Michael Connelly and Robert Ludlum wrote a book together, the result would be an Owen Parr -Crime Mystery Novel. -Mike Pettit, Best Selling Author -Parr's, A Murder On Wall Street, had me guessing 'whodunit' all the way through the end. The culmination is unexpected. Wow, I thoroughly enjoyed the first Mancuso, O'Brian crime mystery novel. - Jose Valero, Entrepreneur -Joey's love and relationship with Marcy, makes this crime mystery, a love story. Can't wait for these two to reappear in Parr's next novel. Enjoyed every minute. -Cheryl Walker Castela, Author

The Manhattan Red Ribbon Killer

Based on the hit TV series, a murder at exclusive spa resort leaves a small circle of suspects for the British detective inspector on the case. DI Richard Poole has been seconded from London to the beautiful Caribbean island of Saint Marie. More comfortable in woolen suits than short-sleeved shirts, he's struggling to adapt to his new home. But this paradise is about to get deadly. When self-appointed guru Aslan Kennedy gets murdered in his spiritual retreat for wealthy holidaymakers, it's down to DI Poole to find the killer. The murder took place in a locked room with five other people inside, and when someone confesses, it seems an open and shut case. But DI Poole knows the facts just don't add up, and there is more to the mystery than meets the eye. . . . The first installment of the Death in Paradise Mysteries, perfect for fans of Agatha Christie and Caroline Graham. "I love Robert Thorogood's writing." —Peter James, international bestselling author of *Picture You Dead*

A Murder on Wall Street

In the summer of 1906, a distinguished member of one of New York's most prestigious and powerful men's clubs - the Metropolitan Club - is found with his throat slashed, murdered within the club's walls. By all eyewitness accounts, the murder is another member - a man who, in actuality, wasn't there that night and, in fact, was across town in plain view of a hundred witnesses who can attest to his innocence. To J. P. Morgan, founding member of the Metropolitan Club, there is only one man to which he can trust with the swift and proper resolution of this impossible crime - his one-time nemesis, Sheriff John Le Brun of Jekyll Island, Georgia. Le Brun, a rough-hewn but brilliant man, is lured to turn of the century New York City by both his own curiosity about the city itself as well as the puzzle of the crime. Thrust in the midst of the cream of Manhattan society and intelligentsia, the elite and the powerful - including actor William Gillette, newspaperman Joseph Pulitzer, architect Stanford White, and financial colossal J. P. Morgan himself - Le Brun finds himself in a deadly struggle and race against time with an unseen foe, a mind perhaps as nimble as his own.

A Meditation on Murder

The first Rune mystery.

The Manhattan Island Clubs

The discovery of a body floating in New York City's East River leads to the re-opening of the murder of Lacy Wooden, an aspiring young dancer. As NYPD Lieutenant James Francis Moran and his team follow each clue, they are brought face-to-face with some of the city's most influential powerbrokers. As each layer of the case is peeled away, the secret life of each of these individuals is revealed, as well as their mutually unbeknown connection to the deceased woman. Finding the murderer against this backdrop of characters, while at the same time not ruffling feathers, is a fine line Moran must walk. This, and dealing with a gravely ill wife and his own personal issues, all add up to what seems to be an insurmountable task for the detective. About the Author Joseph Steven, the author of several novels, is a former New York trial defense attorney and listed in the Who's Who of America. He resides in Southern California with his wife and is working on his next novel.

Manhattan is My Beat

'Deftly entertaining ... satisfyingly pushes all the requisite Agatha Christie-style buttons' Barry Forshaw, *The Independent* DEATH IN PARADISE is one of BBC One's most popular series which averages 9 million viewers.

Manhattan Serenade

This carefully edited collection of murder mysteries has been designed and formatted to the highest digital standards and adjusted for readability on all devices. Melville Davisson Post (1869-1930) was an American author, born in West Virginia. Post's best-known character is the mystery solving, justice dispensing West Virginian backwoodsman, Uncle Abner. Post also wrote number of stories about Randolph Mason, a brusque New York lawyer who is highly skilled at turning legal loopholes and technicalities to his clients' advantage. Post's other recurring characters include Sir Henry Marquis of Scotland Yard, the French policeman Monsieur Jonquelle and the Virginia lawyer Colonel Braxton. Table of Contents: The Strange Schemes of Randolph Mason The Corpus Delicti Two Plungers of Manhattan Woodford's Partner The Error of William Van Broom The Men of the Jimmy The Sheriff of Gullmore The Animus Furandi The Man of Last Resort (The Clients of Randolph Mason) The Governor's Machine Mrs.

Murder in the Caribbean (A Death in Paradise Mystery, Book 4)

A New York City homicide detective discusses the real work of a dedicated police investigator, shedding light on such notorious cases as the Central Park Jogger Case, the Preppie Murder, and the Baby Maldonado Case

MURDER MYSTERY COLLECTION: 40+ Thriller Novels & Detective Tales (Including Uncle Abner Mysteries, Randolph Mason Schemes & Sir Henry Marquis Cases)

Small-town police chief Arly Hanks takes on the New York Police Department to save her mother from a murder rap in this madcap police procedural. When her marriage went up in smoke, Arly Hanks left Manhattan and never looked back. As police chief of Maggody, Arkansas, population 755, Arly is a glorified traffic cop, and she couldn't be happier. But when Arly's mother, the indomitable Ruby Bee Hanks, is invited to a baking contest in New York, Arly is forced to return to the city she hates—and the Big Apple is even more rotten than she remembered. Ruby Bee has hardly preheated her oven when a naked man is found shot in her bedroom and the NYPD throws her in jail. As tempting as it may be to let her mother rot on Rikers Island, Arly has no choice but to solve the case herself, facing down killers, bakers, and the most dangerous villain of all: her ex-husband. Joan Hess is better than anyone when it comes to writing small-town murder mysteries, and Maggody in Manhattan shows she knows her way around big cities too. When the wacky residents of Maggody are loosed on the Big Apple, New York City will get turned upside down. Maggody in Manhattan is the 6th book in the Arly Hanks Mysteries, but you may enjoy reading the series in any order.

Murder in Manhattan

Short stories by Thomas Chastain, Mary Higgins Clark, Stanley Cohen, Dorothy Salisbury Davis, Lucy Freeman, and others.

Manhattan North Homicide

Finance professor Lisa King, on sabbatical at the Reilly Investment Company, is expecting to deal with real-world risks and rates of return. But staggering losses in the derivatives market and a prankster with a portfolio of tricks intervene. Then, on Black Sunday, the firm's owner is founded murdered. When Lisa teams up with a former cop and his take-no-prisoners receptionist, the chase is on.

Maggody in Manhattan

A woman chronicles her efforts as an amateur detective to solve the forty-four-year-old murder of her beloved uncle in this true crime memoir. The brutal 1970 murder of LaVerne Stordock, a respected family man and former police detective, shocked his Wisconsin community. On the surface, the case seemed closed with the confession of Stordock's wife, Suzanne. But the trail of secrets and lies that began with his death did not end with his widow's insanity plea. Dorothy Marcic, a playwright, theatrical producer, and university professor, couldn't put her doubts to rest. In 2014, she embarked on a two-year mission to uncover the truth. In the bestselling tradition of Ann Rule and M. William Phelps, *With One Shot* weaves a spellbinding tale of unmet justice and the truth behind a shocking family tragedy. Praise for *With One Shot* "A rapid-fire, real-life thriller." —M. William Phelps, *New York Times*—bestselling author of *We Thought We Knew You* "A riveting, personal story of the American justice system." —Kaylie Jones, author of *Lies My Mother Never Told Me* "A gripping tale, well worth reading." —Lawrence M. Miller, author of *The Lean Coach* "Marcic excavates new depths of perfidy, cruelty and lies." —Randy Cohen, former Ethicist for *The New York Times* "A compelling read about a true family murder mystery marked by intrigue, betrayal and injustice." —Leslie J. Mann, assistant prosecutor, Essex County, New Jersey

Justice in Manhattan

Called “the best kind of nonfiction” by Michael Connelly, this riveting new book combines true crime, brain science, and courtroom drama. In 1991, the police were called to East 72nd St. in Manhattan, where a woman's body had fallen from a twelfth-story window. The woman's husband, Herbert Weinstein, soon confessed to having hit and strangled his wife after an argument, then dropping her body out of their apartment window to make it look like a suicide. The 65-year-old Weinstein, a quiet, unassuming retired advertising executive, had no criminal record, no history of violent behavior—not even a short temper. How, then, to explain this horrific act? Journalist Kevin Davis uses the perplexing story of the Weinstein murder to present a riveting, deeply researched exploration of the intersection of neuroscience and criminal justice. Shortly after Weinstein was arrested, an MRI revealed a cyst the size of an orange on his brain's frontal lobe, the part of the brain that governs judgment and impulse control. Weinstein's lawyer seized on that discovery, arguing that the cyst had impaired Weinstein's judgment and that he should not be held criminally responsible for the murder. It was the first case in the United States in which a judge allowed a scan showing a defendant's brain activity to be admitted as evidence to support a claim of innocence. The Weinstein case marked the dawn of a new era in America's courtrooms, raising complex and often troubling questions about how we define responsibility and free will, how we view the purpose of punishment, and how strongly we are willing to bring scientific evidence to bear on moral questions. Davis brings to light not only the intricacies of the Weinstein case but also the broader history linking brain injuries and aberrant behavior, from the bizarre stories of Phineas Gage and Charles Whitman, perpetrator of the 1966 Texas Tower massacre, to the role that brain damage may play in violence carried out by football players and troubled veterans of America's twenty-first century wars. The Weinstein case opened the door for a novel defense that continues to transform the legal system: Criminal lawyers are increasingly turning to neuroscience and introducing the effects of brain injuries—whether caused by trauma or by tumors, cancer, or drug or alcohol abuse—and arguing that such damage should be considered in determining guilt or innocence, the death penalty or years behind bars. As he takes stock of the past, present and future of neuroscience in the courts, Davis offers a powerful account of its potential and its hazards. Thought-provoking and brilliantly crafted, *The Brain Defense* marries a murder mystery complete with colorful characters and courtroom drama with a sophisticated discussion of how our legal system has changed—and must continue to change—as we broaden our understanding of the human mind.

Duped by Derivatives

The first in a stunning new series introducing the Marlow Murder Club! ‘A hugely enjoyable murder mystery written with wonderful verve, humour and compassion. Utterly delightful’ Robert Webb ‘I love Robert Thorogood’s writing’ Peter James From the creator of the BBC One hit TV series, *Death in Paradise*

With One Shot

Called “the best kind of nonfiction” by Michael Connelly, this riveting new book combines true crime, brain science, and courtroom drama. In 1991, the police were called to East 72nd St. in Manhattan, where a woman's body had fallen from a twelfth-story window. The woman's husband, Herbert Weinstein, soon confessed to having hit and strangled his wife after an argument, then dropping her body out of their apartment window to make it look like a suicide. The 65-year-old Weinstein, a quiet, unassuming retired advertising executive, had no criminal record, no history of violent behavior—not even a short temper. How, then, to explain this horrific act? Journalist Kevin Davis uses the perplexing story of the Weinstein murder to present a riveting, deeply researched exploration of the intersection of neuroscience and criminal justice. Shortly after Weinstein was arrested, an MRI revealed a cyst the size of an orange on his brain's frontal lobe, the part of the brain that governs judgment and impulse control. Weinstein's lawyer seized on that discovery, arguing that the cyst had impaired Weinstein's judgment and that he should not be held criminally responsible for the murder. It was the first case in the United States in which a judge allowed a scan showing a defendant's brain activity to be admitted as evidence to support a claim of innocence. The Weinstein case marked the dawn of a new era in America's courtrooms, raising complex and often troubling questions about how we define responsibility and free will, how we view the purpose of punishment, and how strongly we are willing to bring scientific evidence to bear on moral questions. Davis brings to light not only the intricacies of the Weinstein case but also the broader history linking brain injuries and aberrant behavior, from the bizarre stories of Phineas Gage and Charles Whitman, perpetrator of the 1966 Texas Tower massacre, to the role that brain damage may play in violence carried out by football players and troubled veterans of America's twenty-first century wars. The Weinstein case opened the door for a novel defense that continues to transform the

legal system: Criminal lawyers are increasingly turning to neuroscience and introducing the effects of brain injuries—whether caused by trauma or by tumors, cancer, or drug or alcohol abuse—and arguing that such damage should be considered in determining guilt or innocence, the death penalty or years behind bars. As he takes stock of the past, present and future of neuroscience in the courts, Davis offers a powerful account of its potential and its hazards. Thought-provoking and brilliantly crafted, *The Brain Defense* marries a murder mystery complete with colorful characters and courtroom drama with a sophisticated discussion of how our legal system has changed—and must continue to change—as we broaden our understanding of the human mind.

The Brain Defense

In 1799, the murder of a young woman caused a terrific stir in the city of New York. The victim was Gulielma Sands who, on December 22, left the boardinghouse where she lived, never to return. Her bruised body was found several days later in the Manhattan Well, a twenty-minute carriage ride from her home. The accused was Levi Weeks, a fellow boarder who, Miss Sands had claimed, was to marry her the night she disappeared. Two of the attorneys for the defense were Aaron Burr and Alexander Hamilton, friends of Ezra Weeks, a prominent builder and brother of the accused. The citizens of New York raised an enormous hue and cry over the murder: the body was displayed in the streets before the trial; mobs shoved their way into the courtroom to see the famous lawyers at work and to get a glimpse of the accused; and—when the verdict was read—few felt that justice had been done. This book tells the story of the trial of Levi Weeks and includes the entire transcript of the first American murder trial ever recorded. It is at once a riveting retelling of a true crime in which the voices of early New Yorkers come to us freshly from over two centuries, and a riveting legal and social history of New York in the early years of the Republic.

The Marlow Murder Club (The Marlow Murder Club Mysteries, Book 1)

"In this work of nonfiction, Elon Green reports on a series of baffling and brutal crimes. The victims of the serial murderer dubbed the 'Last Call Killer' were all gay men, and Green tries to shine a light onto their complicated lives and the queer community in New York City in the 1980s and 1990s as well. Peter Stickney Anderson was the first of the known victims"-- Adapted from the publisher's description.

The Brain Defense

At a Moment's Notice: A Witness to Murder is a fast-paced novel about the witness, how his life changes direction, and how those changes affect those who love him. The reader is taken into the inner sanctum of mob activity regarding one particular murder, as the story takes many twists but is never predictable. Taking place in Manhattan, NY, in 1957, the plot is inspired by true life events from the author's past.

The Trial of Levi Weeks

It should have been a routine childbirth. But somehow, the mother died in the delivery, the baby was born brain-damaged, and Jeffrey Rhodes, the anesthesiologist, is running for his life. Charged with malpractice, he is found guilty of harmful intent and reckless disregard for human life. To clear his name, Rhodes must follow a fugitive trail into the heart of medical nightmare. A trail that, for some, may end in suicide--and for others, in the most shocking conspiracy of our time...

Last Call

Back in 1988, a young author emerged onto the crime scene with a fresh and inspiring New York crime series starring a young aspiring film-maker - Rune. The series quickly established their author as one to watch. In this opener, Rune becomes obsessed with the murder of one of the customers at her video store. Mr Kelly had been renting the classic noir movie - *MANHATTAN IS MY BEAT* - over and over again and she swiftly becomes convinced that the secret to his brutal death is hidden in its black-and-white frames. But what she doesn't realise is that her interest is going to bring her far closer to the killer than she ever could have wanted.

At a Moment's Notice

The first novel in the national bestselling *Gaslight Mystery* series introduces Sarah Brandt, a midwife in the turn-of-the-century tenements of Manhattan who refuses to turn a blind eye to the injustices of the crime-ridden city... After a routine delivery, Sarah visits her patient in a rooming house—and

discovers that another boarder, a young girl, has been killed. At the request of Sergeant Frank Malloy, she searches the girl's room. She discovers that the victim is from one of the most prominent families in New York—and the sister of an old friend. The powerful family, fearful of scandal, refuses to permit an investigation. But with Malloy's help, Sarah begins a dangerous quest to bring the killer to justice—before death claims another victim...

The Plot to Assassinate The Chase Manhattan Bank

Equity and Trusts has quickly established itself as a market leader due to its clarity, insight and accessibility in what is perhaps the most complex of legal areas. Hudson's scholarly account of the subject

makes this text sufficiently authoritative for trust practitioners but also provides a comprehensible introduction for a student audience. As in previous editions, the traditional doctrines are analysed in the context of current issues and the book's progressive approach intersperses discussion of the core ideas with clear examples. This fourth edition has been extensively rewritten and includes new chapters on: understanding the trust certainty in the creation of express trusts the rights of beneficiaries and the beneficiary principle, formalities in the creation of express trusts, constructive trusts breach of trust miscellaneous equitable remedies. Individual essays on the nature of express trusts, the law on fiduciaries, family law, human rights law and equity draw together the main principles while examining related questions of restitution and social justice. This book is essential reading for all those seeking a modern approach to this crucial area of law.

Equity and Trusts

International Law Reports is the only publication in the world wholly devoted to the regular and systematic reporting in English of courts and arbitrators, as well as judgements of national courts.

The Chase

The ABA Journal serves the legal profession. Qualified recipients are lawyers and judges, law students, law librarians and associate members of the American Bar Association.

International Law Reports

Robert Chambers has written a much-needed, detailed examination of the resulting trust which will be invaluable to all barristers and academics working in the areas of equity and trusts, restitution and the law of property.

Annual Report - The Chase Manhattan Corporation

Private Law in Theory and Practice explores important theoretical issues in tort law, the law of contract and the law of unjust enrichment and relates the theory to judicial decision-making in these areas of private law. Topics covered include the politics and philosophy of tort law reform, the role of good faith in contract law, comparative perspectives on setting aside contracts for mistake and the theory and practice of proprietary remedies in the law of unjust enrichment. Contributors to the book bring a variety of theoretical approaches to bear on the analysis of private law. They include: economic analysis, corrective justice theory, comparative analysis of law, socio-legal inquiry, social history, political theory as well as doctrinal analysis of the law. In all cases the theoretical approaches are applied to recent case law developments in England, Australia and Canada, or, in the case of tort law, proposals in all these jurisdictions to reform the law. The book presents the theory of private law and the application of theory to practical legal problems in an accessible form to teachers and students of tort, contract and the law of unjust enrichment, legal researchers and law reformers.

ABA Journal

The ABA Journal serves the legal profession. Qualified recipients are lawyers and judges, law students, law librarians and associate members of the American Bar Association.

The Chase Manhattan Bank Annual Report

INTERNATIONAL BUSINESS LAW: CASES AND MATERIALS is a timely and useful book. Uncounted millions of "international" transactions occur daily, as goods and services are purchased across the national boundaries of some 200 political units. Capital flows from nation to nation, and so—to a lesser extent—do jobs, as companies seek more favorable locations for their business operations. The "rules" (laws) governing these exchanges quickly become complex, as persons (and governments) from different countries are involved. If problems arise in a cross-border relationship, whose rules apply? What forums are available to resolve disputes? Are there tax implications to the transaction? If so, where? These and similar questions need to be factored into the decision to "go overseas." Each of the six chapters in this book begins with a brief overview of the subject-matter, followed by short previews of the chosen case examples. The primary content of the chapters consists of some 120 court and arbitration decisions in real disputes, between real parties. The actual text of the decisions in these cases has been edited; some excerpts are quite brief, others are more substantial. Most "background" facts have been summarized by the author, but the edited-decision part of each case is

quoted from the actual recorded text of the court or arbitrator who decided it. Clearly, a minute sample from tens of thousands of cases cannot provide comprehensive coverage of what all the world's legal rules are. Our objectives here are simply to indicate some of the major potential "flash points" of doing international business, to illustrate some of the significant differences in the applicable legal rules, and to provide an exposure to the language and process by which international business disputes are resolved. "Fore-warned is fore-armed." Being aware of these potential trouble spots, a sensible business manager will presumably consider them in making the decision to engage in cross-border transactions, and take appropriate steps to avoid or minimize potential adverse consequences. Chapter I of this book introduces International Law—its course of development and its two major sources (custom and treaties). Chapter II examines the use of national and international courts and arbitrators to resolve cross-border disputes. Chapter III provides basic coverage of the United Nations Convention on Contracts for the International Sale of Goods: when it applies, how the sale contract is formed, when risk of loss on the goods passes from Seller to Buyer, and what responsibilities the Seller has for the quality of the goods sold. Chapter IV looks at some of the legal questions that might arise in conducting cross-border commercial operations—employment issues, intellectual property issues, and investment issues. Chapter V considers potential questions regarding taxation of international activities, and the regulation of adverse environmental effects. Chapter VI reviews the efforts by national governments to apply their competition regulations to international business transactions, and the difficulties that private parties might have in attempting to enforce legal claims against governments and their agencies. While these are surely not the only legal issues that might arise in connection with international business, they do constitute a significant set of concerns of which managers need to be aware as they venture into the international "stream of commerce."

Chase Manhattan Bank V. W.T. Grant Company

The Law of Restitution in Nigeria covers the historical development of restitution in law, its scope, and contemporary issues related to it. Some of the issues covered are: Ignorance; Incapacity; Exploitation; Enrichment at the plaintiffs expense; Restitution for wrongs and general principles, torts, breach of contract, equitable wrongdoing, criminal offenses; Defenses relating to changing circumstances; Illegality; and limitation of actions in restitution.

Resulting Trusts

This book presents an analysis including the impact of more than fifteen federal statutes-ranging from the Civil Rights Act of 1866 to the Fair and Accurate Credit Transactions Act-on the banking.

Private Law in Theory and Practice

"This book has emerged ... from Maudsley and Burn's trusts and trustees: cases and materials, the seventh edition of which was published in 2008"--Preface.

ABA Journal

Composed of approximately one-quarter authors' commentaries and three-quarters cases and materials, including academics' articles and extracts from books and Law Commission papers, this book facilitates the development of personal study skills and encourages readers to engage with the leading commentaries in the area. Clearly signposted chapter introductions highlight the salient features under discussion and additional reading collected at the end of each chapter guides further study and independent research. The range of material covered and the straightforward style makes Text, Cases and Materials on Contract Law an invaluable resource for all undergraduate students of contract law.

International Law Reports: Volume 86

The only complete and fully indexed reports of the Tribunal's decisions between 2000 and 2002.

International Business Law: Cases and Materials

Decisions originally reported currently in Standard federal tax service, Federal estate and gift tax service, and Federal excise tax reports.

The Law of Restitution in Nigeria

Today, opportunities and challenges of available technology can be utilized as strategic and tactical resources for your organization. Conversely, failure to be current on the latest trends and issues of IT can lead to ineffective and inefficient management of IT resources. Managing Information Technology in a Global Economy is a valuable collection of papers that presents IT management perspectives from professionals around the world. The papers introduce new ideas, refine old ones and possess interesting scenarios to help the reader develop company-sensitive management strategies.

Consumer Financial Services

This new edition has been considerably revised to take account of recent major statutory and case law developments. The Contracts (Rights of Third Parties) Act 1999 introduced a significant improvement in the rights of third parties to enforce contracts. The Trustee Delegation Act 1999 and the Trustee Act 2000 have had a profound effect in updating the law concerning trustees' duties and powers. Important new cases covered include: *Foskett v Mckeown* (tracing); *Pragon Finance Ltd v Thakerar* (constructive trusts); *Air Jamaica v Charlton* (resulting trusts); *Choithram International v Pagarani* (constitution of trusts); *Twinsectra Ltd v Yardley* (accessory liability); *Wight v Olswang* (exclusion clauses); *Southwood v AG* (charities); *Schmidt v Rosewood Trust* (disclosure of trust documents); *Pennington v Waine* (gifts of shares); *Le Foe v Le Foe* (indirect contributions to family assets); *Gwembe Valley Development Co Ltd v Koshy* (limitation periods); *Duggan v Governor of Full Sutton Prison* (intention to create a trust); *OT Computers Ltd v First National Tricity Finance Ltd* (certainty of objects), and many more. Each chapter includes an exposition of the fundamental principles of trusts law in a readable and intelligible form, supplemented by extracts from judgments of leading cases. References to other relevant cases, statutes, articles and official reports are also incorporated where appropriate.

Equity & Trusts: Text, Cases, and Materials

A top risk management practitioner addresses the essential aspects of modern financial risk management. In the Second Edition of *Financial Risk Management + Website*, market risk expert Steve Allen offers an insider's view of this discipline and covers the strategies, principles, and measurement techniques necessary to manage and measure financial risk. Fully revised to reflect today's dynamic environment and the lessons to be learned from the 2008 global financial crisis, this reliable resource provides a comprehensive overview of the entire field of risk management. Allen explores real-world issues such as proper mark-to-market valuation of trading positions and determination of needed reserves against valuation uncertainty, the structuring of limits to control risk taking, and a review of mathematical models and how they can contribute to risk control. Along the way, he shares valuable lessons that will help to develop an intuitive feel for market risk measurement and reporting. Presents key insights on how risks can be isolated, quantified, and managed from a top risk management practitioner. Offers up-to-date examples of managing market and credit risk. Provides an overview and comparison of the various derivative instruments and their use in risk hedging. Companion Website contains supplementary materials that allow you to continue to learn in a hands-on fashion long after closing the book. Focusing on the management of those risks that can be successfully quantified, the Second Edition of *Financial Risk Management + Website* is the definitive source for managing market and credit risk.

Hearings, Reports and Prints of the House Committee on the Judiciary

Written by leading experts who have shaped and defined the law of restitution, this book provides an authoritative and scholarly guide to the subject, featuring an extensive collection of cases and leading extracts which help to guide the reader through this complex area of law.

Hearings

This book pinpoints continuities and changes in U.S. foreign economic policy from the fixed exchange rate system of the 1960s through to the period between the two oil crises of the 1970s. Chapters pay close attention to the interconnectedness between the long lasting decline of the U.S. Dollar on foreign exchange markets and the U.S. balance of payments, transformations in international capital markets, and international oil developments. The book charts the prolonged failure of Washington's foreign economic policies to restore U.S. financial and monetary leadership through to the Carter Administration.

Reports of the United States Tax Court

The Tribunal, concerned principally with the claims of US nationals against Iran, is the most important to have sat in over half a century.
