- 1..{Andrew Tate vs. Scripture} Who is Andrew Tate, and do his views line up with the Bible?
- 2..{About Saul's Motives} Was Saul's hostility toward the Jewish Christians based on his biblical beliefs, or was he really on a mission to achieve status considering his age prior to conversion and extreme actions?
- 3..{Can a Christian become Reprobate?} Is it possible for a Christian to become a reprobate? If so, can it still be undone? I don't know why, but God seems out of reach.
- 4..{Blaspheming the Spirit vs. the Son/Father} Why is the unforgivable sin described as blaspheming the Holy Spirit, as opposed to blaspheming the Son or the Father?
- 5..{Fulfilled or Unfulfilled Prophecy?} Has Zechariah 9:1-8 already been fulfilled? If not, is it possible that it is in the process of being fulfilled today?
- 6..{Is Jesus Presently "King"?} Is it right to call Jesus "king" since He has not yet set up His Millennial Kingdom on Earth (Revelation 20:4-6)?
- 7..{Reaching a Pagan Friend} I've got a Pagan friend. He believes that all the different gods exist, including the Abrahamic God, and that the Norse Pantheon is most worthy of worship. Any advice

on reaching him?

8..{Marital Relations during Menstruation?} Is it a sin to have marital relations during the menstrual cycle? In Leviticus 18: 19, 24-25, it indicates that this is an abomination. But Leviticus 15: 24 puts it in the category of ritual uncleanness.

9..{Human Sacrifice in the OT?} I'm curious about how to handle 2 Samuel 21. This sounds very close to a form of human sacrifice to honor God.

10..{Do All Incorrect Secondary Views Warrant Repentance?} You said egalitarians need to repent (I agree). But do we apply that same response to other secondary issues such as Calvinism? That's higher on the list of secondary issues compared to egalitarianism vs. complementarianism.

Understanding Medicare can frustrate and confusing as you set out to find the best healthcare coverage for retirement. With all its plans and parts, Medicare looks like alphabet soup; and choosing a Medicare plan is like trying to order from a hundred-page restaurant menu. You are given a gamut of options ranging from Parts A through D to Medicare Advantage to Supplements. How can anyone decide what is best? Well, when you don't know which entrée to choose at Chef M's (What is sriracha aioli? Will I like a deckle steak?), you ask your server for recommendations. When you need to make the best choice for your healthcare, ask Professor Medicare. After seeing thousands of seniors over the past ten years, we have put together a simple process that helps clients understand Medicare so they can make the best choice for their needs. Here are the questions: 1. When do I enroll in Medicare? 2. Do I stick with Original Medicare A and B? 3. Do I choose a Medicare Advantage plan with/without a drug plan? 4. Do I choose a Medicare Supplement and get a stand-alone drug plan. After you have answered those questions, we help you order from the Medicare menu. As independent insurance brokers, we compare all the top Medicare Advantage, Medicare Supplement, and Part D plans. We find the one that matches your healthcare needs and financial situation. And we make sure you understand what your coverage will protect, how much it will cost, and how to use it.
